SURFACE TRANSPORTATION BOARD

[Docket No. AB 1009 (Sub-No. 1X)]

Mission Mountain Railroad, L.L.C.—Discontinuance of Service Exemption—in Flathead County, Mont.

On June 5, 2017, Mission Mountain Railroad, L.L.C. (MMT), filed with the Board a petition under 49 U.S.C. 10502 for exemption from the prior approval requirements of 49 U.S.C. 10903 to discontinue its lease operations over approximately 2.7 miles of rail line owned by BNSF Railway Company (BNSF) in Flathead County, Mont. (the Line). The Line is located from milepost 1225.19 to milepost 1227.58 and from milepost 1226.91 to Engineering Station 189+36 (milepost 1227.10) in Kalispell, Mont. and traverses United States Postal Service Zip Code 59901.¹

MMT states that based on information in BNSF's possession, the Line does not contain any federally granted rights-of-way. It states that any documentation in MMT's possession will be made available to those requesting it.

MMT states that it began operating over the Line in December 2004² and since that time has provided service to two customers located on the Line. MMT represents that the two customers on the Line do not oppose the discontinuance of service because they will be relocated to Glacier Rail Park.

As a condition to this exemption, any employee adversely affected by the discontinuance of service shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979).

By issuance of this notice, the Board is instituting an exemption proceeding pursuant to 49 U.S.C. 10502(b). A final decision will be issued by September 22, 2017.

Because this is a discontinuance proceeding and not an abandonment proceeding, trail use/rail banking and

¹ BNSF is seeking to abandon the Line in *BNSF Railway—Abandonment Exemption—in Flathead County, Mont.*, Docket No. AB 6 (Sub-No. 495X). According to MMT, the customers do not oppose the abandonment.

² MMT states that it acquired authority to lease a line of rail including the Line in January 2005. See *Mission Mountain R.R.—Acquis. & Lease Exemption—Burlington N. & Santa Fe Ry.*, FD 34634 (STB served Jan. 19, 2005).

public use conditions are not appropriate. Because environmental review is being conducted in the BNSF abandonment proceeding in Docket No. AB 6 (Sub-No. 495X), this discontinuance does not require an environmental review.

Any offer of financial assistance (OFA) under 49 CFR 1152.27(b)(2) to subsidize continued rail service will be due no later than October 2, 2017, or 10 days after service of a decision granting the petition for exemption, whichever occurs sooner. Each OFA must be accompanied by a \$1,700 filing fee. See 49 CFR 1002.2(f)(25).

All filings in response to this notice must refer to Docket No. AB 1009 (Sub-No. 1X) and must be sent to: (1) Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001; and (2) Karl Morell, 440 1st Street NW., Suite 400, Washington, DC 20001. Replies to this petition are due on or before July 13, 2017.

Persons seeking further information concerning discontinuance procedures may contact the Board's Office of Public Assistance, Governmental Affairs, and Compliance at (202) 245-0238 or refer to the full abandonment and discontinuance regulations at 49 CFR pt. 1152. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.

Board decisions and notices are available on our Web site at WWW.STB.GOV.

Decided: June 16, 2017.

By the Board, Rachel D. Campbell,
Director, Office of Proceedings.

Clearance Clerk.

Federal Aviation Administration

Notice of Intent To Rule on a Land Release Request at Elkins, Randolph County Regional Airport, Elkins, WV

AGENCY: Federal Aviation Administration (FAA) DOT.

ACTION: Notice and request for comment.

SUMMARY: The FAA is requesting public comment on the Elkins, Randolph County Regional Airport Authority's proposal to change 2.03 acres of airport property at Elkins, Randolph County Regional Airport, Elkins, West Virginia from aeronautical to non-aeronautical use and to enter into a long term non-

aeronautical lease concerning the subject property.

In accordance with federal regulations this notice is required to be published in the **Federal Register** 30 days before the FAA can approve of this proposal and grant the land release request.

DATES: Comments must be received on or before July 24, 2017.

ADDRESSES: Comments on this application may be mailed or delivered to the following address: Nils A. Heinke, President, Elkins, Randolph County Regional Airport, 400 Airport Road, Elkins, West Virginia 26241, 304-636-2726.

And at the FAA Beckley Airports Field Office: Matthew DiGiulian, Manager, Beckley Airports Field Office, 176 Airport Circle, Room 101, Beaver, West Virginia, (304) 252-6216.

FOR FURTHER INFORMATION CONTACT: Connie Boley-Lilly, Program Specialist, Beckley Airports Field Office, location listed above.

The request for change in use of on-airport property may be reviewed in person at this same location.

SUPPLEMENTARY INFORMATION: The following is a brief overview of the request:

The Elkins, Randolph County Regional Airport Authority, requests to change the use of 2.03 acres of on-airport property from aeronautical to non-aeronautical use and to enter into a long term non-aeronautical lease concerning this property. No land shall be sold as part of this land release request. The property is situated on the southeast corner of the airport. The Emerson Phares Building is an 80' x 146' brick and mortar building situated on 2.03 acres. This building was built in 1988 for the purpose of housing an FAA Flight Service Station. It is no longer needed by the FAA for that purpose. The release is being requested in order to re-classify the building as non-aeronautical use for the purpose of entering into a long term lease agreement with the Randolph County Commission. The lease term will be for a minimum of 30 years to utilize the building as a 911 Emergency Services Communications Center. The release of the property to facilitate the reclassification of the building will result in a direct benefit to the Airport Authority which will be realized in the form of monetary gain from the collection of rental/lease fees. The 2.03 acre area requested to be designated as non-aeronautical is unable to be utilized for aviation purposes because it is located outside the airport perimeter fence, and airside operations area, and is inaccessible by aircraft. The subject

acreage is currently being used as rental property and once was occupied by an FAA Flight Service Station. The purpose of this request is to permanently change the use of the property given there is no potential for future aviation use, as demonstrated by the Airport Layout Plan. Subsequent to the implementation of the proposed change in use, rents received by the airport from this property must be used in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999.

Any person may inspect the request by appointment at the FAA office address listed above. Interested persons are invited to comment. All comments will be considered by the FAA to the extent practicable.

Issued in Beaver, West Virginia June 9, 2017.

Matthew DiGiulian,
Manager, Beckley Airports Field Office.
