#### SUPPLEMENTARY INFORMATION:

##### I. Background

On July 25, 2016, the Secretary of Commerce established the TFAC pursuant to discretionary authority and in accordance with the Federal Advisory Committee Act, as amended, 5 U.S.C. App. The TFAC advises the Secretary of Commerce in identifying effective ways to expand access to finance for U.S. exporters, especially small- and medium-sized enterprises (SMEs) and their foreign buyers. The TFAC also provides a forum to facilitate the discussion between a diverse group of stakeholders such as banks, non-bank financial institutions, other trade finance related organizations, and exporters, to gain a better understanding regarding current challenges facing U.S. exporters in accessing finance.

On June 21, 2018, the TFAC will hold the fifth and last meeting of its current charter term. During this meeting, members are expected to discuss possible recommendations on policies and programs that can increase awareness of, and expand access to, private export financing resources for U.S. exporters. They will also hear from officials from the Department of Commerce and other agencies on issues impacting the scope of their work and mission.
