ACTION: Notice.

SUMMARY: ED is requesting public comment on a proposed instrument. **DATES:** Interested persons are invited to submit comments on or before May 9, 2018

ADDRESSES: To access and review the document related to the information collection listed in this notice, please use http://www.regulations.gov by searching the Docket ID number ED-2018–ICCD–0050. Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at http:// www.regulations.gov by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted. Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 400 Maryland Avenue SW, Room 216-44, Washington, DC 20202-4537.

FOR FURTHER INFORMATION CONTACT: For specific questions, please contact Donald Watson, Executive Director, Historically Black College and University (HBCU) Capital Financing Program, U.S. Department of Education, 400 Maryland Avenue SW, Room 278– 02, Washington, DC 20202; telephone: (202) 453–6166; email: donald.watson@ ed.gov.

SUPPLEMENTARY INFORMATION: The Department of Education is seeking feedback from the public on a proposed Deferment Request for the HBCU Capital Financing Program. The Department of Education is especially interested in public comment addressing how the Department might enhance the quality, utility, and clarity of the information to be collected. This collection of information does not require OMB review and approval because the proposed instrument will not collect data from ten or more entities. Please note that written comments received in response to this notice will be considered public records.

Abstract: The Consolidated Appropriations Act, 2018 provided \$10,000,000 to be used for the deferment of loans made to private Historically Black Colleges and Universities under part D of title III of the Higher Education Act of 1965, as amended. The proposed information collection will be used to determine each applicant's eligibility for deferment, obtain required documentation and assurances to support the deferment request, and prioritize among applicants if requests exceed appropriations.

Dated: April 25, 2018.

Tomakie Washington,

Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management.

BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

[OE Docket No. EA-451]

Application to Export Electric Energy; Viasyn, Inc.

AGENCY: Office of Electricity Delivery and Energy Reliability, DOE.

ACTION: Notice of application.

SUMMARY: Viasyn, Inc. (Applicant) has applied for authority to transmit electric energy from the United States to Mexico pursuant to the Federal Power Act.

DATES: Comments, protests, or motions to intervene must be submitted on or before May 30, 2018.

ADDRESSES: Comments, protests, motions to intervene, or requests for more information should be addressed

to: Office of Electricity Delivery and Energy Reliability, Mail Code: OE–20, U.S. Department of Energy, 1000 Independence Avenue SW, Washington, DC 20585–0350. Because of delays in handling conventional mail, it is recommended that documents be transmitted by overnight mail, by electronic mail to *Electricity.Exports@hq.doe.gov*, or by facsimile to 202–586–8008.

SUPPLEMENTARY INFORMATION: Exports of electricity from the United States to a foreign country are regulated by the Department of Energy (DOE) pursuant to sections 301(b) and 402(f) of the Department of Energy Organization Act (42 U.S.C. 7151(b), 7172(f)) and require authorization under section 202(e) of the Federal Power Act (16 U.S.C. 824a(e)).

On March 30, 2018, DOE received an application from the Applicant for authority to transmit electric energy from the United States to Mexico as a power marketer for a five-year term using existing international transmission facilities. Viasyn intends to apply for market-based rate authority with the Federal Energy Regulatory Commission's (FERC), however, it has not made that application at this point in time.

In its application, the Applicant states that it does not own or control any electric generation or transmission facilities, and it does not have a franchised service area. The electric energy that the Applicant proposes to export to Mexico would be surplus energy purchased from third parties such as electric utilities and Federal power marketing agencies pursuant to voluntary agreements. The existing international transmission facilities to be utilized by the Applicant have previously been authorized by Presidential Permits issued pursuant to Executive Order 10485, as amended, and are appropriate for open access transmission by third parties.

Procedural Matters: Any person desiring to be heard in this proceeding should file a comment or protest to the application at the address provided above. Protests should be filed in accordance with Rule 211 of the Federal Energy Regulatory Commission's (FERC) Rules of Practice and Procedures (18 CFR 385.211). Any person desiring to become a party to these proceedings should file a motion to intervene at the above address in accordance with FERC Rule 214 (18 CFR 385.214). Five copies of such comments, protests, or motions to intervene should be sent to the address provided above on or before the date listed above.
