**Authority:** 44 U.S.C. 3507(a)(1)(D).

**SUPPLEMENTARY INFORMATION:** This ICR seeks to extend PRA authority for the Application for Alien Employment Certification information collection that helps the ETA to meet its statutory responsibilities for program administration, management, and oversight under the Immigration and Naturalization Act (INA). INA section 212(a)(5)(A)(iii) deals specifically with professional athletes coming to the U.S.A. on a permanent basis as immigrants, and Form ETA-750, part A is used to collect information that permits the DOL to meet Federal responsibilities for such entry. Form ETA-750, part B provides detailed information about an alien's education and work history and is used by the DOL to collect information about the professional athlete on whose behalf an application for permanent labor certification is filed. The Department of Homeland Security also uses part B for foreign workers applying for the National Interest Waiver of the job offer requirement under INA section 203(b)(2)(B)(i). INA sections 212, 214, and 218 authorize this information collection. See 8 U.S.C. 1184(c), 1188, 1182(5)(A).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0015.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on June 30, 2017. The DOL seeks to extend
