*Description of the Need for the  
Information and Proposed Use*

Public Housing Agencies (PHA) will prepare an application for funding which specifies the number of units requested, as well as the PHA's objectives and plans for administering the Housing Choice (HCV) and Project Base Voucher (PBV) programs. The application is reviewed by HUD Headquarters and HUD Field Offices and ranked according to the PHA's administrative capability, the need for housing assistance, and other factors specified in a notice of funding availability. The PHAs must establish a utility allowance schedule for all utilities and other services. Units must be inspected using HUD-prescribed forms to determine if the units meet the Housing Quality Standards (HQS) of the HCV program. After the family is issued a HCV to search for a unit pursuant to attending a briefing and receiving an information packet, the family must complete and submit to the PHA a Request for Tenancy Approval when it finds a unit which is suitable for its needs. Initial PHAs will use a standardized form to submit portability information to the receiving PHA who will also use the form for monthly portability billing. PHAs and owners will enter into housing assistance payments (HAP) contract each providing information on rents, payments, certifications, notifications, and owner agreement in a form acceptable to the PHA. A Tenancy Addendum for the HCV program is included in the HAP contract as well as incorporated in the lease between the owner and the family. Families that participate in the Homeownership option will execute a statement regarding their responsibilities and execute contracts of sale including an

additional contract of sale for new construction units. PHAs participating in the PBV program will enter into Agreements with owners for developing projects, HAP contracts with the existing and New Construction/ Rehabilitation owners, a Statement of Family Responsibilities with the family and a lease addendum for execution between the family and the owner. New requirements have been established for independent entities in both the HCV and PBV programs. In addition, new requirements have been established for the Housing Opportunities Through Modernization (HOTMA) rule of 2016. HOTMA made changes to both the definition of PHA-owned housing and several changes to the PBV program to conform with HOTMA requirements. As a result of these updates, changes have been made to the following forms: PBV HAP Contracts (both for existing housing (HUD-52530 A and B) and new Construction/Rehab (HUD 52531 A and B); PBV Tenancy Addendum; (HUD 53530c) and HCV HAP Contract (HUD 52641).

Other forms that are being updated are: The Funding Application (HUD 52515); the Request for Tenancy Approval (HUD-2517); and Allowances for Tenant-Furnished Utilities and Other Services (HUD 5267). Three new documents each will be added for the Family Unification Program application process and the HUD-VASH Application Process. Additionally, the forms will be updated to remove outdated references (such as those to the Certificate Program). Such updates do not result in an increase in burden hours.

*Respondents (i.e. affected public):*  
State and Local Governments,  
businesses or other non-profits.

*Estimated Number of Respondents:*  
2,192 PHAs.

*Estimated Number of Responses:*  
3,680,493.

*Frequency of Response:* Varies by form.

*Average Hours per Response:* 1.

*Total Estimated Burdens Hours:*  
1,643,173.
