

Commission Rule 210.2 (19 CFR 210.2), without a formal hearing or discovery. Epson filed a timely response opposing the request. Thereafter, Requesters filed a motion for leave to file a reply to Epson's response.

On June 16, 2017, the Commission determined to institute a consolidated advisory opinion proceeding in both investigations and referred the request to the Chief ALJ to designate a presiding ALJ. 82 FR 27723 (Jun. 16, 2017). Epson, the Requesters, and OUII were named as parties to the proceeding. The Commission also determined to deny Requesters' motion for leave to file a reply.

On November 17, 2017, Epson and the Requesters filed a joint motion to terminate the consolidated advisory opinion proceeding based on a settlement agreement. The joint motion included a confidential version of the settlement agreement. A public version of the agreement was filed with the public version of the joint motion. That same day, OUII filed a response in support of the joint motion. On November 22, 2017, the ALJ issued the subject ID (Order No. 6) granting the joint motion to terminate the consolidated advisory opinion proceeding. No petitions for review were filed.

The Commission has determined not to review the subject ID. The Commission agrees with the ALJ that the joint motion to terminate the consolidated advisory opinion proceeding complies with the Commission's rules for termination and that there is no evidence that termination of the proceeding will adversely affect the public interest. Order No. 6 at 2–3.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Dated: December 7, 2017.
