Title: Small Vessel Reporting System.
OMB Number: 1651-0137.

Abstract: The Small Vessel Reporting System (SVRS) is a pilot program that allows certain participants using small pleasure boats to report their arrival telephonically instead of having to appear in person for inspection by a CBP officer each time they enter the United States. In some cases, a participant may also be asked to report to CBP for an in person inspection upon arrival. Participants may be U.S. citizens, U.S. lawful permanent residents, Canadian citizens, and permanent residents of Canada who are nationals of Visa Waiver Program countries listed in 8 CFR 217.2(a). In addition, participants of one or more Trusted Traveler programs and current Canadian Border Boater Landing Permit (CBP Form I-68) holders may participate in SVRS.

In order to register for the SVRS pilot program, participants enter data via the SVRS website, which collects information such as biographical information and vessel information. Participants will go through the in person CBP inspection process during SVRS registration, and in some cases, upon arrival in the United States.

For each voyage, SVRS participants will be required to submit a float plan about their voyage via the SVRS website in advance of arrival in the United States. The float plan includes vessel information, a listing of all persons on board, estimated dates and times of departure and return, and information on the locations to be visited on the trip. Participants in SVRS can create a float plan for an individual voyage or a template for a float plan that can be used multiple times.

SVRS in accordance with 8 U.S.C. 1225, 8 CFR 235.1, 19 U.S.C. 1433, and 19 CFR 4.2. The SVRS website is accessible at: <https://svrs.cbp.dhs.gov/>.

BILLING CODE 9111-14-P

DEPARTMENT OF HOMELAND SECURITY

U.S. Citizenship and Immigration Services

Filing Procedures for Employment Authorization and Automatic Extension of Existing Employment Authorization Documents for Eligible Liberians Before Period of Deferred Enforced Departure Ends

AGENCY: U.S. Citizenship and Immigration Services (USCIS), Department of Homeland Security (DHS).

ACTION: Notice.

SUMMARY: On March 27, 2018, President Trump issued a memorandum to the Secretary of Homeland Security (Secretary), Kirstjen M. Nielsen, directing her to implement for eligible Liberians a 12-month deferred enforced departure (DED) wind-down period and to provide for work authorization through March 31, 2019, upon which date DED will end. This 12-month transitional period of DED will allow impacted individuals to arrange for their departure from the United States. This Notice automatically extends DED-related employment authorization documents (EADs) that have a printed expiration date of March 31, 2018, for an additional 6 months through September 30, 2018, for eligible Liberians. This Notice also provides instructions for eligible Liberians on how to apply for the full 12-month period of employment authorization, through March 31, 2019. USCIS will issue new employment authorization documents (EADs) with a March 31, 2019 expiration date to eligible Liberians who are covered by DED under the Presidential Memorandum of March 27, 2018, and who apply for a new EAD. Given the timeframes involved with processing EAD applications, DHS recognizes that not all DED-eligible Liberians will receive new EADs before their current EADs expire on March 31, 2018. Accordingly, through this Notice, DHS also automatically extends the validity of DED-related EADs for 6 months, through September 30, 2018, and explains how Liberians covered under DED and their employers may determine which EADs are automatically extended and how this impacts the Employment Eligibility Verification (Form I-9) and E-Verify processes.

DATES: The 12-month transitional DED period ends on March 31, 2019. The 6-month automatic extension of DED-related EADs, as specified in this Notice, expires on September 30, 2018.
