Executive-Led Wastewater Treatment Business Development Mission to China From June 11-17, 2017

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: The United States Department of Commerce, International Trade Administration (ITA), Executive-led Wastewater Treatment Business Development Mission to China from June 11-17, 2017 is amending the Notice Published at 82 FR 11895 (February 27, 2017) regarding the Executive-Led Wastewater Treatment Business Development Mission to China from June 11-17, 2017, to modify the title to High-Level Wastewater Treatment Business Development Mission to China from June 11-17, 2017 and to modify the selection process of applicants on a rolling basis starting immediately with a maximum number of 15 participants. Applications received after May 11, 2017, will be considered only if space and scheduling constraints permit.

SUPPLEMENTARY INFORMATION:

Amendments to revise the selection process.

Background

It has been determined that the selection process of companies interested in participating in the mission will be vetted on a rolling basis. All applications will be evaluated on their ability to meet certain conditions and best satisfy the selection criteria outlined under the conditions of participation clause. Applications for this Mission will be accepted through May 11, 2017. The Department of Commerce will evaluate all applications and inform applicants of selection decisions as soon as possible after this application deadline (and after that date if space remains and scheduling constraints permit).

California Institute of Technology; Notice of Decision on Application for Duty-Free Entry of Scientific Instruments

This is a decision pursuant to Section 6(c) of the Educational, Scientific, and Cultural Materials Importation Act of 1966 (Pub. L. 89-651, as amended by Pub. L. 106-36; 80 Stat. 897; 15 CFR part 301). Related records can be viewed between 8:30 a.m. and 5:00 p.m. in Room 3720, U.S. Department of Commerce, 14th and Constitution Ave. NW., Washington, DC.

Docket Number: 16-017. Applicant: California Institute of Technology, Pasadena, CA 91125. Instrument: Photonic Professional GT 3D laser Lithography System. Manufacturer: Nanoscribe GmbH, Germany. Intended Use: See notice at 81 FR 89433, December 12, 2016.

Comments: None received. Decision: Approved. We know of no instrument of equivalent scientific value to the foreign instrument described below, for such purposes as this is intended to be used, that was being manufactured in the United States at the time of order. Reasons: The instrument will be used to develop structural meta-materials that are mechanically robust and multi-functional. The instrument allows the

fabrication of 3-dimensional architectures out of polymer, with dimensions on the order of nanometers. There is no other instrument capable of resolving features down to that size because to attain such resolution it is necessary to have the two-photon laser capability.

Renewable Energy And Energy Efficiency Advisory Committee

AGENCY: International Trade Administration, U.S. Department of Commerce.

ACTION: Notice of an open meeting.

SUMMARY: The Renewable Energy and Energy Efficiency Advisory Committee (REEEAC) will hold a meeting on Thursday, May 4, 2017 at the U.S. Department of Commerce Herbert C. Hoover Building in Washington, DC. The meeting is open to the public with registration instructions provided below.

DATES: May 4, 2017, from approximately 8:30 a.m. to 5:00 p.m. Eastern Standard Time (EST). Members of the public wishing to participate must register in advance with Victoria Gunderson at the contact information below by 5:00 p.m. EST on Friday, April 28, 2017, in order to pre-register, including any requests to make comments during the meeting or for accommodations or auxiliary aids.

FOR FURTHER INFORMATION CONTACT: Victoria Gunderson, Designated Federal Officer, Office of Energy and Environmental Industries (OEEI), International Trade Administration, U.S. Department of Commerce at (202) 482-7890; email: Victoria.Gunderson@trade.gov.

SUPPLEMENTARY INFORMATION:

Background: The Secretary of Commerce established the REEEAC pursuant to discretionary authority and in accordance with the Federal Advisory Committee Act, as amended (5 U.S.C. App.), on July 14, 2010. The REEEAC was re-chartered on June 18, 2012, June 12, 2014, and June 9, 2016. The REEEAC provides the Secretary of Commerce with consensus advice from the private sector on the development and administration of programs and

policies to expand the export competitiveness of the U.S. renewable energy and energy efficiency products and services.

On May 4, the REEEAC will hold the third in-person meeting of its new charter term and hold REEEAC sub-committee working sessions, discuss next steps for each sub-committee, consider recommendations for approval, and hear from officials from the Department of Commerce and other agencies on major issues impacting the competitiveness of the U.S. renewable energy and energy efficiency industries.

The meeting will be open to the public and will be accessible to people with disabilities. All guests are required to register in advance by the deadline identified under the **DATES** caption. Requests for auxiliary aids must be submitted by the registration deadline. Last minute requests will be accepted, but may be impossible to fill.

A limited amount of time before the close of the meeting will be available for oral comments from members of the public attending the meeting. To accommodate as many speakers as possible, the time for public comments will be limited to two to five minutes per person (depending on number of public participants). Individuals wishing to reserve speaking time during the meeting must contact Ms. Gunderson and submit a brief statement of the general nature of the comments, as well as the name and address of the proposed participant by 5:00 p.m. EST on Friday, April 28, 2017. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, the International Trade Administration may conduct a lottery to determine the speakers. Speakers are requested to submit a copy of their oral comments by email to Ms. Gunderson for distribution to the participants in advance of the meeting.

Any member of the public may submit written comments concerning the REEEAC's affairs at any time before or after the meeting. Comments may be submitted to the Renewable Energy and Energy Efficiency Advisory Committee, c/o: Victoria Gunderson, Designated Federal Officer, Office of Energy and Environmental Industries, U.S. Department of Commerce; 1401 Constitution Avenue NW.; Mail Stop: 4053; Washington, DC 20230. To be considered during the meeting, written comments must be received no later than 5:00 p.m. EST on Friday, April 28, 2017, to ensure transmission to the REEEAC prior to the meeting. Comments received after that date will

be distributed to the members but may not be considered at the meeting.

Copies of REEEAC meeting minutes will be available within 30 days following the meeting.

Dated: April 3, 2017.

Adam O'Malley,

Director, Office of Energy and Environmental Industries.

National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; National Marine Sanctuary Nominations

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995. This proposed information collection is for national marine sanctuary nominations received pursuant to NOAA regulations that provide that the public may nominate special places of the marine environment through the sanctuary nomination process.

DATES: Written comments must be submitted on or before June 12, 2017.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW, Washington, DC 20230 (or via the Internet at pracomments@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Annie Sawabini, (240) 533-0658, or Annie.Sawabini@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for extension of a currently approved information collection.

National marine sanctuary regulations provide that the public may nominate special places of the marine environment through the sanctuary

nomination process (15 CFR part 922). Persons wanting to submit nominations for consideration should submit information on the qualifying criteria and management considerations for the site to be nominated. The Office of National Marine Sanctuaries reviews the submissions, which could result in the nomination being added to an inventory of areas that NOAA may consider for sanctuary designation at some point in the future. Sanctuary designation is a separate public process that would be conducted pursuant to the requirements of the National Marine Sanctuaries Act, and all other applicable laws.

II. Method of Collection

Electronic applications submitted via email and paper nominations submitted via regular mail.

III. Data

OMB Control Number: 0648-0682.

Form Number(s): None.

Type of Review: Regular (extension of a currently approved information collection).

Affected Public: Individuals or households; business or other for-profit organizations; not-for-profit institutions; state, local, or tribal government; federal government.

Estimated Number of Respondents: 10.

Estimated Time Per Response: 29 hours.

Estimated Total Annual Burden Hours: 290.

Estimated Total Annual Cost to Public: \$120 in recordkeeping/reporting costs.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.
