

the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

### F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have made a determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a special local regulation issued in conjunction with a regatta or marine parade. It is categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

### List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

### PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

**Authority:** 33 U.S.C. 1233; 33 CFR 1.05-1.

■ 2. Add § 100.35T07-0316 to read as follows:

#### § 100.35T07-0316 **Special Local Regulations; Sarasota Powerboat Grand Prix, Gulf of Mexico; Lido Beach, FL.**

(a) *Location.* The following regulated area is established as a special local regulation. All coordinates are North American Datum 1983.

(1) *Enforcement area.* All waters of the Gulf of Mexico contained within the following points: 27°18'44" N, 82°36'14" W, thence to position 27°19'09" N, 82°35'13" W, thence to position 27°17'42" N, 82°34'00" W, thence to position 27°16'43" N, 82°34'49" W,

thence back to the original position, 27°18'44" N, 82°36'14" W.

(b) *Definition.* The term "designated representative" means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the COTP St. Petersburg in the enforcement of the regulated areas.

(c) *Regulations.* (1) All non-participant persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the race area unless authorized by the COTP St. Petersburg or a designated representative.

(2) Designated representatives may control vessel traffic throughout the enforcement area as determined by the prevailing conditions.

(3) Persons and vessels may request authorization to enter, transit through, anchor in, or remain within the regulated areas by contacting the COTP St. Petersburg by telephone at (727) 824-7506, or a designated representative via VHF radio on channel 16. If authorization is granted, all persons and vessels receiving such authorization must comply with the instructions of the COTP St. Petersburg or a designated representative.

(4) The Coast Guard will provide notice of the regulated area by Local Notice to Mariners and/or Broadcast Notice to Mariners.

(d) *Enforcement period.* This rule will be enforced daily from 8 a.m. to 6 p.m. on June 29, 2018 through July 1, 2018.

**H.L. Najarian,**

*Captain, U.S. Coast Guard, Captain of the Port Saint Petersburg.*

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 100

[Docket Number USCG-2018-0340]

RIN 1625-AA08

#### **Special Local Regulation; Corpus Christi Bay, Corpus Christi, TX**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary special local regulation for certain navigable waters of Corpus Christi Bay. This action is necessary to protect marine event

participants, spectators and transiting vessels on these navigable waters during the Youth World's Championship regatta held at the Corpus Christi Yacht Club. Entry of vessels or persons into this zone is prohibited unless authorized by the Captain of the Port Sector Corpus Christi or designated representative.

**DATES:** This rule is effective from 7 a.m. on July 14, 2018 through 3 p.m. on July 21, 2018.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2018-0340 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or email Petty Officer Kevin Kyles, Waterways Management Division, U.S. Coast Guard; telephone 361-939-5125, email [Kevin.L.Kyles@uscg.mil](mailto:Kevin.L.Kyles@uscg.mil).

**SUPPLEMENTARY INFORMATION:**

**I. Table of Abbreviations**

CFR Code of Federal Regulations  
 COTP Captain of the Port Sector Corpus Christi  
 DHS Department of Homeland Security  
 FR Federal Register  
 NPRM Notice of proposed rulemaking  
 § Section  
 U.S.C. United States Code

**II. Background Information and Regulatory History**

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(3)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it would be impracticable. This safety zone must be established by July 14, 2018 and we lack sufficient time to provide a reasonable comment period and then consider those comments before issuing this rule. The NPRM process would delay the establishment of the special local regulation until after the scheduled date of the regatta and compromise public safety.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for

making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is necessary to ensure the safety of persons and vessels during the regatta.

**III. Legal Authority and Need for Rule**

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1233. The Captain of the Port Sector Corpus Christi (COTP) has determined that potential hazards associated with the vessel traffic occurring on July 14, 2018 through July 21, 2018 will be a safety concern for participants within the boating course. Potential hazards include risk of injury or death resulting from near or actual contact among participant vessels and spectator vessels or waterway users if normal vessel traffic were to interfere with the event. The purpose of this rule is to ensure safety of participants, spectators, and transiting vessels in the regulated area before, during, and after the Youth World's Championship regatta.

**IV. Discussion of the Rule**

This rule establishes a temporary special local regulation from 6:15 a.m. through 3 p.m. each day from July 14, 2018 through July 21, 2018 in Corpus Christi Bay, approximately 3,000 feet east of People's Street T-Head in Corpus Christi, TX. The regatta will be inside a rectangular area with the most northwestern point located at 27°47'31" N, 97°22'33.05" W, most northeastern point located at 27°47'29.46" N, 97°19'44.26" W, most southeastern point located at 27°46'12.06" N, 97°19'44.78" W, and the most southwestern located at 27°46'09.55" N, 97°22'28.78" W. The duration of the special local regulation is intended to protect the public from potential navigation hazards before, during, and after the event. No vessel or person is permitted to enter the regulated area without obtaining permission from the COTP or a designated representative. A designated representative may be a Patrol Commander (PATCOM). The PATCOM will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The PATCOM may be contacted on Channel 16 VHF-FM (156.8 MHz) by the call sign "PATCOM".

All persons and vessels not registered with the sponsor as participants or official patrol vessels are considered spectators. The "official patrol vessels" consist of any Coast Guard, state, or local law enforcement and sponsor provided vessels assigned or approved by the COTP to patrol the regulated area.

Spectator vessels desiring to enter, transit through or within, or exit the regulated area may do so only with permission from the COTP or a designated representative, and when permitted, must operate at a minimum safe navigation speed in a manner which will not endanger participants in the regulated area or any other vessels. No spectator vessel shall anchor, block, loiter, or impede the through transit of participants or official patrol vessels in the regulated area during the effective dates and times, unless cleared for entry by or through an official patrol vessel. Any spectator vessel may anchor outside the regulated area, but may not anchor in, block, or loiter in a navigable channel.

The COTP or a designated representative may forbid and control the movement of all vessels in the regulated area. When hailed or signaled by an official patrol vessel, a vessel shall come to an immediate stop and comply with the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

The COTP or a designated representative may terminate the event or the operation of any vessel at any time it is deemed necessary for the protection of life or property. The COTP or a designated representative can terminate enforcement of the special local regulations at the conclusion of the event.

The COTP or a designated representative would inform the public of the enforcement times for this safety zone through Broadcast Notices to Mariners (BNMs), Local Notices to Mariners (LNMs), and/or Marine Safety Information Bulletins (MSIBs) as appropriate.

**V. Regulatory Analyses**

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

*A. Regulatory Planning and Review*

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action" under Executive Order 12866. Accordingly, this rule has

not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on size, location, duration, and time-of-day for the special local regulation. Vessel traffic will be able to safely navigate around the regulated area, which will impact only a small portion of the Laguna Madre for 3 hours and 15 minutes on one day. Moreover, the Coast Guard will issue Broadcast Notices to Mariners (BNMs) via VHF-FM marine channel 16 about the regulation so that waterway users may plan accordingly for transits during this restriction, and the rule allows vessels to seek permission from the COTP or a designated representative to enter the regulated area.

#### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the temporary regulated area may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement

Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

#### C. Collection of Information

This rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

#### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

#### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### F. Environment

We have analyzed this rule under Department of Homeland Security

Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is a special local regulation that limits daily access to certain navigable waters of Corpus Christi Bay over eight days. Normally such actions are categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A preliminary Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

#### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

#### List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

#### PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

- 1. The authority citation for part 100 continues to read as follows:

**Authority:** 33 U.S.C. 1233; 33 CFR 1.05–1.

- 2. Add § 100.35T08–0340 to read as follows:

#### § 100.35T08–0340 Special Local Regulation; Corpus Christi Bay, Corpus Christi, TX.

(a) *Location.* The following area is a special local regulation: All navigable waters inside approximate rectangular area from with the most northwestern point located at 27°47'31" N, 97°22'33.05" W, the most northeastern point being located at 27°47'29.46" N, 97°19'44.26" W, the most southeastern point located at 27°46'12.06" N, 97°19'44.78" W, and the most southwestern located at 27°46'09.55" N, 97°22'28.78" W, in Corpus Christi Bay, approximately 3,000 feet east of

People's Street T-Head in Corpus Christi, TX.

(b) *Effective period.* This section is effective from 6:15 a.m. on July 14, 2018 through 3 p.m. on July 21, 2018.

(c) *Enforcement period.* This section will be enforced from 6:15 a.m. through 3 p.m. during each day of the effective period.

(d) *Regulations.* (1) In accordance with the general regulations in § 100.35 of this part, entry into this zone is prohibited unless authorized by the Captain of the Port Sector Corpus Christi (COTP) or a designated representative. A designated representative may be a Patrol Commander (PATCOM). The PATCOM may be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Patrol Commander may be contacted on Channel 16 VHF-FM (156.8 MHz) by the call sign "PATCOM".

(2) All persons and vessels not registered with the sponsor as participants or official patrol vessels are considered spectators. The "official patrol vessels" consist of any Coast Guard, state, or local law enforcement and sponsor provided vessels assigned or approved by the COTP or a designated representative to patrol the regulated area.

(3) Spectator vessels desiring to transit the regulated area may do so only with prior approval of the COTP or a designated representative and when so directed by that officer will be operated at a minimum safe navigation speed in a manner which will not endanger participants in the regulated area or any other vessels.

(4) No spectator vessel shall anchor, block, loiter, or impede the through transit of participants or official patrol vessels in the regulated area during the effective dates and times, unless cleared for entry by or through an official patrol vessel.

(5) Spectator vessels may anchor outside the regulated area, but may not anchor in, block, or loiter in a navigable channel.

(6) The COTP or a designated representative may forbid and control the movement of all vessels in the regulated area. When hailed or signaled by an official patrol vessel, a vessel shall come to an immediate stop and comply with the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(7) The COTP or a designated representative may terminate the event or the operation of any vessel at any time it is deemed necessary for the protection of life or property.

(8) The COTP or a designated representative will terminate enforcement of the special local regulations at the conclusion of the event.

(d) *Information broadcasts.* The COTP or a designated representative will inform the public of the enforcement times and date for this safety zone through Broadcast Notices to Mariners (BNMs), Local Notices to Mariners (LNMs), and/or Marine Safety Information Bulletins (MSIBs) as appropriate.

Dated: June 21, 2018.

**E.J. Gaynor**

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 110

[Docket Number USCG-2017-1125]

RIN 1625-AA01

#### Anchorage Grounds; Saint Lawrence Seaway, Cape Vincent, New York

**AGENCY:** Coast Guard, DHS.

**ACTION:** Final rule.

**SUMMARY:** The Coast Guard is establishing, at the request of the Saint Lawrence Seaway Development Corporation, two separate anchorage grounds, Carleton Island Anchorage and Tibbetts Point Anchorage, near Cape Vincent, New York. The Federal Anchorage Ground designations will enable a pilot to disembark a safely anchored vessel which will help reduce pilot fatigue, increase pilot availability, and reduce costs incurred by vessels transiting the Seaway.

**DATES:** This rule is effective July 30, 2018.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2017-1125 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or email Lieutenant Jason Radcliffe, Ninth District, Waterways Operations, U.S. Coast Guard; telephone 216-902-6060, email [jason.a.radcliffe2@uscg.mil](mailto:jason.a.radcliffe2@uscg.mil).

**SUPPLEMENTARY INFORMATION:**

## I. Table of Abbreviations

AIS Automatic identification system  
CFR Code of Federal Regulations  
DHS Department of Homeland Security  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

## II. Background Information and Regulatory History

The Coast Guard is establishing two anchorage grounds, one in the vicinity of Carleton Island, New York, and the second near Tibbetts Point, New York. Each area has historically been used as an anchorage and the Saint Lawrence Seaway Development Corporation, at the request of its waterway users, has requested each area to be officially designated as Federal Anchorage Grounds.

Without this designation, pilots who anchor a ship in the respective areas are unable to disembark during sustained delay periods which hinder compliance with rest requirements and complicate pilot availability and logistics for other vessels. On February 2, 2018, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Saint Lawrence Seaway Anchorages (83 FR 4882). The NPRM discussed the need for the rule and invited the public to comment on the proposed regulatory action related to this Anchorage Grounds establishment. During the comment period that ended May 3, 2018, we received two comments. One comment was not relevant to the proposed rule and the other comment expressed support of the proposal.

## III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 471, 1221 through 1236, 2071; 33 CFR 1.05-1; Department of Homeland Security Delegation No. 0170.1.

The Coast Guard recognizes the need to establish two anchorage grounds, one in the vicinity of Carleton Island, New York and the second near Tibbetts Point, New York. Each area has historically been used as an anchorage and the Saint Lawrence Seaway Development Corporation, at the request of its waterway users, has requested each area to be officially designated as Federal Anchorage Grounds. Without this designation, pilots who anchor a ship in the respective areas are unable to disembark during sustained delay periods which hinder compliance with rest requirements and complicate pilot availability and logistics for other vessels.
