To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes. (Amended)		To remove certain use restrictions on property located in Navajo County, Arizona.	
109-246 (S. 1339)	October 7, 2005	109-288 (H.R. 1564)	November 10, 2005
To reauthorize the Junior Duck Stamp Conservation and Design Program Act of 1994.		To authorize the Secretary of the Interior to convey certain buildings and lands of the Yakima Project, Washington, to the Yakima-Tieton Irrigation District.	
109-247 (H.R. 2383)	October 17, 2005	109-289 (H.R. 1972)	November 10, 2005
To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California, as the "C.W. 'Bill' Jones Pumping Plant".		To direct the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including in the National Park System certain sites in Williamson County, Tennessee, relating to the Battle of Franklin. (Amended)	
109-252 (H.R. 1129)	October 25, 2005	109-290 (H.R. 3443)	November 10, 2005
To authorize the exchange of certain land in the State of Colorado. (Amended)		To direct the Secretary of the Interior to convey certain water distribution facilities to the Northern Colorado Water Conservancy District.	
109-273(pt. 1) (H.R. 2875)	November 7, 2005	109-294 (H.R. 326)	November 15, 2005
To amend the Public Lands Corps Act of 1993 to provide for the conduct of projects that protect forests, and for other purposes. (Amended)		To amend the Yuma Crossing National Heritage Area Act of 2000 to adjust the boundary of the Yuma Crossing National Heritage Area and to extend the authority of the Secretary of the Interior to provide assistance under that Act. (Amended)	

LEGISLATIVE REPORTS

109-297(pt. 1) (H.R. 125) November 16, 2005

To authorize the Secretary of the Interior to construct facilities to provide water for irrigation, municipal, domestic, military, and other uses from the Santa Margarita River, California, and for other purposes. (Amended)

109-298(pt. 1) (H.R. 3351) November 16, 2005

To make technical corrections to laws relating to Native Americans, and for other purposes. (Amended)

109-311 (S. 229) November 18, 2005

To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.

109-319 (H.R. 452) December 6, 2005

To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Soldiers' Memorial Military Museum located in St. Louis, Missouri, as a unit of the National Park System.

109-320 (H.R. 1183) December 6, 2005

To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.

109-321 (H.R. 1190) December 6, 2005

To direct the Secretary of the Interior to conduct a feasibility study to design and construct a four reservoir intertie system for the purposes of improving the water storage opportunities, water supply reliability, and water yield of San Vicente, El Capitan, Murray, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the City of San Diego and the Sweetwater Authority, and for other purposes. (Amended)

109-322 (H.R. 4192) December 6, 2005

To authorize the Secretary of the Interior to designate the President William Jefferson Clinton Birthplace Home in Hope, Arkansas, as a National Historic Site and unit of the National Park System, and for other purposes.

109-323 (H.R. 4195) December 6, 2005

To authorize early repayment of obligations to the Bureau of Reclamation within Rogue River Valley Irrigation District or within Medford Irrigation District.

109-324 (H.R. 4292) December 6, 2005

To amend Public Law 107-153 to further encourage the negotiated settlement of tribal claims.

109-325(pt. 1) (H.R. 3818) December 6, 2005

To authorize the Secretary of Agriculture to enter into partnership agreements with entities and local communities to encourage greater cooperation in the administration of Forest Service activities on and near National Forest System lands, and for other purposes. (Amended)

109-331 (H.R. 1090) December 8, 2005

To designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives. (Amended)

109-332(pt. 1) (S. 362) December 8, 2005

To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes. (Amended)

109-334 (H.R. 3124) December 12, 2005

To authorize the Secretary of the Interior to allow the Columbia Gas Transmission Corporation to increase the diameter of a natural gas pipeline located in the Delaware Water Gap National Recreation Area.

109-335(pt. 1) (H.R. 3929) December 12, 2005

To amend the Water Desalination Act of 1996 to authorize the Secretary of the Interior to assist in research and development, environmental and feasibility studies, and preliminary engineering for the Municipal Water District of Orange County, California, Dana Point Desalination Project located at Dana Point, California.

109-338 (H.R. 1728) December 13, 2005

To authorize the Secretary of the Interior to study the suitability and feasibility of designating the French Colonial Heritage Area in the State of Missouri as a unit of the National Park System, and for other purposes. (Amended)

LEGISLATIVE REPORTS

109-339 (H.R. 3626) December 13, 2005

To authorize the Secretary of the Interior to study the feasibility of enlarging the Arthur V. Watkins Dam Weber Basin Project, Utah, to provide additional water for the Weber Basin Project to fulfill the purposes for which that project was authorized. (Amended)

109-340 (H.R. 3153) December 13, 2005

To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.

109-341(pt. 1) (H.R. 2720) December 13, 2005

To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.

109-368 (H.R. 3897) January 31, 2006

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation to enter into a cooperative agreement with the Madera Irrigation District for purposes of supporting the Madera Water Supply and Groundwater Enhancement Project. (Amended)

109-380(pt. 1) (H.R. 1071) February 28, 2006

To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes. (Amended)

109-400 (H.R. 4882) March 28, 2006

To ensure the proper remembrance of Vietnam veterans and the Vietnam War by providing a deadline for the designation of a visitor center for the Vietnam Veterans Memorial.

109-418 (H.R. 3462) April 25, 2006

To provide for the conveyance of the Bureau of Land Management parcels known as the White Acre and Gambel Oak properties and related real property to Park City, Utah, and for other purposes. (Amended)

109-419 (H.R. 2978) April 25, 2006

To allow the Assiniboine and Sioux Tribes of the Fort Peck Indian Reservation to enter into a lease or other temporary conveyance of water rights recognized under the Fort Peck-Montana Compact for the purpose of meeting the water needs of the Dry Prairie Rural Water Association, Incorporated, and for other purposes.

109-420 (H.R. 2563) April 25, 2006

To authorize the Secretary of the Interior to conduct feasibility studies to address certain water shortages within the Snake, Boise, and Payette River systems in Idaho, and for other purposes. (Amended)

109-421 (H.R. 518) April 25, 2006

To require the Secretary of the Interior to refine the Department of the Interior program for providing assistance for the conservation of neotropical migratory birds. (Amended)

109-422 (H.R. 374) April 25, 2006

To direct the Secretary of the Interior to take certain tribally-owned reservation land into trust for the Puyallup Tribe. (Amended)

109-423 (H.R. 122) April 25, 2006

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project. (Amended)

109-425 (H.J. Res. 78) April 25, 2006

Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.

109-426 (S. 584) April 25, 2006

To require the Secretary of the Interior to allow the continued occupancy and use of certain land and improvements within Rocky Mountain National Park.

109-427 (H.R. 1307) April 25, 2006

To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.

109-428 (S. 1869) April 25, 2006

To reauthorize the Coastal Barrier Resources Act, and for other purposes.

109-429 (S. 1165) June 6, 2005

To provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.

LEGISLATIVE REPORTS

109-430 (H.R. 4204) April 25, 2006

To direct the Secretary of the Interior to transfer ownership of the American River Pump Station Project, and for other purposes.

109-431 (H.R. 3967) April 25, 2006

To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal, industrial, and fish and wildlife purposes.

109-432 (H.R. 4080) April 25, 2006

Hearing held on H.R. 5452, to make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.

Hearing held on H.R. 5485, to direct the Secretary of the Interior to conduct a study to determine the feasibility of establishing the Columbia- Pacific National Heritage Area in the States of Washington and Oregon, and for other purposes.

Hearing held on H.R. 5978, to authorize the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including the battlefields and related sites of the First and Second Battles of Newtonia, Missouri, during the Civil War as part of Wilson's Creek National Battlefield or designating the battlefields and related sites as a separate unit of the National Park System, and for other purposes.

September 13, 2006:

Oversight hearing on Visitation Trends in the National Park System - Part II.

September 28, 2006:

Hearing held on H.R. 1344, to amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

Hearing held on H.R. 4529, to provide for the establishment of a memorial within Kalaupapa National Historic Park located on the island of Molokai, in the State of Hawaii, to honor and perpetuate the memory of those individuals who were forcibly relocated to the Kalaupapa Peninsula from 1866 to 1969, and for other purposes.

Hearing held on H.R. 5195, to establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.

Hearing held on H.R. 5466, to amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.

Hearing held on H.R. 5665, to authorize the Secretary of the Interior to convey certain land and improvements of the Gooding Division of the Minidoka Project, Idaho.

Hearing held on H.R. 5817, to adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.

October 4, 2006:

Oversight field hearing in Clarksville, Indiana, on The Bicentennial of the Lewis and Clark Expedition and the Potential Extension of the Lewis and Clark National Historic Trail.

MEETINGS

SUBCOMMITTEE ON FISHERIES AND OCEANS

March 1, 2005:

Oversight hearing on the Coral Reef Conservation Act of 2000.

March 10, 2005:

Oversight hearing on the FY'06 Budget Request of the U.S. Fish and Wildlife Service and National Oceanic and Atmospheric Administration (NOAA).

April 14, 2005:

Oversight hearing on the Relationship between the Magnuson-Stevens Fishery Conservation and Management Act and the National Environmental Policy Act. **PRINTED HEARING 109-6**

April 19, 2005:

Hearing held on H.R. 1489, to authorize the Secretary of Commerce to establish a coastal ocean observation system.

April 26, 2005:

Hearing held on H.R. 1428, to authorize appropriations for the National Fish and Wildlife Foundation, and for other purposes.

May 19, 2005:

Hearing held on H.R. 50, to provide for the National Oceanic and Atmospheric Administration, and for other purposes.

May 24, 2005:

Oversight hearing on the Federal Fish Hatchery System.

May 26, 2005:

Oversight hearing on Public Access within the National Wildlife Refuge System. **PRINTED HEARING 109-16**

June 8, 2005:

Oversight hearing on the Scientific Review of Ocean Systems.

June 23, 2005:

Hearing held on H.R. 518, to require the Secretary of the Interior to refine the Department of the Interior program for providing assistance for the conservation of neotropical migratory birds.

Hearing held on H.R. 2693, to amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.

June 27, 2005:

Field hearing held in Groton, Connecticut, on H.R. 307, to establish the Long Island Sound Stewardship Initiative.

July 6, 2005:

Oversight field hearing in Ketchikan, Alaska, on Fisheries Management Successes in Alaska and the Reauthorization of the Magnuson-Stevens Fishery Conservation and Management Act. **PRINTED HEARING 109-23**

July 8, 2005:

Oversight field hearing in Kodiak, Alaska, on Fisheries Management Successes in Alaska and the Reauthorization of the Magnuson-Stevens Fishery Conservation and Management Act. **PRINTED HEARING 109-23**

July 21, 2005:

Hearing held on H.R. 1494, to direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

Hearing held on H.R. 3179, to reauthorize and amend the Junior Duck Stamp Conservation and Design Program Act of 1994.

September 23, 2005:

Hearing held on S. 260, to authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.

Hearing held on H.R. 2018, to authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.

September 29, 2005:

Joint hearing held with the Committee on Transportation and Infrastructure, Subcommittee on Coast Guard and Maritime Transportation, on S. 362, to establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine

MEETINGS

environment and navigation safety, in coordination with non-Federal entities.

November 3, 2005:

Oversight hearing on the Growing Problem of Invasive Asian Carp in the Great Lakes and Mississippi River System.

November 8, 2005:

Hearing held on H.R. 3552, to reauthorize the Coastal Barrier Resources Act.

December 6, 2005:

Hearing held on H.R. 2866, to provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.

Hearing held on H.R. 3682, to redesignate the Mason Neck National Wildlife Refuge in Virginia as the Elizabeth Hartwell Mason Neck National Wildlife Refuge.

December 15, 2005:

Oversight hearing on the Effects of Hurricanes Katrina and Rita on Fishing Resources, the Fishing Industry and Fishing Communities in the Gulf of Mexico.

February 16, 2006:

Hearing on H.R. 4686, to reauthorize various fisheries management laws, and for other purposes.

March 9, 2006:

Oversight hearing on the FY'07 Budget Request of the U.S. Fish and Wildlife Service and National Oceanic and Atmospheric Administration (NOAA).

March 16, 2006:

Oversight hearing on the Impact of Hurricanes Katrina and Rita on the National Wildlife Refuge System. **PRINTED HEARING 109-45**

March 21, 2006:

Oversight field hearing in Gretna, Louisiana on the impact of natural disasters on Louisiana's fishery resources, fisheries habitat, and fishing communities.

April 6, 2006:

Hearing held on H.R. 138, to revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.

Hearing held on H.R. 479, to replace a Coastal Barrier Resources System map relating to Coastal Barrier Resources System Grayton Beach Unit FL-95P in Walton County, Florida.

Hearing held on H.R. 1656, to correct maps depicting Unit T-10 of John H. Chafee Coastal Barrier Resources System.

Hearing held on H.R. 3280, to exempt certain coastal barrier areas in Florida from limitations on Federal expenditures and financial assistance under the Coastal Barriers Resources Act, and limitations on flood insurance coverage under the National Flood Insurance Act of 1968.

Hearing held on H.R. 4165, to clarify the boundaries of Coastal Barrier Resources System Clam Pass Unit FL-64P.

May 4, 2006:

Hearing held on H.R. 3835, to establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.

May 10, 2006:

Hearing held on H.R. 4947, to expand the boundaries of the Cahaba National Wildlife Refuge.

Hearing held on H.R. 5094, to require the conveyance of Mattamuskeet Lodge and surrounding property, including the Mattamuskeet National Wildlife Refuge headquarters, to the state of North Carolina to permit the state to use the property as a public facility dedicated to the conservation of the natural and cultural resources in North Carolina.

Hearing held on H.R. 5232, to direct the Secretary of the Interior to initiate and complete an evaluation of lands and waters located in Northeastern Pennsylvania for their potential acquisition and inclusion in a future Cherry Valley National Wildlife Refuge.

June 15, 2006:

Hearing held on H.R. 4957, to direct the Secretary of the Interior to convey the Tylersville division of the Lamar National Fish Hatchery and Fish Technology Center to the State of Pennsylvania.

Hearing held on H.R. 5061, to direct the Secretary of the Interior to convey Paint Bank National Fish Hatchery and Wytheville National Fish Hatchery to the State of Virginia.

Hearing held on H.R. 5381, to establish a volunteer program and promote community partnerships or the benefit of National Fish Hatcheries and Fisheries Program Offices.

June 29, 2006:

Hearing held on H.R. 5539, to reauthorize the North American Wetlands Conservation Reauthorization Act.

July 20, 2006:

Oversight hearing on the U.S. Fish and Wildlife Service's Growing Operations Crisis Within the National Wildlife Refuge System.

July 27, 2006:

Oversight hearing on the Purpose of Examining Atlantic Striped Bass Conservation and Management.

MEETINGS

September 14, 2006:

Hearing held on H.R. 4953/S. 2430, to amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes and Fishery Resources Restoration Study.

Hearing held on H.R. 4345/S. 2041, to provide for the conveyance of a United States Fish and Wildlife Service administrative site to the city of Las Vegas, Nevada.

September 21, 2006:

Hearing held on H.R. 4315, to amend the acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

MEETINGS

SUBCOMMITTEE ON FORESTS AND FOREST HEALTH

February 16, 2005:

Joint oversight hearing with Subcommittee on Energy and Mineral Resources, on the Impact of High Energy Costs on the Competitiveness of America's Pulp and Paper Industry.

February 17, 2005:

Oversight hearing on GAO Five Year Update on Wildland Fire & Forest Service / Bureau of Land Management Accomplishments in Implementing the Healthy Forests Restoration Act. **PRINTED HEARING 109-3**

March 9, 2005:

Oversight hearing on FY'06 President's Budget for the Forest Service and the Bureau of Land Management.

March 16, 2005:

Hearing held on H.R. 410, to provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership.

Hearing held on H.R. 599, to provide a source of funds to carry out restoration activities on Federal lands under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture.

Hearing held on H.R. 975, to provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies.

April 13, 2005:

Oversight hearing on Management Challenges for Grazing and Range Conservation in the Forest Service and the Bureau of Land Management.

April 27, 2005:

Oversight hearing on Reforestation Problems on National Forests: A GAO Report on the Increasing Backlog. **PRINTED HEARING 109-10**

May 11, 2005:

Hearing held on H.R. 38, to designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.

Hearing held on H.R. 517, to reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000.

Hearing held on H.R. 539, to designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.

Hearing held on H.R. 1905, to amend the Small Tracts Act to facilitate the exchange of small tracts of land.

May 24, 2005:

Oversight hearing on Current Obstacles in Biomass Utilization: A GAO Report on Problems Agencies Face in the utilization of Woody Biomass, and the extent to which they are addressing these problems.

June 15, 2005:

Oversight hearing on the Impacts of Federal Land Ownership on Communities and Local Governments.

July 13, 2005:

Joint oversight hearing with Subcommittee on National Parks, on Motorized Recreational Use on Federal Lands.

July 14, 2005:

Hearing held on H.R. 233, to designate certain National Forest System lands in the Mendocino and Six Rivers National Forests and certain Bureau of Land Management lands in Humboldt, Lake, Mendocino, and Napa Counties in the State of California as wilderness, to designate the Elkhorn Ridge Potential Wilderness Area, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

Hearing held on H.R. 1129, to authorize the exchange of certain land in the State of Colorado.

Hearing held on H.R. 2720, to further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.

MEETINGS

Hearing held on H.R. 2875, to amend the Public Lands Corps Act of 1993 to provide for the conduct of projects that protect forests, and for other purposes.

August 29, 2005:

Oversight field hearing in Colville, Washington, on Issues Affecting Forest Health and Management in Eastern Washington - National Forests, Tribal Lands, and Local Communities.

August 31, 2005:

Oversight field hearing in Hill City, South Dakota, on Forest Health Conditions and Forest Management Practices on the Black Hills National Forest.

September 27, 2005:

Hearing held on H.R. 679, to direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.

Hearing held on H.R. 2069, to authorize the exchange of certain land in Grand and Uintah Counties, Utah.

Hearing held on H.R. 3462, to provide for the conveyance of the Bureau of Land Management parcels known as the White Acre and Gambel Oak properties and related real property to Park City, Utah.

Hearing held on H.R. 3818, to authorize the Secretary of Agriculture to enter into partnership agreements with entities and local communities to encourage greater cooperation in the administration of Forest Service activities on and near National Forest System lands.

October 7, 2005:

Oversight hearing on Restoration after Recent Hurricanes and other Natural Disasters: Federal Role in Recovery after Catastrophic Events Affecting Forest Lands.

October 27, 2005:

Hearing held on H.R. 1090, to designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, former Member of the House of Representatives.

Hearing held on H.R. 3603, to promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System.

Hearing held on H.R. 3817, to withdraw the Valle Vidal Unit of the Carson National Forest in New Mexico from location, entry, and patent under the mining laws.

Hearing held on H.R. 4084, to amend the Forest Service use and occupancy permit program to restore the authority of the Secretary of Agriculture to utilize the special use permit fees collected by the

Secretary in connection with the establishment and operation of marinas in units of the National Forest System.

November 10, 2005:

Hearing held on H.R. 4200, to improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

February 8, 2006:

Joint oversight hearing with Subcommittee on Energy and Mineral Resources, on the Effects of High Energy Costs on Jobs and the Potential for Expanded Use of Biomass for Energy.

February 24, 2006:

Oversight field hearing in Medford, Oregon, on Scientific Research and the Knowledge-base concerning Forest Management Following Wildfires and Other Major Disturbances.

March 9, 2006:

Hearing held on H.R. 1370, to require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.

Hearing held on H.R. 1644, to protect the critical aquifers and watersheds that serve as principal water source for the Commonwealth of Puerto Rico, to protect the tropical forests of the Karst Region of the Commonwealth, and for other purposes.

Hearing held on H.R. 2110, to provide for a study of options for protecting the open space characteristics of certain lands in and adjacent to the Arapaho and Roosevelt National Forests in Colorado, and for other purposes.

Hearing held on H.R. 4382, to provide for the conveyance of certain land in Clark County, Nevada, for the use by the Nevada National Guard.

Hearing held on H.R. 4789, to require the Secretary of the Interior to convey certain public land located wholly or partially within the boundaries of the Wells Hydroelectric Project of Public Utility District No. 1 of Douglas County, Washington, to the utility district.

Hearing held on S. 56, to establish the Rio Grande Natural Area in the State of Colorado, and for other purposes.

April 5, 2006:

Hearing held on H.R. 3534, to designate the Piedras Blancas Light Station and the surrounding public land as an Outstanding Natural Area to be administered as a part of the National Landscape Conservation System, and for other purposes.

MEETINGS

Hearing held on H.R. 5016, to provide for the exchange of certain Bureau of Land Management land in Pima County, Arizona, and for other purposes.

Hearing held on H.R. 5025, to protect for future generations the recreational opportunities, forests, timber, clean water, wilderness and scenic values, and diverse habitat of Mount Hood National Forest, Oregon, and for other purposes.

April 27, 2006:

Oversight hearing on GAO Report on Promoting Woody Biomass for Energy and Other Uses.

May 3, 2006:

Joint oversight hearing with Subcommittee on Water and Power on the Need for Proper Forest Management on Federal Rights of Way to Ensure Reliable Electricity Service. **PRINTED HEARING 109-50**

June 21, 2006:

Oversight hearing on Addressing Forest Insects and Disease: A Growing National Problem, "GAO Report on Invasive Forest Pests"

June 27, 2006:

Joint oversight hearing with Subcommittee on Water and Power on Meeting Electricity Demand in the West through Responsible Development of Energy Rights-of-Way on Federal Lands. **PRINTED HEARING 109-57**

June 29, 2006:

Oversight hearing on Healthy Forests: Targets and Accomplishments.

July 13, 2006:

Oversight hearing on Working Ranches, Healthy Range and Maintaining Open Space.

July 27, 2006:

Hearing held on H.R. 2039, to direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of the public.

Hearing held on H.R. 2718, to authorize the exchange of certain Federal land within the State of Idaho, and for other purposes.

Hearing held on H.R. 4235, to designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.

Hearing held on H.R. 4784, to direct the Secretary of the Interior to convey certain Bureau of Land Management land to the City of Eugene, Oregon.

Hearing held on H.R. 5149, to maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by desig-

nating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California and for other purposes.

Hearing held on H.R. 5760, to fulfill President Clinton's commitments made as part of the designation of Giant Sequoia National Monument by presidential proclamation to provide a transition from the timber sale program in effect before the designation to the more restrictive management anticipated for the national monument, to promote the Kings River Research Project in the Sierra National Forest, and for other purposes.

Hearing held on S. 225, to direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of the public.

September 14, 2006:

Hearing held on H.R. 5690, to adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.

Hearing held on H.R. 5756, to provide additional authority to the Secretary of Agriculture and the Secretary of the Interior to implement hazardous fuel reduction projects in the State of Colorado in response to dangerous fuel levels and insect infestations in forested Federal land in Colorado, to extend the maximum duration of stewardship contracts carried out in Colorado, to amend the Internal Revenue Code of 1986 to extend the credit for electricity produced from biomass, and for other purposes.

Hearing held on H.R. 5769, to establish wilderness areas, promote conservation, improve public land, and provide for high quality economic development in Washington County, Utah, and for other purposes.

Hearing held on S. 447, to authorize the conveyance of certain Federal land in the State of New Mexico.

October 4, 2006:

Oversight field hearing in Okanogan, Washington, on Wildfires and Their Aftermath: Protecting Communities, Watersheds, and Wildlife.

MEETINGS

SUBCOMMITTEE ON WATER AND POWER

February 10, 2005:

Oversight hearing on Opportunities and Challenges on Enhancing Federal Power Generation and Transmission.

March 3, 2005:

Oversight hearing on the President's Fiscal Year 2006 Budget Request for the Bureau of Reclamation and the Water Division of the U.S. Geological Survey.

March 15, 2005:

Oversight hearing on the Power Marketing Administrations' Role in Bringing our Nationwide Electricity Transmission System into the 21st Century.

April 13, 2005:

Oversight hearing on the Role of New Surface and Groundwater Storage in Providing Reliable Water and Power Supplies and Reducing Drought's Impacts.

May 4, 2005:

Oversight hearing on Stabilizing Rural Electricity Service Through Common Sense Application of the Endangered Species Act. **PRINTED HEARING 109-12**

May 24, 2005:

Hearing held on H.R. 1071, to direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes. **PRINTED HEARING 109-14**

May 24, 2005:

Oversight hearing on Reducing Power and other costs of the Desalination Process. **PRINTED HEARING 109-14**

June 6, 2005:

Oversight field hearing in Clarkston, Washington, on Keeping the Columbia/Snake a Working River. **PRINTED HEARING 109-17**

June 11, 2005:

Oversight field hearing in Fresno, California, on the Economic and Environmental Benefits of New Water Storage in the San Joaquin Valley. **PRINTED HEARING 109-19**

June 22, 2005:

Oversight hearing on Environmental Regulations and Water Supply Reliability.

July 19, 2005:

Oversight hearing on Maintaining and Upgrading the Bureau of Reclamation's Facilities to Improve Power Generation, Enhance Water Supply and Keep our Homeland Secure.

July 28, 2005:

Oversight hearing on Implementation of the Westside Regional Drainage Plan as a Way to Improve San Joaquin River Water Quality.

September 27, 2005:

Hearing held on H.R. 1564, to authorize the Secretary of the Interior to convey certain buildings and lands of the Yakima Project, Washington, to the Yakima-Tieton Irrigation District.

Hearing held on H.R. 2873, to clear title to certain real property in New Mexico associated with the Middle Rio Grande Project.

Hearing held on H.R. 2925, to amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.

Hearing held on H.R. 3443, to direct the Secretary of the Interior to convey certain water distribution facilities to the Northern Colorado Water Conservancy District.

September 27, 2005:

Oversight hearing on draft legislation regarding a water supply project near Madera, California.

October 6, 2005:

Hearing held on H.R. 122, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pessurization and Expansion Project.

Hearing held on H.R. 2341, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of a project to reclaim and reuse wastewater within and outside of the service area of the City of Austin Water and Wastewater Utility, Texas.

MEETINGS

Hearing held on H.R. 3418, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Central Texas Water Recycling and Reuse Project.

Hearing held on H.R. 3929, to amend the Water Desalination Act of 1996 to authorize the Secretary of the Interior to assist in research and development, environmental and feasibility studies, and preliminary engineering for the Municipal Water District of Orange County, California, Dana Point Desalination Project located at Dana Point, California.

October 20, 2005:

Oversight hearing on Water Supply Vulnerabilities in the Sacramento/San Joaquin River System. **PRINTED HEARING 109-32**

November 3, 2005:

Hearing held on H.R. 1190, to direct the Secretary of the Interior to conduct a feasibility study to design and construct a four reservoir intertie system for the purposes of improving the water storage opportunities, water supply reliability, and water yield of San Vicente, El Capitan, Murray, and Loveland Reservoirs in San Diego, California in consultation and cooperation with the City of San Diego and Sweetwater Authority.

Hearing held on H.R. 2563, to authorize the Secretary of the Interior to conduct feasibility studies to address certain water shortages within the Snake, Boise, and Payette River systems in Idaho.

Hearing held on H.R. 3153, to reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.

November 9, 2005:

Hearing held on H.R. 3626, to authorize the Secretary of the Interior to study the feasibility of enlarging the Authur V. Watkins Dam, Weber Basin Project, Utah, to fulfill the purposes for which that project was authorized.

Hearing held on H.R. 3967, to authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal, industrial, and fish and wildlife purposes.

Hearing held on H.R. 4195, to authorize early repayment of obligations to the Bureau of Reclamation within Rogue River Valley Irrigation district or within Medford Irrigation District.

December 7, 2005:

Hearing held on H.R. 862, to redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".

Hearing held on H.R. 2334, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of permanent facilities for the GREAT project to reclaim, reuse, and treat impaired waters water in the area of Oxnard, California.

Hearing held on H.R. 2978, to allow the Assiniboine and Sioux Tribes of the Fort Peck Indian Reservation to enter into a lease or other temporary conveyance of water rights recognized under the Fort Peck-Montana Compact for the purpose of meeting the water needs of the Dry Prairie Rural Water Association, Incorporated.

Hearing held on H.R. 4000, to authorize the Secretary of the Interior to revise certain repayment contracts with the Bostwick Irrigation District in Nebraska, the Kansas Bostwick Irrigation District No. 2, the Frenchman-Cambridge Irrigation District, and the Webster Irrigation District No. 4, all a part of the Pick-Sloan Missouri Basin Program.

Hearing held on S. 101, to convey to the town of Frannie, Wyoming, certain land withdrawn by the Commissioner of Reclamation.

February 8, 2006:

Hearing held on H.R. 4013, to amend the Reclamation Projects Authorization and Adjustment Act of 1992 to provide for conjunctive use of surface and groundwater in Juab County, Utah.

Hearing held on H.R. 4080, to extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.

Hearing held on H.R. 4204, to direct the Secretary of the Interior to transfer ownership of the American River Pump Station Project.

Hearing held on H.R. 4301, to direct the Secretary of the Interior to convey certain parcels of land acquired for the Blunt Reservoir and Pierre Canal features of the initial state of the Oahe Unit, James Division, South Dakota, to the Commission of Schools and Public Lands and the Department of Game, Fish and Parks of the State of South Dakota for the purpose of mitigating lost wildlife habitat, on the condition that the current preferential leaseholders shall have an option to purchase the parcels from the Commission.

March 1, 2006:

Oversight hearing on How the Federal Power Marketing Administrations are Implementing the Energy Policy Act of 2005 and an assessment of the Proposed Fiscal Year 2007 Budgets for these Agencies. **PRINTED HEARING 109-41**

March 2, 2006:

Oversight hearing on The President's Fiscal Year 2007 Budget Requests for the Bureau of Reclamation and the Water Division of the U.S. Geological Survey.

March 8, 2006:

Hearing on H.R. 4545, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Los Angeles County Water Supply Augmentation Demonstration project, and for other purposes.

Hearing on S. 1338, to require the Secretary of the Interior, acting through the Bureau of Reclamation and the United States Geologic Survey, to conduct a study on groundwater resources in the State of Alaska, and for other purposes.

MEETINGS

March 24, 2006:

Oversight field hearing in Fresno, California on Assessing the Impacts of the Central Valley Project Improvement Act.

April 5, 2006:

Oversight hearing on The Bureau of Reclamation's 21st Century Challenges in Managing, Protecting and Developing Water and Power Supplies.

April 6, 2006:

Oversight hearing on Protecting Sacramento/San Joaquin Bay-Delta Water Supplies and Responding to Catastrophic Failures in California Water Deliveries. **PRINTED HEARING 109-47**

April 26, 2006:

Hearing held on H.R. 1711, to provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.

Hearing held on H.R. 4750, to authorize the Secretary of the Interior to conduct a study to determine the feasibility of implementing a water supply and conservation project to improve water supply reliability, increase the capacity of water storage, and improve water management efficiency in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas.

Hearing held on S. 166, to amend the Oregon Resource Conservation Act of 1996 to reauthorize the participation of the Bureau of Reclamation in the Deschutes River Conservancy, and for other purposes.

May 3, 2006:

Joint oversight hearing with Subcommittee on Forests and Forest Health on the Need for Proper Forest Management on Federal Rights of Way to Ensure Reliable Electricity Service. **PRINTED HEARING 109-50**

May 10, 2006:

Hearing held on S. 214/H.R. 469, to authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.

Hearing held on H.R. 4588, to reauthorize grants for and require applied water supply research regarding the water resources research and technology institutes established under the Water Resources Research Act of 1984.

Hearing held on H.R. 5079, to provide for the modification of an amendatory repayment contract between the Secretary of the Interior and the North Unit Irrigation District, and for other purposes.

June 22, 2006:

Oversight hearing on Securing the Bureau of Reclamation's Water and Power Infrastructure: A Consumer's Perspective. **PRINTED HEARING 109-56**

June 27, 2006:

Joint oversight hearing with Subcommittee on Forests and Forest Health on Meeting Electricity Demand in the West through Responsible Development of Energy Rights-of-Way on Federal Lands. **PRINTED HEARING 109-57**

July 7, 2006:

Oversight field hearing in Pasco, Washington on Electricity Costs and Salmon: Finding the Balance. **PRINTED HEARING 109-58**

July 12, 2006:

Hearing held on H.R. 3558, to amend the Cheyenne River Sioux Tribe Equitable Compensation Act to provide compensation to members of the Cheyenne River Sioux Tribe for damage resulting from the Oahe Dam and Reservoir Project, and for other purposes.

Hearing held on H.R. 5282, to amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Southern California Desert Region Integrated Water and Economic Sustainability Plan.

Hearing held on H.R. 5299, to revise a provision relating to a repayment obligation of the Fort McDowell Yavapai Nation under the Fort McDowell Indian Community Water Rights Settlement Act of 1990, and for other purposes.

Hearing held on H.R. 5715, to make amendments to the Reclamation Projects Authorization and Adjustment Act of 1992.

October 10, 2006:

Field hearing in Scottsdale, Arizona, on H.R. 5180, to authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.

MEETINGS

SUBCOMMITTEE ON ENERGY AND MINERAL RESOURCES

February 16, 2005:

Joint oversight hearing with Subcommittee on Forests and Forest Health, on the Impact of High Energy Costs on the Competitiveness of America's Pulp and Paper Industry.

March 10, 2005:

Oversight hearing on the Interior Budget for FY 2006 in Energy and Mineral Programs.

March 16, 2005:

Oversight hearing on U.S. Energy and Mineral Needs, Security and Policy: Impacts of sustained Increases in Global Energy and Mineral Consumption by Emerging Economies such as China and India. **PRINTED HEARING 109-4**

April 28, 2005:

Oversight hearing on Improving the Competitiveness of America's Mining Industry.

May 19, 2005:

Oversight hearing on the Impacts of High Energy Costs to the American Consumer. **PRINTED HEARING 109-13**

June 16, 2005:

Oversight hearing on the Impacts of Environmental Regulations on Energy and Mineral Development: The Wildlands Project. **PRINTED HEARING 109-20**

June 23, 2005:

Oversight hearing on The Vast North American Resource Potential of Oil Shale, Oil Sands, and Heavy Oils (Part I). **PRINTED HEARING 109-22**

June 30, 2005:

Oversight hearing on The Vast North American Resource Potential of Oil Shale, Oil Sands, and Heavy Oils (Part II). **PRINTED HEARING 109-22**

July 28, 2005:

Oversight hearing on Sustainable Development Opportunities in Mining Communities. **PRINTED HEARING 109-27**

August 13, 2005:

Oversight field hearing in Port Fourchon, Louisiana, on the Benefits of Offshore Oil and Natural Gas Development. **PRINTED HEARING 109-29**

November 17, 2005:

Hearing held on H.R. 4318, to terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental shelf from leasing for exploration for, and development and production of, natural gas. **PRINTED HEARING 109-36**

February 8, 2006:

Joint oversight hearing with Subcommittee on Forests and Forest Health, on the Effects of High Energy Costs on Jobs and the Potential for Expanded Use of Biomass for Energy.

April 6, 2006:

Oversight hearing on The Role of the Federal Government and Federal Lands in Fueling Renewable and Alternative Energy in America.

April 29, 2006:

Oversight field hearing in Reno, Nevada, on The Role of State and Local Government, and the Private Sector in the Development of Renewable and Alternative Energy in America.

May 4, 2006:

Oversight hearing on The Future of Federal Coal: Status, Availability and Impact of Technological Advances in Using Coal to Create Alternative Energy Resources. **PRINTED HEARING 109-51**

May 18, 2006:

Oversight hearing on The Energy and Mineral Requirements for Renewable and Alternative Fuels Used for Transportation and Other Purposes. **PRINTED HEARING 109-54**

July 13, 2006:

Oversight hearing on Opportunities for Good Samaritan Cleanup of Hard Rock Abandoned Mine Lands. **PRINTED HEARING 109-59**

MEETINGS

September 18, 2006:

Oversight field hearing in Norfolk, Virginia, on Renewable Ocean Energy: Tides, Currents and Waves.

September 20, 2006:

Hearing held on H.R. 6080, to establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes. **PRINTED HEARING 109-62**

MEETINGS

TASK FORCE ON IMPROVING THE NATIONAL ENVIRONMENTAL POLICY ACT

(APRIL 6, 2005 --- OCTOBER 5, 2005)

April 23, 2005:

Oversight field hearing in Spokane, Washington, on the Role of NEPA in the States of Washington, Oregon, Idaho, Montana and Alaska. **PRINTED HEARING 109-8**

June 18, 2005:

Oversight field hearing in Lakeside, Arizona, on the Role of NEPA in the Southwestern States. **PRINTED HEARING 109-21**

July 23, 2005:

Oversight field hearing in Nacogdoches, Texas, on the Role of NEPA in the Southern States. **PRINTED HEARING 109-26**

August 1, 2005:

Oversight field hearing in Rio Rancho, New Mexico, on the Role of NEPA in the Intermountain States. **PRINTED HEARING 109-28**

September 17, 2005:

Oversight field hearing in Norfolk, Virginia on the Role of NEPA in the Mid-Atlantic States. **PRINTED HEARING 109-30**

TASK FORCE ON UPDATING THE NATIONAL ENVIRONMENTAL POLICY ACT

(OCTOBER 7, 2005 --- NOVEMBER 30, 2005)

November 10, 2005:

Oversight hearing on NEPA Litigation: The Causes, Effects and Solutions. **PRINTED HEARING 109-35**

November 17, 2005:

Oversight hearing on NEPA: Lessons Learned and Next Steps. **PRINTED HEARING 109-37**

HOUSE BILLS REFERRED

H.R. 3

Feb. 9, 2005

Mr. Young of Alaska (for himself), Mr. Oberstar, Mr. Petri, Mr. DeFazio, Mr. Boehlert, Mr. Rahall, Mr. Coble, Mr. Costello, Mr. Duncan, Ms. Norton, Mr. Gilchrest, Mr. Nadler, Mr. Mica, Mr. Menendez, Mr. Hoekstra, Ms. Corrine Brown of Florida, Mr. Ehlers, Mr. Filner, Mr. Bachus, Ms. Eddie Bernice Johnson of Texas, Mr. LaTourette, Mr. Taylor of Mississippi, Mrs. Kelly, Ms. Millender-McDonald, Mr. Baker, Mr. Cummings, Mr. Ney, Mr. Blumenauer, Mr. LoBiondo, Mrs. Tauscher, Mr. Moran of Kansas, Mr. Pascrell, Mr. Gary G. Miller of California, Mr. Boswell, Mr. Hayes, Mr. Holden, Mr. Simmons, Mr. Baird, Mr. Brown of South Carolina, Ms. Berkley, Mr. Johnson of Illinois, Mr. Matheson, Mr. Platts, Mr. Honda, Mr. Graves, Mr. Larsen of Washington, Mr. Kennedy of Minnesota, Mr. Capuano, Mr. Shuster, Mr. Weiner, Mr. Boozman, Ms. Carson, Mr. Pearce, Mr. Bishop of New York, Mr. Gerlach, Mr. Michaud, Mr. Mario Diaz-Balart of Florida, Mr. Davis of Tennessee, Mr. Porter, Mr. Chandler, Mr. Osborne, Mr. Higgins, Mr. Marchant, Mr. Carnahan, Mr. Sodrel, Ms. Schwartz of Pennsylvania, Mr. Dent, Mr. Salazar, Mr. Poe, Mr. Reichert, Mr. Mack, Mr. Kuhl of New York, Mr. Fortuno, Mr. Westmoreland, Mr. Boustany, Ms. Hooley, Mr. Frank of Massachusetts, Mr. Wu, Mr. Ryan of Ohio, and Mr. Holt

To authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

"BILL OF INTEREST"

February 9, 2005—Referred to the House Committee on Transportation and Infrastructure.
March 7, 2005—House Report 109-12 (Part I), by Committee on Transportation and Infrastructure.
March 7, 2005—Placed on the Union Calendar No. 5.
March 8, 2005—Supplemental report filed by the Committee on Transportation, House Report 109-12 (Part II).
March 8, 2005—Committee on Rules reported H. Res. 140 to the House. Rule provides for consideration of H.R. 3 with 2 hours and 20 minutes of general debate. All points of order against the consideration of the bill are waived. The amendment in the nature of a substitute recommended by the Committee on Transportation and Infrastructure now printed in the bill, modified by the amendment

printed in part A of the report of the Committee on Rules accompanying this resolution shall be considered as adopted in the House and in the Committee of the Whole. The bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule. Measure will be considered read. Specified amendments are in order. After disposition of the amendments in part B, the Committee shall rise without motion. No further consideration of the bill shall be in order except pursuant to a subsequent order of the House.

March 9, 2005—Rule H. Res. 140 passed House.

March 9, 2005—Committee on Rules reported H. Res. 144 to the House. Rule provides for consideration of H.R. 3. Previous question shall be considered as ordered without intervening motions except motion to recommit with or without instructions. No further general debate (except for the final period contemplated in H. Res. 140) shall be in order. Specified amendments are in order.

March 10, 2005—Rule H. Res. 144 passed House.

March 10, 2005—Passed House as amended by vote of 417-9.

March 20, 2005—Received in the Senate.

April 6, 2005—Ordered placed on the Senate Legislative Calendar No. 69.

April 26, 2005—Considered by Senate.

April 27, 2005—Considered by Senate.

April 28, 2005—Considered by Senate.

May 9, 2005—Considered by Senate.

May 10, 2005—Considered by Senate.

May 11, 2005—Considered by Senate.

May 12, 2005—Considered by Senate.

May 13, 2005—Considered by Senate.

May 16, 2005—Considered by Senate.

May 17, 2005—Considered by Senate.

May 17, 2005—Passed Senate as amended.

May 26, 2005—House disagreed to the Senate amendment, and requested a Conference.

May 26, 2005—The Speaker appointed conferees from the Committee on Transportation and Infrastructure, for consideration of the House bill (except title X) and the Senate amendment (except title V), and modifications committed to conference: Young (AK), Petri, Boehlert, Coble, Duncan, Mica, Hoekstra, LaTourette, Bachus, Baker, Miller, Gary, Hayes, Simmons, Brown (SC), Graves, Shuster, Boozman, Oberstar, Rahall, DeFazio, Costello, Norton, Nadler, Menendez, Brown, Corrine, Filner, Johnson, E. B., Taylor (MS), Millender-McDonald, Cummings, Blumenauer, and Tauscher. From the Committee on the Budget, for consideration of secs. 8001-8003 of the House bill, and Title III of the Senate amendment, and modifications committed to conference: Nussle, Diaz-Balart, M., and Spratt. From the Committee on Education and the Workforce, for consideration of secs. 1118, 1605, 1809, 3018, and 3030 of the House bill, and secs. 1304, 1819, 6013, 6031, 6038, and 7603 of the Senate amendment, and modifications committed to conference: Kline, Keller, and Barrow. From the Committee on Energy and Commerce, for consideration of provisions in the House bill and Senate amendment relating to Clean Air Act provisions of trans-

portation planning contained in secs. 6001 and 6006 of the House bill, and secs. 6005 and 6006 of the Senate amendment; and secs. 1210, 1824, 1833, 5203, and 6008 of the House bill, and secs. 1501, 1511, 1522, 1610-1619, 1622, 4001, 4002, 6016, 6023, 7218, 7223, 7251, 7252, 7256-7262, 7324, 7381, 7382, and 7384 of the Senate amendment, and modifications committed to conference: Barton (TX), Pickering, and Dingell. From the Committee on Government Reform, for consideration of sec. 4205 of the House bill, and sec. 2101 of the Senate amendment, and modifications committed to conference: Davis, Tom, Platts, and Waxman. From the Committee on Homeland Security, for consideration of secs. 1834, 6027, 7324, and 7325 of the Senate amendment, and modifications committed to conference: Cox, Lungren, Daniel E., and Thompson (MS). From the Committee on the Judiciary, for consideration of secs. 1211, 1605, 1812, 1832, 2013, 2017, 4105, 4201, 4202, 4214, 7018-7020, and 7023 of the House bill, and secs. 1410, 1512, 1513, 6006, 6029, 7108, 7113, 7115, 7338, 7340, 7343, 7345, 7362, 7363, 7406, 7407, and 7413 of the Senate amendment, and modifications committed to conference: Sensenbrenner, Smith (TX), and Conyers. **From the Committee on Resources, for consideration of secs. 1119, 3021, 6002, and 6003 of the House bill, and secs. 1501, 1502, 1505, 1511, 1514, 1601, 1603, 6040, and 7501-7518 of the Senate amendment, and modifications committed to conference: Pombo, Walden (OR), and Kind.** From the Committee on Rules, for consideration of secs. 8004 and 8005 of the House bill, and modifications committed to conference: Dreier, Capito, and McGovern. From the Committee on Science, for consideration of secs. 2010, 3013, 3015, 3034, 3039, 3041, 4112, and Title V of the House bill, and Title II and secs. 6014, 6015, 6036, 7118, 7212, 7214, 7361, and 7370 of the Senate amendment, and modifications committed to conference: Ehlers, Reichert, and Gordon. From the Committee on Ways and Means, for consideration of Title X of the House bill, and Title V of the Senate amendment, and modifications committed to conference: Thomas, McCrery, and Rangel. The Speaker appointed a conferee for consideration of the House bill and Senate amendment, and modifications committed to conference: DeLay.

May 26, 2005—Senate insisted upon its amendment and agreed to a Conference.

May 26, 2005—The Senate appointed conferees: Inhofe, Warner, Bond, Voinovich, Chafee, Murkowski, Thune, DeMint, Isakson, Vitter, Grassley, Hatch, Shelby, Allard, Stevens, Lott, Jeffords, Baucus, Lieberman, Boxer, Carper, Clinton, Lautenberg, Obama, Conrad, Inouye, Rockefeller, Sarbanes, Reed, and Johnson.

| Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Bering Sea and Aleutian Islands Management Area [Docket No. 041202338-4338-01; I.D. 011305A] Received February 24, 2005, pursuant to 5 U.S.C. 801(a)(1)(A). | | Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Species in the Rock Sole/Flathead Sole/"Other Flatfish" Fishery Category by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 022805E] Received March 16, 2005, pursuant to 5 U.S.C. 801(a)(1)(A). | |
| 1106 | Mar. 8, 2005 | 1360 | Apr. 5, 2005 |
| Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Closure [Docket No. 001005281-0369-02; I.D. 012105B] Received February 14, 2005, pursuant to 5 U.S.C. 801(a)(1)(A). | | Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Mackerel, Squid, and Butterfish Fisheries; Closure of the Quater I Fishery for Loligo Squid [Docket No. 041221358-4358-01; I.D. 021405B] Received March 3, 2005, pursuant to 5 U.S.C. 801(a)(1)(A). | |
| 1185 | Mar. 15, 2005 | 1361 | Apr. 5, 2005 |
| Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Federal Gas Valuation (RIN: 1010-AD05) Received March 8, 2005, pursuant to 5 U.S.C. 801(a)(1)(A). | | Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels 60 Feet (18.3 Meters) Length Overall and Using Pot Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 041202338-4338-01; I.D. 021105A] Received February 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A). | |
| 1251 | Mar. 16, 2005 | 1362 | Apr. 5, 2005 |
| Letter from the Director, National Oceanic and Atmospheric Administration, transmitting the 2004 report on the Apportionment of Membership on the Regional Fishery Management Councils pursuant to section 302 (b)(2)(B) of the Magnuson-Stevens Fishery Conservation and Management Act. | | Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Bluefin Tuna Fisheries [I.D. 030405B] Received March 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A). | |
| 1358 | Apr. 5, 2005 | 1363 | Apr. 5, 2005 |
| Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska, Proposed Information Collection; Comment Request; Aleutian Islands Subarea Directed Pollock Fishery [Docket No. 041117321-5035-02; I.D. 100904D] (RIN: 0648-AS37) Received March 16, 2005, pursuant to 5 U.S.C. 801(a)(1)(A). | | Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels 60 Feet Length Overall and Longer Using Hook-and-line Gear in the Bering Sea and Aleutian Islands [Docket No. 031124287-4060-02; I.D. 030905F] Received March 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A). | |

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 1364** **Apr. 5, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 610 of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 030905C] Received March 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1365** **Apr. 5, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Less Than 60 Ft. (18.3 m) LOA Using Jig or Hool-and-Line Gear in the Bogoslof Pacific Cod Exemption Area in the Bering Sea and Aleutian Islands Management Area [Docket No. 020718172-2303-02; I.D. 030905B] Received March 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1366** **Apr. 5, 2005**
Letter from the Deputy Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 620 of the Gulf of Alaska [Docket No. 041202339-01; I.D. 030105F] Received March 16, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1367** **Apr. 5, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Central Aleutian District [Docket No. 041202338-4338-01; I.D. 021605A] Received March 3, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1368** **Apr. 5, 2005**
Letter from the Director, NMFS, National Oceanic and Atmospheric Administration, transmitting the ninth and final annual report on actions taken in respect to the New England fishing capacity reduction initiative, pursuant to Section 308(d)(7) of the Interjurisdictional Fisheries Act, as amended, covering the period December 1, 2003 through November 30, 2004.
- 1417** **Apr. 6, 2005**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Kentucky Regulatory Program - Received March 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1418** **Apr. 6, 2005**
Letter from the Chief, Division of Scientific Authority, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Special Rule To Control the Trade of Threatened Beluga Sturgeon (*Huso huso*) (RIN: 1018-AT54) Received March 1, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1419** **Apr. 6, 2005**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Colorado Regulatory Program [CO-033-FOR] Received March 21, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1420** **Apr. 6, 2005**
Letter from the Acting Chair, Federal Subsistence Board, Department of the Interior, transmitting the Department's final rule - Subsistence Management Regulations for Public Lands in Alaska, Subpart C and Subpart D - 2005-06 Subsistence Taking of Fish and Shellfish Regulations (RIN: 1018-AT46) Received March 16, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1421** **Apr. 6, 2005**
Letter from the Director, Office of Hearings and Appeals, Department of the Interior, transmitting the Department's final rule - Probate of Indian Trust Estates (RIN: 1094-AA50) Received March 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1422** **Apr. 6, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Pacific Halibut Fisheries; Catch Sharing Plan [Docket No. 050216042-5042-01; I.D.021105E] (RIN: 0648-AT06) Received March 11, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 1423** **Apr. 6, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Bering Sea and Aleutian Islands; 2005 and 2006 Final Harvest Specifications for Groundfish [Docket No. 041126332-5039-02; I.D. 112204A] Received March 11, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1424** **Apr. 6, 2005**
Letter from the Deputy Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Catching Pacific Cod for Processing by the Offshore Component in the Central Regulatory Area of the Gulf of Alaska [Docket No. 041202339-4339-01; I.D.021805F] Received March 11, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1425** **Apr. 6, 2005**
Letter from the Deputy Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Catching Pacific Cod for Processing by the Offshore Component in the Western Regulatory Area of the Gulf of Alaska [Docket No. 041202339-4339-01; I.D. 021805G] Received March 11, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1426** **Apr. 6, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher/Processor Vessels Using Hook-and-Line Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 041202338-4338-01; I.D. 021805A] Received March 11, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1427** **Apr. 6, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Gulf of Alaska; Final 2005 and 2006 Harvest Specifications for Groundfish [Docket No. 041126333-5040-02; I.D. 112204C] Received March 11, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1428** **Apr. 6, 2005**
Letter from the Assistant Administrator, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Atlantic Bluefin Tuna Quota Specifications, General Category Effort Controls, and Catch-and-Release Provision [Docket No. 041203341-5047-02; I.D. 072304B] (RIN: 0648-AR86) Received March 16, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1429** **Apr. 6, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Of Alaska; Groundfish by Vessels Using Non-Pelagic Trawl Gear in the Red King Crab Savings Subarea [Docket No. 041126332-5039-02; I.D. 030405A] Received March 18, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1542** **Apr. 13, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Deep-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 032205C] Received April 1, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1700** **Apr. 20, 2005**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Oklahoma Abandoned Mine Land Reclamation Plan [Docket No. OK-031-FOR] Received March 30, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1701** **Apr. 20, 2005**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Wyoming Regulatory Program [WY-032-FOR] Received March 30, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1702** **Apr. 20, 2005**
Letter from the Deputy Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Tilefish Fishery; Quota Harvested for Part-time Category [Docket No. 010319075-1217-02; I.D.030905G] Received March 30, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 1703** **Apr. 20, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Reopening of the Application Process for the Charter Vessel and Headboat Permit Moratorium in the Gulf of Mexico [Docket No. 050314073-5073-01; I.D.030705B] (RIN: 0648-AS99) Received April 8, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1704** **Apr. 20, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast (NE) Multispecies Fishery; Closure of the Eastern U.S./Canada Area and Prohibition of Harvesting, Processing, or Landing of Yellowtail Flounder from the Entire U.S./Canada Management Area [Docket No. 040112010-4114-02; I.D.032805B] Received April 8, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1705** **Apr. 20, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 620 of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 031805A] Received March 30, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1718** **Apr. 21, 2005**
Letter from the Assistant Secretary, Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Revisions to General Permit Procedures (RIN: 1018-AC57) Received April 6, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1719** **Apr. 21, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Using Trawl Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 032305B] Received April 5, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1720** **Apr. 21, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole by Vessels Using Trawl Gear in Bycatch Limitation Zone 1 of the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 031505B] Received March 30, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1747** **Apr. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast (NE) Multispecies Fishery; Reduction of the Yellowtail Flounder Trip Limit for the U.S./Canada Management Area [Docket No. 040112010-4114-02; I.D. 020705A] Received April 25, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1748** **Apr. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska [Docket No. 041202339-4339-01; I.D. 021105B] Received April 25, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1870** **May 5, 2005**
Letter from the Assistant Secretary for Indian Affairs, Department of the Interior, transmitting the Department's final rule - Law and Order on Indian Reservations (RIN: 1076-AE52) Received March 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1871** **May 5, 2005**
Letter from the Acting Assistant Secretary for Water and Science, Department of the Interior, transmitting the Department's final rule - Public Conduct on Reclamation Lands and Projects; Extension of Expiration Date (RIN: 1006-AA49) Received March 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 1872** **May 5, 2005**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Migratory Bird Subsistence Harvest in Alaska; Harvest Regulations for Migratory Birds in Alaska During the 2005 Season (RIN: 1018-AT77) Received April 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1873** **May 5, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for Riverside Fairy Shrimp (*Streptocephalus woottoni*) (RIN: 1018-AT42) Received April 5, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1874** **May 5, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for Arroyo Toad (*Bufo californicus*) (RIN: 1018-AT42) Received April 5, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1875** **May 5, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in the West Yakutat District of the Gulf of Alaska [Docket No. 04112633-5040-02; I.D. 032505B] Received April 5, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1876** **May 5, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Using Trawl Gear in the Bering Sea and Aleutian Islands [Docket No. 041126332-5039-02; I.D. 031105A] Received March 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1877** **May 5, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher/Processor Vessels Using Trawl Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 031105B] Received March 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1878** **May 5, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Bluefish Fishery; Specifications [Docket No. 050125017-5068-02; I.D. 011905E] (RIN: 0648-AR57) Received April 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1879** **May 5, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Revisions to Western Alaska Community Development Quota Program [Docket No. 041110318-5055; I.D. 0110504E] (RIN: 0648-AS00) Received April 7, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1983** **May 17, 2005**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Kentucky Regulatory Program [KY-248-FOR] Received April 27, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 1984** **May 17, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Less Than 60 Feet (18.3 Meters) Length Overall Using Hook-and-Line or Pot Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 041805D] Received April 27, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2036** **May 19, 2005**
Letter from the Secretary, Department of the Interior, transmitting the annual report entitled, "Outer Continental Shelf Lease Sales: Evaluation of Bidding Results" for Fiscal Year 2004, pursuant to 43 U.S.C. 1337(a)(9).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 2037** **May 19, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Establishment of an Additional Manatee Protection Area in Lee County, Florida (RIN: 1018-AT65) Received April 25, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2038** **May 19, 2005**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Deep-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 050305C] Received May 13, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2039** **May 19, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Recordkeeping and Reporting Requirements; Regulatory Amendment to Modify Seafood Dealer Reporting Requirements [Docket No. 050216041-5105-02; I.D. 020705C] (RIN: 0648-AS87) Received May 13, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2040** **May 19, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Deep-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 042105C] Received May 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2041** **May 19, 2005**
Letter from the Office of Protected Resources, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Taking of Marine Mammals Incidental to Commercial Fishing Operations; Tuna Purse Seine Vessels in the Eastern Tropical Pacific Ocean (ETP) Received April 26, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2042** **May 19, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off Western Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Specifications and Management Measures; Inseason Adjustments; Pacific Halibut Fisheries; Corrections [Docket No. 040830250-5062-03; I.D. 042205C] Received May 13, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2043** **May 19, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Summer Flounder Fishery; Quota Transfer [Docket No. 041110317-4364-02; I.D. 041805C] Received April 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2044** **May 19, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Mackerel, Squid, and Butterfish Fisheries; Closure of the Quarter II Fishery for Loligo Squid [Docket No. 041221358-5065-02; I.D. 042005B] Received April 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2045** **May 19, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Species in the Rock Sole/Flathead Sole/'Other Flatfish' Fishery Category by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 042105B] Received April 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 2046** **May 19, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fishery Off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Specifications and Management Measures; Inseason Adjustments; Corrections [Docket No. 040830250-5062-03; I.D. 032205B] Received April 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pacific Cod in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 051105C] Received May 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3018** **July 21, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Haddock Incidental Catch Allowance for the 2005 Atlantic Herring Fishery; Emergency Fishery Closure Due to the Presence of the Toxin that Causes Paralytic Shellfish Poisoning; Correction [Docket No. 050629171-5171-01; I.D. 070105A] (RIN: 0648-AT51) Received July 14, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3019** **July 21, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Amendment 15 [Docket No. 050309066-5164-02; I.D. 030105D] (RIN: 0648-AS53) Received July 14, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3020** **July 21, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; License Limitation Program for the Scallop Fishery [Docket No. 050325082-5165-02; I.D. 031705E] (RIN: 0648-AS90) Received July 14, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3021** **July 21, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Specifications and Management Measures; Inseason Adjustments [Docket No. 040830250-5062-03; I.D. 062705B] Received July 14, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3022** **July 21, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Rock Sole in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 062705A] Received July 11, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3023** **July 21, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; "Other Flatfish" in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 062905B] Received July 13, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 3024** **July 21, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; "Other Flatfish" in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 062905A] Received July 13, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3027** **July 21, 2005**
Letter from the Acting Assistant Secretary for Legislative Affairs, Department of State, transmitting certification to Congress regarding the Incidental Capture of Sea Turtles in Commercial Shrimping Operations, pursuant to Public Law 101-162, Section 609(b). Joint with the Committee on Appropriations.
- 3127** **July 22, 2005**
Letter from the Director, Executive Secretariat, Department of the Interior, transmitting the Department's final rule - Deposit of Proceeds from Lands Withdrawn for Native Selection (RIN: 1076-AE74) Received July 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3197** **July 25, 2005**
Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil and Gas and Sulphur Operations in the Outer Continental Shelf (OCS) - Fixed and Floating Platforms and Structures and Documents Incorporated by Reference (RIN: 1010-AC85) Received July 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3198** **July 25, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for *Astragalus jaegerianus* (Lane Mountain milk-vetch) (RIN: 1018-AI78) Received April 5, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3199** **July 25, 2005**
Letter from the Deputy Asst. Admin. for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Emergency Fishery Closure Due to the Presence of the Toxin that Causes Paralytic Shellfish Poisoning (PSP) [Docket No. 050613158-5158-01; I.D. 061305B] (RIN: 0648-AT48) Received July 13, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3200** **July 25, 2005**
Letter from the Deputy Asst. Admin. for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Total Allowable Catches for Georges Bank Cod, Haddock, and Yellowtail Flounder in the U.S./Canada Management Area for Fishing Year 2005 [Docket No. 050331089-5172-02; I.D. 031005A] (RIN: 0648-AS74) Received July 18, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3201** **July 25, 2005**
Letter from the Deputy Asst. Admin. for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Herring Fishery [Docket No. 050112008-5102-02; I.D. 010605E] (RIN: 0648-AS23) Received July 18, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3228** **July 25, 2005**
Letter from the Director, Office of Electricity and Energy Assurance, Department of Energy, transmitting a report containing the status of the programs and the progress toward meeting the goal in providing sufficient electricity to the Navajo Nation, pursuant to Public Law 106-511, Section 602 (d) (114 Stat. 2377). Joint with the Committee on Energy and Commerce.
- 3232** **July 25, 2005**
Letter from the Under Secretary of Commerce for Oceans and Atmosphere, National Oceanographic Partnership Program, transmitting an annual report from the National Oceanographic Partnership Program (NOPP) for 2005, pursuant to Public Law 104-201. Joint with the Committees on Armed Services and Science.
- 3251** **July 26, 2005**
Letter from the Secretary, Department of the Interior, transmitting notification of payments to eligible governments in the State of Illinois for Fiscal Year 2005 under the Payments in Lieu of Taxes (PILT) program.
- 3359** **July 27, 2005**
Letter from the Secretary, Department of Agriculture, transmitting a legislative proposal entitled, "To provide for greater efficiency in the management and realignment of administrative sites on the National Forest System". Joint with the Committee on Agriculture.

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 3361** **July 27, 2005**
Letter from the Acting General Counsel, Department of Commerce, transmitting a draft bill entitled, "Marine Mammal Protection Act Amendments of 2005". Joint with the Committees on the Judiciary, and International Relations.
- 3441** **July 28, 2005**
Letter from the Assistant Secretary, Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Amendment of Lower St. Johns River Manatee Refuge in Florida (RIN: 1018-AU10) Received May 26, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3442** **July 28, 2005**
Letter from the Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Establishment of a Nonessential Experimental Population for Two Fishes (Boulder Darter and Spotfin Chub) in Shoal Creek, Tennessee and Alabama (RIN: 1018-AH44) Received May 26, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3443** **July 28, 2005**
Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Rights-of-way, Principles and Procedures; Rights-of-way Under the Federal Land Policy and Management Act and the Mineral Leasing Act [WO 350 05 1430 PN] (RIN: 1004-AC74) Received April 22, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3556** **July 29, 2005**
Letter from the Assistant Director, Directives and Regulations Branch, Department of Agriculture, transmitting the Department's final rule - Clarification as to When a Notice of Intent To Operate and/or Plan of Operation is Needed for Locatable Mineral Operations on National Forest System Lands (RIN: 0596-AC17) Received June 16, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3702** **Sept. 7, 2005**
Letter from the Asst. Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil and Gas and Sulphur Operations in the Outer Continental Shelf - Plans and Information (RIN: 1010-AC47) Received August 26, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3874** **Sept. 14, 2005**
Letter from the Principal Deputy Assistant Secretary for Indian Affairs, Department of the Interior, transmitting a proposed plan under the Indian Tribal Judgement Funds Act, 25 U.S.C. 1401et seq., for the use and distribution of the settlement funds to the Confederated Tribes of the Warm Springs Reservation (Tribe).
- 3875** **Sept. 14, 2005**
Letter from the Acting Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Deep-Sea Red Crab Fishery; Framework Adjustment 1 to the Atlantic Deep-Sea Red Crab Fishery Management Plan [Docket No. 050510127-5190-02; I.D. 050305D] (RIN: 0648-AS35) Received August 25, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3876** **Sept. 14, 2005**
Letter from the Director, National Oceanic and Atmospheric Administration, transmitting the Administration's 2004 report to Congress on the "The Status of U.S. Fisheries".
- 3877** **Sept. 14, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pacific Cod in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 08045C] Received August 25, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3878** **Sept. 14, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action #4 - Adjustment of the Commercial Salmon Fishery from the U.S.-Canada Border to Cape Falcon, Oregon [Docket No. 050426117-5117-01; I.D. 072205G] Received August 4, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 3879** **Sept. 14, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action #3 - Adjustment of the Commercial Salmon Fishery from the U.S.-Canada Border to Cape Falcon, Oregon [Docket No. 050426117-5117-01; I.D. 0722205F] Received August 4, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3880** **Sept. 14, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Trip Limit Reduction for Gulf of Mexico Grouper Fishery [Docket No. 050209033-5033-01; I.D. 071505C] Received August 4, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3881** **Sept. 14, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action #2 - Adjustment of the Commercial Salmon Fishery from the U.S.-Canada Border to Cape Falcon, Oregon [Docket No. 040429134-4135-01; I.D.072205E] Received August 4, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3882** **Sept. 14, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Ocean Perch in the West Yakutat District of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D.071505B] Received August 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3908** **Sept. 14, 2005**
Letter from the Assistant Secretary for Policy, Management and Budget, Department of the Interior, transmitting the Department's report on the impacts of the Compacts of Free Association with the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands, pursuant to Public Law 108-188, Section 104(e)(8). Joint with the Committee on International Relations.
- 3909** **Sept. 15, 2005**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Migratory Bird Hunting; Migratory Bird Hunting Regulations on Certain Federal Indian Reservations and Ceded Lands for the 2005-06 Early Season (RIN: 1018-AT76) Received September 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3910** **Sept. 15, 2005**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Migratory Bird Hunting; Early Seasons and Bag and Possession Limits for Certain Migratory Game Birds in the Contiguous United States, Alaska, Hawaii, Puerto Rico, and the Virgin Islands (RIN: 1018-AT76) Received September 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3911** **Sept. 15, 2005**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Migratory Bird Hunting; Final Frameworks for Early-Season Migratory Bird Hunting Regulations (RIN: 1018-AT76) Received September 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3912** **Sept. 15, 2005**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the California Tiger Salamander, Central Population (RIN: 1018-AT68) Received August 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3913** **Sept. 15, 2005**
Letter from the Assistant Secretary, Land and Minerals Management, OSM, Department of the Interior, transmitting the Department's final rule - Pennsylvania Regulatory Program [PA-124-FOR] Received September 1, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3914** **Sept. 15, 2005**
Letter from the Assistant Secretary, Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Designation of Critical Habitat for Four Vernal Pool Crustaceans and Eleven Vernal Pool Plants in California and Southern Oregon; Evaluation of Economic Exclusions From August 2003 Final Designation (RIN: 1018-AU06) Received August 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 3915** **Sept. 15, 2005**
Letter from the Assistant Secretary, Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Listing Roswell springsnail, Koster's springsnail, Noel's amphipod, and Pecos assimineia as Endangered with Critical Habitat (RIN: 1018-AI15) Received August 12, 1005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 3976** **Sept. 19, 2005**
Letter from the Acting Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting a draft bill, "to authorize the Secretary of the Interior to enter into cooperative agreements to protect park natural resources through collaborative efforts on lands inside and outside of National Park System units".
- 4256** **Sept. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Shallow-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 081805B] Received September 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4257** **Sept. 28, 2005**
Letter from the Acting Deputy Asst. Admin. for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean; Gulf of Mexico, and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Extension of Commercial Trip Limits for Gulf of Mexico Grouper Fishery [Docket No. 050209033-5033-01; I.D. 020405D] (RIN: 0648-AS97) Received September 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4258** **Sept. 28, 2005**
Letter from the Deputy Asst. Admin. for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Gulf Reef Fish Limited Access System [Docket No. 050408096-5182-02; I.D. 033105A] (RIN: 0648-AS69) Received August 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4259** **Sept. 28, 2005**
Letter from the Deputy Asst. Admin. for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast (NE) Multispecies Fishery; Haddock Incidental Catch Allowance for the 2005 Atlantic Herring Fishery [Docket No. 050517132-5132-01; I.D. 051105D] (RIN: 0648-AT36) Received August 12,2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4260** **Sept. 28, 2005**
Letter from the Deputy Asst. Admin. for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Pacific Whiting; Fishery Closure [Docket No. 050816224-5224-01; I.D. 081005A] (RIN: 0648-AT69) Received September 16, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4261** **Sept. 28, 2005**
Letter from the Deputy Asst. Admin. for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Modification of Emergency Fishery Closure Due to the Presence of the Toxin That Causes Paralytic Shellfish Poisoning [Docket No. 050613158-5237-02; I.D. 090105A] (RIN: 0648-AT48) Received September 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4262** **Sept. 28, 2005**
Letter from the Deputy Asst. Admin. for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Pacific Halibut Fisheries; Fisheries of the Exclusive Economic Zone Off Alaska; Individual Fishing Quota Program; Community Development Quota Program [Docket No. 050421110-5192-02; I.D. 041505F] (RIN: 0648-AT03) Received August 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4263** **Sept. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action #5 - Adjustments of the Recreational Fishery from Cape Alava, Washington, to Cape Falcon, OR [Docket No. 050426117-5117-01; I.D. 080805A] Received September 1, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 4274** **Sept. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Yellowfin Sole in the Bering Sea and Aleutian Islands [Docket No. 041126332-5039-02; I.D. 072205B] Received August 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4275** **Sept. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Deep-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 072205C] Received August 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4276** **Sept. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Ocean Perch in the Western Regulatory Area of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 071505D] Received September 8, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4277** **Sept. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Scup Fishery; Adjustment to the 2005 Winter II Quota [Docket No. 030912231-3266-02; I.D. 071905B] Received August 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4278** **Sept. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Northern Rockfish in the Western Regulatory Area of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 071905A] Received August 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4279** **Sept. 28, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; "Other Rockfish" in the Western Regulatory Area of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 072205A] Received August 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4341** **Sept. 29, 2005**
Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil, Gas, and Sulphur Operations and Leasing in the Outer Continental Shelf (OCS)-Cost Recovery (RIN: 1010-AD16) Received August 26, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4342** **Sept. 29, 2005**
Letter from the Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Migratory Bird Hunting; Regulations on Certain Federal Indian Reservations and Ceded Lands for the 2005-06 Late Season (RIN: 1018-AT76) Received September 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4343** **Sept. 29, 2005**
Letter from the Assistant Secretary for Fish and Wildlife Management, Department of the Interior, transmitting the Department's final rule - Migratory Bird Hunting; Final Frameworks for Late-Season Migratory Bird Hunting Regulations (RIN: 1018-AT76) Received September 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4344** **Sept. 29, 2005**
Letter from the Assistant Secretary for Fish and Wildlife Management, Department of the Interior, transmitting the Department's final rule - Migratory Bird Hunting; Late Seasons and Bag and Possession Limits for Certain Migratory Game Birds (RIN: 1018-AT76) Received September 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4345** **Sept. 29, 2005**
Letter from the Assistant Secretary for Fish and Wildlife Management, Department of the Interior, transmitting the Department's final rule - 2005-2006 Refuge-Specific Hunting and Sport Fishing Regulations (RIN: 1018-AU14) Received September 6, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

4430	Oct. 6, 2005	4465	Oct. 7, 2005

Letter from the Bureau of Land Management, Department of the Interior, transmitting the Department's final rule - Leasing in Special Tar Sand Areas [WO-310-1310-PP-241A] (RIN: 1004-AD76) Received October 7, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Prohibition of the use of Regular B Days-at-Sea in the Georges Bank Cod Stock Area [Docket No. 040804229-4300-02; I.D. 071305B] Received August 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).	
4750	Oct. 25, 2005	4779	Oct. 26, 2005
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Atlantic Bluefin Tuna Fisheries [I.D. 091405F] Received October 7, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Ocean Perch in the Western Aleutian District of Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 071805A] Received August 2, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).	
4774	Oct. 26, 2005		
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 620 of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 091505B] Received October 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).			

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 4780** **Oct. 26, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Framework Adjustment 41 [Docket No. 050630174-5234-02; I.D. 062005B-X] (RIN: 0648-AT08) Received September 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4816** **Oct. 27, 2005**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Revisions to the State Program Amendment Process (RIN: 1029-AC06) Received October 17, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4817** **Oct. 27, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Pacific Coast Population of the Western Snowy Plover (RIN: 1018-AT89) Received October 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4818** **Oct. 27, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Bull Trout (RIN: 1018-AJ12; 1018-AU31) Received October 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4819** **Oct. 27, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Designation of Critical Habitat for the Arkansas River Basin Population of the Arkansas River Shiner (*Notropis girardi*) (RIN: 1018-AT84) Received October 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4820** **Oct. 27, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Southwestern Willow Flycatcher (*Empidonax traillii extimus*) (RIN: 1018-AT88) Received October 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4821** **Oct. 27, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Central Aleutian District of the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332- 5039-02; I.D. 092105D] Received October 7, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4822** **Oct. 27, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Areas 620 and 630 of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 092105A] Received October 7, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4823** **Oct. 27, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 091205A] Received October 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4824** **Oct. 27, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 091605F] Received October 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 4825** **Oct. 27, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 091505A] Received October 19, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 5128** **Nov. 9, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Emergency Fishery Closure Due to the Presence of the Toxin That Causes Paralytic Shellfish Poisoning [Docket No. 050613158-5262-03; I.D. 090105A] (RIN: 0648-AT48) Received October 31, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5165** **Nov. 10, 2005**
Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil, Gas, and Sulphur Operations and Leasing in the Outer Continental Shelf (OCS) - Waiver of Fees (RIN: 1010-AD27) Received October 27, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5166** **Nov. 10, 2005**
Letter from the Assistant Secretary for Policy, Management and Budget, Department of the Interior, transmitting a report on the results and conclusions of environmental investigations of areas of Naval Oil Shale Reserve Number 3 and an estimate of the total costs necessary to address the site's environmental conditions, pursuant to Public Law 105-85.
- 5167** **Nov. 10, 2005**
Letter from the Secretary, Department of Commerce, transmitting the Department's biennial report on the Administration of the Coastal Zone Management Act by the Office of Ocean and Coastal Resource Management, National Ocean Service, National Oceanic and Atmospheric Administration for fiscal years 2002 and 2003, pursuant to 16 U.S.C. 1451 et seq..
- 5244** **Nov. 16, 2005**
Letter from the Under Secretary for Oceans and Atmosphere, Department of Commerce, transmitting information regarding the activities of the Northwest Atlantic Fisheries Organization for 2004, pursuant to 16 U.S.C. 5601 et seq.
- 5245** **Nov. 16, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pacific Cod in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 100405D] Received October 24, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5246** **Nov. 16, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; End of the Pacific Whiting Primary Season for the Catcher/processor Sector [Docket No. 040830250-5109-04; I.D. 101805C] Received November 8, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5297** **Nov. 18, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Department's final rule - Fisheries Off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Specifications and Management Measures; Inseason Adjustments [Docket No. 040830250-5062-03; I.D. 093005A] Received October 25, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5298** **Nov. 18, 2005**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Act Provisions; Fisheries off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Specifications and Management Measures; Inseason Adjustments; Correction [Docket No. 051014263-5263-01; I.D. 093005A] (RIN: 0648-AU00) Received November 8, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5299** **Nov. 18, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Ocean Perch in the Western Aleutian District of the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 100605B] Received October 28, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5300** **Nov. 18, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Western Aleutian District of the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 100605C] Received October 23, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Spiny Dogfish; Open Access; Routine Management Measure; Closure Authority [Docket No. 050302053-5120-03; I.D. 042605G] (RIN: 0648-AT38) Received November 18, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5526** **Dec. 7, 2005**
Letter from the Acting Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fishery of the Northeastern United States; Extension of Emergency Fishery Closure Due to the Presence of the Toxin That Causes Paralytic Shellfish Poisoning [Docket No. 050613158-5237-02; I.D. 090105A] (RIN: 0648-AT48) Received November 18, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5527** **Dec. 7, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Closure of the Eastern U.S./Canada Area and the Eastern U.S./Canada Haddock Special Access Program Pilot Program [Docket No. 040804229-4300-02; I.D. 081705H] Received November 18, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5528** **Dec. 7, 2005**
Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Sea Scallop Fishery [Docket No. 051028281-5281-01; I.D. 101705C] (RIN: 0648-AT99) Received November 18, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5543** **Dec. 7, 2005**
Letter from the Secretary, Department of the Interior, transmitting in compliance with the requirements of Subtitle F, section 3182 of the National Defense Authorization Act for Fiscal Year 2002 (Pub. L. 107-107), a report on regarding the future of Rocky Flats National Wildlife Refuge.
- 5596** **Dec. 12, 2005**
Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; Highly Migratory Species Fisheries; Data Collection Requirements for U.S. Commercial and Recreational Charter Fishing Vessels [Docket No. 051027277-5277-01; I.D. 102903C] (RIN: 0648-AT97) Received November 18, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5597** **Dec. 12, 2005**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Atlantic Bluefin Tuna Fisheries [I.D. 102505B] Received November 29, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5598** **Dec. 12, 2005**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action #9 - Adjustment of the Recreational Fishery from Leadbetter Point, Washington to Cape Falcon, Oregon [Docket No. 050426117-5117-01; I.D. 110905D] Received November 29, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5599** **Dec. 12, 2005**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action #11 - Adjustment of the Commercial Salmon Fishery from the Oregon-California Border to Humboldt South Jetty, California [Docket No. 040429134-4135-01; I.D. 110905F] Received November 29, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5600** **Dec. 12, 2005**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fraser River Sockeye Salmon Fisheries; Inseason Orders [I.D. 110905G] Received November 29, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 5673** **Dec. 14, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Determination Concerning Critical Habitat for the San Miguel Island Fox, Santa Rosa Island Fox, Santa Cruz Island Fox, and Santa Catalina Island Fox (RIN: 1018-AT78) Received November 14, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5674** **Dec. 14, 2005**
Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Application Procedures, Execution and Filing of Forms: Correction of State Office Address for Filings and Recordings, Proper Offices for Recording of Mining Claims [WO 630-1610-EI-25-2Z] (RIN: 1004-AD77) Received November 18, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5675** **Dec. 14, 2005**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Illinois Regulatory Program [Docket No. IL-103-FOR] Received November 29, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5676** **Dec. 14, 2005**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Alaska Regulatory Program [SATS No. AK-006-FOR] Received November 29, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5677** **Dec. 14, 2005**
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - North Dakota Regulatory Program [ND-048-FOR, Amendment No. XXXV] Received November 22, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5678** **Dec. 14, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher/Processor Vessels Using Pot Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 111705A] Received December 5, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5679** **Dec. 14, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 102605A] Received December 5, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5785** **Dec. 16, 2005**
Letter from the Deputy Director, U.S. Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Inclusion of Alligator Snapping Turtle (*Macrochelys [=Macrochelys] temminckii*) and All Species of Map Turtle (*Graptemys* spp.) in Appendix III to the Convention on International Trade in Endangered Species of Wild Fauna and Flora (RIN: 1018-AF69) Received December 12, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5786** **Dec. 16, 2005**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Sonoma County Distinct Population Segment of the California Tiger Salamander (RIN: 1018-AU23) Received December 7, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5787** **Dec. 16, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pacific Cod in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 112105A] Received December 14, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).
- 5788** **Dec. 16, 2005**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Herring Fishery; Total Allowable Catch Harvested for Management Area 1A [Docket No. 050112008-5102-02; I.D. 112505B] Received December 14, 2005, pursuant to 5 U.S.C. 801(a)(1)(A).

- 6506** **Mar. 7, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 030805C] Received February 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 6507** **Mar. 7, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Trip Limit Increases [Docket No. 001005281-0369-02; I.D. 012406A] Received February 14, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 6508** **Mar. 7, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 610 of the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 012506A] Received February 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 6509** **Mar. 7, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels 60 Feet (18.3 Meters) Length Overall and Using Pot Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 020106A] Received February 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 6510** **Mar. 7, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Sablefish Managed Under the Individual Fishing Quota Program [I.D. 020606B] Received February 22, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 6511** **Mar. 7, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pollock from the Aleutian Islands Subarea to the Bering Sea Subarea [Docket No. 041126332-5039-02; I.D. 020606A] Received February 22, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 6512** **Mar. 7, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisios; Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Modification of the Yellowtail Flounder Landing Limit for Western and Eastern U.S./Canada Areas [Docket No. 040804229-4300-02; I.D. 010606A] Received February 22, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 6513** **Mar. 7, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Mackerel, Squid, and Butterfish Fisheries; Closure of the Quarter I Fishery for Loligo Squid [Docket No. 051209329-5329-01; I.D. 020306B] Received February 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 6645** **Mar. 13, 2006**
Letter from the Acting Director, Office of Surfacing Mining, Department of the Interior, transmitting the Department's final rule - West Virginia Regulatory Program [WV-106-FOR] Received February 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 6646** **Mar. 13, 2006**
Letter from the Acting Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - West Virginia Regulatory Program [WV-106-FOR] Received February 23, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

6647	Mar. 13, 2006	6783	Mar. 29, 2006
Letter from the Acting Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Migratory Bird Subsistence Harvest in Alaska; Harvest Regulations for Migratory Birds in ALaska During the 2006 Season (RIN: 1018-AU39) Received March 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Assistant Secretary, Land and Mineral Management, Department of the Interior, transmitting the Department's final rule - Application Procedures, Execution and Filing of Forms: Correction of State Office Address for Filings and Recordings, Proper Offices for Recording of Mining Claims [MT 980-0777-XG] (RIN: 1004-AB85) Received March 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
6648	Mar. 13, 2006	6811	Mar. 30, 2006
Letter from the Acting Principal Deputy Assistant Secretary, Bureau of Indian Affairs, Department of the Interior, transmitting the Department's final rule - Reindeer in Alaska (RIN: 1076-AE37) Received January 9, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Secretary, Department of the Interior, transmitting a copy of a draft bill titled, the "Reclamation Water Management Improvement Act".	
6649	Mar. 13, 2006	6812	Mar. 30, 2006
Letter from the Acting Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Texas Regulatory Program [Docket No. TX-055-FOR] Received February 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Principal Deputy Assistant Secretary for Indian Affairs, Department of the Interior, transmitting a proposed plan pursuant to the Indian Tribal Judgement Funds Act for the White Mountain Apache Tribe in Docket No. 99-148L, pursuant to 25 U.S.C. 1401.	
6732	Mar. 16, 2006	7002	Apr. 26, 2006
Letter from the Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Termination of Federal Enforcement for Parts of the Missouri Permanent Regulatory Program and Return of Full Regulatory Authority to the State of Missouri [Docket No. MO-738] Received January 26, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Secretary, Department of the Interior, transmitting the 2005 Annual Report for the Office of Surface Mining Reclamation and Enforcement, pursuant to 30 U.S.C. 1211(f), 1267(g), and 1295.	
6735	Mar. 16, 2006	7003	Apr. 26, 2006
Letter from the Assistant Director, Directives and Regulations Branch, Office of Regulatory and Management Services, USDA Forest Service, Department of Agriculture, transmitting the Department's final rule - Travel Management; Designated Routes and Areas for Motor Vehicle Use (RIN: 0596-AC11) Received January 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A). Joint with the Committee on Agriculture.		Letter from the Acting Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil and Gas Lease Acreage Limitation Exemptions and Reinstatement of Oil and Gas Leases [WO-310-1310-PP-241A] (RIN: 1004-AD83) Received April 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
6762	Mar. 28, 2006	7004	Apr. 26, 2006
Letter from the Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Shallow-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 041126333-5040-02; I.D. 022406B] Received March 22, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the California Red-legged Frog, and Special Rule Exemption Associated with Final Listing for Existing Routine Ranching Activities (RIN: 1018-AJ16) Received April 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 7017** **Apr. 26, 2006**
Letter from the Acting Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for *Brodiaea filifolia* (thread-leaved brodiaea) (RIN: 1018-AT75) Received March 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7018** **Apr. 26, 2006**
Letter from the Director, National Marine Fisheries Service, National Oceanic and Atmospheric Administration, transmitting the 2005 Annual Report Regarding Atlantic Highly Migratory Species, pursuant to 16 U.S.C. 971 et seq..
- 7027** **Apr. 26, 2006**
Letter from the Assistant Secretary for Civil Works, Department of the Army, transmitting the results of a study of the known and potential environmental effects of gas and oil drilling activities in the Great Lakes.
- 7121** **May 1, 2006**
Letter from the Director, Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Final Rule to Remove the Arizona Distinct Population Segment of the Cactus Ferruginous Pygmy-owl (*Glaucidium brasilianum cactorum*) From the Federal List of Endangered and Threatened Wildlife; Withdrawal of the Proposed Rule to Designate Critical Habitat; Removal of Federally Designated Critical Habitat (RIN: 1018-AU22; RIN: 1018-AI48) Received April 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7122** **May 1, 2006**
Letter from the Regional Forester, USDA Forest Service, Department of the Interior, transmitting the Department's final rule - Subsistence Management Regulations for Public Lands in Alaska, Subpart A (RIN: 1018-AT81) Received April 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7123** **May 1, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Adjustment of Pacific Cod Total Allowable Catch Amounts in the Bering Sea and Aleutian Islands [Docket No. 060216045-6045-01; I.D. 031406B] Received April 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7124** **May 1, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher/Processor Vessels Using Hook-and-line Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 041126332-5039-02; I.D. 021706A] Received April 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7125** **May 1, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action - #1 - Adjustment of the Commercial and Recreational Fisheries from Cape Falcon, Oregon, to Point Sur, California [Docket No. 050426117-5117-01; I.D. 031406F] Received April 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7126** **May 1, 2006**
Letter from the Deputy Director, Office of Protected Resources, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Taking and Importing Marine Mammals; Taking Marine Mammals Incidental to Construction and Operation of Offshore Oil and Gas Facilities in the Beaufort Sea [Docket No. 050630175-6039-02; I.D. 010305B] (RIN: 0648-AS98) Received April 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7168** **May 2, 2006**
Letter from the Principal Deputy Associate Administrator, Environmental Protection Agency, transmitting the Agency's final rule - Approval and Promulgation of Air Quality Implementation Plans; Indiana [EPA-R05-OAR-2006-0124; FRL-8040-6] Received March 16, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7169** **May 2, 2006**
Letter from the Principal Deputy Associate Administrator, Environmental Protection Agency, transmitting the Agency's final rule - Revisions to the Nevada State Implementation Plan, Washoe County District Board of Health [EPA-R09-OAR-2005-0002, FRL-8040-8] Received March 16, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 7283** **May 4, 2006**
Letter from the Secretary, Department of Agriculture, transmitting a copy of draft legislation to authorize the Secretary of Agriculture to dispose of certain National Forest System lands and retain receipts. Joint with Committee on Agriculture
- 7288** **May 8, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pacific Cod in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216044-6044-01; I.D. 032006A] Received April 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7289** **May 8, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 620 of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 0321106B] Received April 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7290** **May 8, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; Western Pacific Pelagic Fisheries; Fishery Closure [Docket No. 060317076-6076-01; I.D. 032006E] Received April 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7291** **May 8, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pollock from the Aleutian Islands Subarea to the Bering Sea Subarea [Docket No. 060216045-6045-01; I.D. 030306A] Received March 20, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7292** **May 8, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Catching Pacific Cod for Processing by the Inshore Component in the Western Regulatory Area of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 030106A] Received March 20, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 7386** **May 10, 2006**
Letter from the Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil and Gas and Sulphur Operations in the Outer Continental Shelf (OCS), 30 CFR 250 Subpart A, General - Data Release and Definitions (RIN: 1010-AC99) Received April 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7377** **May 10, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Mackerel, Squid, and Butterfish Fisheries; Closure of the Quarter II Fishery for Loligo Squid [Docket No. 051209329-5329-01; I.D. 041406A] Received May 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7515** **May 15, 2006**
Letter from the Acting Secretary, Department of the Interior, transmitting the Department's report on the impacts of the Compacts of Free Association with the Federated States of Micronesia and the Republic of the Marshall Islands for Fiscal Year 2005, pursuant to Public Law 108-188, Section 104(h).
- 7546** **May 17, 2006**
Letter from the Deputy Assistant Administrator for Operations, NMFA, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Emergency Secretarial Action [Docket No. 060209031-6092-02; I.D. 020606C] (RIN: 0648-AU09) Received April 25, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7547** **May 17, 2006**
Letter from the Acting Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Total Allowable Catch Amount for "Other Species" in the Groundfish Fisheries of the Gulf of Alaska [Docket No. 051116304-6035-02; I.D. 110805A] (RIN: 0648-AT92) Received March 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7548** **May 17, 2006**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Groundfish Retention Standard [Docket No. 050607152-6070-02; I.D. 052605B] (RIN: 0648-AT04) Received April 25, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7549** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Closure [Docket No. 001005281-0369-02; I.D. 011106A] Received April 26, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7550** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Specifications and Management Measures; Inseason Adjustments [Docket No. 051014263-6028-03; I.D. 040506A] Received April 26, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7551** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Processor Vessels Using Trawl Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 030906G] Received March 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7552** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Polluck in Statistical Area 630 of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 030906A] Received March 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 7553** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Closure [Docket No. 001005281-0369-02; I.D. 030906E] Received March 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7554** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Trip Limit Reduction [Docket No. 001005281-0369-02; I.D. 022306B] Received March 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7555** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Modification of the Yellowtail Flounder Landing Limit for Western and Eastern U.S./Canada Areas [Docket No. 040804229-4300-02; I.D. 121405A] Received April 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7556** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast (NE) Multispecies Fishery; Modification of the Yellowtail Flounder Landing Limit for the U.S./Canada Management Area [Docket No. 04011-2010-4114-02; I.D. 032406B] Received April 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7557** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Processor Vessels Using Pot Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 040606B] Received April 25, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7558** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Polluck in the West Yakutat District of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 040706G] Received April 25, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7559** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Using Trawl Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 040506C] Received April 25, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7560** **May 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Groundfish by Vessels Using Non-Pelagic Trawl Gear in the Red King Crab Savings Subarea [Docket No. 060216045-6045-01; I.D. 040406B] Received April 25, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7645** **May 24, 2006**
Letter from the Deputy Assistant Secretary, Fish and Wildlife and Parks, National Park Service, Department of the Interior, transmitting the Department's final rule - Bighorn Canyon National Recreation Area, Personal Watercraft Use (RIN: 1024-AC96) Received May 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7646** **May 24, 2006**
Letter from the Acting Assistant Secretary, Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Oil and Gas and Sulphur Operations in the Outer Continental Shelf (OCS) - Geological and Geophysical (G&G) Explorations of the OCS - Proprietary Terms and Data Disclosure (RIN: 1010-AC81) Received March 30, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 7647** **May 24, 2006**
Letter from the Deputy Assistant Secretary, Fish and Wildlife and Parks, National Park Service, Department of the Interior, transmitting the Department's final rule - Fire Island National Seashore, Personal Watercraft Use (RIN: 1024-AC94) Received May 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7648** **May 24, 2006**
Letter from the Deputy Assistant Secretary, Fish and Wildlife and Parks, National Park Service, Department of the Interior, transmitting the Department's final rule - Gulf Islands National Seashore, Personal Watercraft Use (RIN: 1024-AD21) Received May 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7649** **May 24, 2006**
Letter from the Deputy Assistant Secretary, Fish and Wildlife and Parks, National Park Service, Department of the Interior, transmitting the Department's final rule - Pictured Rocks National Lakeshore, Personal Watercraft Use (RIN: 1024-AC93) Received May 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7717** **May 25, 2006**
Letter from the Secretary, Department of the Interior, transmitting a copy of the Final Engineering Report (FER) and Water Conservation Plan (WCP) for the Rocky Boy's/North Central Montana Regional Water System, pursuant to Public Law 107-331, Title IX.
- 7718** **May 25, 2006**
Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Emergency Secretarial Action; Correction [Docket No. 060209031-6092-02; I.D. 020606C] (RIN: 0648-AU09) Received May 11, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7719** **May 25, 2006**
Letter from the Acting Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - NOAA Information Collection Requirements Under Paperwork Reduction Act: OMB Control Numbers; Fisheries Off West Coast States; Fisheries in the Western Pacific [Docket No. 060327086-6086-01; I.D. 032306A] (RIN: 0648-AU21) Received April 26, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7720** **May 25, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Rock Sole, Flathead Sole, and "Other Flatfish" by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 041206A] Received April 26, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7721** **May 25, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Deep-water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 042606F] Received May 11, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7722** **May 25, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pacific Cod in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 042606B] Received May 11, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7723** **May 25, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Pacific Cod in the Bering Sea and Aleutian Islands [Docket No. 060216045-6045-01; I.D. 042606A] Received May 11, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 7724** **May 25, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; Pacific Coast Groundfish Fishery; Specifications and Management Measures; Inseason Adjustments; Pacific Halibut Fisheries [Docket No. 051014263-6028-03; I.D. 041906A] Received May 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

7766	May 25, 2006	8001	June 12, 2006
Letter from the Administrator, Environmental Protection Agency, transmitting a copy of draft legislation entitled, "Good Samaritan Clean Watershed Act".		Letter from the Assistant Administrator, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Atlantic Commercial Shark Management Measures [Docket No. 060131019-6080-02; I.D. 012006B] (RIN: 0648-AU17) Received April 21, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
7901	June 7, 2006	8002	June 12, 2006
Letter from the Assistant Secretary for Legislative Affairs, Department of State, transmitting a report on the Millenium Challenge Corporation (MCC)'s fiscal year 2005 obligations and expenditures for assistance provided to each eligible country, as required under the Millenium Challenge Act (Pub. L. 108-199, Section 613).		Letter from the Assistant Administrator, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Atlantic Swordfish Quotas [Docket No. 060201021-6124-02; I.D. 100405C] (RIN: 0648-AT73) Received June 2, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
7997	June 12, 2006	8003	June 12, 2006
Letter from the Acting Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Utah Regulatory Program [UT-043-FOR] Received June 5, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Recreational Management Measures for the Summer Flounder, Scup, and Black Sea Bass Fisheries; Fishing Year 2006 [Docket No. 060317073-6125-02; I.D. 031406A] (RIN: 0648-AT28) Received June 2, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
7998	June 12, 2006	8004	June 12, 2006
Letter from the Acting Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Missouri Regulatory Program [Docket No. MO-038-FOR] Received June 5, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Act Provisions; Fisheries Off West Coast States; Pacific Coast Groundfish Fisheries; Biennial Specifications and Management Measures; Correction [Docket No. 060424110-6110-01; I.D. 081304C] (RIN: 0648-AU39) Received June 2, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
7999	June 12, 2006	8005	June 12, 2006
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States; West Coast Salmon Fisheries; 2006 Management Measures and a Temporary Rule [Docket No. 060427113-6113-01; I.D. 042406A] (RIN: 0648-AT34) Received May 23, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Summer Flounder Fishery; Quota Transfer [Docket No. 041110317-4364-02; I.D. 042706A] Received May 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
8000	June 12, 2006		
Letter from the National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Act Provisions; Fisheries Off West Coast States; Pacific Coast Groundfish Fishery [Docket No. 051213334-6119-02; I.D. 112905C] (RIN: 0648-AT98) Received June 2, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

8236	June 22, 2006	8553	July 13, 2006
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Total Allowable Catches for the Northeast Multispecies Fishery for Fishing Year 2006 [Docket No. 060301058-6109-02; I.D. 022306A] (RIN: 0648-AU13) Received May 15, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Director, Executive Secretariat, Department of the Interior, transmitting the Department's final rule - Making Motion Pictures, Television Productions, or Soundtracks on Certain Areas Under the Jurisdiction of the Department of the Interior (RIN: 1093-AA10) Received May 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
8237	June 22, 2006	8554	July 13, 2006
Letter from the Acting Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Groundfish Observer Program [Docket No. 050722198-6084-02; I.D. 071805B] (RIN: 0648-AS93) Received May 1, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Director, Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Delisting of Agave arizonica (Arizona agave) from the Federal List of Endangered and Threatened Wildlife and Plants (RIN: 1018-AI79) Received June 20, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
8251	June 22, 2006	8555	July 13, 2006
Letter from the Regulatory Officer, Forest Service, Department of Agriculture, transmitting the Department's final rule - Recreation Fees (RIN: 0596-AC35) Received April 21, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Assistant Secretary, Department of the Interior, transmitting the Department's final rule - Refuge-Specific Public Use Regulations for Kodiak National Wildlife Refuge (RIN: 1018-AU08) Received June 7, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
8252	June 22, 2006	8575	July 17, 2006
Letter from the Assistant Secretary for Legislative Affairs, Department of State, transmitting certification to Congress regarding the Incidental Capture of Sea Turtles in Commercial Shrimping Operations, pursuant to Public Law 101-162, Section 609(b).		Letter from the Secretary, Department of the Interior, transmitting notification of payments to eligible governments in the State of Illinois for Fiscal Year 2006 under the Payments in Lieu of Taxes (PILT) program.	
8551	July 13, 2006	8576	July 17, 2006
Letter from the Acting Assistant Secretary, Lands and Minerals Management, Department of the Interior, transmitting the Department's final rule - Leasing in Special Tar Sand Areas [WO-310-1310-PP-241A] (RIN: 1004-AD76) Received June 22, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Seasonal Closure of Chiniak Gully in the Gulf of Alaska to Trawl Fishing [Docket No. 060307059-6135-02; I.D. 030106B] (RIN: 0648-AU15) Received June 9, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
8552	July 13, 2006	8577	July 17, 2006
Letter from the Acting Assistant Secretary of the Interior, Department of the Interior, transmitting the Department's final rule - Preparation for Sale [WO-270-1820-00-24 1A] (RIN: 1004-AD70) Received July 10, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean; Gulf of Mexico, and South Atlantic; Gulf of Mexico Recreational Grouper Fishery Management Measures [Docket No. 060322083-6147-02; I.D. 032006C] (RIN: 0648-AU04) Received July 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 8578** **July 17, 2006**
Letter from the Acting Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Allocating Bering Sea and Aleutian Islands King and Tanner Crab Fishery Resources [Docket No. 060227052-6139-02; I.D. 021606B] (RIN: 0648-AU06) Received June 16, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8579** **July 17, 2006**
Letter from the Acting Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Sea Scallop Fishery; Framework 18 [Docket No. 060314069-6138-002; I.D. 030306B] (RIN: 0648-AT25) Received June 16, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8580** **July 17, 2006**
Letter from the Acting Deputy Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - NOAA Information Collection Requirements Under the Paperwork Reduction Act; OMB Control Numbers; Fisheries Off West Coast States; Fisheries in the Western Pacific; Correction [Docket No. 060327086-6130-02; I.D. 032306A] (RIN: 0648-AU21) Received June 9, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8581** **July 17, 2006**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Limited Access Program for Gulf Charter Vessels and Headboats [Docket No. 060216043-6123-02; I.D. 021306C] (RIN: 0648-AS70) Received June 16, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8582** **July 17, 2006**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Taking of Marine Mammals Incidental to Commercial Fishing Operations; Bottlenose Dolphin Take Reduction Plan Regulations; Sea Turtle Conservation; Restrictions to Fishing Activities [Docket No. 040903253-5337-02; I.D. 081104H] (RIN: 0648-AR39) Received June 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8583** **July 17, 2006**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Monkfish Fishery [Docket No. 060315071-6101-02; I.D. 030906C] (RIN: 0648-AT22) Received May 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8584** **July 17, 2006**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Sea Scallop Fishery; Emergency Rule [Docket No. 060608158-6158-01; I.D. 051806E] (RIN: 0648-AU47) Received June 26, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8585** **July 17, 2006**
Letter from the Director, National Oceanic and Atmospheric Administration, transmitting the Administration's 2005 report to Congress on the "The Status of U.S. Fisheries".
- 8586** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 041906C] Received May 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8587** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Mackerel, Squid, and Butterfish Fisheries; Closure of the Quarter II Fishery for Loligo Squid [Docket No. 051209329-5329-01; I.D. 051806A] Received June 7, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 8588** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Less Than 60 ft. (18.3m) LOA Using Pot or Hook-and-Line Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 052206A] Received June 9, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8589** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States; Pacific Coast Groundfish Fishery; Suspension of the Primary Pacific Whiting Season for the Shore-based Sector South of 42 degrees North Latitude [Docket No. 060424110-6110-01; I.D. 052406B] Received June 13, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8590** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Tilefish Fishery; Quota Harvested for Part-time Category [Docket No. 010319075-1217-02; I.D. 032206A] Received July 10, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8591** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 061506A] Received July 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8592** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Bluefish Fishery; Quota Transfer [Docket No. 051104293 5344 02; I.D. 061206B] Received July 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8593** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Closure of the 2006 Deep-Water Grouper Commercial Fishery [I.D. 060806E] Received July 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8594** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Modification of the Gear Restrictions for the U.S./Canada Management Area [Docket No. 040112010-4114-02; I.D. 061306A] Received July 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8595** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management [Docket No. 060216045-6045-01; I.D. 060706B] Received June 22, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8596** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfish Sole by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management [Docket No. 060216045-6045-01; I.D. 060706C] Received June 22, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8597** **July 17, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Shallow-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 060806A] Received June 22, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 8662** **July 18, 2006**
Letter from the Deputy Assistant Secretary of the Interior, Department of the Interior, transmitting the Department's final rule - Grazing Administration - Exclusive of Alaska [WO-220-1020-24 1A] (RIN: 1004-AD42) Received July 12, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8720** **July 20, 2006**
Letter from the Secretary, Department of the Interior, transmitting the annual report entitled, "Outer Continental Shelf Lease Sales: Evaluation of Bidding Results" for Fiscal Year 2005, pursuant to 43 U.S.C. 1337(a)(9).
- 8775** **July 25, 2006**
Letter from the Regulatory Officer, Forest Service, Department of Agriculture, transmitting the Department's final rule - Land Uses; Special Uses; Recovery of Costs for Processing Special Use Applications and Monitoring Compliance With Special Use Authorizations (RIN: 0596-AB36) Received April 21, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8804** **July 26, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States; Pacific Coast Groundfish Fishery; Specifications and Management Measures; Inseason Adjustments [Docket No. 051014263-6028-03; I.D. 062706B] Received July 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8805** **July 26, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - International Fisheries; Pacific Tuna Fisheries; Restrictions for 2006 Longline Fisheries in the Eastern Tropical Pacific Ocean; Fishery Closure [Docket No. 050719189-5286-03; I.D. 062706A! 062706A] (RIN: 0648-AT33) Received July 13, 2006, pursuant to 5 U.S.C. 801(a)(1)(A). .in 0
- 8806** **July 26, 2006**
Letter from the Assistant Administrator, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Endangered and Threatened Species: Final Listing Determinations for Elkhorn Coral and Staghorn Coral [Docket No. 050304058-6116-03; I.D. No. 060204C! (RIN: 0648-XB29) Received June 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8807** **July 26, 2006**
Letter from the Assistant Administrator, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Atlantic Bluefin Tuna Quota Specifications and Effort Controls [Docket No. 060216041-6137-02; I.D. 020206C] (RIN: 0648-AT72) Received June 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8808** **July 26, 2006**
Letter from the Acting Deputy Asst. Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Recordkeeping and Reporting; Tagged Pacific Halibut and Tagged Sablefish [Docket No. 040610180-6173-03; I.D. 030806A] (RIN: 0648-AR09) Received July 12, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8809** **July 26, 2006**
Letter from the Acting Deputy Asst. Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Groundfish, Crab, Salmon, and Scallop Fisheries of the Bering Sea and Aleutian Islands Management Area and Gulf of Alaska [Docket No. 060223050-6162-02; I.D. 013006I] (RIN: 0648-AT09) Received July 12, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8810** **July 26, 2006**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States; Coastal Pelagic Species Fisheries; Amendment 11 [Docket No. 051028280-6160-02; I.D. 102105A] (RIN: 0648-AT11) Received July 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8811** **July 26, 2006**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Allocating Bering Sea and Aleutian Islands King and Tanner Crab Fishery Resources [Docket No. 060404093-6177-02; I.D. 033106A] (RIN: 0648-AU24) Received July 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 8861** **July 27, 2006**
Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Pacific Halibut Fisheries; Guideline Harvest Levels for the Guided Recreational Halibut Fishery; Correction [Docket No. 060215036-6178-02, I.D. 101501A] (RIN: 0648-AU30) Received July 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8862** **July 27, 2006**
Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States; Coastal Pelagic Species Fisheries; Annual Specifications [Docket No. 30109004-6164-02; I.D. 010406E] (RIN: 0648-AT76) Received July 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8863** **July 27, 2006**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Agency's final rule - Fisheries of the Northeastern United States; Final 2006-2008 Specifications for the Spiny Dogfish Fishery [Docket No. 060418103-6181-02; I.D. 040706F] (RIN: 0648-AT59) Received July 27, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 8973** **July 27, 2006**
Letter from the Assistant Secretary for Legislative Affairs, Department of State, transmitting a copy of a draft bill entitled, "To implement the Convention on the Conservation and Management of Highly Migratory Fish Stocks in the Western and Central Pacific Ocean".
- 9027** **July 28, 2006**
Letter from the Acting Assistant Secretary, Fish, Wildlife, and Parks, Department of the Interior, transmitting the Department's final rule - Marine Mammals; Incidental Take During Specified Activities (RIN: 1018-AT82) Received July 28, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9069** **Aug. 2,, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Ocean Perch in the Western Aleutian District of the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 071406C] Received July 28, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9070** **Aug. 2, 2006**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Allocating Bering Sea and Aleutian Islands King and Tanner Crab Fishery Resources [Docket No. 060330091-6185-02; I.D. 032406D] (RIN: 0648-AU37) Received July 31, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9071** **Aug. 2, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pelagic Shelf Rockfish in the Western Regulatory Area of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 071406B] Received July 31, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9072** **Aug. 2, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-01; I.D. 071306C] Received July 31, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9073** **Aug. 2, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Northern Rockfish in the Western Regulatory Area of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 071406D] Received July 28, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9074** **Aug. 2, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Using Trawl Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 071306D] Received July 28, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

9075	Aug. 2, 2006	9270	Sept. 8, 2006
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Squid in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 071706A] Received July 28, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Assistant Secretary for Legislative Affairs, Department of State, transmitting a copy of a draft bill, "To amend the R.M.S. Titanic Maritime Memorial Act of 1986 to implement the International Agreement Concerning the Shipwrecked Vessel RMS Titanic".	
9084	Aug. 2, 2006	9271	Sept. 12, 2006
Letter from the Under Secretary of Commerce for Oceans and Atmosphere, National Oceanographic Partnership Program, transmitting an annual report from the National Oceanographic Partnership Program (NOPP) for 2006, pursuant to Public Law 104-201.		Letter from the Assistant Secretary for Fish & Wildlife & Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Establishment of a Nonessential Experimental Population of Northern Aplomado Falcons in New Mexico and Arizona (RIN: 1018-AI80) Received August 31, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
9165	Sept. 6, 2006	9272	Sept. 12, 2006
Letter from the Director, Minerals Management Service, Department of the Interior, transmitting the Department's report entitled, "Bringing Gas Hydrates - A Potential New Source of Natural Gas - to Market", pursuant to Section 353(e) of the Energy Policy Act of 2005.		Letter from the Acting Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - State Abandoned Mine Land Reclamation Plan [MS-016-FOR] Received August 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
9166	Sept. 6, 2006	9273	Sept. 12, 2006
Letter from the Acting Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Wyoming Regulatory Program [WY-034-FOR] Received August 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - Topsoil Redistribution and Revegetation Success Standards (RIN: 1029-AC02) Received August 31, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
9167	Sept. 6, 2006	9274	Sept. 12, 2006
Letter from the Acting Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - West Virginia Regulatory Program [WV-109-FOR] Received August 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Assistant Secretary, Land and Mineral Management, Department of the Interior, transmitting the Department's final rule - Oil and Gas and Sulphur Operations in the Outer Continental Shelf (OCS) and Oil-Spill Response Requirements for Facilities Located Seaward of the Coast Line - Change in Reference to Official Title (RIN: 1010-AD35) Received August 10, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	
9168	Sept. 6, 2006	9275	Sept. 12, 2006
Letter from the Acting Assistant Secretary for Fish and Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Migratory Bird Hunting and Permits; Regulations for Managing Resident Canada Goose Populations (RIN: 1018-AI32) Received August 14, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting Assistant Secretary for Land and Minerals Management, Department of the Interior, transmitting the Department's final rule - Service of Official Correspondence (RIN: 1010-AD22) Received September 5, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).	

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 9276** **Sept. 12, 2006**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Summer Flounder, Scup, and Black Sea Bass Fisheries; Framework Adjustment 6 [Docket No. 060503118-6169-02; I.D. 042606E] (RIN: 0648-AT26) Received August 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9277** **Sept. 12, 2006**
Letter from the Deputy Assistant Administrator for Regulatory Services, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Cost Recovery Program for North Pacific Halibut, Sablefish, and Bering Sea and Aleutian Islands Crab Individual Fishing Quota Programs [Docket No. 060424108-6204-02; I.D. 040706A] (RIN: 0648-AT43) Received August 15, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9278** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Atlantic Sea Scallop Fishery; Closure of the Nantucket Lightship Scallop Access Area to Scallop Vessels [Docket No. 060314069-6069-01; I.D. 071806D! 071806D] Received August 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9279** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 071806A! Received August 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9280** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pelagic Shelf Rockfish in the Central Regulatory Area of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 072006B] Received August 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9281** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Scup Fishery; Adjustment to the 2006 Winter II Quota [Docket No. 051104293-5344-02; I.D. 071306A] Received August 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9282** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Bluefish Fishery; Quota Transfer [Docket No. 051128313-6029-02; I.D. 071906C] Received August 4, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9283** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; "Other Rockfish" in the Central Regulatory Area of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 072806D] Received August 15, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9284** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Tilefish Fishery; Quota Harvested for Full-time Tier 2 Category [Docket No. 010319075-1217-02; I.D. 073106E] Received August 15, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9285** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pacific Cod in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 073106A] Received August 15, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 9286** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Less Than 60 Feet (18.3 Meters) Length Overall Using Hook-and-Line or Pot Gear in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 073106B] Received August 15, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9287** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Greenland Turbot in the Bering Sea Subarea of the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 072506B] Received August 15, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9288** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Ocean Perch in the Central Regulatory Area of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 080206B] Received August 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9289** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Ocean Perch in the West Yakutat District of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 080206C] Received August 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9290** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States; Pacific Coast Groundfish Fishery; End of the Pacific Whiting Primary Season for the Shore-based Sector and the Resumption of Trip Limits [Docket No. 051014263-6028-03; I.D. 080106A] Received August 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9291** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Northern Rockfish in the Central Regulatory Area of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 080206A] Received August 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9292** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel Lottery in Areas 542 and 543 [Docket No. 060216045-6045-01; I.D. 080806G] Received August 31, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9293** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 080806C] Received August 31, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9294** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Summer Flounder Fishery; Commercial Quota Harvested for Connecticut [Docket No. 051104293 5344 02; I.D. 080806F] Received August 31, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9295** **Sept. 12, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Northern Rockfish in the Central Regulatory Area of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 072006C] Received August 3, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

9364	Sept. 13, 2006	9541	Sept. 21, 2006
Letter from the Chief, Division of Policy and Directives Management, Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Revision of Federal Migratory Bird Hunting and Conservation Stamp (Duck Stamp) Contest Regulations (RIN: 1018-AU56) Received August 31, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).		Letter from the Acting General Counsel, Department of the Treasury, transmitting a draft bill that would amend certain unworkable, statutory investment provisions relating to the Department of the Treasury's investment of the Yankton Sioux and the Santee Sioux Tribes' Development Trust Funds.

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 9815** **Sept. 29, 2006**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Chiniak Gully Research Area for Vessels Using Trawl Gear [Docket No. 060216044-6044-01; I.D. 090506C] Received September 21, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9816** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 620 of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 082906C] Received September 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9817** **Sept. 29, 2006**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Northeast Multispecies Fishery; Great South Channel Scallop Dredge Exemption [Docket No. 060621176-6219-02; I.D. 052306A] (RIN: 0648-AU50) Received September 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9818** **Sept. 29, 2006**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 083006D] Received September 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9819** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 610 of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 082906D] Received September 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9820** **Sept. 29, 2006**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Mackerel, Squid, and Butterfish Fisheries; Closure of the Quarter III Fishery for Loligo Squid [Docket No. 051209329-6046-02; I.D. 082806A] Received September 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9821** **Sept. 29, 2006**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Magnuson-Stevens Fishery Conservation and Management Act Provisions; Fisheries of the Northeastern United States; Atlantic Sea Scallop Fishery; Closure of the Closed Area II Scallop Access Area to Scallop Vessels [Docket No. 060314069-6069-01; I.D. 083106A] Received September 20, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9822** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Rock Sole, Flathead Sole, and "Other Flatfish" by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 080806B] Received September 15, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9823** **Sept. 29, 2006**
Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - List of Fisheries for 2006 [Docket No. 060330090-6212-02; I.D. 021506B] Received September 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9824** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Atlantic Bluefish Fishery; Quota Transfer [Docket No. 051128313-6029-02; I.D. 081506B] Received September 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

- 9825** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 610 of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 082506A] Received September 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9826** **Sept. 29, 2006**
Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone off Alaska; Pacific Cod by Non-American Fisheries Act Crab Vessels Catching Pacific Cod for Processing by the Inshore Component in the Central and Western Regulatory Areas of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 081606A] Received September 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9827** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Shallow-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 060216044-01; I.D. 082506D] Received September 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9828** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 620 of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 082506C] Received September 8, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9829** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 081406C] Received September 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9830** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pollock in the Bering Sea and Aleutian Islands [Docket No. 060216045-6045-01; I.D. 081506A] Received September 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9831** **Sept. 29, 2006**
Letter from the Deputy Assistant Administrator for Regulatory Services, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Northeast (NE) Multispecies Fishery; Framework Adjustment 43 [Docket No. 060606151-628-01; I.D. 051906A] Received September 6, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9832** **Sept. 29, 2006**
Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Summer Flounder Fishery; Commercial Quota Harvested for Maine [Docket No. 051104293-5344-02; I.D. 082406A] Received September 14, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 9840** **Sept. 29, 2006**
Letter from the Secretaries, Department of Interior and the Department of Agriculture, transmitting a copy of draft legislation entitled, "the Healthy Forests Partnership Act".
- 10010** **Nov. 14, 2006**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Southern California Distinct Population Segment of the Mountain Yellow-Legged Frog (*Rana muscosa*) (RIN: 1018-AU30) Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).
- 10011** **Nov. 14, 2006**
Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Alameda Whipsnake (RIN: 1018-AT93) Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

10012

Nov. 14, 2006

Letter from the Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Perdido Key Beach Mouse, Choctawhatchee Beach Mouse, and St. Andrew Beach Mouse (RIN: 1018-AT90) Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10251

Dec. 5, 2006

Letter from the Acting Assistant, Fish and Wildlife Service, Department of the Interior, transmitting the Department's final rule - Endangered and Threatened Wildlife and Plants; Designation of Critical Habitat for the Rota Bridled White-eye (*Zosterops rotensis*) (RIN: 1018-AU32) Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10252

Dec. 5, 2006

Letter from the Acting Director, Office of Surface Mining, Department of the Interior, transmitting the Department's final rule - New Mexico Regulatory Program [NM-045-FOR] Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10253

Dec. 5, 2006

Letter from the Acting Assistant Secretary for Fish, Wildlife and Parks, Department of the Interior, transmitting the Department's final rule - Migratory Bird Hunting; Regulations on Certain Federal Indian Reservations and Ceded Lands for the 2006-07 Late Season (RIN: 1018-AU42) Received October 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10254

Dec. 5, 2006

Letter from the Acting Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Ocean Perch in the Western Aleutian District of the Bering Sea and Aleutian Islands [Docket No. 060216045-6045-01; I.D. 100406B] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10255

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045; I.D. 100506C] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10256

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Closure of the 2006 Golden Tilefish and Snowy Grouper Commercial Fisheries [Docket No. 060525140-6221-02; I.D. 092606D] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10257

Dec. 5, 2006

Letter from the Assistant Administrator, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Recreational Atlantic Blue and White Marlin Landings Limit; Amendments to the Fishery Management Plan for Atlantic Tunas, Swordfish, and Sharks and the Fishery Management Plan for Atlantic Billfish [Docket No. 030908222-6241-02; I.D. 051603C] (RIN: 0648-AQ65) Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10258

Dec. 5, 2006

Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Northeast (NE) Multispecies Fishery; Emergency Secretarial Action; Extension [Docket No. 060209031-6092; I.D. 020606C] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10259

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Western Aleutian District of the Bering Sea and Aleutian Islands Management [Docket No. 060216045-6045-01; I.D. 100506B] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10260

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pollock in the Bering Sea and Aleutian Islands [Docket No. 060216045-6045-01; I.D. 100306D] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

10261

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Reallocation of Pacific Cod in the Bering Sea and Aleutian Islands Management Area [Docket No. 060216045-6045-01; I.D. 100306E] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10262

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries off West Coast States; Pacific Coast Groundfish Pacific Coast Groundfish Fishery; End of the Pacific Whiting Primary Season for the Mothership Sector [Docket No. 051014263-6028-03; I.D. 100206A] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10263

Dec. 5, 2006

Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States; Pacific Coast Groundfish Fishery' Specifications and Management Measures; Correction [Docket No. 051014263-6249-04; I.D. 120805A] (RIN: 0648-AU00) Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10264

Dec. 5, 2006

Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 610 of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 092606B] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10265

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pelagic Shelf Rockfish in the Central Regulatory Area of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 100206B] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10266

Dec. 5, 2006

Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 of the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 092606C] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10267

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Closure [Docket No. 001005281-0369-02; I.D. 091306A] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10268

Dec. 5, 2006

Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States; Pacific Coast Groundfish Fishery; Specifications and Management Measures; Inseason Adjustments [Docket No. 051014263-6028-03; I.D. 092106A] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10269

Dec. 5, 2006

Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Trawl Gear in the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 100606A] Received October 24, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10270

Dec. 5, 2006

Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Shrimp Fishery of the Gulf of Mexico [Docket No. 051128312-6192-02; I.D. 111605A] (RIN: 0648-AS15) Received October 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

EXECUTIVE AND DEPARTMENT COMMUNICATIONS AND REPORTS
REFERRED TO THE COMMITTEE ON RESOURCES

10271

Dec. 5, 2006

Letter from the Assistant Administrator for Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Reef Fish Fishery of the Gulf of Mexico; Amendment 18A [Docket No. 060425111-6205-02; I.D. 041906B] (RIN: 0648-AN09) Received October 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10272

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Economic Exclusive Zone Off Alaska; Shallow-Water Species Fishery by Vessels Using Trawl Gear in the Gulf of Alaska [Docket No. 060216044-6044-01; I.D. 091806B] Received October 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10273

Dec. 5, 2006

Letter from the Acting Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Exclusive Economic Zone Off Alaska; Adjustments of Pacific Cod Total Allowable Catch Amount in the Bering Sea and Aleutian Islands [Docket No. 060216045-6045-01; I.D. 091806A] Received October 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10274

Dec. 5, 2006

Letter from the Deputy Assistant Administrator for Regulatory Programs, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Snapper-Grouper Fishery Off the Southern Atlantic States, Amendment 13C [Docket No. 060525140-6221-02; I.D. 051106B] (RIN: 0648-AT75) Received October 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10275

Dec. 5, 2006

Letter from the Deputy Assistant Administrator for Operations, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries in the Western Pacific; Hawaii-based Shallow-set Longline Fishery [Docket No. 060317076-6076-01; I.D. 031606D] (RIN: 0648-AU41) Received October 18, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10276

Dec. 5, 2006

Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Atlantic Highly Migratory Species; Atlantic Bluefin Tuna Fisheries [I.D. 092506B] Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10277

Dec. 5, 2006

Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries of the Northeastern United States; Spiny Dogfish Fishery; Commercial Period 1 Quota Harvested [Docket No. 060418103-6181-02; I.D. 091806D] Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10278

Dec. 5, 2006

Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action #7 - Adjustments of the Recreational Fishery from U.S.-Canada Border to Cape Falcon, Oregon [Docket No. 060427113-6113-01; I.D. 092106D] Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10279

Dec. 5, 2006

Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Action #8 - Adjustment of the Commercial Salmon Fishery from Horse Mountain to Point Arena, California [Docket No. 060427113-6113-01; I.D. 092106C] Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

10280

Dec. 5, 2006

Letter from the Director, Office of Sustainable Fisheries, NMFS, National Oceanic and Atmospheric Administration, transmitting the Administration's final rule - Fisheries Off West Coast States and in the Western Pacific; West Coast Salmon Fisheries; Inseason Actions #5 and #6 - Modifications of the Commercial Salmon Fishery from U.S. - Canada Border, to Cape Falcon, Oregon [Docket No. 060427113-6113-01; I.D. 092006E] Received October 17, 2006, pursuant to 5 U.S.C. 801(a)(1)(A).

MEMORIALS REFERRED TO THE COMMITTEE ON RESOURCES

141 **July 28, 2005**

Memorial of the Legislature of the State of Idaho, relative to Senate Joint Memorial No. 102 urging Congress to support broadening the federal regulation, "Endangered and Threatened Wildlife and Plants; Regulation for Nonessential Experimental Populations of the Western District Population Segment of the Gray Wolf," to authorize citizens to protect their pet dogs and sporting dogs in the same manner as provided for livestock, including dogs that guard or herd livestock; continued funding through federal grants of Idaho's Wolf Depredation Compensation Plan and the broadening of compensation criteria to provide compensation for wolf related losses of all dogs.

142 **July 28, 2005**

Memorial of the Legislature of the State of Idaho, relative to Senate Joint Memorial No. 103 urging the President of the United States and the Congress of the United States to pass legislation establishing an equitable reimbursement formula based upon the number of users or acreage or another equitable basis for the Bureau of Land Management to reimburse counties for local law enforcement services.

143 **July 28, 2005**

Memorial of the Legislature of the State of Idaho, relative to Senate Joint Memorial 109 supporting reauthorization of the "Secure Rural Schools and Community Self-Determination Act".

144 **July 28, 2005**

Memorial of the Legislature of the State of Idaho, relative to Senate Joint Memorial No. 104 urging the President of the United States and the Congress of the United States to pass legislation establishing an equitable reimbursement formula based upon the number of users or acreage or another equitable basis for the Forest Service to reimburse counties for local law enforcement services.

165 **July 28, 2005**

Memorial of the General Assembly of the State of Colorado, relative to Senate Joint Resolution 05-015, concerning opposition to the "Federal Lands Recreation Enhancement Act". Joint with the Committee on Agriculture.

238 **Dec. 18, 2005**

Memorial of the House of Representatives of the Commonwealth of Massachusetts, relative to a Resolution memorializing the Congress of the United States to address the concerns of citizens concerned for the future of Frederick Law Olmstead National Historic Site.

245 **Dec. 18, 2005**

Memorial of the Legislature of the State of Montana, relative to House Joint Resolution No. 29 urging the Congress of the United States to recognize the statutory concessions made by the State of Montana and urged to obtain meaningful and substantive funding for the impacts from the federal wolf reintroduction program that was forcibly established in Montana. Joint with the Committee on Agriculture.

255 **Mar. 6, 2006**

Memorial of the House of Representatives of the State of Michigan, relative to House Resolution No. 143 urging the Great Lakes Regional Collaboration and the Congress of the United States to implement the action plan to restore and protect the Great Lakes.

256 **Mar. 6, 2006**

Memorial of the Senate of the State of Louisiana, relative to Senate Concurrent Resolution No. 41 urging the Congress of the United States to change the coastline by which the state receives tax and mineral revenue from three miles to twelve miles to be consistent with the states of Texas and Mississippi as it relates to the receipt of federal tax and mineral revenue.

286 **Apr. 6, 2006**

Memorial of the Legislature of the Commonwealth of the Mariana Islands, relative to Senate Joint Resolution No. 15-01 requesting the United States House of Representatives convey non-voting delegate status to the Commonwealth of the Northern Mariana Islands.

293 **Apr. 6, 2006**

Memorial of the Legislature of the State of Washington, relative to House Joint Resolution No. 4031 urging the Congress of the United States to preserve section 5 of the Marine Mammal Protection Act of 1972 (33 U.S.C. 476) to continue protecting Puget Sound for current and future citizens of Washington and the United States to enjoy.

296 **May 1, 2006**

Memorial of the Senate of the Commonwealth of Pennsylvania, relative to Senate Resolution No. 232 memorializing the Congress of the United States to provide funding to the National Park Service to expedite repairs of damage caused by vandalism at Gettysburg National Park and urging the National Park Service to work with Federal, State and local law enforcement officials to apprehend and prosecute to the fullest extent available under statute the perpetrators of the vandalism.

MEMORIALS REFERRED TO THE COMMITTEE ON RESOURCES

299 **May 1, 2006**

Memorial of the House of Representatives of the Commonwealth of Pennsylvania, relative to House Resolution No. 628 memorializing the Congress of the United States to increase the penalties imposed upon a person who vandalizes a national war memorial.

300 **May 1, 2006**

Memorial of the House of Representatives of the Commonwealth of Pennsylvania, relative to House Resolution No. 382 memorializing the Congress of the United States to reauthorize the Abandoned Mine Reclamation Fund. Joint with the Committee on the Judiciary.

303 **May 2, 2006**

Memorial of the Legislature of the State of Idaho, relative to Senate Joint Memorial No. 120 opposing any proposals which lead to a significant sale of federal land located in the state of Idaho.

306 **May 2, 2006**

Memorial of the Legislature of the State of Nebraska, relative to Legislative Resolution No. 441 supporting the vision of "25 by 25", whereby agriculture will provide twenty-five percent of the total energy consumed in the United States by the year 2025, while continuing to produce abundant, safe, and affordable food and fiber. Joint with Committees on Agriculture and Energy and Commerce.

319 **May 24, 2006**

Memorial of the Senate of the State of Louisiana, relative to Senate Resolution No. 19 memorializing the Congress of the United States to enact H.R. 4761, the "Domestic Energy Production through Offshore Exploration and Equitable Treatment of State Holdings of 2006".

320 **May 24, 2006**

Memorial of the Legislature of the State of Kansas, relative to House Concurrent Resolution No. 5030 urging the federal government to lift the moratorium on offshore drilling for oil and natural gas.

333 **June 8, 2006**

Memorial of the Legislature of the State of Kansas, relative to House Concurrent Resolution No. 5042 urging support of the "25 x 25" initiative.

353 **June 13, 2006**

Memorial of the Legislature of the State of Arizona, relative to House Concurrent Memorial 2002 urging the Congress of the United States to authorize funding for the Navajo Health Foundation/Sage Memorial Hospital.

389 **July 19, 2006**

Memorial of the Legislature of the State of Idaho, relative to House Joint Memorial No. 16 supporting the efforts of Senator Mike Crapo to reform and improve the Endangered Species Act through the enactment of the Collaboration for the Recovery of Endangered Species Act (CRESA), promoting species conservation and preservation within the State of Idaho and the United States.

390 **July 19, 2006**

Memorial of the Legislature of the State of Idaho, relative to House Joint Resolution No. 25 encouraging the Congress of the United States to make the nation's Outer Continental Shelf available for energy development in an environmentally responsible manner.

402 **July 19, 2006**

Memorial of the Legislature of the State of Idaho, relative to House Joint Memorial No. 11 urging the United States Forest Service enter a decision granting a special use permit allowing Idaho Department of Fish and Game to land helicopters in the wilderness for the purpose of monitoring gray wolves.

403 **July 19, 2006**

Memorial of the Legislature of the State of Idaho, relative to House Joint Resolution No. 14 demanding that the Federal Lands Recreation Act be repealed and that no recreational fees authorized under the Federal Lands Recreation Enhancement Act be imposed to use federal public land in the state.

404 **July 19, 2006**

Memorial of the Legislature of the State of Idaho, relative to House Joint Resolution No. 20 declaring that should the Federal Lands Recreation Enhancement Act be repealed, the authority for permitting outfitters and guides be replaced immediately to allow for operations to continue uninterrupted and special use fee currently assessed by reauthorized under a new authority.

MEMORIALS REFERRED TO THE COMMITTEE ON RESOURCES

405 **July 19, 2006**

Memorial of the Legislature of the State of Idaho, relative to House Joint Memorial No. 21 urging the Congress of the United States to support federal legislation transferring management of National Forest System lands within Idaho to the state of Idaho to be managed for the benefit of rural counties and schools.

409 **July 20, 2006**

Memorial of the Senate of the Commonwealth of Massachusetts, relative to a Resolution memorializing the Congress of the United States to pass Senate Joint Resolution No. 15 apologizing to all Native American Peoples on behalf of the United States.

424 **July 26, 2006**

Memorial of the Senate of the State of Louisiana, relative to Senate Resolution No. 141 memorializing the Congress of the United States to authorize appropriations for the cooperative enforcement initiative in the Magnuson-Stevens Fishery Conservation and Management Reauthorization Act of 2006 for five years increasing levels of funding each year.

428 **July 26, 2006**

Memorial of the Senate of the State of Louisiana, relative to Senate Resolution No. 117 memorializing the Congress of the United States to appropriate funding for the recovery of the shrimp industry and to vote against the repeal of the "Byrd Amendment".

429 **July 26, 2006**

Memorial of the House of Representatives of the State of Louisiana, relative to House Resolution No. 117 memorializing the Congress of the United States to appropriate sufficient funds for the recovery of the shrimp industry and to vote against the repeal of the "Byrd Amendment".

444 **Sept. 8, 2006**

Memorial of the House of Representatives of the State of Hawaii, relative to House Resolution No. 120 urging the President of the United States and the Congress of the United States to support H.R. No. 3468 to control the introduction and spread of invasive species and diseases in Hawaii.

457 **Dec. 7, 2006**

Memorial of the House of Representatives of the Commonwealth of Pennsylvania, relative to House Resolution No. 676 urging the Pennsylvania Congressional Delegation to support legislation calling for Federal approval of the extension of the Lewis and Clark National Historic Trail.

PETITIONS REFERRED TO THE COMMITTEE ON RESOURCES

PRESIDENTIAL MESSAGES

No Number Assigned

Jan. 6, 2005

Communication from the President of the United States, transmitting a notification of the extension of the Mutual Fisheries Agreement between the United States and the Russian Federation. (House Document 109-5)

HOUSE DOCUMENTS REFERRED TO THE COMMITTEE ON RESOURCES

House Document 109-5—Message from the President transmitting a notification of the extension of the Governing International Fishery agreement between the United States and the Russian Federation.

COMMITTEE PRINTS

109-A

February, 2005

Endangered Species Act of 1973 (As Amended Through December 2004)

SUBJECT INDEX

AGRICULTURE

H.R. 5099 **Apr. 5, 2006**

To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

H.R. 6193 **Sept. 26, 2006**

To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

ALABAMA

H.R. 4947 **Mar. 14, 2006**

To expand the boundaries of the Cahaba River National Wildlife Refuge, and for other purposes.

H.R. 5930 **July 27, 2006**

To establish the Muscle Shoals National Heritage Area in the State of Alabama, and for other purposes.

ALASKA

H.R. 39 **Jan. 4, 2005**

To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 189 **Jan. 4, 2005**

To provide for the retention of the name of Mount McKinley.

S. 449 **Feb. 17, 2005**

To facilitate shareholder consideration of proposals to make Settlement Common Stock under the Alaska Native Claims Settlement Act available to missed enrollees, eligible elders, and eligible persons born after December 18, 1971, and for other purposes.

H.R. 567 **Feb. 2, 2005**

To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 1155 **Mar. 8, 2005**

To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

S. 1338 **June 29, 2005**

To require the Secretary of the Interior, acting through the Bureau of Reclamation and the United States Geological Survey, to conduct a study on groundwater resources in the State of Alaska, and for other purposes.

H.R. 1810 **Apr. 21, 2005**

To expand Alaska Native contracting of Federal land management functions and activities and to promote hiring of Alaska Natives by the Federal Government within the State of Alaska, and for other purposes.

H.R. 1811 **Apr. 21, 2005**

To amend the Alaska Native Claims Settlement Act to provide for equitable allotment of lands to Alaska Native veterans.

H.R. 1865 **Apr. 26, 2005**

To direct the Secretary of the Interior to release the condition on a portion of land adjacent to the community of Beaver, Alaska, and for other purposes.

SUBJECT INDEX

ALASKA—Continued

H.R. 1866 **Apr. 26, 2005**

To facilitate shareholder consideration of making Settlement Common Stock under the Alaska Native Claims Settlement Act available to Alaska Natives born after December 18, 1971, descendants of Alaska Natives born after December 18, 1971, missed enrollees, and Native Elders, and for other purposes.

H.R. 2559 **May 23, 2005**

To provide for the recognition of certain Native communities and the settlement of certain claims under the Alaska Native Claims Settlement Act, and for other purposes.

H.R. 4136 **Oct. 25, 2005**

To ensure that exports of Alaskan North Slope crude oil are prohibited.

H.R. 5429 **May 19, 2006**

To direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program that will result in an environmentally sound program for the exploration, development, and production of the oil and gas resources of the Coastal Plain of Alaska, and for other purposes.

H.R. 5462 **May 23, 2006**

To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.

H.R. 5617 **June 14, 2006**

To amend the Alaska Native Claims Settlement Act to provide an equitable distribution of land to the 13th Alaska Native Regional Corporation.

H.R. 5781 **July 12, 2006**

To grant rights-of-way for electric transmission lines over certain Native allotments in the State of Alaska.

H.R. 5764 **July 11, 2006**

To provide for the conveyance of certain Forest Service land to the city of Coffman Cove, Alaska.

H.J. Res. 95 **Sept. 19, 2006**

Recognizing the 66th anniversary of the Battle of Attu and the end of Imperial Japanese control of the Aleutian Islands of Alaska during World War II and urging the Secretary of the Interior to work to protect the historic sites associated with the battle and the Aleutian World War II National Historic Area, and for other purposes.

H.R. 6112 **Sept. 19, 2006**

To authorize the exchange of certain lands in Denali National Park in the State of Alaska.

H.R. 6337 **Nov. 15, 2006**

To provide equitable treatment for the people of the Village Corporation established for the Native Village of Saxman, Alaska, and for other purposes.

H.R. 6376 **Dec. 5, 2006**

To provide that Federal property reversions on land deeded to the Municipality of Anchorage be conveyed to the Municipality in order to unencumber the Municipality's title.

AQUATIC NUISANCE PREVENTION

H.R. 1591 **Apr. 13, 2005**

To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

ARIZONA

H.R. 326 **Jan. 25, 2005**

To amend the Yuma Crossing National Heritage Area Act of 2000 to adjust the boundary of the Yuma Crossing National Heritage Area and to extend the authority of the Secretary of the Interior to provide assistance under that Act.

H.R. 410 **Jan. 26, 2005**

To provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership.

SUBJECT INDEX

ARIZONA—Continued

H.R. 630 **Feb. 8, 2005**

To authorize the Secretary of the Interior to convey certain Federal lands to the City of Yuma, Arizona, in exchange for certain lands owned by the City of Yuma, Arizona, and for other purposes.

H.R. 631 **Feb. 8, 2005**

To provide for acquisition of subsurface mineral rights to land owned by the Pascua Yaqui Tribe and land held in trust for the Tribe, and for other purposes.

H.R. 794 **Feb. 14, 2005**

To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.

H.R. 1019 **Mar. 1, 2005**

To modify the boundary of the Casa Grande Ruins National Monument, and for other purposes.

H.R. 1199 **Mar. 9, 2005**

To direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study of certain land adjacent to the Walnut Canyon National Monument in the State of Arizona.

H.R. 1250 **Mar. 10, 2005**

To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.

H.R. 1284 **Mar. 14, 2005**

To authorize the placement of an equestrian statue depicting frontiersman, explorer, and missionary Jacob Hamblin on the grounds of the Forest Service Kaibab Plateau Visitor Center in Jacob Lake, Arizona, and for other purposes.

H.R. 1436 **Mar. 17, 2005**

To remove certain use restrictions on property located in Navajo County, Arizona.

H.R. 2618 **May 25, 2005**

To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.

H.R. 3051 **June 23, 2005**

To provide for a land exchange involving certain Bureau of Land Management lands in Pima County, Arizona, for the purpose of consolidating Federal land ownership within the Las Cienegas National Conservation Area, and for other purposes.

H.R. 4270 **Nov. 9, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Avra/Black Wash Reclamation and Riparian Restoration Project.

H.R. 4271 **Nov. 9, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in modifications to the Pima County Wastewater Management Regional Treatment System for Improved Reclaimed Water Production.

H.R. 4951 **Mar. 14, 2006**

To direct the Secretary of the Interior to take lands in Yuma County, Arizona, into trust as part of the reservation of the Cocopah Indian Tribe, and for other purposes.

H.R. 5016 **Mar. 28, 2006**

To provide for the exchange of certain Bureau of Land Management land in Pima County, Arizona, and for other purposes.

H.R. 5047 **Mar. 29, 2006**

To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

H.R. 5180 **Apr. 25, 2006**

To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.

H.R. 5460 **May 23, 2006**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a feasibility study of the Sierra Vista Subwatershed in the State of Arizona.

SUBJECT INDEX

ARIZONA—Continued

H.R. 5957 **July 28, 2006**

To designate segments of Fossil Creek, a tributary to the Verde River in the State of Arizona, as wild and scenic rivers.

H.R. 6321 **Nov. 14, 2006**

To provide for the conveyance of certain public land near the City of Douglas, Arizona, for use as a shooting range.

H.R. 6373 **Dec. 5, 2006**

To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.

ARKANSAS

H.R. 1875 **Apr. 27, 2005**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating the Wolf House, located in Norfolk, Arkansas, as a unit of the National Park System, and for other purposes.

H.R. 2555 **May 23, 2005**

To authorize the construction of the Arkansas Valley Conduit in the State of Colorado, and for other purposes.

H.R. 4192 **Nov. 1, 2005**

To authorize the Secretary of the Interior to designate the President William Jefferson Clinton Birthplace Home in Hope, Arkansas, as a National Historic Site and unit of the National Park System, and for other purposes.

AUDUBON

H. Res. 489 **Oct. 7, 2005**

Commemorating the 100th Anniversary of the National Audubon Society.

AVIATION

H.R. 4970 **Mar. 15, 2006**

To ensure general aviation aircraft access to Federal land and to the airspace over Federal land.

BEACHES

H. Res. 332 **June 20, 2005**

Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.

H. Res. 760 **Apr. 4, 2006**

Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

BIRD FLU

H.R. 4476 **Dec. 8, 2005**

To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.

BLM LANDS

H.R. 3051 **June 23, 2005**

To provide for a land exchange involving certain Bureau of Land Management lands in Pima County, Arizona, for the purpose of consolidating Federal land ownership within the Las Cienegas National Conservation Area, and for other purposes.

H.R. 3534 **July 28, 2005**

To designate the Piedras Blancas Light Station and the surrounding public land as an Outstanding Natural Area to be administered as a part of the National Landscape Conservation System, and for other purposes.

H.R. 4784 **Feb. 16, 2006**

To direct the Secretary of Interior to convey certain Bureau of Land Management Land to the City of Eugene, Oregon.

SUBJECT INDEX

BLM LANDS—Continued

H.R. 4789 **Feb. 16, 2006**

To require the Secretary of the Interior to convey certain public land located wholly or partially within the boundaries of the Wells Hydroelectric Project of Public Utility District No. 1 of Douglas County, Washington, to the utility district.

H.R. 5016 **Mar. 28, 2006**

To provide for the exchange of certain Bureau of Land Management land in Pima County, Arizona, and for other purposes.

CALIFORNIA

H.R. 18 **Jan. 4, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

H.R. 122 **Jan. 4, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.

H.R. 123 **Jan. 4, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.

H.R. 124 **Jan. 4, 2005**

To provide an environmentally sound process for the expeditious consideration and approval of a high-voltage electricity transmission line right-of-way through the Trabuco Ranger District of the Cleveland National Forest in the State of California and adjacent lands under the jurisdiction of the Bureau of Land Management and the Forest Service.

H.R. 125 **Jan. 4, 2005**

To authorize the Secretary of the Interior to construct facilities to provide water for irrigation, municipal, domestic, military, and other uses from the Santa Margarita River, California, and for other purposes.

S. 128 **Jan. 24, 2005**

To designate certain public land in Humboldt, Del Norte, Mendocino, Lake, and Napa Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

S. 136 **Jan. 24, 2005**

To authorize the Secretary of the Interior to provide supplemental funding and other services that are necessary to assist certain local school districts in the State of California in providing education services for students attending schools located within Yosemite National Park, to authorize the Secretary of the Interior to adjust the boundaries of the Golden Gate National Recreation Area.

S. 153 **Jan. 25, 2005**

To direct the Secretary of the Interior to conduct a resource study of the Rim of the Valley Corridor in the State of California to evaluate alternatives for protecting the resources of the Corridor, and for other purposes.

H.R. 177 **Jan. 4, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Prado Basin Natural Treatment System Project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project, and for other purposes.

H.R. 186 **Jan. 4, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

H.R. 233 **Jan. 4, 2005**

To designate certain National Forest System lands in the Mendocino and Six Rivers National Forests and certain Bureau of Land Management lands in Humboldt, Lake, Mendocino, and Napa Counties in the State of California as wilderness, to designate the Elkhorn Ridge Potential Wilderness Area, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

H. Res. 244 **Apr. 27, 2005**

Commemorating the 100th anniversary of the creation of the Salton Sea.

SUBJECT INDEX

CALIFORNIA—Continued

H.R. 296 **Jan. 25, 2005**

To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.

H.R. 353 **Jan. 25, 2005**

To authorize the Secretary of the Interior to provide supplemental funding and other services that are necessary to assist certain local school districts in the State of California in providing educational services for students attending schools located within Yosemite National Park, to authorize the Secretary of the Interior to adjust the boundaries of the Golden Gate National Recreation Area, and for other purposes.

H.R. 355 **Jan. 25, 2005**

To provide for a resource study of the area known as the Rim of the Valley Corridor in the State of California to evaluate alternatives for protecting resources of the corridor, and for other purposes.

H.R. 361 **Jan. 25, 2005**

To adjust the boundary of Redwood National Park in the State of California, and for other purposes.

H.R. 409 **Jan. 26, 2005**

To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.

H.R. 497 **Feb. 1, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project.

H.R. 606 **Feb. 2, 2005**

To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

H.R. 802 **Feb. 15, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga Valley Water District recycling project.

H.R. 853 **Feb. 16, 2005**

To remove certain restrictions on the Mammoth Community Water District's ability to use certain property acquired by that District from the United States.

H.R. 854 **Feb. 16, 2005**

To provide for certain lands to be held in trust for the Utu Utu Gwaitu Paiute Tribe.

H.R. 957 **Feb. 17, 2005**

To clarify the authorities for the use of certain National Park Service properties within Golden Gate National Recreation Area and San Francisco Maritime National Historical Park, and for other purposes.

H.R. 1008 **Mar. 1, 2005**

To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.

H.R. 1101 **Mar. 3, 2005**

To revoke a Public Land Order with respect to certain lands erroneously included in the Cibola National Wildlife Refuge, California.

H.R. 1190 **Mar. 9, 2005**

To direct the Secretary of the Interior to conduct a feasibility study to design and construct a four reservoir intertie system for the purposes of improving the water storage opportunities, water supply reliability, and water yield of San Vicente, El Capitan, Murray, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the City of San Diego and the Sweetwater Authority, and for other purposes.

H.R. 1326 **Mar. 15, 2005**

To enable a Bureau of Reclamation partnership with the North Bay Water Reuse Authority and other regional partners to achieve water supply, water quality, and environmental restoration objectives.

H.R. 1430 **Mar. 17, 2005**

To authorize the Secretary of the Interior to complete a study of the feasibility of establishing the National Parks Institute in Central California.

SUBJECT INDEX

CALIFORNIA—Continued

H.R. 2334 **May 12, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of permanent facilities for the GREAT project to reclaim, reuse, and treat impaired waters water in the area of Oxnard, California.

H.R. 2383 **May 16, 2005**

To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California, as the "C.W. "Bill' Jones Pumping Plant".

H.R. 2871 **June 13, 2005**

To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.

H.R. 3149 **June 30, 2005**

To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.

H.R. 3507 **July 28, 2005**

To transfer certain land in Riverside County, California, and San Diego County, California, from the Bureau of Land Management to the United States to be held in trust for the Pechanga Band of Luiseno Mission Indians, and for other purposes.

H.R. 3812 **Sept. 15, 2005**

To authorize the Secretary of the Interior to prepare a feasibility study with respect to the Mokelumne River, and for other purposes.

H.R. 3897 **Sept. 27, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation to enter into a cooperative agreement with the Madera Irrigation District for purposes of supporting the Madera Water Supply and Groundwater Enhancement Project.

H.R. 3929 **Sept. 28, 2005**

To amend the Water Desalination Act of 1996 to authorize the Secretary of the Interior to assist in research and development, environmental and feasibility studies, and preliminary engineering for the Municipal Water District of Orange County, California, Dana Point Desalination Project located at Dana Point, California.

H.R. 3981 **Oct. 6, 2005**

To authorize the Secretary of Agriculture to carry out certain land exchanges involving small parcels of National Forest System land in the Tahoe National Forest in the State of California, and for other purposes.

H.R. 4162 **Oct. 27, 2005**

To provide for an exchange of lands between the Secretary of Agriculture and the United Water Conservation District of California to eliminate certain private inholdings in the Los Padres National Forest, and for other purposes.

H.R. 4176 **Oct. 28, 2005**

To provide for the release of certain Wilderness Study Areas involving public lands administered by the Bureau of Land Management in Lassen and Modoc Counties, California, and Washoe County, Nevada.

H.R. 4545 **Dec. 14, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Los Angeles County Water Supply Augmentation Demonstration Project, and for other purposes.

H.R. 4782 **Feb. 16, 2006**

To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.

H.R. 5006 **Mar. 16, 2006**

To designate certain public land as wilderness and certain rivers as wild and scenic rivers in the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Recreation Area and Ancient Bristlecone Pine Forest, and for other purposes.

H.R. 5047 **Mar. 29, 2006**

To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

H.R. 5149 **Apr. 6, 2006**

To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.

SUBJECT INDEX

CALIFORNIA—Continued

H.R. 5180 **Apr. 25, 2006**

To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.

H.R. 5282 **May 3, 2006**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Southern California Desert Region Integrated Water and Economic Sustainability Plan.

H.R. 5471 **May 24, 2006**

To provide to the Bureau of Land Management a mechanism to cancel certain mining leases for lands in the leases CA-20139 and CA-22901 and provide new leasing opportunities in the Soledad Canyon adjacent to the City of Santa Clarita, California, that reflect the historical mining levels, and for other purposes.

H.R. 5683 **June 26, 2006**

To preserve the Mt. Soledad Veterans Memorial in San Diego, California, by providing for the immediate acquisition of the memorial by the United States.

H.R. 5786 **July 13, 2006**

To authorize the Secretary, in cooperation with the City of San Juan Capistrano, California, to participate in the design, planning, and construction of, an advanced water treatment plant facility and recycled water system, and for other purposes.

H.R. 5796 **July 13, 2006**

To direct the Secretary of the Interior to exclude and defer from the pooled reimbursable costs of the Central Valley Project the reimbursable capital costs of the unused capacity of the Folsom South Canal, Auburn-Folsom South Unit, Central Valley Project, and for other purposes.

H.R. 6014 **July 28, 2006**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to improve California's Sacramento-San Joaquin Delta and water supply.

H.R. 6068 **Sept. 13, 2006**

To authorize the Secretary of the Interior to create a Bureau of Reclamation partnership with the North Bay Water Reuse Authority and other regional partners to achieve objectives relating to water supply, water quality, and environmental restoration.

H.R. 6218 **Sept. 27, 2006**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Bay Area Regional Water Recycling Program projects, and for other purposes.

H.R. 6270 **Sept. 29, 2006**

To designate certain Federal lands in Riverside County, California, as wilderness, to designate certain river segments in Riverside County as a wild, scenic, or recreational river, to adjust the boundary of the Santa Rosa and San Jacinto Mountains National Monument, and for other purposes.

H.R. 6361 **Dec. 5, 2006**

To authorize the Secretary of the Interior to conduct a special resources study of the Tule Lake Segregation Center in Modoc County, California, to determine the suitability and feasibility of establishing a unit of the National Park System.

H.R. 6377 **Dec. 6, 2006**

To authorize the implementation of the San Joaquin River Restoration Settlement.

H.R. 6413 **Dec. 7, 2006**

To establish the Sacramento River National Recreation Area consisting of certain public lands administered by the Bureau of Land Management in Tehama and Shasta Counties, California, and for other purposes.

COASTAL BARRIER RESOURCES

H.R. 138 **Jan. 4, 2005**

To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.

H.R. 479 **Feb. 1, 2005**

To replace a Coastal Barrier Resources System map relating to Coastal Barrier Resources System Grayton Beach Unit FL-95P in Walton County, Florida.

H.R. 1656 **Apr. 14, 2005**

To correct maps depicting Unit T-10 of the John H. Chafee Coastal Barrier Resources System.

SUBJECT INDEX

COASTAL BARRIER RESOURCES—Continued

S. 1869 **Oct. 17, 2005**

To reauthorize the Coastal Barrier Resources Act, and for other purposes.

H.R. 3280 **July 14, 2005**

To exempt certain coastal barrier areas in Florida from Limitations on Federal expenditures and financial assistance under the Coastal Barriers Resources Act, and limitations on flood insurance coverage under the National Flood Insurance Act of 1968.

H.R. 3552 **July 28, 2005**

To reauthorize the Coastal Barrier Resources Act, and for other purposes.

H.R. 4165 **Oct. 27, 2005**

To clarify the boundaries of Coastal Barrier Resources System Clam Pass Unit FL-64P.

H.R. 6146 **Sept. 21, 2006**

To revise the boundaries of John H. Chafee Coastal Barrier Resources System Ponce Inlet Unit P08.

COASTAL ZONE MANAGEMENT

H.R. 3187 **June 30, 2005**

To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.

COLORADO

S. 56 **Jan. 24, 2005**

To establish the Rio Grande Natural Area in the State of Colorado, and for other purposes.

H.R. 774 **Feb. 10, 2005**

To adjust the boundary of Rocky Mountain National Park in the State of Colorado.

H.R. 1129 **Mar. 3, 2005**

To authorize the exchange of certain land in the State of Colorado.

H.R. 2110 **May 4, 2005**

To provide for a study of options for protecting the open space characteristics of certain lands in and adjacent to the Arapaho and Roosevelt National Forests in Colorado, and for other purposes.

H.R. 3193 **June 30, 2005**

To designate as wilderness certain lands within the Rocky Mountain National Park in the State of Colorado.

H.R. 3443 **July 26, 2005**

To direct the Secretary of the Interior to convey certain water distribution facilities to the Northern Colorado Water Conservancy District.

H.R. 4181 **Oct. 28, 2005**

To authorize the acquisition of certain mineral rights in Colorado, and for other purposes.

H.R. 4235 **Nov. 4, 2005**

To designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.

H.R. 4818 **Feb. 28, 2006**

To establish the South Park National Heritage Area in the State of Colorado, and for other purposes.

H.R. 4935 **Mar. 9, 2006**

To designate as wilderness certain lands within the Rocky Mountain National Park and to adjust the boundaries of the Indian Peaks Wilderness and the Arapaho National Recreation Area on the Arapaho National Forest in the State of Colorado.

H.R. 5283 **May 3, 2006**

To establish the Granada Relocation Center National Historic Site as an affiliated unit of the National Park System.

SUBJECT INDEX

COLORADO—Continued

H.R. 5305 **May 4, 2006**

To address the forest and watershed emergency in the State of Colorado that has been exacerbated by the bark beetle infestation, to provide for the conduct of activities in the State to reduce the risk of wildfire and flooding, to promote economically healthy rural communities by reinvigorating the forest products industry in the State, to encourage the use of biomass fuels for energy, and for other purposes.

H.R. 5756 **July 11, 2006**

To provide additional authority to the Secretary of Agriculture and the Secretary of the Interior to implement hazardous fuel reduction projects in the State of Colorado in response to dangerous fuel levels and insect infestations in forested Federal land in Colorado, to extend the maximum duration of stewardship contracts carried out in Colorado, to amend the Internal Revenue Code of 1986 to extend the credit for electricity produced from biomass, and for other purposes.

H.R. 6245 **Sept. 28, 2006**

To designate as wilderness certain land within the Rocky Mountain National Park, and for other purposes.

CONNECTICUT

S. 435 **Feb. 17, 2005**

To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

H.R. 938 **Feb. 17, 2005**

To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes..

H.R. 1104 **Mar. 3, 2005**

To repeal the Federal acknowledgment of the Schaghticoke Tribal Nation.

H.R. 1344 **Mar. 16, 2005**

To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

H.R. 5885 **July 25, 2006**

To amend the Wild and Scenic Rivers Act to designate certain segments of the Eightmile River in the State of Connecticut as components of the National Wild and Scenic Rivers System, and for other purposes.

CORAL REEF CONSERVATION

S. 1390 **July 13, 2005**

To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.

H.R. 3469 **July 27, 2005**

To prohibit the import, export, and take of certain coral reef species, and for other purposes.

H.R. 4788 **Feb. 16, 2006**

To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.

H.R. 5622 **June 15, 2006**

To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.

CRANE CONSERVATION

H.R. 3520 **July 28, 2005**

To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.

DELAWARE

H.R. 3866 **Sept. 22, 2005**

To authorize the Secretary of the Interior to conduct a special resources study to evaluate resources along the coastal region of the State of Delaware and to determine the suitability and feasibility of establishing a unit of the National Park System in Delaware.

SUBJECT INDEX

DUCK STAMPS

S. 1339 **June 30, 2005**

To reauthorize the Junior Duck Stamp Conservation and Design Program Act of 1994.

H.R. 1494 **Apr. 6, 2005**

To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

S. 1496 **July 26, 2005**

To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

H.R. 3179 **June 30, 2005**

To reauthorize and amend the Junior Duck Stamp Conservation and Design Program Act of 1994.

H.R. 4315 **Nov. 14, 2005**

To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

DROUGHT

H.R. 1386 **Mar. 17, 2005**

To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

H.R. 2925 **June 15, 2005**

To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.

ECOSYSTEM PROTECTION

H.R. 3468 **July 27, 2005**

To recognize the unique ecosystems of the Hawaiian islands and the threat to these ecosystems posed by non-native plants, animals, and plant and animal diseases, to require the Secretary of Agriculture and the Secretary of the Interior to expand Federal efforts to prevent the introduction in Hawaii of non-native plants, animals, and plant and animal diseases, and for other purposes.

H.R. 3701 **Sept. 8, 2005**

To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.

EDUCATION LAND GRANT

H.R. 12 **Jan. 4, 2005**

To amend the Education Land Grant Act to require the Secretary of Agriculture to pay the costs of environmental reviews with respect to conveyances under that Act.

EXCLUSIVE ECONOMIC ZONE (EEZ)

H.R. 2112 **May 4, 2005**

To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

H.R. 2673 **May 26, 2005**

To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.

SUBJECT INDEX

ELECTRIC TRANSMISSION

H.R. 3919 **Sept. 27, 2005**

To amend the Federal Land Policy and Management Act to enhance the reliability of the electricity grid and reduce the threat of wildfires to electric transmission and distribution facilities on Federal lands by authorizing vegetation management on such lands.

ENDANGERED SPECIES

H.R. 1299 **Mar. 15, 2005**

To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

H.R. 1615 **Apr. 13, 2005**

To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1837 **Apr. 26, 2005**

To amend the Endangered Species Act of 1973 to establish limitations on the designation of critical habitat, and for other purposes.

H.R. 2779 **June 7, 2005**

To amend the Endangered Species Act of 1973 to enable Federal agencies responsible for the preservation of threatened species and endangered species to rescue and relocate members of any of those species that would be taken in the course of certain reconstruction, maintenance, or repair of Federal or non-Federal manmade flood control levees.

H.R. 3110 **June 29, 2005**

To amend the Endangered Species Act of 1973 to provide for treatment of distinct population segments of the Eastern oyster as separate species.

H.R. 3300 **July 14, 2005**

To amend the Endangered Species Act of 1973 to authorize species recovery agreements under which the Federal Government is obligated to make annual payments or provide other compensation for activities that improve the recovery of one or more species listed under that Act, and for other purposes.

H.R. 3824 **Sept. 19, 2005**

To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.

H.R. 4857 **Mar. 2, 2006**

To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.

ENERGY

H.R. 6 **Apr. 18, 2005**

To ensure jobs for our future with secure, affordable, and reliable energy.

H.R. 39 **Jan. 4, 2005**

To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 174 **Jan. 4, 2005**

To encourage greater use of geothermal energy resources.

H.R. 610 **Feb. 8, 2005**

To provide for Federal energy research, development, demonstration, and commercial application activities, and for other purposes.

H.R. 722 **Feb. 9, 2005**

To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.

H.R. 1640 **Apr. 14, 2005**

To ensure jobs for our future with secure and reliable energy.

H.R. 3544 **July 28, 2005**

To provide for the stabilization of prices for gasoline, and for other purposes.

SUBJECT INDEX

ENERGY—Continued

H.R. 3836 **Sept. 20, 2005**

To expedite the construction of new refining capacity in the United States.

H.R. 3893 **Sept. 26, 2005**

To expedite the construction of new refining capacity in the United States, to provide reliable and affordable energy for the American people, and for other purposes.

H.R. 3918 **Sept. 27, 2005**

To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.

H.R. 4251 **Nov. 8, 2005**

To help relieve the shortage in the supply of firewood for home heating use by making additional quantities of free firewood available to individuals from National Forest System lands.

H.R. 4384 **Nov. 17, 2005**

To improve the energy efficiency of the United States.

H.R. 4479 **Dec. 8, 2005**

To repeal provisions of the Energy Policy Act of 2005, and for other purposes.

H.R. 4638 **Dec. 18, 2005**

To increase domestic supplies of natural gas through an accelerated program of development and deployment of new technologies.

H.R. 5110 **Apr. 5, 2006**

To facilitate the use for irrigation and other purposes of water produced in connection with development of energy resources.

H.R. 5111 **Apr. 5, 2006**

To amend the Energy Policy Act of 2005 to authorize discounted sales of royalty oil and gas taken in-kind from a Federal oil or gas lease to provide additional resources to Federal low-income energy assistance programs.

H.R. 5331 **May 9, 2006**

To promote energy production and conservation, and for other purposes.

H. Con. Res. 424 **June 7, 2006**

Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

H.R. 5678 **June 26, 2006**

To provide for enhanced safety and environmental protection in pipeline transportation, to provide for enhanced reliability in the transportation of the Nation's energy products by pipeline, and for other purposes.

H.R. 5890 **July 26, 2006**

To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

H.R. 5926 **July 27, 2006**

To provide for the energy independence of the United States.

ENVIRONMENTAL HEALTH

H.R. 5300 **May 4, 2006**

To restore fairness in the provision of incentives for oil and gas production, and for other purposes.

H.R. 3313 **July 14, 2005**

To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

SUBJECT INDEX

ENVIRONMENTAL HEALTH—Continued

H.R. 5235 **Apr. 27, 2006**

To direct the President to enter into an arrangement with the National Academy of Sciences to evaluate certain Federal rules and regulations for potentially harmful impacts on public health, air quality, water quality, plant and animal wildlife, global climate, or the environment; and to direct Federal departments and agencies to create plans to reverse those impacts that are determined to be harmful by the National Academy of Sciences.

ENVIRONMENTAL JUSTICE

H.R. 1648 **Apr. 14, 2005**

To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.

H. Res. 477 **Sept. 29, 2005**

Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

H.R. 6396 **Dec. 6, 2006**

To ensure environmental justice in the areas affected by Hurricanes Katrina and Rita.

FEDERAL LAND MANAGEMENT

H.R. 1370 **Mar. 17, 2005**

To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.

H.R. 3420 **July 25, 2005**

To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 4970 **Mar. 15, 2006**

To ensure general aviation aircraft access to Federal land and to the airspace over Federal land.

H.R. 5452 **May 23, 2006**

To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.

S. 1131 **May 26, 2005**

To authorize the exchange of certain Federal land within the State of Idaho, and for other purposes.

FIREFIGHTING

H.R. 1232 **Mar. 10, 2005**

To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.

FISH AND WILDLIFE

S. 260 **Feb. 2, 2005**

To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.

H.R. 1428 **Mar. 17, 2005**

To authorize appropriations for the National Fish and Wildlife Foundation, and for other purposes.

H.R. 2018 **Apr. 28, 2005**

To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.

SUBJECT INDEX

FISH AND WILDLIFE—Continued

H.R. 4953 **Mar. 14, 2006**

To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.

H.R. 5061 **Mar. 30, 2006**

To direct the Secretary of the Interior to convey Paint Bank National Fish Hatchery and Wytheville National Fish Hatchery to the State of Virginia.

H.R. 5213 **Apr. 26, 2006**

To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.

FISHERIES

S. 232 **Feb. 1, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to assist in the implementation of fish passage and screening facilities at non-Federal water projects, and for other purposes.

H.R. 537 **Feb. 2, 2005**

To ensure the continuation of successful fisheries mitigation programs.

H.R. 1431 **Mar. 17, 2005**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

H.R. 2059 **May 3, 2005**

To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.

H.R. 2323 **May 12, 2005**

To establish a program of research and other activities to provide for the recovery of the southern sea otter.

H.R. 3278 **July 14, 2005**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems, and for other purposes.

H.R. 3649 **Sept. 6, 2005**

To ensure funding for sportfishing and boating safety programs funded out of the Highway Trust Fund through the end of fiscal year 2005, and for other purposes.

H.R. 3754 **Sept. 13, 2005**

To provide disaster assistance to agricultural producers for 2005 crop and livestock losses, and for other purposes.

H.R. 4560 **Dec. 15, 2005**

To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.

H.R. 4686 **Feb. 1, 2006**

To reauthorize various fisheries management laws, and for other purposes.

H.R. 4957 **Mar. 14, 2006**

To direct the Secretary of the Interior to convey the Tylersville division of the Lamar National Fish Hatchery and Fish Technology Center to the State of Pennsylvania.

H.R. 5089 **Apr. 4, 2006**

To enable the Great Lakes Fishery Commission to investigate effects of migratory birds on sustained productivity of stocks of fish of common concern in the Great Lakes.

H.R. 5381 **May 11, 2006**

To establish a volunteer program and promote community partnerships for the benefit of national fish hatcheries and fisheries program offices.

H.R. 5946 **July 27, 2006**

To amend Magnuson-Stevens Fishery Conservation and Management Act to authorize activities to promote improved monitoring and compliance for high seas fisheries, or fisheries governed by international fishery management agreements, and for other purposes.

SUBJECT INDEX

FISHERIES—Continued

H.R. 6278 **Sept. 29, 2006**

To amend the Bonneville Power Administration portions of the Fisheries Restoration and Irrigation Mitigation Act of 2000 to authorize appropriations for fiscal years 2006 through 2012, and for other purposes.

FLORIDA

H.R. 372 **Jan. 26, 2005**

To include in St. Marks National Wildlife Refuge, Florida, the land and facilities comprising St. Marks lighthouse.

H.R. 479 **Feb. 1, 2005**

To replace a Coastal Barrier Resources System map relating to Coastal Barrier Resources System Grayton Beach Unit FL-95P in Walton County, Florida.

H.R. 3280 **July 14, 2005**

To exempt certain coastal barrier areas in Florida from Limitations on Federal expenditures and financial assistance under the Coastal Barriers Resources Act, and limitations on flood insurance coverage under the National Flood Insurance Act of 1968.

H.R. 3251 **July 12, 2005**

To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 4064 **Oct. 17, 2005**

To provide for the inclusion of Department of Defense property on Santa Rosa and Okaloosa Island, Florida, in the Gulf Islands National Seashore if the property is ever excess to the needs of the Armed Forces.

H.R. 4165 **Oct. 27, 2005**

To clarify the boundaries of Coastal Barrier Resources System Clam Pass Unit FL-64P.

H.R. 4783 **Feb. 16, 2006**

To prohibit offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

FORESTS

S. 47 **Jan. 24, 2005**

To provide for the exchange of certain Federal land in the Santa Fe National Forest and certain non-Federal land in the Pecos National Historical Park in the State of New Mexico.

H.R. 124 **Jan. 4, 2005**

To provide an environmentally sound process for the expeditious consideration and approval of a high-voltage electricity transmission line right-of-way through the Trabuco Ranger District of the Cleveland National Forest in the State of California and adjacent lands under the jurisdiction of the Bureau of Land Management and the Forest Service.

H. Con. Res. 185 **June 22, 2005**

Recognizing the Forest Service of the Department of Agriculture for 100 years of dedicated service and caring for the forest lands of the United States.

S. 212 **Jan. 31, 2005**

To amend the Valles Caldera Preservation Act to improve the preservation of the Valles Caldera, and for other purposes.

H.R. 409 **Jan. 26, 2005**

To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.

H.R. 410 **Jan. 26, 2005**

To provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership.

H.R. 482 **Feb. 1, 2005**

To provide for a land exchange involving Federal lands in the Lincoln National Forest in the State of New Mexico, and for other purposes.

H.R. 517 **Feb. 2, 2005**

To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 816 **Feb. 15, 2005**

To direct the Secretary of Agriculture to sell certain parcels of National Forest System land in Carson City and Douglas County, Nevada.

SUBJECT INDEX

FORESTS—Continued

H.R. 1138 **Mar. 7, 2005**

To require the conveyance of a small parcel of Federal land in the Colville National Forest, Washington, and for other purposes.

H.R. 1644 **Apr. 14, 2005**

To protect the critical aquifers and watersheds that serve as a principal water source for the Commonwealth of Puerto Rico, to protect the tropical forests of the Karst Region of the Commonwealth, and for other purposes.

H.R. 2110 **May 4, 2005**

To provide for a study of options for protecting the open space characteristics of certain lands in and adjacent to the Arapaho and Roosevelt National Forests in Colorado, and for other purposes.

H.R. 2514 **May 19, 2005**

To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.

H.R. 2875 **June 14, 2005**

To amend the Public Lands Corps Act of 1993 to provide for the conduct of projects that protect forests, and for other purposes.

H.R. 3013 **June 21, 2005**

To provide for the disposal of certain Forest Service administrative sites in the State of Oregon, and for other purposes.

H.R. 3149 **June 30, 2005**

To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.

H.R. 3365 **July 20, 2005**

To make funds generated from the Caribbean National Forest in the Commonwealth of Puerto Rico available to the Secretary of Agriculture for land acquisition intended to protect the integrity of the buffer zone surrounding the Caribbean National Forest, and for other purposes.

H.R. 3420 **July 25, 2005**

To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 3563 **July 28, 2005**

To protect inventoried roadless areas in the National Forest System.

H.R. 3590 **July 28, 2005**

To amend the Community Forest Restoration Act to expand the Collaborative Forest Restoration Program established under such Act to cover the State of Arizona in addition to the State of New Mexico, and for other purposes.

H.R. 3603 **July 28, 2005**

To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.

H.R. 3701 **Sept. 8, 2005**

To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.

H.R. 3817 **Sept. 15, 2005**

To withdraw the Valle Vidal Unit of the Carson National Forest in New Mexico from location, entry, and patent under the mining laws, and for other purposes.

SUBJECT INDEX

FORESTS—Continued

H.R. 3818 **Sept. 15, 2005**

To authorize the Secretary of Agriculture to enter into partnership agreements with entities and local communities to encourage greater cooperation in the administration of Forest Service activities on and near National Forest System lands, and for other purposes.

H.R. 3855 **Sept. 21, 2005**

To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.

H.R. 3973 **Oct. 6, 2005**

To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.

H.R. 3981 **Oct. 6, 2005**

To authorize the Secretary of Agriculture to carry out certain land exchanges involving small parcels of National Forest System land in the Tahoe National Forest in the State of California, and for other purposes.

H.R. 4084 **Oct. 19, 2005**

To amend the Forest Service use and occupancy permit program to restore the authority of the Secretary of Agriculture to utilize the special use permit fees collected by the Secretary in connection with the establishment and operation of marinas in units of the National Forest System derived from the public domain, and for other purposes.

H.R. 4111 **Oct. 20, 2005**

To redesignate the Caribbean National Forest in the Commonwealth of Puerto Rico as the El Yunque National Forest.

H.R. 4162 **Oct. 27, 2005**

To provide for an exchange of lands between the Secretary of Agriculture and the United Water Conservation District of California to eliminate certain private inholdings in the Los Padres National Forest, and for other purposes.

H.R. 4875 **Mar. 2, 2006**

To amend the Healthy Forests Restoration Act of 2003 to help reduce the increased risk of severe wildfires to communities in forested areas affected by infestations of bark beetles and other insects, and for other purposes.

H.R. 5006 **Mar. 16, 2006**

To designate certain public land as wilderness and certain rivers as wild and scenic rivers in the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Recreation Area and Ancient Bristlecone Pine Forest, and for other purposes.

H.R. 5025 **Mar. 28, 2006**

To protect for future generations the recreational opportunities, forests, timber, clean water, wilderness and scenic values, and diverse habitat of Mount Hood National Forest, Oregon, and for other purposes.

H. Con. Res. 369 **Mar. 29, 2006**

Expressing the support of Congress for the "25 x '25" initiative, which envisions that farm, forestry, and ranch lands in the United States will provide by 2025 at least 25 percent of the energy consumed in the United States, and, in furtherance of the "25 x '25" initiative, promoting the increased production of renewable energy by the forestry and agricultural communities.

H.R. 5305 **May 4, 2006**

To address the forest and watershed emergency in the State of Colorado that has been exacerbated by the bark beetle infestation, to provide for the conduct of activities in the State to reduce the risk of wildfire and flooding, to promote economically healthy rural communities by reinvigorating the forest products industry in the State, to encourage the use of biomass fuels for energy, and for other purposes.

H.R. 5612 **June 14, 2006**

To establish the Mountaintown National Scenic Area in the Chattahoochee National Forest, Georgia, and to designate additional National Forest System land in the State of Georgia as components of the National Wilderness Preservation System.

H.R. 5690 **June 27, 2006**

To adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.

SUBJECT INDEX

FORESTS—Continued

H.R. 5760 **July 11, 2006**

To fulfill President Clinton's commitments made as part of the designation of the Giant Sequoia National Monument by presidential proclamation to provide a transition from the timber sale program in effect before the designation to the more restrictive management anticipated for the national monument, to promote the Kings River Research Project in the Sierra National Forest, and for other purposes.

H.R. 5756 **July 11, 2006**

To provide additional authority to the Secretary of Agriculture and the Secretary of the Interior to implement hazardous fuel reduction projects in the State of Colorado in response to dangerous fuel levels and insect infestations in forested Federal land in Colorado, to extend the maximum duration of stewardship contracts carried out in Colorado, to amend the Internal Revenue Code of 1986 to extend the credit for electricity produced from biomass, and for other purposes.

H.R. 5764 **July 11, 2006**

To provide for the conveyance of certain Forest Service land to the city of Coffman Cove, Alaska.

H.R. 5964 **July 28, 2006**

To establish management priorities for Federal forest lands in Oregon and Washington covered by the Northwest Forest Plan that will protect old growth timber while improving the health of young managed stands, increasing the volume of commercial timber available from these lands, and providing economic opportunities in rural areas, and for other purposes.

H.R. 5999 **July 28, 2006**

To provide for the conveyance of a parcel of National Forest System land in Kittitas County, Washington, to facilitate the construction of a new fire and rescue station, and for other purposes.

H.R. 6156 **Sept. 21, 2006**

To provide for the exchange of certain land in the Lincoln National Forest, New Mexico, with the owners of Ranchman's Camp and the C Bar X Ranch, to adjust the proclamation boundary of that national forest, and for other purposes.

H.R. 6237 **Sept. 28, 2006**

To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

H. Res. 1079 **Nov. 13, 2006**

Recognizing and celebrating the commitment of the Student Conservation Association to the United States' national parks and public lands.

H.R. 6423 **Dec. 8, 2006**

To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000 and to offset the cost of payments to States and counties under such Act, and for other purposes.

H.R. 6409 **Dec. 7, 2006**

To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.

GATEWAY COMMUNITIES

H.R. 585 **Feb. 2, 2005**

To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.

GEOLOGIC MAPPING

H.R. 2362 **May 16, 2005**

To reauthorize and amend the National Geologic Mapping Act of 1992.

GEORGIA

H.R. 138 **Jan. 4, 2005**

To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.

SUBJECT INDEX

GEORGIA—Continued

H.R. 2099 **May 4, 2005**

To establish the Arabia Mountain National Heritage Area, and for other purposes.

H.R. 2953 **June 16, 2005**

To designate the building located at 493 Auburn Avenue, N.E., in Atlanta, Georgia, as the "John Lewis Civil Rights Institute".

H.R. 5612 **June 14, 2006**

To establish the Mountaintown National Scenic Area in the Chattahoochee National Forest, Georgia, and to designate additional National Forest System land in the State of Georgia as components of the National Wilderness Preservation System.

GEOHERMAL RESOURCES

H.R. 174 **Jan. 4, 2005**

To encourage greater use of geothermal energy resources.

GRAZING

H.R. 3166 **June 30, 2005**

To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.

GREAT LAKES

H.R. 792 **Feb. 14, 2005**

To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

H.R. 2129 **May 5, 2005**

To improve the coordination of programs for the Great Lakes.

H.R. 5100 **Apr. 5, 2006**

To establish a collaborative program to protect the Great Lakes, and for other purposes.

HAWAII

S. 264 **Feb. 2, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii.

H.R. 309 **Jan. 25, 2005**

To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.

H.R. 843 **Feb. 16, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000; to modify the water resources study.

S. 1165 **June 6, 2005**

To provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.

H.R. 2376 **May 16, 2005**

To designate the Northwestern Hawaiian Islands National Marine Refuge, and for other purposes.

H.R. 2652 **May 26, 2005**

To provide for the establishment of a memorial to the U.S.S. Oklahoma as part of the USS Arizona Memorial in Pearl Harbor, Hawaii.

H.R. 2866 **June 13, 2005**

To provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.

H.R. 3468 **July 27, 2005**

To recognize the unique ecosystems of the Hawaiian islands and the threat to these ecosystems posed by non-native plants, animals, and plant and animal diseases, to require the Secretary of Agriculture and the Secretary of the Interior to expand Federal efforts to prevent the introduction in Hawaii of non-native plants, animals, and plant and animal diseases, and for other purposes.

SUBJECT INDEX

HAWAII—Continued

H.R. 3537 **July 28, 2005**

To extend the boundary of the Hawaii Volcanoes National Park in the State of Hawaii.

H.R. 3538 **July 28, 2005**

To direct the Secretary of the Interior to study the suitability and feasibility of designating certain lands along the southern coast of Maui, Hawaii, as a unit of the National Park System.

H.R. 3539 **July 28, 2005**

To direct the Secretary of the Interior to study the suitability and feasibility of designating certain lands along the northern coast of Maui, Hawaii, as a unit of the National Park System.

H.R. 4336 **Nov. 15, 2005**

To designate the visitor center and other related facilities at the U.S.S. Arizona Memorial in Hawaii as the "Pearl Harbor Memorial Site".

H.R. 6202 **Sept. 27, 2006**

To direct the Secretary of the Interior to study the suitability and feasibility of designating the Ka'u Coast on the island of Hawaii as a unit of the National Park System.

HERITAGE AREAS

H.R. 61 **Jan. 4, 2005**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the St. Croix National Heritage Area in St. Croix, United States Virgin Islands, and for other purposes.

H.R. 73 **Jan. 4, 2005**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northern Neck National Heritage Area in Virginia, and for other purposes.

H.R. 87 **Jan. 4, 2005**

To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.

S. 203 **Jan. 31, 2005**

To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.

S. 243 **Feb. 1, 2005**

To establish a program and criteria for National Heritage Areas in the United States, and for other purposes.

H.R. 326 **Jan. 25, 2005**

To amend the Yuma Crossing National Heritage Area Act of 2000 to adjust the boundary of the Yuma Crossing National Heritage Area and to extend the authority of the Secretary of the Interior to provide assistance under that Act.

H.R. 412 **Jan. 26, 2005**

To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.

H.R. 413 **Jan. 26, 2005**

To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.

H.R. 522 **Feb. 2, 2005**

To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.

H.R. 694 **Feb. 9, 2005**

To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.

H.R. 732 **Feb. 9, 2005**

To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.

H.R. 760 **Feb. 10, 2005**

To establish a program and criteria for National Heritage Areas in the United States, and for other purposes.

H.R. 888 **Feb. 17, 2005**

To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

SUBJECT INDEX

HERITAGE AREAS—Continued

H.R. 938 **Feb. 17, 2005**

To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes..

H.R. 956 **Feb. 17, 2005**

To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.

H.R. 1087 **Mar. 3, 2005**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northeastern North Carolina Heritage Area in North Carolina, and for other purposes.

H.R. 1192 **Mar. 9, 2005**

To establish the Abraham Lincoln National Heritage Area, and for other purposes.

H.R. 1205 **Mar. 9, 2005**

To amend the Quinebaug and Shetucket Rivers Valley National Heritage Corridor Act of 1994 to extend the authorization for that corridor, and for other purposes.

H.R. 1289 **Mar. 14, 2005**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.

H.R. 1728 **Apr. 20, 2005**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating the French Colonial Heritage Area in the State of Missouri as a unit of the National Park System, and for other purposes.

H.R. 1820 **Apr. 26, 2005**

To amend the Illinois and Michigan Canal National Heritage Corridor Act of 1984 to help ensure the appropriate transition of the management entity of the heritage corridor, and for other purposes.

H.R. 2099 **May 4, 2005**

To establish the Arabia Mountain National Heritage Area, and for other purposes.

H.R. 2297 **May 11, 2005**

To establish the Arabia Mountain National Heritage Area, and for other purposes.

H.R. 3158 **June 30, 2005**

To designate the Cherokee Overhill Territory in Polk, McMinn, Monroe, and Meigs Counties in Tennessee as a National Heritage Area.

H.R. 3775 **Sept. 14, 2005**

To provide for the update of the Cultural Heritage and Land Management Plan for the John H. Chafee Blackstone River Valley National Heritage Corridor, to extend the authority of the John H. Chafee Blackstone River Valley National Heritage Corridor Commission, to authorize a special resources study to evaluate the suitability and feasibility of a national park unit within the Corridor, and for other purposes.

H.R. 3843 **Sept. 21, 2005**

To amend the South Carolina National Heritage Corridor Act of 1996 to expand the boundaries of the heritage corridor to include Georgetown, Berkeley, and Saluda Counties, South Carolina.

H.R. 4539 **Dec. 14, 2005**

To amend the Cache La Poudre River Corridor Act to designate a new management entity, make certain technical and conforming amendments, enhance private property protections, and for other purposes.

H.R. 4612 **Dec. 16, 2005**

To redesignate Dayton Aviation Heritage National Historic Park in the State of Ohio as "Wright Brothers-Dunbar National Historic Park," and for other purposes.

H.R. 4864 **Mar. 2, 2006**

To direct the Secretary of the Interior to study the suitability and feasibility of establishing the Chattahoochee Trace National Heritage Corridor in Alabama and Georgia, and for other purposes.

H.R. 4818 **Feb. 28, 2006**

To establish the South Park National Heritage Area in the State of Colorado, and for other purposes.

SUBJECT INDEX

HERITAGE AREAS—Continued

H.R. 5195 **Apr. 25, 2006**

To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.

H.R. 5311 **May 8, 2006**

To establish the Upper Housatonic Valley National Heritage Area.

H.R. 5485 **May 25, 2006**

To direct the Secretary of the Interior to conduct a study to determine the feasibility of establishing the Columbia-Pacific National Heritage Area in the States of Washington and Oregon, and for other purposes.

H.R. 5724 **June 29, 2006**

To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.

H.R. 5930 **July 27, 2006**

To establish the Muscle Shoals National Heritage Area in the State of Alabama, and for other purposes.

H.R. 6019 **July 28, 2006**

To establish the Niagara Falls National Heritage Area in the State of New York, and for other purposes.

H.R. 6103 **Sept. 19, 2006**

To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.

H.R. 6270 **Sept. 29, 2006**

To designate certain Federal lands in Riverside County, California, as wilderness, to designate certain river segments in Riverside County as a wild, scenic, or recreational river, to adjust the boundary of the Santa Rosa and San Jacinto Mountains National Monument, and for other purposes.

S. 1346 **June 30, 2005**

To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.

H.R. 6263 **Sept. 29, 2006**

To reauthorize the Delaware and Lehigh National Heritage Corridor Act of 1988, and for other purposes.

H.R. 6287 **Sept. 29, 2006**

To establish criteria for and to create a National Heritage Areas System in the United States.

HISTORIC SITES

H.R. 394 **Jan. 26, 2005**

To direct the Secretary of the Interior to conduct a boundary study to evaluate the significance of the Colonel James Barrett Farm in the Commonwealth of Massachusetts and the suitability and feasibility of its inclusion in the National Park System as part of the Minute Man National Historical Park, and for other purposes.

H.R. 395 **Jan. 26, 2005**

To adjust the boundary of Lowell National Historical Park, and for other purposes.

H.R. 481 **Feb. 1, 2005**

To further the purposes of the Sand Creek Massacre National Historic Site Establishment Act of 2000.

H.R. 2384 **May 16, 2005**

To adjust the boundary of Martin Van Buren National Historic Site, and for other purposes.

H.R. 2722 **May 26, 2005**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating Camp Security, located in Springettsbury, York County, Pennsylvania, as a unit of the National Park System.

H.R. 2867 **June 13, 2005**

To establish the Steel Industry National Historic Site in the State of Pennsylvania.

H.R. 3446 **July 26, 2005**

To amend the National Historic Preservation Act to provide appropriation authorization and improve the operations of the Advisory Council on Historic Preservation.

SUBJECT INDEX

HISTORIC SITES—Continued

H.R. 4192 **Nov. 1, 2005**

To authorize the Secretary of the Interior to designate the President William Jefferson Clinton Birthplace Home in Hope, Arkansas, as a National Historic Site and unit of the National Park System, and for other purposes.

H.R. 5047 **Mar. 29, 2006**

To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

H.R. 5283 **May 3, 2006**

To establish the Granada Relocation Center National Historic Site as an affiliated unit of the National Park System.

H.R. 5298 **May 4, 2006**

To amend the Adams National Historical Park Act of 1998 to include the Quincy Homestead within the boundary of the Adams National Historical Park, and for other purposes.

H.R. 5651 **June 20, 2006**

To revise the boundary of the Fort Bowie National Historic Site, and for other purposes.

H.R. 5861 **July 20, 2006**

To amend the National Historic Preservation Act, and for other purposes.

H.J. Res. 95 **Sept. 19, 2006**

Recognizing the 66th anniversary of the Battle of Attu and the end of Imperial Japanese control of the Aleutian Islands of Alaska during World War II and urging the Secretary of the Interior to work to protect the historic sites associated with the battle and the Aleutian World War II National Historic Area, and for other purposes.

HOME HEATING

H.R. 4251 **Nov. 8, 2005**

To help relieve the shortage in the supply of firewood for home heating use by making additional quantities of free firewood available to individuals from National Forest System lands.

H.R. 297 **Jan. 25, 2005**

To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.

H.R. 2993 **June 20, 2005**

To provide for the sale of excess wild free-roaming horses and burros.

HUNTING

H. Con. Res. 305 **Nov. 17, 2005**

Recognizing the vital importance of hunting as a legitimate tool of wildlife resource management.

H.R. 731 **Feb. 9, 2005**

To reaffirm the authority of States to regulate certain hunting and fishing activities.

H.R. 5287 **May 3, 2006**

To recognize the heritage of hunting and provide opportunities for continued hunting on Federal public land.

HURRICANE RELIEF

H.R. 3855 **Sept. 21, 2005**

To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.

H.R. 3958 **Sept. 29, 2005**

To provide disaster relief and incentives for economic recovery for Louisiana residents and businesses affected by Hurricane Katrina.

H.R. 4330 **Nov. 15, 2005**

To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.

SUBJECT INDEX

HURRICANE RELIEF—Continued

H.R. 4514 **Dec. 13, 2005**

To assist low-income families, displaced from their residences in the States of Alabama, Louisiana, and Mississippi as a result of Hurricane Katrina or Hurricane Rita, by establishing within the Department of Housing and Urban Development a homesteading initiative that offers displaced low-income families the opportunity to purchase a home owned by the Federal Government, and for other purposes.

IDAHO

S. 761 **Apr. 12, 2005**

To rename the Snake River Birds of Prey National Conservation Area in the State of Idaho as the Morley Nelson Snake River Birds of Prey National Conservation Area in honor of the late Morley Nelson, an international authority on birds of prey, who was instrumental in the establishment of this National Conservation Area, and for other purposes.

H.R. 1204 **Mar. 9, 2005**

To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1852 **Apr. 26, 2005**

To direct the Secretary of the Interior to extend certain water contracts in Idaho, and for other purposes.

H.R. 2514 **May 19, 2005**

To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.

H.R. 2563 **May 24, 2005**

To authorize the Secretary of the Interior to conduct feasibility studies to address certain water shortages within the Snake, Boise, and Payette River systems in Idaho, and for other purposes.

H.R. 2718 **May 26, 2005**

To authorize the exchange of certain Federal land within the State of Idaho, and for other purposes.

H.R. 3603 **July 28, 2005**

To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.

S. 1131 **May 26, 2005**

To authorize the exchange of certain Federal land within the State of Idaho, and for other purposes.

H.R. 6409 **Dec. 7, 2006**

To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.

ILLINOIS

H.R. 1192 **Mar. 9, 2005**

To establish the Abraham Lincoln National Heritage Area, and for other purposes.

INDIANA

H.R. 1625 **Apr. 13, 2005**

To amend the Act entitled "An Act to provide for the establishment of the Indiana Dunes National Lakeshore, and for other purposes" to clarify the authority of the Secretary of the Interior to accept donations of lands that are contiguous to the Indiana Dunes National Lakeshore, and for other purposes.

H.R. 4068 **Oct. 17, 2005**

To authorize the Secretary of the Interior to lease a portion of a visitor center to be constructed outside the boundary of the Indiana Dunes National Lakeshore in Porter County, Indiana, and for other purposes.

SUBJECT INDEX

INDIANA—Continued

S. 1913 **Oct. 25, 2005**

To authorize the Secretary of the Interior to lease a portion of the Dorothy Buell Memorial Visitor Center for use as a visitor center for the Indiana Dunes National Lakeshore, and for other purposes.

INFLUENZA PREPAREDNESS

H.R. 4245 **Nov. 7, 2005**

To provide for programs and activities with respect to pandemic influenza, and for other purposes.

INVASIVE SPECIES

H.R. 1591 **Apr. 13, 2005**

To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1592 **Apr. 13, 2005**

To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1593 **Apr. 13, 2005**

To establish the National Invasive Species Council, and for other purposes.

H.R. 5030 **Mar. 28, 2006**

To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to establish vessel ballast water management requirements, and for other purposes.

KANSAS

S. 1025 **May 12, 2005**

To amend the Act entitled "An Act to provide for the construction of the Cheney division, Wichita Federal reclamation project, Kansas, and for other purposes" to authorize the Equus Beds Division of the Wichita Project.

H.R. 1327 **Mar. 15, 2005**

To amend the Act entitled "An Act to provide for the construction of the Cheney division, Wichita Federal reclamation project, Kansas, and for other purposes" to authorize the Equus Beds Division of the Wichita Project.

H. Res. 884 **June 21, 2006**

Honoring the town of Nicodemus, Kansas, for its contribution to American history.

LACEY ACT

H.R. 1329 **Mar. 16, 2005**

To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.

S. 1509 **July 27, 2005**

To amend the Lacey Act Amendments of 1981 to add non-human primates to the definition of prohibited wildlife species.

**LAND CONVEYANCES/EXCHANGES/BOUNDARY
ADJUSTMENTS/CLAIMS**

S. 213 **Jan. 31, 2005**

To direct the Secretary of the Interior to convey certain Federal land to Rio Arriba County, New Mexico.

S. 252 **Feb. 1, 2005**

To direct the Secretary of the Interior to convey certain land in Washoe County, Nevada, to the Board of Regents of the University and Community College System of Nevada.

S. 253 **Feb. 1, 2005**

To direct the Secretary of the Interior to convey certain land to the land to the Edward H. McDaniel American Legion Post No. 22 in Pahrump, Nevada, for the construction of a post building and memorial park for use by the American Legion, other veterans' groups, and the local community.

S. 447 **Feb. 17, 2005**

To authorize the conveyance of certain Federal land in the State of New Mexico.

SUBJECT INDEX

**LAND CONVEYANCES/EXCHANGES/BOUNDARY
ADJUSTMENTS/CLAIMS—Continued**

H.R. 1235 **Mar. 10, 2005**

To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.

H.R. 1469 **Apr. 5, 2005**

To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.

S. 1552 **July 28, 2005**

To amend Public Law 97-435 to extend the authorization for the Secretary of the Interior to release certain conditions contained in a patent concerning certain land conveyed by the United States to Eastern Washington University until December 31, 2009.

H.R. 2069 **May 4, 2005**

To authorize the exchange of certain land in Grand and Uintah Counties, Utah, and for other purposes.

H.R. 2595 **May 24, 2005**

To authorize the Administrator of General Services and the Secretary of the Interior to convey certain Federal property to the District of Columbia to increase the District's taxable property base as compensation for a structural fiscal imbalance caused by Federal mandates.

H.R. 2618 **May 25, 2005**

To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.

H.R. 2718 **May 26, 2005**

To authorize the exchange of certain Federal land within the State of Idaho, and for other purposes.

H.R. 3419 **July 25, 2005**

To direct the Secretary of the Interior to dispose of certain public lands that are subject to mining operations in Pershing County, Nevada, to support sustainable development opportunities for the community in which the mining operations occur through privatization of the lands allowing for productive post-mining land use that provides for economic development opportunities and local government revenues, and for other purposes.

H.R. 3462 **July 27, 2005**

To provide for the conveyance of the Bureau of Land Management parcels known as the White Acre and Gambel Oak properties and related real property to Park City, Utah, and for other purposes.

H.R. 4382 **Nov. 17, 2005**

To provide for the conveyance of certain land in Clark County, Nevada, for use by the Nevada National Guard.

H.R. 4401 **Nov. 18, 2005**

To provide for the conveyance of certain public lands in and around historic mining townsites in Nevada, and for other purposes.

H.R. 4627 **Dec. 17, 2005**

To validate certain conveyances made by the Union Pacific Railroad Company of lands located in Reno, Nevada, that were originally conveyed by the United States to facilitate construction of transcontinental railroads, and for other purposes.

H.R. 4784 **Feb. 16, 2006**

To direct the Secretary of Interior to convey certain Bureau of Land Management Land to the City of Eugene, Oregon.

H.R. 4789 **Feb. 16, 2006**

To require the Secretary of the Interior to convey certain public land located wholly or partially within the boundaries of the Wells Hydroelectric Project of Public Utility District No. 1 of Douglas County, Washington, to the utility district.

H.R. 5155 **Apr. 6, 2006**

To provide for the release of certain land from the Sunrise Mountain Instant Study Area in the State of Nevada and to grant a right-of-way across the released land for the construction and maintenance of a flood control project.

H.R. 5665 **June 21, 2006**

To authorize the Secretary of the Interior to convey certain land and improvements of the Gooding Division of the Minidoka Project, Idaho.

SUBJECT INDEX

**LAND CONVEYANCES/EXCHANGES/BOUNDARY
ADJUSTMENTS/CLAIMS—Continued**

H.R. 6037 **Sept. 6, 2006**

To direct the Secretary of Agriculture to convey to the village of Santa Clara, the city of Bayard, or the county of Grant, in the State of New Mexico, in tracts of not less than 40 acres, at market price at its present state of use as agricultural grazing lands as determined by the Secretary, for business and community development, and for other purposes.

H.R. 6376 **Dec. 5, 2006**

To provide that Federal property reversions on land deeded to the Municipality of Anchorage be conveyed to the Municipality in order to unencumber the Municipality's title.

H.R. 6383 **Dec. 6, 2006**

To direct the Secretary of the Interior to convey the Alta-Hualapai Site to the city of Las Vegas, Nevada, for the development of a cancer treatment facility.

H.R. 6373 **Dec. 5, 2006**

To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.

LIVESTOCK

H.R. 586 **Feb. 2, 2005**

To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

H.R. 5099 **Apr. 5, 2006**

To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

LOUISIANA

S. 205 **Jan. 31, 2005**

To authorize the American Battle Monuments Commission to establish in the State of Louisiana a memorial to honor the Buffalo Soldiers.

S. 207 **Jan. 31, 2005**

To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.

H.R. 249 **Jan. 6, 2005**

To repeal the reservation of mineral rights made by the United States when certain lands in Livingston Parish, Louisiana, were conveyed by Public Law 102-562.

H.R. 1515 **Apr. 6, 2005**

To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.

H. Con. Res. 461 **July 28, 2006**

Expressing the support of the Congress for the creation of a National Hurricane Museum and Science Center in southwest Louisiana.

MAGNUSON-STEVENSONS

H.R. 1431 **Mar. 17, 2005**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

H.R. 3278 **July 14, 2005**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems, and for other purposes.

H.R. 4940 **Mar. 13, 2006**

To amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.

H.R. 5018 **Mar. 28, 2006**

To reauthorize the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.

SUBJECT INDEX

MAGNUSON-STEVENSON—Continued

H.R. 5051 **Mar. 30, 2006**

To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.

H.R. 5447 **May 22, 2006**

To amend the Magnuson-Stevens Fishery Conservation and Management Act to authorize the Secretary of Commerce to establish a regional economic transition program to provide immediate disaster relief assistance to the fishermen, charter fishing operators, United States fish processors, and owners of related fishery infrastructure affected by a catastrophic regional fishery disaster, and for other purposes.

MAINE

H.R. 2692 **May 26, 2005**

To extend the Acadia National Park Advisory Commission, to provide improved visitor services at the park, and for other purposes.

MARINE MAMMALS

H.R. 2130 **May 5, 2005**

To amend the Marine Mammal Protection Act of 1972 to authorize research programs to better understand and protect marine mammals, and for other purposes.

H.R. 3839 **Sept. 20, 2005**

To amend the Marine Mammal Protection Act of 1972 to repeal the long-term goal for reducing to zero the incidental mortality and serious injury of marine mammals in commercial fishing operations, and to modify the goal of take reduction plans for reducing such takings.

H.R. 4075 **Oct. 18, 2005**

To amend the Marine Mammal Protection Act of 1972 to provide for better understanding and protection of marine mammals, and for other purposes.

H.R. 6241 **Sept. 28, 2006**

To amend the Marine Mammal Protection Act of 1972 to reduce predation on endangered Columbia River salmon, and for other purposes.

MARINE REFUGES

H.R. 2376 **May 16, 2005**

To designate the Northwestern Hawaiian Islands National Marine Refuge, and for other purposes.

MARINE SANCTUARIES

H.R. 1712 **Apr. 19, 2005**

To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.

H. Res. 856 **June 8, 2006**

Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.

MARYLAND

S. 777 **Apr. 13, 2005**

To designate Catoctin Mountain Park in the State of Maryland as the "Catoctin Mountain National Recreation Area", and for other purposes.

MASSACHUSETTS

H.R. 394 **Jan. 26, 2005**

To direct the Secretary of the Interior to conduct a boundary study to evaluate the significance of the Colonel James Barrett Farm in the Commonwealth of Massachusetts and the suitability and feasibility of its inclusion in the National Park System as part of the Minute Man National Historical Park, and for other purposes.

H.R. 395 **Jan. 26, 2005**

To adjust the boundary of Lowell National Historical Park, and for other purposes.

H.R. 938 **Feb. 17, 2005**

To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes..

SUBJECT INDEX

MASSACHUSETTS—Continued

H.R. 956 **Feb. 17, 2005**

To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.

H.R. 1512 **Apr. 6, 2005**

To direct the Secretary of the Interior to conduct a special resources study regarding the suitability and feasibility of designating certain historic buildings and areas in Taunton, Massachusetts, as a unit of the National Park System, and for other purposes.

H.R. 3321 **July 18, 2005**

To amend the Wild and Scenic Rivers Act to designate segments of the Taunton River in the Commonwealth of Massachusetts as a component of the National Wild and Scenic Rivers System.

H.R. 4376 **Nov. 17, 2005**

To authorize the National Park Service to enter into a cooperative agreement with the Commonwealth of Massachusetts on behalf of Springfield Technical Community College, and for other purposes.

H.R. 5227 **Apr. 27, 2006**

To amend the Omnibus Parks and Public Lands Management Act of 1996 to authorize the Secretary of the Interior to enter into cooperative agreements with any of the management partners of the Boston Harbor Islands National Recreation Area, and for other purposes.

H.R. 5298 **May 4, 2006**

To amend the Adams National Historical Park Act of 1998 to include the Quincy Homestead within the boundary of the Adams National Historical Park, and for other purposes.

H.R. 5311 **May 8, 2006**

To establish the Upper Housatonic Valley National Heritage Area.

METHAMPHETAMINES

H.R. 13 **Jan. 4, 2005**

To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

MICHIGAN

H.R. 3532 **July 28, 2005**

To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.

H.R. 3606 **July 28, 2005**

To modify a land grant patent issued by the Secretary of the Interior.

H.R. 4801 **Feb. 16, 2006**

To extend the deadlines for distributing certain funds secured by the Michigan Indian Land Claims Settlement Act and for other purposes.

H.R. 4802 **Feb. 16, 2006**

To reaffirm and clarify the Federal relationship of the Burt Lake Band as a distinct federally recognized Indian Tribe, and for other purposes.

H.R. 5132 **Apr. 6, 2006**

To direct the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including in the National Park System certain sites in Monroe County, Michigan, relating to the Battles of the River Raisin during the War of 1812.

H.R. 5133 **Apr. 6, 2006**

To direct the Secretary of the Interior to accept the donation of certain sites in Monroe County, Michigan, relating to the Battles of the River Raisin during the War of 1812 for inclusion in the National Park System.

S. 1346 **June 30, 2005**

To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.

H.R. 6174 **Sept. 25, 2006**

To redesignate the Miners Castle Information Station located near Munising, Michigan, as the "Raymond F. Clevenger Visitor Information Center at Miners Castle".

SUBJECT INDEX

MIGRATORY SPECIES

H.R. 518 **Feb. 2, 2005**
To require the Secretary of the Interior to refine the Department of the Interior program for providing assistance for the conservation of neotropical migratory birds.

H.R. 5089 **Apr. 4, 2006**
To enable the Great Lakes Fishery Commission to investigate effects of migratory birds on sustained productivity of stocks of fish of common concern in the Great Lakes.

MINERAL DEVELOPMENT

H.R. 3968 **Oct. 6, 2005**
To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.

H.R. 6080 **Sept. 14, 2006**
To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.

MINERAL LEASING

H.R. 681 **Feb. 9, 2005**
To amend the Mineral Leasing Act to authorize the Secretary of the Interior to issue separately, for the same area, a lease for tar sand and a lease for oil and gas, and for other purposes.

H.R. 905 **Feb. 17, 2005**
To amend the Mineral Leasing Act to provide for the development of Federal coal resources.

H.R. 906 **Feb. 17, 2005**
To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts, and for other purposes.

H.R. 1181 **Mar. 9, 2005**
To amend the Mineral Leasing Act to set forth procedures for the reinstatement of leases terminated due to unforeseeable circumstances.

H.R. 5471 **May 24, 2006**
To provide to the Bureau of Land Management a mechanism to cancel certain mining leases for lands in the leases CA-20139 and CA-22901 and provide new leasing opportunities in the Soledad Canyon adjacent to the City of Santa Clarita, California, that reflect the historical mining levels, and for other purposes.

MINERAL RIGHTS

H.R. 249 **Jan. 6, 2005**
To repeal the reservation of mineral rights made by the United States when certain lands in Livingston Parish, Louisiana, were conveyed by Public Law 102-562.

H.R. 2111 **May 4, 2005**
To facilitate acquisition by the Secretary of the Interior of certain mineral rights, and for other purposes.

H.R. 3978 **Oct. 6, 2005**
To authorize the Secretary of Energy to purchase certain essential mineral rights and resolve natural resource damage liability claims.

H.R. 4181 **Oct. 28, 2005**
To authorize the acquisition of certain mineral rights in Colorado, and for other purposes.

MINING

H.R. 1265 **Mar. 10, 2005**
To provide a source of funding for the reclamation of abandoned hardrock mines, and for other purposes.

H.R. 1600 **Apr. 13, 2005**
To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

SUBJECT INDEX

MINING—Continued

H.R. 2721 **May 26, 2005**

To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

H.R. 3149 **June 30, 2005**

To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.

H.R. 3817 **Sept. 15, 2005**

To withdraw the Valle Vidal Unit of the Carson National Forest in New Mexico from location, entry, and patent under the mining laws, and for other purposes.

H.R. 5404 **May 17, 2006**

To authorize the Administrator of the Environmental Protection Agency to advance cooperative conservation efforts, to reduce barriers to the formation and use of partnerships to enable Federal environmental stewardship agencies to meet the conservation goals and obligations of the agencies, to promote remediation of inactive and abandoned mines, and for other purposes.

H.R. 5970 **July 28, 2006**

To amend the Internal Revenue Code of 1986 to increase the unified credit against the estate tax to an exclusion equivalent of \$5,000,000, to repeal the sunset provision for the estate and generation-skipping taxes, and to extend expiring provisions, and for other purposes.

MISSOURI

H.R. 452 **Feb. 1, 2005**

To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Soldiers' Memorial Military Museum located in St. Louis, Missouri, as a unit of the National Park System.

H.R. 1728 **Apr. 20, 2005**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating the French Colonial Heritage Area in the State of Missouri as a unit of the National Park System, and for other purposes.

S. Con. Res. 60 **Oct. 25, 2005**

Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

H.R. 5978 **July 28, 2006**

To authorize the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including the battlefields and related sites of the First and Second Battles of Newtonia, Missouri, during the Civil War as part of Wilson's Creek National Battlefield or designating the battlefields and related sites as a separate unit of the National Park System, and for other purposes.

MONTANA

H.R. 1204 **Mar. 9, 2005**

To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

S. 1219 **June 9, 2005**

To authorize certain tribes in the State of Montana to enter into a lease or other temporary conveyance of water rights to meet the water needs of the Dry Prairie Rural Water Association, Inc.

H.R. 2428 **May 18, 2005**

To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.

**NATIONAL
PARKS/BATTLEFIELDS/MEMORIALS/RECREATION
AREAS**

S. 47 **Jan. 24, 2005**

To provide for the exchange of certain Federal land in the Santa Fe National Forest and certain non-Federal land in the Pecos National Historical Park in the State of New Mexico.

H. Con. Res. 55 **Feb. 10, 2005**

Honoring the flight crew members lost during the terrorist attacks against the United States on September 11, 2001.

SUBJECT INDEX

**NATIONAL
PARKS/BATTLEFIELDS/MEMORIALS/RECREATION
AREAS—Continued**

<p>H.J. Res. 78 Feb. 8, 2006</p> <p>Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.</p>	<p>S. 205 Jan. 31, 2005</p> <p>To authorize the American Battle Monuments Commission to establish in the State of Louisiana a memorial to honor the Buffalo Soldiers.</p>

To adjust the boundary of Martin Van Buren National Historic Site, and for other purposes.

H.R. 5423 **May 18, 2006**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating Oak Point and North Brother Island in the Bronx in the State of New York as a unit of the National Park System.

H.R. 5872 **July 24, 2006**

To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.

H.R. 5996 **July 28, 2006**

To establish the Raritan Bay Stewardship Initiative.

H.R. 6019 **July 28, 2006**

To establish the Niagara Falls National Heritage Area in the State of New York, and for other purposes.

NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION (NOAA)

S. 39 **Jan. 25, 2005**

To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.

S. 50 **Jan. 24, 2005**

To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.

SUBJECT INDEX

**NATIONAL OCEANIC AND ATMOSPHERIC
ADMINISTRATION (NOAA)—Continued**

H.R. 50 **Jan. 4, 2005**

To provide for the National Oceanic and Atmospheric Administration, and for other purposes.

S. 362 **Feb. 10, 2005**

To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.

H.R. 3692 **Sept. 7, 2005**

To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.

H.R. 3835 **Sept. 20, 2005**

To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.

H.R. 5446 **May 22, 2006**

To direct the Administrator of the National Oceanic and Atmospheric Administration to report to the Congress on the effects of Hurricanes Katrina, Rita, and Wilma on the fisheries and fish habitat of the United States.

H.R. 5450 **May 22, 2006**

To provide for the National Oceanic and Atmospheric Administration, and for other purposes.

H. Con. Res. 498 **Dec. 5, 2006**

Recognizing 200 years of research, service to the people of the United States, and stewardship of the marine environment by the National Oceanic and Atmospheric Administration and its predecessor agencies, and for other purposes.

NORTH CAROLINA

H.R. 126 **Jan. 4, 2005**

To amend Public Law 89-366 to allow for an adjustment in the number of free roaming horses permitted in Cape Lookout National Seashore.

H.R. 1087 **Mar. 3, 2005**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northeastern North Carolina Heritage Area in North Carolina, and for other purposes.

H.R. 4105 **Oct. 20, 2005**

To amend the Wild and Scenic Rivers Act to designate the Perquimans River and its tributaries in Perquimans County, North Carolina, for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

H.R. 5094 **Apr. 5, 2006**

To require the conveyance of Mattamuskeet Lodge and surrounding property, including the Mattamuskeet National Wildlife Refuge headquarters, to the State of North Carolina to permit the State to use the property as a public facility dedicated to the conservation of the natural and cultural resources of North Carolina.

NUCLEAR WASTE

H.R. 5360 **May 11, 2006**

To enhance the management and disposal of spent nuclear fuel and high-level radioactive waste, to assure protection of public health and safety, to ensure the territorial integrity and security of the repository at Yucca Mountain, and for other purposes.

OCEANS

H. Con. Res. 147 **May 5, 2005**

Supporting the designation of a National American Waters Heritage Month each year.

S. 361 **Feb. 10, 2005**

To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.

H.R. 1489 **Apr. 6, 2005**

To authorize the Secretary of Commerce to establish a coastal ocean observation system.

SUBJECT INDEX

OCEANS—Continued

H.R. 1584 **Apr. 12, 2005**

To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.

H.R. 2673 **May 26, 2005**

To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.

H.R. 2939 **June 16, 2005**

To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.

H.R. 3778 **Sept. 14, 2005**

To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.

H. Res. 824 **May 19, 2006**

Recognizing the effects of harmful algal blooms, including Red Tide, on the environment, and for other purposes.

H.R. 5872 **July 24, 2006**

To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.

OFFSHORE DRILLING

H.R. 2930 **June 16, 2005**

To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.

H.R. 3251 **July 12, 2005**

To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 4004 **Oct. 6, 2005**

To reduce the price of gasoline by allowing for offshore drilling, eliminating Federal obstacles to constructing refineries and providing incentives for investment in refineries, suspending Federal fuel taxes when gasoline prices reach a benchmark amount, and promoting free trade.

OHIO

H.R. 412 **Jan. 26, 2005**

To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.

OIL AND GAS RESOURCES

H.R. 2064 **May 3, 2005**

To assure that development of certain Federal oil and gas resources will occur in ways that protect water resources and respect the rights of the surface owners, and for other purposes.

H.R. 3710 **Sept. 8, 2005**

To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.

H.R. 4782 **Feb. 16, 2006**

To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.

H.R. 4908 **Mar. 8, 2006**

To require the Secretary of the Interior to offer the 181 Area of the Gulf of Mexico for oil and gas leasing.

H.R. 5285 **May 3, 2006**

To provide a highway fuel tax holiday funded by the repeal of certain production incentives, and for other purposes.

SUBJECT INDEX

OIL AND GAS RESOURCES—Continued

H.R. 5300 **May 4, 2006**

To restore fairness in the provision of incentives for oil and gas production, and for other purposes.

H.R. 5429 **May 19, 2006**

To direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program that will result in an environmentally sound program for the exploration, development, and production of the oil and gas resources of the Coastal Plain of Alaska, and for other purposes.

H.R. 5462 **May 23, 2006**

To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.

H.R. 5874 **July 25, 2006**

To direct the Secretary of the Interior to suspend the application of any provision of Federal law under which any person is given relief from any requirement to pay royalty for production oil or natural gas from Federal lands (including submerged lands), for production occurring in any period in which the market price of production exceeds certain prices, and for other purposes.

H.R. 6368 **Dec. 5, 2006**

To provide for a study by the National Academy of Engineering regarding improving the accuracy of collection of royalties on production of oil, condensate, and natural gas under leases of Federal lands and Indian lands, and for other purposes.

OREGON

S. 231 **Feb. 1, 2005**

To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.

S. 251 **Feb. 1, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a water resource feasibility study for the Little Butte/Bear Creek Sub-basins in Oregon.

H.R. 1090 **Mar. 3, 2005**

To designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives.

H.R. 1204 **Mar. 9, 2005**

To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 3013 **June 21, 2005**

To provide for the disposal of certain Forest Service administrative sites in the State of Oregon, and for other purposes.

H.R. 3618 **July 29, 2005**

To authorize early repayment of obligations to the Bureau of Reclamation within Rogue River Valley Irrigation District or within Medford Irrigation District.

H.R. 4195 **Nov. 1, 2005**

To authorize early repayment of obligations to the Bureau of Reclamation within Rogue River Valley Irrigation District or within Medford Irrigation District.

H.R. 4784 **Feb. 16, 2006**

To direct the Secretary of Interior to convey certain Bureau of Land Management Land to the City of Eugene, Oregon.

H.R. 5025 **Mar. 28, 2006**

To protect for future generations the recreational opportunities, forests, timber, clean water, wilderness and scenic values, and diverse habitat of Mount Hood National Forest, Oregon, and for other purposes.

S. 166 **Jan. 25, 2005**

To amend the Oregon Resource Conservation Act of 1996 to reauthorize the participation of the Bureau of Reclamation in the Deschutes River Conservancy, and for other purposes.

H.R. 5019 **Mar. 28, 2006**

To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.

SUBJECT INDEX

OREGON—Continued

H.R. 5079 **Apr. 4, 2006**

To provide for the modification of an amendatory repayment contract between the Secretary of the Interior and the North Unit Irrigation District, and for other purposes.

H.R. 6256 **Sept. 29, 2006**

To authorize the Secretary of the Interior to assist in the planning, design, and construction of the Tumalo Irrigation District Water Conservation Project in Deschutes County, Oregon.

S. 3687 **July 19, 2006**

To waive application of the Indian Self-Determination and Education Assistance Act to a specific parcel of real property transferred by the United States to 2 Indian tribes in the State of Oregon, and for other purposes.

OUTER CONTINENTAL SHELF (OCS)

H.R. 319 **Jan. 25, 2005**

To require a temporary moratorium on leasing, exploration, and development on lands of the Outer Continental Shelf off the State of California, and for other purposes.

H.R. 907 **Feb. 17, 2005**

To amend the Outer Continental Shelf Lands Act to authorize the Secretary of the Interior to grant easements and rights-of-way on the Outer Continental Shelf for activities otherwise authorized by that Act.

H.R. 1798 **Apr. 21, 2005**

To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.

H.R. 3811 **Sept. 15, 2005**

To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.

H.R. 3918 **Sept. 27, 2005**

To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.

H.R. 4318 **Nov. 15, 2005**

To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.R. 4761 **Feb. 15, 2006**

To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

H.R. 4783 **Feb. 16, 2006**

To prohibit offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 5649 **June 20, 2006**

To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

H.R. 6401 **Dec. 6, 2006**

To promote the fair production of oil and gas on the Outer Continental Shelf.

PALEONTOLOGICAL RESOURCES

S. 263 **Feb. 2, 2005**

To provide for the protection of paleontological resources on Federal lands, and for other purposes.

PAYMENT IN LIEU OF TAXES (PILT)

H.R. 788 **Feb. 10, 2005**

To provide permanent funding for the payment in lieu of taxes program, and for other purposes.

SUBJECT INDEX

PAYMENT IN LIEU OF TAXES (PILT)—Continued

H.R. 2337 **May 12, 2005**

To provide permanent funding for the payment in lieu of taxes program, and for other purposes.

PENNSYLVANIA

S. 652 **Mar. 17, 2005**

To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.

H.R. 1645 **Apr. 14, 2005**

To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.

H.R. 2722 **May 26, 2005**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating Camp Security, located in Springettsbury, York County, Pennsylvania, as a unit of the National Park System.

H.R. 2867 **June 13, 2005**

To establish the Steel Industry National Historic Site in the State of Pennsylvania.

H.R. 3281 **July 14, 2005**

To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.

H.R. 4957 **Mar. 14, 2006**

To direct the Secretary of the Interior to convey the Tylersville division of the Lamar National Fish Hatchery and Fish Technology Center to the State of Pennsylvania.

H.R. 5232 **Apr. 27, 2006**

To direct the Secretary of the Interior to initiate and complete an evaluation of lands and waters located in Northeastern Pennsylvania for their potential acquisition and inclusion in a future Cherry Valley National Wildlife Refuge, and for other purposes.

H.R. 6103 **Sept. 19, 2006**

To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.

POTASH ROYALTY REDUCTION

H.R. 485 **Feb. 1, 2005**

To provide that the royalty rate on the output from Federal lands of potassium and potassium compounds from the mineral sylvite in the 5-year period beginning on the date of the enactment of this Act shall be reduced to 1.0 percent, and for other purposes.

PRIVATE PROPERTY RIGHTS

H.R. 3405 **July 22, 2005**

To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

H.R. 5168 **Apr. 6, 2006**

For the relief of Eric Westhagen.

PUBLIC LANDS CORPS

H.R. 2875 **June 14, 2005**

To amend the Public Lands Corps Act of 1993 to provide for the conduct of projects that protect forests, and for other purposes.

PUERTO RICO

H.R. 539 **Feb. 2, 2005**

To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.

SUBJECT INDEX

PUERTO RICO—Continued

H.R. 1644 **Apr. 14, 2005**

To protect the critical aquifers and watersheds that serve as a principal water source for the Commonwealth of Puerto Rico, to protect the tropical forests of the Karst Region of the Commonwealth, and for other purposes.

H.R. 3365 **July 20, 2005**

To make funds generated from the Caribbean National Forest in the Commonwealth of Puerto Rico available to the Secretary of Agriculture for land acquisition intended to protect the integrity of the buffer zone surrounding the Caribbean National Forest, and for other purposes.

H.R. 4111 **Oct. 20, 2005**

To redesignate the Caribbean National Forest in the Commonwealth of Puerto Rico as the El Yunque National Forest.

H.R. 4867 **Mar. 2, 2006**

To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 4963 **Mar. 15, 2006**

To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.

RANCHING

H.R. 411 **Jan. 26, 2005**

To recognize the importance of livestock ranching to the history and continued economic vitality of the western United States and to compensate ranchers when certain Government actions result in the loss or reduction in animal unit months authorized under a grazing permit or lease issued by a Federal land management agency, and for other purposes.

RECREATIONAL USERS

S. 225 **Feb. 1, 2005**

To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of public land.

RIGHTS-OF-WAY

H.R. 906 **Feb. 17, 2005**

To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts, and for other purposes.

H.R. 3447 **July 26, 2005**

To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, for the benefit of private landowners, State and local governments, and the public.

H.R. 5155 **Apr. 6, 2006**

To provide for the release of certain land from the Sunrise Mountain Instant Study Area in the State of Nevada and to grant a right-of-way across the released land for the construction and maintenance of a flood control project.

H.R. 6298 **Sept. 29, 2006**

To clarify congressional intent with respect to the nature of rights-of-way granted and accepted under former section 2477 of the Revised Statutes, and for other purposes.

RIVERS

H. Res. 769 **Apr. 6, 2006**

Recognizing Virginia's James River as "America's Founding River".

ROYALTY

H.R. 3710 **Sept. 8, 2005**

To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.

SUBJECT INDEX

ROYALTY—Continued

H.R. 4749 **Feb. 14, 2006**

To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.

H.R. 5111 **Apr. 5, 2006**

To amend the Energy Policy Act of 2005 to authorize discounted sales of royalty oil and gas taken in-kind from a Federal oil or gas lease to provide additional resources to Federal low-income energy assistance programs.

H.R. 5302 **May 4, 2006**

To amend the Internal Revenue Code of 1986 to suspend the highway fuels taxes, to provide for suspension of royalty relief, and for other purposes.

SALTON SEA

H. Res. 244 **Apr. 27, 2005**

Commemorating the 100th anniversary of the creation of the Salton Sea.

SMALL TRACTS ACT

H.R. 1905 **Apr. 27, 2005**

To amend the Small Tracts Act to facilitate the exchange of small tracts of land, and for other purposes.

SODA ASH ROYALTY

S. 203 **Jan. 31, 2005**

To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.

H.R. 811 **Feb. 15, 2005**

To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.

SOUTH CAROLINA

H.R. 1289 **Mar. 14, 2005**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.

H.R. 3493 **July 27, 2005**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating the site of the Battle of Camden in South Carolina, as a unit of the National Park System, and for other purposes.

H.R. 3843 **Sept. 21, 2005**

To amend the South Carolina National Heritage Corridor Act of 1996 to expand the boundaries of the heritage corridor to include Georgetown, Berkeley, and Saluda Counties, South Carolina.

SOUTH DAKOTA

S. 276 **Feb. 3, 2005**

To revise the boundary of the Wind Cave National Park in the State of South Dakota.

H.R. 546 **Feb. 2, 2005**

To revise the boundary of the Wind Cave National Park in the State of South Dakota.

S. 819 **Apr. 15, 2005**

To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal, industrial, and fish and wildlife purposes.

H.R. 3967 **Oct. 3, 2005**

To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal, industrial, and fish and wildlife purposes.

SUBJECT INDEX

SOUTH DAKOTA—Continued

H.R. 4301 **Nov. 10, 2005**

To direct the Secretary of the Interior to convey certain parcels of land acquired for the Blunt Reservoir and Pierre Canal features of the initial stage of the Oahe Unit, James Division, South Dakota, to the Commission of Schools and Public Lands and the Department of Game, Fish, and Parks of the State of South Dakota for the purpose of mitigating lost wildlife habitat, on the condition that the current preferential leaseholders shall have an option to purchase the parcels from the Commission, and for other purposes.

SPECIES

H.R. 93 **Jan. 4, 2005**

To assist in the conservation of flagship species throughout the world.

H.R. 5180 **Apr. 25, 2006**

To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.

STEWARDSHIP SITE

H.R. 307 **Jan. 25, 2005**

To establish the Long Island Sound Stewardship Initiative.

H.R. 5160 **Apr. 6, 2006**

To establish the Long Island Sound Stewardship Initiative.

H.R. 5996 **July 28, 2006**

To establish the Raritan Bay Stewardship Initiative.

TENNESSEE

H.R. 1972 **Apr. 28, 2005**

To direct the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including in the National Park System certain sites in Williamson County, Tennessee, relating to the Battle of Franklin.

TERRITORIES

H.R. 59 **Jan. 4, 2005**

To repeal certain sections of the Act of May 26, 1936, pertaining to the Virgin Islands.

H.R. 61 **Jan. 4, 2005**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the St. Croix National Heritage Area in St. Croix, United States Virgin Islands, and for other purposes.

H.R. 62 **Jan. 4, 2005**

To create the Office of Chief Financial Officer of the Government of the Virgin Islands, and for other purposes.

H.R. 270 **Jan. 6, 2005**

To require establishment of an Office of Territorial Affairs in each Executive department and each independent establishment.

H.R. 271 **Jan. 6, 2005**

To convey certain submerged lands to the Government of the Virgin Islands, and for other purposes.

H.R. 873 **Feb. 17, 2005**

To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.

H.R. 1595 **Apr. 13, 2005**

To implement the recommendations of the Guam War Claims Review Commission.

H.R. 4182 **Oct. 31, 2005**

To remove the restriction that amendments of, or modifications to, the constitution of American Samoa, as approved by the Secretary of the Interior pursuant to Executive Order 10264 as in effect January 1, 1983, may be made only by an Act of Congress.

SUBJECT INDEX

TERRITORIES—Continued

H.R. 4255 **Nov. 8, 2005**

To convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands.

H.R. 4867 **Mar. 2, 2006**

To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 5550 **June 7, 2006**

To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.

TEXAS

H.R. 386 **Jan. 26, 2005**

To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.

H.R. 855 **Feb. 16, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Brownsville Public Utility Board water recycling and desalinization project.

H.R. 861 **Feb. 16, 2005**

To amend the Ysleta del Sur Pueblo and Alabama and Coushatta Indian Tribes of Texas Restoration Act to decrease the requisite blood quantum required for membership in the Ysleta del Sur Pueblo tribe.

H.R. 862 **Feb. 16, 2005**

To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".

H.R. 863 **Feb. 16, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project, and for other purposes.

H.R. 2341 **May 12, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of a project to reclaim and reuse wastewater within and outside of the service area of the City of Austin Water and Wastewater Utility, Texas.

H.R. 3418 **July 25, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Central Texas Water Recycling and Reuse Project, and for other purposes.

H.R. 5692 **June 27, 2006**

To direct the Secretary of the Interior to carry out a study to determine the suitability and feasibility of establishing memorials to the Space Shuttle Columbia on parcels of land in the State of Texas.

TRAILS

S. 54 **Jan. 24, 2005**

To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.

H.R. 472 **Feb. 1, 2005**

To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.

H.R. 690 **Feb. 9, 2005**

To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.

S. 958 **Apr. 28, 2005**

To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.

SUBJECT INDEX

TRAILS—Continued

H.R. 1090 **Mar. 3, 2005**

To designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives.

H.R. 1250 **Mar. 10, 2005**

To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.

H.R. 1261 **Mar. 10, 2005**

To amend the National Trails System Act to improve the efficiency and fairness of acquiring railroad rights-of-way for interim use as public trails by applying the procedures applicable to other Federal real estate acquisitions.

H.R. 1796 **Apr. 21, 2005**

To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.

H.R. 2053 **May 3, 2005**

To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.

H.R. 2332 **May 12, 2005**

To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.

H.R. 2588 **May 24, 2005**

To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.

H.R. 2871 **June 13, 2005**

To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.

H.R. 2964 **June 17, 2005**

To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.

H.R. 3085 **June 28, 2005**

To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.

H.R. 3871 **Sept. 22, 2005**

To authorize the Secretary of Interior to convey to The Missouri River Basin Lewis and Clark Interpretive Trail and Visitor Center Foundation, Inc. certain Federal land associated with the Lewis and Clark National Historic Trail in Nebraska, to be used as an historical interpretive site along the trail.

H.R. 4581 **Dec. 16, 2005**

To amend the National Trails System Act relating to the statute of limitations that applies to certain claims.

H.R. 5053 **Mar. 30, 2006**

To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.

H.R. 5466 **May 24, 2006**

To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.

H.R. 5895 **July 26, 2006**

To amend the National Trails System Act to designate the Washington-Rochambeau Revolutionary Route National Historic Trail.

H.R. 5980 **July 28, 2006**

To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.

SUBJECT INDEX

TRANSPORTATION

H.R. 1086 **Mar. 3, 2005**

To require the Secretary of Transportation to develop and implement an environmental review process for safety emergency highway projects.

H.R. 2566 **May 24, 2005**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3104 **June 29, 2005**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3330 **July 19, 2005**

To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3332 **July 19, 2005**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3377 **July 21, 2005**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3453 **July 27, 2005**

To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3512 **July 28, 2005**

To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 3514 **July 28, 2005**

To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

TSUNAMI DETECTION

S. 50 **Jan. 24, 2005**

To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.

S. 361 **Feb. 10, 2005**

To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.

H.R. 465 **Feb. 1, 2005**

To provide for the establishment of a tsunami hazard mitigation program for all United States insular areas.

H.R. 499 **Feb. 1, 2005**

To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.

H.R. 890 **Feb. 17, 2005**

To provide for the establishment of national and global tsunami warning systems and to provide assistance for the relief and rehabilitation of victims of the Indian Ocean tsunami and for the reconstruction of tsunami-affected countries.

H.R. 1584 **Apr. 12, 2005**

To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.

SUBJECT INDEX

UNITED STATES GEOLOGICAL SURVEY (USGS)

H.R. 3313 **July 14, 2005**

To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

UTAH

S. 52 **Jan. 24, 2005**

To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.

S. 182 **Jan. 26, 2005**

To provide for the establishment of the Uintah Research and Curatorial Center for Dinosaur National Monument in the States of Colorado and Utah, and for other purposes.

H.R. 679 **Feb. 9, 2005**

To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.

H.R. 680 **Feb. 9, 2005**

To direct the Secretary of Interior to convey certain land held in trust for the Paiute Indian Tribe of Utah to the City of Richfield, Utah, and for other purposes.

H.R. 1503 **Apr. 6, 2005**

To designate certain lands in the Cedar Mountains in the State of Utah as wilderness, to ensure the compatibility of such wilderness and wildness study areas with continued access by the Armed Forces to the special use airspace and lands that comprise the Utah Test and Training Range, and for other purposes.

H.R. 1774 **Apr. 21, 2005**

To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2069 **May 4, 2005**

To authorize the exchange of certain land in Grand and Uintah Counties, Utah, and for other purposes.

H.R. 3462 **July 27, 2005**

To provide for the conveyance of the Bureau of Land Management parcels known as the White Acre and Gambel Oak properties and related real property to Park City, Utah, and for other purposes.

H.R. 3626 **July 29, 2005**

To authorize the Secretary of the Interior to study the feasibility of enlarging the Arthur V. Watkins Dam Weber Basin Project, Utah, to provide additional water for the Weber Basin Project to fulfill the purposes for which that project was authorized.

H.R. 4013 **Oct. 7, 2005**

To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to provide for conjunctive use of surface and groundwater in Juab County, Utah.

H.R. 4577 **Dec. 16, 2005**

To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.

H.R. 4831 **Mar. 1, 2006**

To confirm as authorized, valid, and enforceable certain contractual rights of water users and water users organizations under the Strawberry Valley Project, Utah.

H.R. 5769 **July 12, 2006**

To establish wilderness areas, promote conservation, improve public land, and provide for high quality economic development in Washington County, Utah, and for other purposes.

S. 3501 **June 13, 2006**

To amend the Shivwits Band of the Paiute Indian Tribe of Utah Water Rights Settlement Act to establish an acquisition fund for the water rights and habitat acquisition program.

VERMONT

S. 2447 **Mar. 16, 2006**

To redesignate the White Rocks National Recreation Area in the State of Vermont as the "Robert T. Stafford White Rocks National Recreation Area".

SUBJECT INDEX

VERMONT—Continued

H.R. 5034 **Mar. 28, 2006**

To redesignate the White Rocks National Recreation Area in the State of Vermont as the "Robert T. Stafford White Rocks National Recreation Area".

H.R. 5157 **Apr. 6, 2006**

To designate certain National Forest System land in the State of Vermont for inclusion in the National Wilderness Preservation system and designate a National Recreation Area.

VIRGIN ISLANDS

H.R. 59 **Jan. 4, 2005**

To repeal certain sections of the Act of May 26, 1936, pertaining to the Virgin Islands.

H.R. 61 **Jan. 4, 2005**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the St. Croix National Heritage Area in St. Croix, United States Virgin Islands, and for other purposes.

H.R. 62 **Jan. 4, 2005**

To create the Office of Chief Financial Officer of the Government of the Virgin Islands, and for other purposes.

H.R. 271 **Jan. 6, 2005**

To convey certain submerged lands to the Government of the Virgin Islands, and for other purposes.

H.R. 272 **Jan. 6, 2005**

To provide for a land exchange on the island of Saint John, Virgin Islands, between the National Park Service and the Government of the United States Virgin Islands to facilitate the establishment of a school on the island, and for other purposes.

H.R. 318 **Jan. 25, 2005**

To authorize the Secretary of the Interior to study the suitability and feasibility of designating Castle Nugent Farms located on St. Croix, Virgin Islands, as a unit of the National Park System, and for other purposes.

H.R. 4189 **Nov. 1, 2005**

To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Virgin Islands Military and Veterans Memorial, to be located in Fredericksted, St. Croix, U.S. Virgin Islands, as a unit of the National Park System.

S. 1829 **Oct. 6, 2005**

To repeal certain sections of the Act of May 26, 1936, pertaining to the Virgin Islands.

VIRGINIA

H.R. 73 **Jan. 4, 2005**

To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northern Neck National Heritage Area in Virginia, and for other purposes.

H.R. 1975 **Apr. 28, 2005**

To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Bear Creek Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.

H.R. 3682 **Sept. 7, 2005**

To redesignate the Mason Neck National Wildlife Refuge in Virginia as the Elizabeth Hartwell Mason Neck National Wildlife Refuge.

H.R. 5061 **Mar. 30, 2006**

To direct the Secretary of the Interior to convey Paint Bank National Fish Hatchery and Wytheville National Fish Hatchery to the State of Virginia.

H. Res. 769 **Apr. 6, 2006**

Recognizing Virginia's James River as "America's Founding River".

H.R. 5763 **July 11, 2006**

To authorize the exchange, between the Secretary of the Interior and the Secretary of Transportation, of administrative jurisdiction of Federal land at the George Washington Memorial Parkway in McLean, Virginia, and for other purposes.

SUBJECT INDEX

VISITOR PROTECTION

H.R. 2039 **Apr. 28, 2005**

To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of public land.

VOLUNTEER RECRUITMENT

H.R. 584 **Feb. 2, 2005**

To authorize the Secretary of the Interior to recruit volunteers to assist with, or facilitate, the activities of various agencies and offices of the Department of the Interior.

WASHINGTON

H.R. 38 **Jan. 4, 2005**

To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.

S. 152 **Jan. 25, 2005**

To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 851 **Feb. 16, 2005**

To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 1138 **Mar. 7, 2005**

To require the conveyance of a small parcel of Federal land in the Colville National Forest, Washington, and for other purposes.

H.R. 1204 **Mar. 9, 2005**

To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1564 **Apr. 12, 2005**

To authorize the Secretary of the Interior to convey certain buildings and lands of the Yakima Project, Washington, to the Yakima-Tieton Irrigation District.

H.R. 2100 **May 4, 2005**

To amend Public Law 97-435 to extend the authorization for the Secretary of the Interior to release certain conditions contained in a patent concerning certain land conveyed by the United States to Eastern Washington University until December 31, 2009.

H.R. 4789 **Feb. 16, 2006**

To require the Secretary of the Interior to convey certain public land located wholly or partially within the boundaries of the Wells Hydroelectric Project of Public Utility District No. 1 of Douglas County, Washington, to the utility district.

H.R. 5817 **July 17, 2006**

To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.

H.R. 6119 **Sept. 20, 2006**

To provide for the equitable settlement of claims of Indian tribes in the region of Puget Sound, Washington regarding treaty rights to take shellfish from lands in that region, and for other purposes.

H.R. 5999 **July 28, 2006**

To provide for the conveyance of a parcel of National Forest System land in Kittitas County, Washington, to facilitate the construction of a new fire and rescue station, and for other purposes.

WATER AND POWER

H.R. 18 **Jan. 4, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

H.R. 109 **Jan. 4, 2005**

To provide compensation to the Lower Brule and Crow Creek Sioux Tribes of South Dakota for damage to tribal land caused by Pick-Sloan projects along the Missouri River.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 122 **Jan. 4, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.

H.R. 123 **Jan. 4, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.

H.R. 125 **Jan. 4, 2005**

To authorize the Secretary of the Interior to construct facilities to provide water for irrigation, municipal, domestic, military, and other uses from the Santa Margarita River, California, and for other purposes.

H.R. 135 **Jan. 4, 2005**

To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.

H.R. 177 **Jan. 4, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Prado Basin Natural Treatment System Project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project, and for other purposes.

S. 178 **Jan. 26, 2005**

To provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.

H.R. 186 **Jan. 4, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.

S. 214 **Jan. 31, 2005**

To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.

S. 229 **Feb. 1, 2005**

To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.

S. 231 **Feb. 1, 2005**

To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.

S. 232 **Feb. 1, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to assist in the implementation of fish passage and screening facilities at non-Federal water projects, and for other purposes.

S. 251 **Feb. 1, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a water resource feasibility study for the Little Butte/Bear Creek Sub-basins in Oregon.

S. 264 **Feb. 2, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii.

H.R. 386 **Jan. 26, 2005**

To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.

H.R. 469 **Feb. 1, 2005**

To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 487 **Feb. 1, 2005**

To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.

H.R. 497 **Feb. 1, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project.

H.R. 540 **Feb. 2, 2005**

To authorize the Secretary of the Interior to convey the Newlands Project Headquarters and Maintenance Yard Facility to the Truckee-Carson Irrigation District.

S. 592 **Mar. 10, 2005**

To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.

H.R. 630 **Feb. 8, 2005**

To authorize the Secretary of the Interior to convey certain Federal lands to the City of Yuma, Arizona, in exchange for certain lands owned by the City of Yuma, Arizona, and for other purposes.

S. 648 **Mar. 17, 2005**

To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.

H.R. 779 **Feb. 10, 2005**

To provide for a study of the potential for increasing hydroelectric power production at existing Federal facilities, and for other purposes.

H.R. 802 **Feb. 15, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga Valley Water District recycling project.

S. 819 **Apr. 15, 2005**

To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal, industrial, and fish and wildlife purposes.

H.R. 843 **Feb. 16, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000; to modify the water resources study.

H.R. 853 **Feb. 16, 2005**

To remove certain restrictions on the Mammoth Community Water District's ability to use certain property acquired by that District from the United States.

H.R. 855 **Feb. 16, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Brownsville Public Utility Board water recycling and desalinization project.

H.R. 862 **Feb. 16, 2005**

To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".

H.R. 863 **Feb. 16, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project, and for other purposes.

S. 891 **Apr. 22, 2005**

To extend the water service contract for the Ainsworth Unit, Sandhills Division, Pick-Sloan Missouri Basin Program, Nebraska.

S. 895 **Apr. 25, 2005**

To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 1008 **Mar. 1, 2005**

To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.

S. 1017 **May 12, 2005**

To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.

S. 1025 **May 12, 2005**

To amend the Act entitled "An Act to provide for the construction of the Cheney division, Wichita Federal reclamation project, Kansas, and for other purposes" to authorize the Equus Beds Division of the Wichita Project.

H.R. 1046 **Mar. 2, 2005**

To authorize the Secretary of the Interior to contract with the city of Cheyenne, Wyoming, for the storage of the city's water in the Kendrick Project, Wyoming.

H.R. 1071 **Mar. 3, 2005**

To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

H.R. 1190 **Mar. 9, 2005**

To direct the Secretary of the Interior to conduct a feasibility study to design and construct a four reservoir intertie system for the purposes of improving the water storage opportunities, water supply reliability, and water yield of San Vicente, El Capitan, Murray, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the City of San Diego and the Sweetwater Authority, and for other purposes.

H.R. 1197 **Mar. 9, 2005**

To extend the water service contract for the Ainsworth Unit, Sandhills Division, Pick-Sloan Missouri Basin Program, Nebraska.

S. 1219 **June 9, 2005**

To authorize certain tribes in the State of Montana to enter into a lease or other temporary conveyance of water rights to meet the water needs of the Dry Prairie Rural Water Association, Inc.

H.R. 1326 **Mar. 15, 2005**

To enable a Bureau of Reclamation partnership with the North Bay Water Reuse Authority and other regional partners to achieve water supply, water quality, and environmental restoration objectives.

H.R. 1327 **Mar. 15, 2005**

To amend the Act entitled "An Act to provide for the construction of the Cheney division, Wichita Federal reclamation project, Kansas, and for other purposes" to authorize the Equus Beds Division of the Wichita Project.

S. 1338 **June 29, 2005**

To require the Secretary of the Interior, acting through the Bureau of Reclamation and the United States Geological Survey, to conduct a study on groundwater resources in the State of Alaska, and for other purposes.

H.R. 1386 **Mar. 17, 2005**

To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

S. 1484 **July 26, 2005**

To amend the Fallon Paiute Shoshone Indian Tribes Water Rights Settlement Act of 1990.

H.R. 1564 **Apr. 12, 2005**

To authorize the Secretary of the Interior to convey certain buildings and lands of the Yakima Project, Washington, to the Yakima-Tieton Irrigation District.

H.R. 1711 **Apr. 19, 2005**

To provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.

H.R. 1797 **Apr. 21, 2005**

To provide for equitable compensation to the Spokane Tribe of Indians of the Spokane Reservation for the use of tribal land for the production of hydropower by the Grand Coulee Dam, and for other purposes.

H.R. 1852 **Apr. 26, 2005**

To direct the Secretary of the Interior to extend certain water contracts in Idaho, and for other purposes.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 2334 **May 12, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of permanent facilities for the GREAT project to reclaim, reuse, and treat impaired waters water in the area of Oxnard, California.

H.R. 2341 **May 12, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of a project to reclaim and reuse wastewater within and outside of the service area of the City of Austin Water and Wastewater Utility, Texas.

H.R. 2383 **May 16, 2005**

To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California, as the "C.W. "Bill" Jones Pumping Plant".

H.R. 2555 **May 23, 2005**

To authorize the construction of the Arkansas Valley Conduit in the State of Colorado, and for other purposes.

H.R. 2563 **May 24, 2005**

To authorize the Secretary of the Interior to conduct feasibility studies to address certain water shortages within the Snake, Boise, and Payette River systems in Idaho, and for other purposes.

H.R. 2587 **May 24, 2005**

To make amendments to the Reclamation Projects Authorization and Adjustment Act of 1992.

H.R. 2720 **May 26, 2005**

To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.

H.R. 2873 **June 13, 2005**

To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.

H.R. 2978 **June 17, 2005**

To allow the Assiniboine and Sioux Tribes of the Fort Peck Indian Reservation to enter into a lease or other temporary conveyance of water rights recognized under the Fort Peck-Montana Compact for the purpose of meeting the water needs of the Dry Prairie Rural Water Association, Incorporated, and for other purposes.

H.R. 3153 **June 30, 2005**

To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.

H.R. 3182 **June 30, 2005**

To reauthorize the Water Desalination Act of 1996, and for other purposes.

H.R. 3418 **July 25, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Central Texas Water Recycling and Reuse Project, and for other purposes.

H.R. 3443 **July 26, 2005**

To direct the Secretary of the Interior to convey certain water distribution facilities to the Northern Colorado Water Conservancy District.

H.R. 3558 **July 28, 2005**

To amend the Cheyenne River Sioux Tribe Equitable Compensation Act to provide compensation to members of the Cheyenne River Sioux Tribe for damage resulting from the Oahe Dam and Reservoir Project, and for other purposes.

H.R. 3618 **July 29, 2005**

To authorize early repayment of obligations to the Bureau of Reclamation within Rogue River Valley Irrigation District or within Medford Irrigation District.

H.R. 3626 **July 29, 2005**

To authorize the Secretary of the Interior to study the feasibility of enlarging the Arthur V. Watkins Dam Weber Basin Project, Utah, to provide additional water for the Weber Basin Project to fulfill the purposes for which that project was authorized.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 3691 **Sept. 7, 2005**

To amend the Central Valley Project Improvement Act to provide for improved water management and conservation, and for other purposes.

H.R. 3812 **Sept. 15, 2005**

To authorize the Secretary of the Interior to prepare a feasibility study with respect to the Mokelumne River, and for other purposes.

H.R. 3897 **Sept. 27, 2005**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation to enter into a cooperative agreement with the Madera Irrigation District for purposes of supporting the Madera Water Supply and Groundwater Enhancement Project.

H.R. 3929 **Sept. 28, 2005**

To amend the Water Desalination Act of 1996 to authorize the Secretary of the Interior to assist in research and development, environmental and feasibility studies, and preliminary engineering for the Municipal Water District of Orange County, California, Dana Point Desalination Project located at Dana Point, California.

H.R. 3967 **Oct. 3, 2005**

To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal, industrial, and fish and wildlife purposes.

H.R. 4000 **Oct. 6, 2005**

To authorize the Secretary of the Interior to revise certain repayment contracts with the Bostwick Irrigation District in Nebraska, the Kansas Bostwick Irrigation District No. 2, the Frenchman-Cambridge Irrigation District, and the Webster Irrigation District No. 4, all a part of the Pick-Sloan Missouri Basin Program, and for other purposes.

H.R. 4013 **Oct. 7, 2005**

To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to provide for conjunctive use of surface and groundwater in Juab County, Utah.

H.R. 4080 **Oct. 19, 2005**

To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.

H.R. 4195 **Nov. 1, 2005**

To authorize early repayment of obligations to the Bureau of Reclamation within Rogue River Valley Irrigation District or within Medford Irrigation District.

H.R. 4204 **Nov. 2, 2005**

To direct the Secretary of the Interior to transfer ownership of the American River Pump Station Project, and for other purposes.

H.R. 4270 **Nov. 9, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Avra/Black Wash Reclamation and Riparian Restoration Project.

H.R. 4271 **Nov. 9, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in modifications to the Pima County Wastewater Management Regional Treatment System for Improved Reclaimed Water Production.

H.R. 4301 **Nov. 10, 2005**

To direct the Secretary of the Interior to convey certain parcels of land acquired for the Blunt Reservoir and Pierre Canal features of the initial stage of the Oahe Unit, James Division, South Dakota, to the Commission of Schools and Public Lands and the Department of Game, Fish, and Parks of the State of South Dakota for the purpose of mitigating lost wildlife habitat, on the condition that the current preferential leaseholders shall have an option to purchase the parcels from the Commission, and for other purposes.

H.R. 4418 **Nov. 18, 2005**

To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe, affordable, and reliable water supply to rural residents.

H.R. 4545 **Dec. 14, 2005**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Los Angeles County Water Supply Augmentation Demonstration Project, and for other purposes.

H.R. 4588 **Dec. 16, 2005**

To reauthorize grants for and require applied water supply research regarding the water resources research and technology institutes established under the Water Resources Research Act of 1984.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 4750 **Feb. 14, 2006**

To authorize the Secretary of the Interior to conduct a study to determine the feasibility of implementing a water supply and conservation project to improve water supply reliability, increase the capacity of water storage, and improve water management efficiency in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas.

H.R. 4831 **Mar. 1, 2006**

To confirm as authorized, valid, and enforceable certain contractual rights of water users and water users organizations under the Strawberry Valley Project, Utah.

S. 166 **Jan. 25, 2005**

To amend the Oregon Resource Conservation Act of 1996 to reauthorize the participation of the Bureau of Reclamation in the Deschutes River Conservancy, and for other purposes.

H.R. 5079 **Apr. 4, 2006**

To provide for the modification of an amendatory repayment contract between the Secretary of the Interior and the North Unit Irrigation District, and for other purposes.

H.R. 5110 **Apr. 5, 2006**

To facilitate the use for irrigation and other purposes of water produced in connection with development of energy resources.

H.R. 5192 **Apr. 25, 2006**

To authorize the Secretary of the Interior to make available cost-shared grants and enter into cooperative agreements to further the goals of the Water 2025 Program by improving water conservation, efficiency, and management in the Reclamation States, and for other purposes.

H.R. 5282 **May 3, 2006**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Southern California Desert Region Integrated Water and Economic Sustainability Plan.

H.R. 5299 **May 4, 2006**

To revise a provision relating to a repayment obligation of the Fort McDowell Yavapai Nation under the Fort McDowell Indian Community Water Rights Settlement Act of 1990, and for other purposes.

H.R. 5340 **May 10, 2006**

To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.

H.R. 5516 **May 25, 2006**

To allow for the renegotiation of the payment schedule of contracts between the Secretary of the Interior and the Redwood Valley County Water District, and for other purposes.

H.R. 5566 **June 8, 2006**

To facilitate the transfer of Spearfish Hydroelectric Plant Number 1 to the city of Spearfish, South Dakota, and for other purposes.

H.R. 5460 **May 23, 2006**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a feasibility study of the Sierra Vista Subwatershed in the State of Arizona.

H.R. 5565 **June 8, 2006**

To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.

H.R. 5639 **June 19, 2006**

To reauthorize the Mni Wiconi Rural Water Supply Project.

H.R. 5666 **June 21, 2006**

To authorize early repayment of obligations to the Bureau of Reclamation within the A & B Irrigation District in the State of Idaho.

H.R. 5715 **June 29, 2006**

To make amendments to the Reclamation Projects Authorization and Adjustment Act of 1992.

H.R. 5705 **June 28, 2006**

To authorize the Secretary of the Interior to conduct studies to determine the feasibility and environmental impact of rehabilitating the St. Mary Diversion and Conveyance Works and the Milk River Project, to authorize the rehabilitation and improvement of the St. Mary Diversion and Conveyance Works, to develop an emergency response plan for use in the case of catastrophic failure of the St. Mary Diversion and Conveyance Works, and for other purposes.

SUBJECT INDEX

WATER AND POWER—Continued

H.R. 5786 **July 13, 2006**

To authorize the Secretary, in cooperation with the City of San Juan Capistrano, California, to participate in the design, planning, and construction of, an advanced water treatment plant facility and recycled water system, and for other purposes.

H.R. 5796 **July 13, 2006**

To direct the Secretary of the Interior to exclude and defer from the pooled reimbursable costs of the Central Valley Project the reimbursable capital costs of the unused capacity of the Folsom South Canal, Auburn-Folsom South Unit, Central Valley Project, and for other purposes.

H.R. 5768 **July 12, 2006**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to provide standards and procedures for the review of water reclamation and reuse projects.

H.R. 5987 **July 28, 2006**

To provide for a feasibility study of alternatives to augment the water supplies of the Central Oklahoma Master Conservancy District and cities served by the District.

H.R. 6014 **July 28, 2006**

To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to improve California's Sacramento-San Joaquin Delta and water supply.

H.R. 6059 **Sept. 12, 2006**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Santa Rosa Urban Water Reuse Plan.

H.R. 6068 **Sept. 13, 2006**

To authorize the Secretary of the Interior to create a Bureau of Reclamation partnership with the North Bay Water Reuse Authority and other regional partners to achieve objectives relating to water supply, water quality, and environmental restoration.

H.R. 6088 **Sept. 14, 2006**

To direct the Secretary of the Interior to conduct a study of water resources in the State of New Mexico, and for other purposes.

H.R. 6218 **Sept. 27, 2006**

To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Bay Area Regional Water Recycling Program projects, and for other purposes.

H.R. 6230 **Sept. 28, 2006**

To authorize the Secretary of Energy to make energy consumption reduction incentive payments to encourage the utilization of the best available technology in the development of desalination facilities, and other purposes.

H.R. 6256 **Sept. 29, 2006**

To authorize the Secretary of the Interior to assist in the planning, design, and construction of the Tumalo Irrigation District Water Conservation Project in Deschutes County, Oregon.

H.R. 6278 **Sept. 29, 2006**

To amend the Bonneville Power Administration portions of the Fisheries Restoration and Irrigation Mitigation Act of 2000 to authorize appropriations for fiscal years 2006 through 2012, and for other purposes.

H.R. 6308 **Sept. 29, 2006**

To authorize the Secretary of the Interior to provide financial assistance to the Eastern New Mexico Rural Water Authority for the planning, design, and construction of the Eastern New Mexico Rural Water System, and for other purposes.

H.R. 6312 **Sept. 29, 2006**

To authorize the Secretary of the Interior to conduct feasibility studies to identify opportunities to increase the surface flows of the Rio Grande, Canadian, and Pecos Rivers in the State of New Mexico, and for other purposes.

H.R. 6377 **Dec. 6, 2006**

To authorize the implementation of the San Joaquin River Restoration Settlement.

H.R. 6436 **Dec. 8, 2006**

To amend the Colorado River Storage Project Act and Public Law 87-483, to authorize the construction and rehabilitation of water infrastructure in Northwestern New Mexico, to authorize the use of the reclamation fund to fund the Reclamation Water Settlements Fund, to authorize the conveyance of certain Reclamation land and infrastructure, to authorize the Commissioner of Reclamation to provide for the delivery of water, and for other purposes.

SUBJECT INDEX

WATERFOWL

H. Res. 459 **Sept. 22, 2005**

Recognizing the achievements and contributions of the Waterfowl Population Survey Program of the United States Fish and Wildlife Service.

S. 3501 **June 13, 2006**

To amend the Shivwits Band of the Paiute Indian Tribe of Utah Water Rights Settlement Act to establish an acquisition fund for the water rights and habitat acquisition program.

WESTERN UNITED STATES

H.R. 411 **Jan. 26, 2005**

To recognize the importance of livestock ranching to the history and continued economic vitality of the western United States and to compensate ranchers when certain Government actions result in the loss or reduction in animal unit months authorized under a grazing permit or lease issued by a Federal land management agency, and for other purposes.

H.R. 489 **Feb. 1, 2005**

To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.

H.R. 3463 **July 27, 2005**

To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.

H.R. 3464 **July 27, 2005**

To authorize the Secretary of the Interior to make payments to Western States for education improvement.

WETLANDS

H.R. 5539 **June 7, 2006**

To reauthorize the North American Wetlands Conservation Reauthorization Act.

WHALING

H. Con. Res. 267 **Oct. 17, 2005**

Expressing the sense of the Congress upholding the Makah Tribe treaty rights.

WILD AND SCENIC RIVERS

H.R. 38 **Jan. 4, 2005**

To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.

H.R. 233 **Jan. 4, 2005**

To designate certain National Forest System lands in the Mendocino and Six Rivers National Forests and certain Bureau of Land Management lands in Humboldt, Lake, Mendocino, and Napa Counties in the State of California as wilderness, to designate the Elkhorn Ridge Potential Wilderness Area, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

S. 435 **Feb. 17, 2005**

To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

S. 1096 **May 23, 2005**

To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.

H.R. 1204 **Mar. 9, 2005**

To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1307 **Mar. 15, 2005**

To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.

SUBJECT INDEX

WILD AND SCENIC RIVERS—Continued

H.R. 1344 **Mar. 16, 2005**

To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

H.R. 3321 **July 18, 2005**

To amend the Wild and Scenic Rivers Act to designate segments of the Taunton River in the Commonwealth of Massachusetts as a component of the National Wild and Scenic Rivers System.

H.R. 4105 **Oct. 20, 2005**

To amend the Wild and Scenic Rivers Act to designate the Perquimans River and its tributaries in Perquimans County, North Carolina, for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

H.R. 5006 **Mar. 16, 2006**

To designate certain public land as wilderness and certain rivers as wild and scenic rivers in the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Recreation Area and Ancient Bristlecone Pine Forest, and for other purposes.

H.R. 5149 **Apr. 6, 2006**

To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.

H.R. 5885 **July 25, 2006**

To amend the Wild and Scenic Rivers Act to designate certain segments of the Eightmile River in the State of Connecticut as components of the National Wild and Scenic Rivers System, and for other purposes.

H.R. 5957 **July 28, 2006**

To designate segments of Fossil Creek, a tributary to the Verde River in the State of Arizona, as wild and scenic rivers.

WILDERNESS

S. 128 **Jan. 24, 2005**

To designate certain public land in Humboldt, Del Norte, Mendocino, Lake, and Napa Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

S. 152 **Jan. 25, 2005**

To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 233 **Jan. 4, 2005**

To designate certain National Forest System lands in the Mendocino and Six Rivers National Forests and certain Bureau of Land Management lands in Humboldt, Lake, Mendocino, and Napa Counties in the State of California as wilderness, to designate the Elkhorn Ridge Potential Wilderness Area, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

H.R. 362 **Jan. 25, 2005**

To designate the Ojito Wilderness Study Area as wilderness, to take certain land into trust for the Pueblo of Zia, and for other purposes.

H.R. 539 **Feb. 2, 2005**

To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.

H.R. 851 **Feb. 16, 2005**

To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 1155 **Mar. 8, 2005**

To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

SUBJECT INDEX

WILDERNESS—Continued

H.R. 1204 **Mar. 9, 2005**

To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1503 **Apr. 6, 2005**

To designate certain lands in the Cedar Mountains in the State of Utah as wilderness, to ensure the compatibility of such wilderness and wilderness study areas with continued access by the Armed Forces to the special use airspace and lands that comprise the Utah Test and Training Range, and for other purposes.

H.R. 1774 **Apr. 21, 2005**

To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 1975 **Apr. 28, 2005**

To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Bear Creek Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.

H.R. 3193 **June 30, 2005**

To designate as wilderness certain lands within the Rocky Mountain National Park in the State of Colorado.

H.R. 4176 **Oct. 28, 2005**

To provide for the release of certain Wilderness Study Areas involving public lands administered by the Bureau of Land Management in Lassen and Modoc Counties, California, and Washoe County, Nevada.

H.R. 4235 **Nov. 4, 2005**

To designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.

H.R. 4587 **Dec. 16, 2005**

To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.

H.R. 4841 **Mar. 1, 2006**

To amend the Ojito Wilderness Act to make a technical correction.

H.R. 5059 **Mar. 30, 2006**

To designate the Wild River Wilderness in the White Mountain National Forest in the State of New Hampshire, and for other purposes.

H.R. 5062 **Mar. 30, 2006**

To designate as wilderness certain National Forest System land in the State of New Hampshire.

H.R. 5149 **Apr. 6, 2006**

To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.

H.R. 5157 **Apr. 6, 2006**

To designate certain National Forest System land in the State of Vermont for inclusion in the National Wilderness Preservation system and designate a National Recreation Area.

H.R. 5769 **July 12, 2006**

To establish wilderness areas, promote conservation, improve public land, and provide for high quality economic development in Washington County, Utah, and for other purposes.

S. 2463 **Mar. 28, 2006**

To designate as wilderness certain National Forest System land in the State of New Hampshire.

S. 4001 **Sept. 29, 2006**

To designate certain land in New England as wilderness for inclusion in the National Preservation system and certain land as a National Recreation Area, and for other purposes.

H.R. 6245 **Sept. 28, 2006**

To designate as wilderness certain land within the Rocky Mountain National Park, and for other purposes.

SUBJECT INDEX

WILDLIFE

H. Res. 249 **Apr. 28, 2005**

Celebrating the recent discovery of the Ivory-Billed Woodpecker in Eastern Arkansas.

S. 1250 **June 15, 2005**

To reauthorize the Great Ape Conservation Act of 2000.

S. 1415 **July 18, 2005**

To amend the Lacey Act Amendments of 1981 to protect captive wildlife and make technical corrections.

H.R. 1707 **Apr. 19, 2005**

To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

H.R. 2428 **May 18, 2005**

To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.

H.R. 2693 **May 26, 2005**

To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.

H.R. 3520 **July 28, 2005**

To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.

H.R. 4717 **Feb. 8, 2006**

To designate the National Museum of Wildlife Art, located at 2820 Rungius Road, Jackson, Wyoming, as the National Museum of Wildlife Art of the United States.

H.R. 5006 **Mar. 16, 2006**

To designate certain public land as wilderness and certain rivers as wild and scenic rivers in the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Recreation Area and Ancient Bristlecone Pine Forest, and for other purposes.

S. 2430 **Mar. 16, 2006**

To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.

WILDLIFE REFUGES

H.R. 298 **Jan. 25, 2005**

To require the Secretary of the Interior to provide public access to Farallon National Wildlife Refuge, Navassa National Wildlife Refuge, and Desecheo National Wildlife Refuge.

H.R. 372 **Jan. 26, 2005**

To include in St. Marks National Wildlife Refuge, Florida, the land and facilities comprising St. Marks lighthouse.

H.R. 1101 **Mar. 3, 2005**

To revoke a Public Land Order with respect to certain lands erroneously included in the Cibola National Wildlife Refuge, California.

H.R. 1154 **Mar. 8, 2005**

To provide for the retention of the name of the geologic formation known as "Devils Tower" at the Devils Tower National Monument in the State of Wyoming.

S. 1165 **June 6, 2005**

To provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.

H.R. 1183 **Mar. 9, 2005**

To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.

H.R. 2866 **June 13, 2005**

To provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.

SUBJECT INDEX

WILDLIFE REFUGES—Continued

H.R. 3281 **July 14, 2005**

To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.

H.R. 3682 **Sept. 7, 2005**

To redesignate the Mason Neck National Wildlife Refuge in Virginia as the Elizabeth Hartwell Mason Neck National Wildlife Refuge.

H.R. 4827 **Mar. 1, 2006**

To authorize a land exchange involving the acquisition of private land adjacent to the Cibola National Wildlife Refuge in Arizona for inclusion in the refuge in exchange for certain Bureau of Land Management lands in Riverside County, California, and for other purposes.

H.R. 4947 **Mar. 14, 2006**

To expand the boundaries of the Cahaba River National Wildlife Refuge, and for other purposes.
qbf S9

H.R. 5094 **Apr. 5, 2006**

To require the conveyance of Mattamuskeet Lodge and surrounding property, including the Mattamuskeet National Wildlife Refuge headquarters, to the State of North Carolina to permit the State to use the property as a public facility dedicated to the conservation of the natural and cultural resources of North Carolina.

H.R. 5232 **Apr. 27, 2006**

To direct the Secretary of the Interior to initiate and complete an evaluation of lands and waters located in Northeastern Pennsylvania for their potential acquisition and inclusion in a future Cherry Valley National Wildlife Refuge, and for other purposes.

H. Con. Res. 398 **May 3, 2006**

Expressing the sense of the Congress that the United States Fish and Wildlife Service should incorporate consideration of global warming and sea-level rise into the comprehensive conservation plans for coastal national wildlife refuges, and for other purposes.

H.R. 5900 **July 26, 2006**

To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.

S. 2041 **Nov. 17, 2005**

To provide for the conveyance of a United States Fish and Wildlife Service administrative site to the city of Las Vegas, Nevada.

WINDMILLS

H.R. 2938 **June 16, 2005**

To provide for local control for the siting of windmills.

WYOMING

S. 97 **Jan. 24, 2005**

To provide for the sale of bentonite in Big Horn County, Wyoming.

S. 101 **Jan. 24, 2005**

To convey to the town of Frannie, Wyoming, certain land withdrawn by the Commissioner of Reclamation.

S. 592 **Mar. 10, 2005**

To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.

H.R. 1046 **Mar. 2, 2005**

To authorize the Secretary of the Interior to contract with the city of Cheyenne, Wyoming, for the storage of the city's water in the Kendrick Project, Wyoming.

H.R. 1204 **Mar. 9, 2005**

To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 4080 **Oct. 19, 2005**

To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.

WYOMING—Continued

H.R. 4717

Feb. 8, 2006

To designate the National Museum of Wildlife Art, located at 2820 Rungius Road, Jackson, Wyoming, as the National Museum of Wildlife Art of the United States.

AUTHOR INDEX

ABERCROMBIE, Neil of Hawaii

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 843** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000; to modify the water resources study.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2866** To provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3468** To recognize the unique ecosystems of the Hawaiian islands and the threat to these ecosystems posed by non-native plants, animals, and plant and animal diseases, to require the Secretary of Agriculture and the Secretary of the Interior to expand Federal efforts to prevent the introduction in Hawaii of non-native plants, animals, and plant and animal diseases, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3835** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.

- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4255** To convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4529** To provide for the establishment of a memorial within Kalaupapa National Historical Park located on the island of Molokai, in the State of Hawaii, to honor and perpetuate the memory of those individuals who were forcibly relocated to the Kalaupapa Peninsula from 1866 to 1969, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4788** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5946** To amend Magnuson-Stevens Fishery Conservation and Management Act to authorize activities to promote improved monitoring and compliance for high seas fisheries, or fisheries governed by international fishery management agreements, and for other purposes.
- H.R. 6401** To promote the fair production of oil and gas on the Outer Continental Shelf.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

ACKERMAN, Gary L. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.

ACKERMAN, Gary L. of New York—Continued

- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

ADERHOLT, Robert B. of Alabama

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4677** To impose a two year moratorium on the approval by the Secretary of the Interior of new Tribal-State compacts for gaming under the Indian Gaming Regulatory Act.
- H.R. 4696** To make certain reforms in lobbying, ethics, and campaign finance laws, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4893** To amend section 20 of the Indian Gaming Regulatory Act to restrict off-reservation gaming.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5930** To establish the Muscle Shoals National Heritage Area in the State of Alabama, and for other purposes.

AKAKA, Daniel K. of Hawaii

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 263** To provide for the protection of paleontological resources on Federal lands, and for other purposes.

AKAKA, Daniel K. of Hawaii—Continued

- S. 264** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii.
- S. 362** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- S. 1165** To provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.
- S. 1288** To authorize the Secretary of the Interior to enter into cooperative agreements to protect natural resources of units of the National Park System through collaborative efforts on land inside and outside of units of the National Park System.
- S. 1390** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.

AKIN, W. Todd of Missouri

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4581** To amend the National Trails System Act relating to the statute of limitations that applies to certain claims.

ALEXANDER, Rodney of Louisiana

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 522** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.

- H.R. 1515** To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.
- H.R. 1551** To amend the Outer Continental Shelf Lands Act to provide a domestic offshore energy reinvestment program, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1596** To amend the Outer Continental Shelf Lands Act to promote uses on the Outer Continental Shelf.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Con.Res. 55** Honoring the flight crew members lost during the terrorist attacks against the United States on September 11, 2001.

ALLARD, Wayne of Colorado

- S. 56** To establish the Rio Grande Natural Area in the State of Colorado, and for other purposes.

ALLEN, George of Virginia

- S. 958** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

ALLEN, Thomas H. of Maine

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

ALLEN, Thomas H. of Maine—Continued

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2059** To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.
- H.R. 2692** To extend the Acadia National Park Advisory Commission, to provide improved visitor services at the park, and for other purposes.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3278** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

ANDREWS, Robert E. of New Jersey

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 427** To require Federal agencies to develop and implement policies and practices that promote environmental justice, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.

- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 1096** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1798** To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3692** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.

ANDREWS, Robert E. of New Jersey—Continued

- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

BACA, Joe of California

- H.R. 18** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 794** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 802** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga Valley Water District recycling project.
- H.R. 1008** To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

BACHUS, Spencer T. III of Alabama

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

BACHUS, Spencer T. III of Alabama—Continued

- H.R. 4893** To amend section 20 of the Indian Gaming Regulatory Act to restrict off-reservation gaming.
- H.R. 4947** To expand the boundaries of the Cahaba River National Wildlife Refuge, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

BAIRD, Brian of Washington

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 38** To designate a portion of the White Salmon River as a component of the National Wild and Scenic Rivers System.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 851** To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4294** To authorize the Secretary of the Interior to enter into cooperative agreements to protect natural resources of units of the National Park System through collaborative efforts on land inside and outside of units of the National Park System, and for other purposes.

- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5485** To direct the Secretary of the Interior to conduct a study to determine the feasibility of establishing the Columbia-Pacific National Heritage Area in the States of Washington and Oregon, and for other purposes.
- H.R. 5817** To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.
- H.R. 6119** To provide for the equitable settlement of claims of Indian tribes in the region of Puget Sound, Washington regarding treaty rights to take shellfish from lands in that region, and for other purposes.
- H.R. 6241** To amend the Marine Mammal Protection Act of 1972 to reduce predation on endangered Columbia River salmon, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

BAKER, Richard H. of Louisiana

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 249** To repeal the reservation of mineral rights made by the United States when certain lands in Livingston Parish, Louisiana, were conveyed by Public Law 102-562.
- H.R. 522** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1515** To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.
- H.R. 1551** To amend the Outer Continental Shelf Lands Act to provide a domestic offshore energy reinvestment program, and for other purposes.
- H.R. 1596** To amend the Outer Continental Shelf Lands Act to promote uses on the Outer Continental Shelf.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

BALDWIN, Tammy of Wisconsin

- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2332** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3520** To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4384** To improve the energy efficiency of the United States.

- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

BARRETT, J. Gresham of South Carolina

- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1289** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3493** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the site of the Battle of Camden in South Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 3843** To amend the South Carolina National Heritage Corridor Act of 1996 to expand the boundaries of the heritage corridor to include Georgetown, Berkeley, and Saluda Counties, South Carolina.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5057** To authorize the Marion Park Project and Committee of the Palmetto Conservation Foundation to establish a commemorative work on Federal land in the District of Columbia, and its environs to honor Brigadier General Francis Marion.

BARROW, John of Georgia

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

BARROW, John of Georgia—Continued

- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

BARTLETT, Roscoe G. of Maryland

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.

- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

BARTON, Joe of Texas

- H.R. 6** To ensure jobs for our future with secure, affordable, and reliable energy.
- H.R. 1086** To require the Secretary of Transportation to develop and implement an environmental review process for safety emergency highway projects.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3893** To expedite the construction of new refining capacity in the United States, to provide reliable and affordable energy for the American people, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5360** To enhance the management and disposal of spent nuclear fuel and high-level radioactive waste, to assure protection of public health and safety, to ensure the territorial integrity and security of the repository at Yucca Mountain, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6423** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000 and to offset the cost of payments to States and counties under such Act, and for other purposes.

BASS, Charles F. of New Hampshire

- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

BASS, Charles F. of New Hampshire—Continued

- H.R. 956** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1084** To authorize the establishment at Antietam National Battlefield of a memorial to the officers and enlisted men of the Fifth, Sixth, and Ninth New Hampshire Volunteer Infantry Regiments and the First New Hampshire Light Artillery Battery who fought in the Battle of Antietam on September 17, 1862, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 2107** To amend Public Law 104-329 to modify authorities for the use of the National Law Enforcement Officers Memorial Maintenance Fund, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4251** To help relieve the shortage in the supply of firewood for home heating use by making additional quantities of free firewood available to individuals from National Forest System lands.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 5059** To designate the Wild River Wilderness in the White Mountain National Forest in the State of New Hampshire, and for other purposes.
- H.R. 5062** To designate as wilderness certain National Forest System land in the State of New Hampshire.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

BAUCUS, Max of Montana

- S. 263** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

BEAN, Melissa L. of Illinois

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.

- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.

BEAUPREZ, Bob of Colorado

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 774** To adjust the boundary of Rocky Mountain National Park in the State of Colorado.
- H.R. 975** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 2111** To facilitate acquisition by the Secretary of the Interior of certain mineral rights, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2332** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3978** To authorize the Secretary of Energy to purchase certain essential mineral rights and resolve natural resource damage liability claims.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

BEAUPREZ, Bob of Colorado—Continued

- H.R. 4235** To designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5305** To address the forest and watershed emergency in the State of Colorado that has been exacerbated by the bark beetle infestation, to provide for the conduct of activities in the State to reduce the risk of wildfire and flooding, to promote economically healthy rural communities by reinvigorating the forest products industry in the State, to encourage the use of biomass fuels for energy, and for other purposes.
- H.R. 5756** To provide additional authority to the Secretary of Agriculture and the Secretary of the Interior to implement hazardous fuel reduction projects in the State of Colorado in response to dangerous fuel levels and insect infestations in forested Federal land in Colorado, to extend the maximum duration of stewardship contracts carried out in Colorado, to amend the Internal Revenue Code of 1986 to extend the credit for electricity produced from biomass, and for other purposes.
- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

BECERRA, Xavier of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

BENNETT, Robert F. of Utah

- S. 52** To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.
- S. 54** To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.
- S. 182** To provide for the establishment of the Uintah Research and Curatorial Center for Dinosaur National Monument in the States of Colorado and Utah, and for other purposes.
- S. 895** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.

BERKLEY, Shelley of Nevada

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 542** To direct the Secretary of the Interior to convey certain land in Washoe County, Nevada, to the Board of Regents of the University and Community College System of Nevada.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 849** To provide for the conveyance of certain public land in Clark County, Nevada, for use as a heliport.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1194** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

BERKLEY, Shelley of Nevada—Continued

- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1467** To provide for the conveyance of certain Bureau of Land Management land in the State of Nevada to the Las Vegas Motor Speedway, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2425** To direct the Secretary of the Interior to convey to the City of Henderson, Nevada, certain Federal land located in the City, and for other purposes.
- H.R. 2993** To provide for the sale of excess wild free-roaming horses and burros.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4345** To provide for the conveyance of a United States Fish and Wildlife Service administrative site to the city of Las Vegas, Nevada.
- H.R. 4382** To provide for the conveyance of certain land in Clark County, Nevada, for use by the Nevada National Guard.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4577** To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.
- H.R. 4627** To validate certain conveyances made by the Union Pacific Railroad Company of lands located in Reno, Nevada, that were originally conveyed by the United States to facilitate construction of transcontinental railroads, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5155** To provide for the release of certain land from the Sunrise Mountain Instant Study Area in the State of Nevada and to grant a right-of-way across the released land for the construction and maintenance of a flood control project.
- H.R. 5180** To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.
- H.R. 5926** To provide for the energy independence of the United States.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 6383** To direct the Secretary of the Interior to convey the Alta-Hualapai Site to the city of Las Vegas, Nevada, for the development of a cancer treatment facility.

BERMAN, Howard L. of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 427** To require Federal agencies to develop and implement policies and practices that promote environmental justice, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.

BERMAN, Howard L. of California—Continued

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

BERRY, Marion of Arkansas

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 1875** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the Wolf House, located in Norfolk, Arkansas, as a unit of the National Park System, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4192** To authorize the Secretary of the Interior to designate the President William Jefferson Clinton Birthplace Home in Hope, Arkansas, as a National Historic Site and unit of the National Park System, and for other purposes.

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.
- H.Res. 249** Celebrating the recent discovery of the Ivory-Billed Woodpecker in Eastern Arkansas.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

BIDEN, Joseph R. Jr. of Delaware

- S. 1627** To authorize the Secretary of the Interior to conduct a special resources study to evaluate resources along the coastal region of the State of Delaware and to determine the suitability and feasibility of establishing a unit of the National Park System in Delaware.

BIGGERT, Judy of Illinois

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 610** To provide for Federal energy research, development, demonstration, and commercial application activities, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1820** To amend the Illinois and Michigan Canal National Heritage Corridor Act of 1984 to help ensure the appropriate transition of the management entity of the heritage corridor, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.

BILBRAY, Brian P. of California

- H.R. 5683** To preserve the Mt. Soledad Veterans Memorial in San Diego, California, by providing for the immediate acquisition of the memorial by the United States.

BILBRAY, Brian P. of California—Continued

H.R. 5715 To make amendments to the Reclamation Projects Authorization and Adjustment Act of 1992.

BILIRAKIS, Michael of Florida

H.R. 297 To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.

H.R. 1071 To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

H.R. 3251 To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 4330 To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 6193 To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

BINGAMAN, Jeff of New Mexico

S. 47 To provide for the exchange of certain Federal land in the Santa Fe National Forest and certain non-Federal land in the Pecos National Historical Park in the State of New Mexico.

S. 178 To provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.

S. 212 To amend the Valles Caldera Preservation Act to improve the preservation of the Valles Caldera, and for other purposes.

S. 213 To direct the Secretary of the Interior to convey certain Federal land to Rio Arriba County, New Mexico.

S. 214 To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.

S. 229 To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.

S. 279 To amend the Act of June 7, 1924, to provide for the exercise of criminal jurisdiction.

S. 895 To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.

S. 1170 To establish the Fort Stanton-Snowy River National Cave Conservation Area.

S. 1773 To resolve certain Native American claims in New Mexico, and for other purposes.

S. 1829 To repeal certain sections of the Act of May 26, 1936, pertaining to the Virgin Islands.

S. 2245 To establish an Indian youth telemental health demonstration project.

BISHOP, Rob of Utah

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 586 To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

H.R. 1235 To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.

H.R. 1370 To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.

H.R. 1469 To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.

H.R. 1492 To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

H.R. 1503 To designate certain lands in the Cedar Mountains in the State of Utah as wilderness, to ensure the compatibility of such wilderness and wildness study areas with continued access by the Armed Forces to the special use airspace and lands that comprise the Utah Test and Training Range, and for other purposes.

H.R. 2069 To authorize the exchange of certain land in Grand and Uintah Counties, Utah, and for other purposes.

H.R. 2112 To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

H.R. 2229 To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.

H.R. 2337 To provide permanent funding for the payment in lieu of taxes program, and for other purposes.

H.R. 3153 To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.

H.R. 3462 To provide for the conveyance of the Bureau of Land Management parcels known as the White Acre and Gambel Oak properties and related real property to Park City, Utah, and for other purposes.

H.R. 3463 To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.

H.R. 3464 To authorize the Secretary of the Interior to make payments to Western States for education improvement.

H.R. 3626 To authorize the Secretary of the Interior to study the feasibility of enlarging the Arthur V. Watkins Dam Weber Basin Project, Utah, to provide additional water for the Weber Basin Project to fulfill the purposes for which that project was authorized.

H.R. 3836 To expedite the construction of new refining capacity in the United States.

H.R. 3855 To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.

H.R. 3918 To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.

H.R. 4013 To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to provide for conjunctive use of surface and groundwater in Juab County, Utah.

H.R. 4200 To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.R. 4577 To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.

BISHOP, Rob of Utah—Continued

- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5769** To establish wilderness areas, promote conservation, improve public land, and provide for high quality economic development in Washington County, Utah, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.

BISHOP, Sanford D. Jr. of Georgia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 485** To provide that the royalty rate on the output from Federal lands of potassium and potassium compounds from the mineral sylvite in the 5-year period beginning on the date of the enactment of this Act shall be reduced to 1.0 percent, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4864** To direct the Secretary of the Interior to study the suitability and feasibility of establishing the Chattahoochee Trace National Heritage Corridor in Alabama and Georgia, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

BISHOP, Timothy H. of New York

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3692** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.

BISHOP, Timothy H. of New York—Continued

- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

BLACKBURN, Marsha of Tennessee

- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1972** To direct the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including in the National Park System certain sites in Williamson County, Tennessee, relating to the Battle of Franklin.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.

BLUMENAUER, Earl of Oregon

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1090** To designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1194** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 2788** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.

BLUMENAUER, Earl of Oregon—Continued

- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3615** To direct the Secretary of the Interior to carry out a study of the feasibility of designating as a national historic trail the route followed by Governor Isaac Stevens of the Washington Territory and Joel Palmer, Superintendent of Indian Affairs for the Oregon Territory, in 1855 when they negotiated treaties with the Indian tribes of northeastern Oregon, Washington, northern Idaho and western Montana.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 5025** To protect for future generations the recreational opportunities, forests, timber, clean water, wilderness and scenic values, and diverse habitat of Mount Hood National Forest, Oregon, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5394** To waive application of the Indian Self-Determination and Education Assistance Act to a specific parcel of real property transferred by the United States to 2 Indian tribes in Oregon, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

BLUNT, Roy of Missouri

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.

- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5970** To amend the Internal Revenue Code of 1986 to increase the unified credit against the estate tax to an exclusion equivalent of \$5,000,000, to repeal the sunset provision for the estate and generation-skipping taxes, and to extend expiring provisions, and for other purposes.
- H.R. 5978** To authorize the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including the battlefields and related sites of the First and Second Battles of Newtonia, Missouri, during the Civil War as part of Wilson's Creek National Battlefield or designating the battlefields and related sites as a separate unit of the National Park System, and for other purposes.

BOEHLERT, Sherwood L. of New York

- H.R. 50** To provide for the National Oceanic and Atmospheric Administration, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 610** To provide for Federal energy research, development, demonstration, and commercial application activities, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

BOEHLERT, Sherwood L. of New York—Continued

- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4634** To require that the Secretary of the Interior hold at least one public hearing in the surrounding community where land requested to be taken into trust for an Indian tribe is located in order to ascertain the needs and interests of that surrounding community.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5450** To provide for the National Oceanic and Atmospheric Administration, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

BOEHNER, John A. of Ohio

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4612** To redesignate Dayton Aviation Heritage National Historic Park in the State of Ohio as "Wright Brothers-Dunbar National Historic Park," and for other purposes.
- H.R. 5970** To amend the Internal Revenue Code of 1986 to increase the unified credit against the estate tax to an exclusion equivalent of \$5,000,000, to repeal the sunset provision for the estate and generation-skipping taxes, and to extend expiring provisions, and for other purposes.

BONILLA, Henry of Texas

- H.R. 386** To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.

- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

BONNER, Jo of Alabama

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3526** To extend Federal recognition to the Mowa Band of Choctaw Indians of Alabama, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.

BONNER, Jo of Alabama—Continued

- H.R. 4514** To assist low-income families, displaced from their residences in the States of Alabama, Louisiana, and Mississippi as a result of Hurricane Katrina or Hurricane Rita, by establishing within the Department of Housing and Urban Development a homesteading initiative that offers displaced low-income families the opportunity to purchase a home owned by the Federal Government, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.

BONO, Mary of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 122** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.
- H.R. 123** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2376** To designate the Northwestern Hawaiian Islands National Marine Refuge, and for other purposes.
- H.R. 3603** To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4245** To provide for programs and activities with respect to pandemic influenza, and for other purposes.
- H.R. 4827** To authorize a land exchange involving the acquisition of private land adjacent to the Cibola National Wildlife Refuge in Arizona for inclusion in the refuge in exchange for certain Bureau of Land Management lands in Riverside County, California, and for other purposes.
- H.R. 4893** To amend section 20 of the Indian Gaming Regulatory Act to restrict off-reservation gaming.

- H.R. 5149** To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6270** To designate certain Federal lands in Riverside County, California, as wilderness, to designate certain river segments in Riverside County as a wild, scenic, or recreational river, to adjust the boundary of the Santa Rosa and San Jacinto Mountains National Monument, and for other purposes.
- H.Res. 244** Commemorating the 100th anniversary of the creation of the Salton Sea.

BOOZMAN, John of Arkansas

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4192** To authorize the Secretary of the Interior to designate the President William Jefferson Clinton Birthplace Home in Hope, Arkansas, as a National Historic Site and unit of the National Park System, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.

BOOZMAN, John of Arkansas—Continued

- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5690** To adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.Res. 249** Celebrating the recent discovery of the Ivory-Billed Woodpecker in Eastern Arkansas.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

BORDALLO, Madeleine Z. of Guam

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1194** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 1232** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3692** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4255** To convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4788** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5145** To authorize the National War Dogs Monument, Inc. to establish a national monument in honor of military working dog teams.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 824** Recognizing the effects of harmful algal blooms, including Red Tide, on the environment, and for other purposes.

BOREN, Dan of Oklahoma

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 2652** To provide for the establishment of a memorial to the U.S.S. Oklahoma as part of the USS Arizona Memorial in Pearl Harbor, Hawaii.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

BOREN, Dan of Oklahoma—Continued

- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5690** To adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.J.Res. 3** To acknowledge a long history of official deprivations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.

BOSWELL, Leonard L. of Iowa

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.

- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.

BOUCHER, Rick of Virginia

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1975** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Bear Creek Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 5061** To direct the Secretary of the Interior to convey Paint Bank National Fish Hatchery and Wytheville National Fish Hatchery to the State of Virginia.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

BOUCHER, Rick of Virginia—Continued

H.Res. 434 Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.

BOUSTANY, Charles W. Jr. of Louisiana

H.R. 522 To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.

H.R. 1515 To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.

H.R. 1551 To amend the Outer Continental Shelf Lands Act to provide a domestic offshore energy reinvestment program, and for other purposes.

H.R. 1596 To amend the Outer Continental Shelf Lands Act to promote uses on the Outer Continental Shelf.

H.R. 2353 To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.

H.R. 4315 To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.R. 4761 To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 5099 To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

H.Con.Res. 461 Expressing the support of the Congress for the creation of a National Hurricane Museum and Science Center in southwest Louisiana.

BOXER, Barbara of California

S. 50 To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.

S. 128 To designate certain public land in Humboldt, Del Norte, Mendocino, Lake, and Napa Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.

S. 153 To direct the Secretary of the Interior to conduct a resource study of the Rim of the Valley Corridor in the State of California to evaluate alternatives for protecting the resources of the Corridor, and for other purposes.

BOYD, Allen of Florida

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 372 To include in St. Marks National Wildlife Refuge, Florida, the land and facilities comprising St. Marks lighthouse.

H.R. 479 To replace a Coastal Barrier Resources System map relating to Coastal Barrier Resources System Grayton Beach Unit FL-95P in Walton County, Florida.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 1071 To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

H.R. 3280 To exempt certain coastal barrier areas in Florida from Limitations on Federal expenditures and financial assistance under the Coastal Barriers Resources Act, and limitations on flood insurance coverage under the National Flood Insurance Act of 1968.

H.R. 3405 To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

H.R. 4200 To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

H.R. 4783 To prohibit offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 5099 To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

H.R. 6193 To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

BRADLEY, Jeb of New Hampshire

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 956 To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.

H.R. 1084 To authorize the establishment at Antietam National Battlefield of a memorial to the officers and enlisted men of the Fifth, Sixth, and Ninth New Hampshire Volunteer Infantry Regiments and the First New Hampshire Light Artillery Battery who fought in the Battle of Antietam on September 17, 1862, and for other purposes.

H.R. 3187 To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.

H.R. 5059 To designate the Wild River Wilderness in the White Mountain National Forest in the State of New Hampshire, and for other purposes.

H.R. 5062 To designate as wilderness certain National Forest System land in the State of New Hampshire.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

BRADY, Kevin of Texas

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 3824 To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.

BRADY, Kevin of Texas—Continued

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

BRADY, Robert A. of Pennsylvania

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote reining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5492** To amend the Constitution Heritage Act of 1988 to provide for the operation of the National Constitution Center.

- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

BROWN-WAITE, Ginny of Florida

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3520** To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.

BROWN, Corrine of Florida

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 694** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

BROWN, Corrine of Florida—Continued

- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4783** To prohibit offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

BROWN, Henry E. Jr. of South Carolina

- H.R. 694** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1289** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 3493** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the site of the Battle of Camden in South Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 3843** To amend the South Carolina National Heritage Corridor Act of 1996 to expand the boundaries of the heritage corridor to include Georgetown, Berkeley, and Saluda Counties, South Carolina.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5018** To reauthorize the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 5057** To authorize the Marion Park Project and Committee of the Palmetto Conservation Foundation to establish a commemorative work on Federal land in the District of Columbia, and its environs to honor Brigadier General Francis Marion.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.

BROWN, Henry E. Jr. of South Carolina—Continued

H.Res. 760 Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

BROWN, Sherrod of Ohio

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.

- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

BUNNING, Jim of Kentucky

- S. 263** To provide for the protection of paleontological resources on Federal lands, and for other purposes.

BURGESS, Michael C. of Texas

- H.R. 1086** To require the Secretary of Transportation to develop and implement an environmental review process for safety emergency highway projects.
- H.R. 1183** To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

BURGESS, Michael C. of Texas—Continued

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

BURNS, Conrad R. of Montana

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 206** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- S. 895** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.
- S. 1219** To authorize certain tribes in the State of Montana to enter into a lease or other temporary conveyance of water rights to meet the water needs of the Dry Prairie Rural Water Association, Inc.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

BURTON, Dan of Indiana

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4255** To convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.

BUTTERFIELD, G. K. of North Carolina

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 1087** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northeastern North Carolina Heritage Area in North Carolina, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4105** To amend the Wild and Scenic Rivers Act to designate the Perquimans River and its tributaries in Perquimans County, North Carolina, for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

BUTTERFIELD, G. K. of North Carolina—Continued

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

BUYER, Steve of Indiana

- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
H.R. 4761 To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

CALVERT, Ken of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
H.R. 18 To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
H.R. 122 To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.
H.R. 123 To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.
H.R. 125 To authorize the Secretary of the Interior to construct facilities to provide water for irrigation, municipal, domestic, military, and other uses from the Santa Margarita River, California, and for other purposes.
H.R. 135 To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
H.R. 177 To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Prado Basin Natural Treatment System Project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project, and for other purposes.
H.R. 586 To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
H.R. 802 To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga Valley Water District recycling project.
H.R. 975 To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.
H.R. 1008 To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.

- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
H.R. 1192 To establish the Abraham Lincoln National Heritage Area, and for other purposes.
H.R. 1299 To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
H.R. 1370 To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
H.R. 1492 To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
H.R. 1591 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
H.R. 1592 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
H.R. 1707 To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
H.R. 2112 To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
H.R. 2229 To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
H.R. 2383 To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California, as the "C.W. 'Bill' Jones Pumping Plant".
H.R. 3405 To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
H.R. 3507 To transfer certain land in Riverside County, California, and San Diego County, California, from the Bureau of Land Management to the United States to be held in trust for the Pechanga Band of Luiseno Mission Indians, and for other purposes.
H.R. 3824 To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
H.R. 3929 To amend the Water Desalination Act of 1996 to authorize the Secretary of the Interior to assist in research and development, environmental and feasibility studies, and preliminary engineering for the Municipal Water District of Orange County, California, Dana Point Desalination Project located at Dana Point, California.
H.R. 4200 To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
H.R. 4761 To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
H.R. 4857 To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
H.R. 5149 To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.

CALVERT, Ken of California—Continued

- H.R. 5180** To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.
- H.R. 5450** To provide for the National Oceanic and Atmospheric Administration, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5786** To authorize the Secretary, in cooperation with the City of San Juan Capistrano, California, to participate in the design, planning, and construction of, an advanced water treatment plant facility and recycled water system, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

CAMP, Dave of Michigan

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 3606** To modify a land grant patent issued by the Secretary of the Interior.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

CAMPBELL, John of California

- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 5786** To authorize the Secretary, in cooperation with the City of San Juan Capistrano, California, to participate in the design, planning, and construction of, an advanced water treatment plant facility and recycled water system, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

CANNON, Chris of Utah

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 679** To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.
- H.R. 680** To direct the Secretary of Interior to convey certain land held in trust for the Paiute Indian Tribe of Utah to the City of Richfield, Utah, and for other purposes.
- H.R. 681** To amend the Mineral Leasing Act to authorize the Secretary of the Interior to issue separately, for the same area, a lease for tar sand and a lease for oil and gas, and for other purposes.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

CANNON, Chris of Utah—Continued

- H.R. 1503** To designate certain lands in the Cedar Mountains in the State of Utah as wilderness, to ensure the compatibility of such wilderness and wildness study areas with continued access by the Armed Forces to the special use airspace and lands that comprise the Utah Test and Training Range, and for other purposes.
- H.R. 2039** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of public land.
- H.R. 2069** To authorize the exchange of certain land in Grand and Uintah Counties, Utah, and for other purposes.
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3464** To authorize the Secretary of the Interior to make payments to Western States for education improvement.
- H.R. 3626** To authorize the Secretary of the Interior to study the feasibility of enlarging the Arthur V. Watkins Dam Weber Basin Project, Utah, to provide additional water for the Weber Basin Project to fulfill the purposes for which that project was authorized.
- H.R. 3699** To provide for the sale, acquisition, conveyance, and exchange of certain real property in the District of Columbia to facilitate the utilization, development, and redevelopment of such property, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4013** To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to provide for conjunctive use of surface and groundwater in Juab County, Utah.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4418** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe, affordable, and reliable water supply to rural residents.
- H.R. 4577** To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4831** To confirm as authorized, valid, and enforceable certain contractual rights of water users and water users organizations under the Strawberry Valley Project, Utah.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5769** To establish wilderness areas, promote conservation, improve public land, and provide for high quality economic development in Washington County, Utah, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.

CANTOR, Eric of Virginia

- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.Res. 769** Recognizing Virginia's James River as "America's Founding River".

CANTWELL, Maria of Washington

- S. 39** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 152** To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- S. 206** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- S. 361** To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.

CANTWELL, Maria of Washington—Continued

- S. 362** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- S. 1382** To require the Secretary of the Interior to accept the conveyance of certain land, to be held in trust for the benefit of the Puyallup Indian tribe.
- S. 1485** To amend the Act of August 9, 1955, to extend the authorization of certain leases.
- S. 1552** To amend Public Law 97-435 to extend the authorization for the Secretary of the Interior to release certain conditions contained in a patent concerning certain land conveyed by the United States to Eastern Washington University until December 31, 2009.

CAPITO, Shelley Moore of West Virginia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

CAPPS, Lois of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2334** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of permanent facilities for the GREAT project to reclaim, reuse, and treat impaired waters water in the area of Oxnard, California.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3149** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

CAPPS, Lois of California—Continued

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3534** To designate the Piedras Blancas Light Station and the surrounding public land as an Outstanding Natural Area to be administered as a part of the National Landscape Conservation System, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5149** To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 856** Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

CAPUANO, Michael E. of Massachusetts

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

CARDIN, Benjamin L. of Maryland

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2053** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.

CARDIN, Benjamin L. of Maryland—Continued

- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

CARDOZA, Dennis A. of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1430** To authorize the Secretary of the Interior to complete a study of the feasibility of establishing the National Parks Institute in Central California.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2383** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California, as the "C.W. 'Bill' Jones Pumping Plant".
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4192** To authorize the Secretary of the Interior to designate the President William Jefferson Clinton Birthplace Home in Hope, Arkansas, as a National Historic Site and unit of the National Park System, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4418** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe, affordable, and reliable water supply to rural residents.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.

- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5125** To amend the Indian Gaming Regulatory Act to provide that the Secretary of the Interior shall not approve a Tribal-State gaming compact under that Act unless the State involved has a State law providing for a gaming master plan that has been approved by the Secretary.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6014** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to improve California's Sacramento-San Joaquin Delta and water supply.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6377** To authorize the implementation of the San Joaquin River Restoration Settlement.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.

CARNAHAN, Russ of Missouri

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 452** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Soldiers' Memorial Military Museum located in St. Louis, Missouri, as a unit of the National Park System.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1728** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the French Colonial Heritage Area in the State of Missouri as a unit of the National Park System, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.

CARNAHAN, Russ of Missouri—Continued

- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4581** To amend the National Trails System Act relating to the statute of limitations that applies to certain claims.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5874** To direct the Secretary of the Interior to suspend the application of any provision of Federal law under which any person is given relief from any requirement to pay royalty for production oil or natural gas from Federal lands (including submerged lands), for production occurring in any period in which the market price of production exceeds certain prices, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

CARPER, Thomas of Delaware

- S. 1627** To authorize the Secretary of the Interior to conduct a special resources study to evaluate resources along the coastal region of the State of Delaware and to determine the suitability and feasibility of establishing a unit of the National Park System in Delaware.

CARSON, Julia of Indiana

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3520** To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

CARTER, John R. of Texas

- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3418** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Central Texas Water Recycling and Reuse Project, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5462** To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.

AUTHOR INDEX

CASE, Ed of Hawaii

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 843** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii and to amend the Hawaii Water Resources Act of 2000; to modify the water resources study.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2376** To designate the Northwestern Hawaiian Islands National Marine Refuge, and for other purposes.
- H.R. 2866** To provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3468** To recognize the unique ecosystems of the Hawaiian islands and the threat to these ecosystems posed by non-native plants, animals, and plant and animal diseases, to require the Secretary of Agriculture and the Secretary of the Interior to expand Federal efforts to prevent the introduction in Hawaii of non-native plants, animals, and plant and animal diseases, and for other purposes.
- H.R. 3469** To prohibit the import, export, and take of certain coral reef species, and for other purposes.
- H.R. 3537** To extend the boundary of the Hawaii Volcanoes National Park in the State of Hawaii.
- H.R. 3538** To direct the Secretary of the Interior to study the suitability and feasibility of designating certain lands along the southern coast of Maui, Hawaii, as a unit of the National Park System.
- H.R. 3539** To direct the Secretary of the Interior to study the suitability and feasibility of designating certain lands along the northern coast of Maui, Hawaii, as a unit of the National Park System.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3692** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4251** To help relieve the shortage in the supply of firewood for home heating use by making additional quantities of free firewood available to individuals from National Forest System lands.
- H.R. 4294** To authorize the Secretary of the Interior to enter into cooperative agreements to protect natural resources of units of the National Park System through collaborative efforts on land inside and outside of units of the National Park System, and for other purposes.

CASE, Ed of Hawaii—Continued

- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4529** To provide for the establishment of a memorial within Kalaupapa National Historical Park located on the island of Molokai, in the State of Hawaii, to honor and perpetuate the memory of those individuals who were forcibly relocated to the Kalaupapa Peninsula from 1866 to 1969, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4788** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6202** To direct the Secretary of the Interior to study the suitability and feasibility of designating the Ka'u Coast on the island of Hawaii as a unit of the National Park System.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 856** Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

CASTLE, Michael N. of Delaware

- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3866** To authorize the Secretary of the Interior to conduct a special resources study to evaluate resources along the coastal region of the State of Delaware and to determine the suitability and feasibility of establishing a unit of the National Park System in Delaware.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4575** To provide greater transparency with respect to lobbying activities, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 5895** To amend the National Trails System Act to designate the Washington-Rochambeau Revolutionary Route National Historic Trail.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

CHABOT, Steve of Ohio

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4575** To provide greater transparency with respect to lobbying activities, and for other purposes.

CHAFEE, Lincoln D. of Rhode Island

- S. 260** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- S. 1250** To reauthorize the Great Ape Conservation Act of 2000.
- S. 1339** To reauthorize the Junior Duck Stamp Conservation and Design Program Act of 1994.

CHAFEE, Lincoln D. of Rhode Island—Continued

- S. 1415** To amend the Lacey Act Amendments of 1981 to protect captive wildlife and make technical corrections.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- S. 1509** To amend the Lacey Act Amendments of 1981 to add non-human primates to the definition of prohibited wildlife species.
- S. 1869** To reauthorize the Coastal Barrier Resources Act, and for other purposes.

CHAMBLISS, Saxby of Georgia

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.

CHANDLER, Ben of Kentucky

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5723** To direct the Secretary of the Interior to study the suitability and feasibility of designating the site of Camp Nelson War Heritage Park in Jessamine County, Kentucky, as a unit of the National Park System, and for other purposes.

CHOCOLA, Chris of Indiana

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

CHRISTENSEN, Donna M. of Virgin Islands

- H.R. 59** To repeal certain sections of the Act of May 26, 1936, pertaining to the Virgin Islands.
- H.R. 61** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the St. Croix National Heritage Area in St. Croix, United States Virgin Islands, and for other purposes.
- H.R. 62** To create the Office of Chief Financial Officer of the Government of the Virgin Islands, and for other purposes.
- H.R. 270** To require establishment of an Office of Territorial Affairs in each Executive department and each independent establishment.
- H.R. 271** To convey certain submerged lands to the Government of the Virgin Islands, and for other purposes.
- H.R. 272** To provide for a land exchange on the island of Saint John, Virgin Islands, between the National Park Service and the Government of the United States Virgin Islands to facilitate the establishment of a school on the island, and for other purposes.
- H.R. 318** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Castle Nugent Farms located on St. Croix, Virgin Islands, as a unit of the National Park System, and for other purposes.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1183** To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1232** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.

CHRISTENSEN, Donna M. of Virgin Islands—Continued

- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3446** To amend the National Historic Preservation Act to provide appropriation authorization and improve the operations of the Advisory Council on Historic Preservation.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 4189** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Virgin Islands Military and Veterans Memorial, to be located in Fredericksted, St. Croix, U.S. Virgin Islands, as a unit of the National Park System.
- H.R. 4255** To convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4882** To ensure the proper remembrance of Vietnam veterans and the Vietnam War by providing a deadline for the designation of a visitor center for the Vietnam Veterans Memorial.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 6275** To improve the health of minority individuals.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Con.Res. 398** Expressing the sense of the Congress that the United States Fish and Wildlife Service should incorporate consideration of global warming and sea-level rise into the comprehensive conservation plans for coastal national wildlife refuges, and for other purposes.

CLAY, Wm. Lacy of Missouri

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 452** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Soldiers' Memorial Military Museum located in St. Louis, Missouri, as a unit of the National Park System.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

CLEAVER, Emanuel of Missouri

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.

CLEAVER, Emanuel of Missouri—Continued

- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

CLINTON, Hillary Rodham of New York

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.

CLYBURN, James E. of South Carolina

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 694** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1289** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3493** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the site of the Battle of Camden in South Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5057** To authorize the Marion Park Project and Committee of the Palmetto Conservation Foundation to establish a commemorative work on Federal land in the District of Columbia, and its environs to honor Brigadier General Francis Marion.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

COBLE, Howard of North Carolina

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.Con.Res. 55** Honoring the flight crew members lost during the terrorist attacks against the United States on September 11, 2001.

COCHRAN, Thad of Mississippi

- S. 39** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- S. 260** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.

COCHRAN, Thad of Mississippi—Continued

- S. 1338** To require the Secretary of the Interior, acting through the Bureau of Reclamation and the United States Geological Survey, to conduct a study on groundwater resources in the State of Alaska, and for other purposes.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

COLE, Tom of Oklahoma

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.
- H.R. 481** To further the purposes of the Sand Creek Massacre National Historic Site Establishment Act of 2000.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2652** To provide for the establishment of a memorial to the U.S.S. Oklahoma as part of the USS Arizona Memorial in Pearl Harbor, Hawaii.
- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5987** To provide for a feasibility study of alternatives to augment the water supplies of the Central Oklahoma Master Conservancy District and cities served by the District.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.

COLEMAN, Norm of Minnesota

- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

COLLINS, Susan M. of Maine

- S. 361** To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.
- S. 1154** To extend the Acadia National Park Advisory Commission, to provide improved visitor services at the park, and for other purposes.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

CONAWAY, K. Michael of Texas

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.
- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 3300** To amend the Endangered Species Act of 1973 to authorize species recovery agreements under which the Federal Government is obligated to make annual payments or provide other compensation for activities that improve the recovery of one or more species listed under that Act, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

CONAWAY, K. Michael of Texas—Continued

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.Con.Res. 55** Honoring the flight crew members lost during the terrorist attacks against the United States on September 11, 2001.

CONRAD, Kent of North Dakota

- S. 2245** To establish an Indian youth telemental health demonstration project.

CONYERS, John Jr. of Michigan

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 3544** To provide for the stabilization of prices for gasoline, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 6368** To provide for a study by the National Academy of Engineering regarding improving the accuracy of collection of royalties on production of oil, condensate, and natural gas under leases of Federal lands and Indian lands, and for other purposes.

CONYERS, John Jr. of Michigan—Continued

- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

COOPER, Jim of Tennessee

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

CORNYN, John of Texas

- S. 242** To establish 4 memorials to the Space Shuttle Columbia in the State of Texas.

CORZINE, Jon of New Jersey

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.

- S. 1096** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.

COSTA, Jim of California

- H.R. 409** To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2383** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California, as the "C.W. 'Bill' Jones Pumping Plant".
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5125** To amend the Indian Gaming Regulatory Act to provide that the Secretary of the Interior shall not approve a Tribal-State gaming compact under that Act unless the State involved has a State law providing for a gaming master plan that has been approved by the Secretary.
- H.R. 5149** To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.

COSTA, Jim of California—Continued

- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6377** To authorize the implementation of the San Joaquin River Restoration Settlement.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

COSTELLO, Jerry F. of Illinois

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

H.R. 5724 To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

COX, Christopher of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 177** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Prado Basin Natural Treatment System Project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project, and for other purposes.

CRAIG, Larry E. of Idaho

- S. 206** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- S. 761** To rename the Snake River Birds of Prey National Conservation Area in the State of Idaho as the Morley Nelson Snake River Birds of Prey National Conservation Area in honor of the late Morley Nelson, an international authority on birds of prey, who was instrumental in the establishment of this National Conservation Area, and for other purposes.
- S. 1131** To authorize the exchange of certain Federal land within the State of Idaho, and for other purposes.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

CRAMER, Robert E. (Bud) Jr. of Alabama

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

CRAMER, Robert E. (Bud) Jr. of Alabama—Continued

- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 5930** To establish the Muscle Shoals National Heritage Area in the State of Alabama, and for other purposes.

CRAPO, Michael D. of Idaho

- S. 761** To rename the Snake River Birds of Prey National Conservation Area in the State of Idaho as the Morley Nelson Snake River Birds of Prey National Conservation Area in honor of the late Morley Nelson, an international authority on birds of prey, who was instrumental in the establishment of this National Conservation Area, and for other purposes.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- S. 1339** To reauthorize the Junior Duck Stamp Conservation and Design Program Act of 1994.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- S. 1899** To amend the Indian Child Protection and Family Violence Prevention Act to identify and remove barriers to reducing child abuse, to provide for examinations of certain children, and for other purposes.

CRENSHAW, Ander of Florida

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 479** To replace a Coastal Barrier Resources System map relating to Coastal Barrier Resources System Grayton Beach Unit FL-95P in Walton County, Florida.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 694** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

CROWLEY, Joseph of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 890** To provide for the establishment of national and global tsunami warning systems and to provide assistance for the relief and rehabilitation of victims of the Indian Ocean tsunami and for the reconstruction of tsunami-affected countries.

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5423** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Oak Point and North Brother Island in the Bronx in the State of New York as a unit of the National Park System.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

CUBIN, Barbara of Wyoming

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

CUBIN, Barbara of Wyoming—Continued

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 811** To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.
- H.R. 905** To amend the Mineral Leasing Act to provide for the development of Federal coal resources.
- H.R. 906** To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts, and for other purposes.
- H.R. 907** To amend the Outer Continental Shelf Lands Act to authorize the Secretary of the Interior to grant easements and rights-of-way on the Outer Continental Shelf for activities otherwise authorized by that Act.
- H.R. 1046** To authorize the Secretary of the Interior to contract with the city of Cheyenne, Wyoming, for the storage of the city's water in the Kendrick Project, Wyoming.
- H.R. 1154** To provide for the retention of the name of the geologic formation known as "Devils Tower" at the Devils Tower National Monument in the State of Wyoming.
- H.R. 1181** To amend the Mineral Leasing Act to set forth procedures for the reinstatement of leases terminated due to unforeseeable circumstances.
- H.R. 1232** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 2362** To reauthorize and amend the National Geologic Mapping Act of 1992.
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4080** To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4717** To designate the National Museum of Wildlife Art, located at 2820 Rungius Road, Jackson, Wyoming, as the National Museum of Wildlife Art of the United States.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- S. 56** To establish the Rio Grande Natural Area in the State of Colorado, and for other purposes.
- S. 205** To authorize the American Battle Monuments Commission to establish in the State of Louisiana a memorial to honor the Buffalo Soldiers.
- S. 207** To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.
- S. 276** To revise the boundary of the Wind Cave National Park in the State of South Dakota.
- S. 895** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- S. 1339** To reauthorize the Junior Duck Stamp Conservation and Design Program Act of 1994.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

CUELLAR, Henry of Texas

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

CULBERSON, John Abney of Texas

- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

CUMMINGS, Elijah E. of Maryland

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2053** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.

CUMMINGS, Elijah E. of Maryland—Continued

- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

CUNNINGHAM, Randy "Duke" of California

- H.R. 319** To require a temporary moratorium on leasing, exploration, and development on lands of the Outer Continental Shelf off the State of California, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1190** To direct the Secretary of the Interior to conduct a feasibility study to design and construct a four reservoir intertie system for the purposes of improving the water storage opportunities, water supply reliability, and water yield of San Vicente, El Capitan, Murray, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the City of San Diego and the Sweetwater Authority, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 2587** To make amendments to the Reclamation Projects Authorization and Adjustment Act of 1992.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

DAVIS, Artur of Alabama

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 6275** To improve the health of minority individuals.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

DAVIS, Danny K. of Illinois

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

DAVIS, Danny K. of Illinois—Continued

- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

DAVIS, Geoff of Kentucky

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

DAVIS, Jim of Florida

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 2814** To provide that no Federal funds may be expended for the payment or reimbursement of a drug that is prescribed to a sex offender for the treatment of sexual or erectile dysfunction.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4783** To prohibit offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 856** Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.

DAVIS, Jo Ann of Virginia

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 73** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Northern Neck National Heritage Area in Virginia, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 1183** To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.

DAVIS, Jo Ann of Virginia—Continued

- H.R. 1975** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Bear Creek Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 3349** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 5130** To extend Federal recognition to the Rappahannock Tribe, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.Res. 769** Recognizing Virginia's James River as "America's Founding River".
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.

DAVIS, Lincoln of Tennessee

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1972** To direct the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including in the National Park System certain sites in Williamson County, Tennessee, relating to the Battle of Franklin.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

DAVIS, Susan A. of California

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1190** To direct the Secretary of the Interior to conduct a feasibility study to design and construct a four reservoir intertie system for the purposes of improving the water storage opportunities, water supply reliability, and water yield of San Vicente, El Capitan, Murray, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the City of San Diego and the Sweetwater Authority, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

DAVIS, Susan A. of California—Continued

- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

DAVIS, Tom of Virginia

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1975** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Bear Creek Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 3349** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3682** To redesignate the Mason Neck National Wildlife Refuge in Virginia as the Elizabeth Hartwell Mason Neck National Wildlife Refuge.
- H.R. 3699** To provide for the sale, acquisition, conveyance, and exchange of certain real property in the District of Columbia to facilitate the utilization, development, and redevelopment of such property, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

DAYTON, Mark of Minnesota

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.

DEAL, Nathan of Georgia

- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

DEAL, Nathan of Georgia—Continued

- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5612** To establish the Mountaintown National Scenic Area in the Chattahoochee National Forest, Georgia, and to designate additional National Forest System land in the State of Georgia as components of the National Wilderness Preservation System.

DEFAZIO, Peter A. of Oregon

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 1090** To designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2566** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 2788** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3013** To provide for the disposal of certain Forest Service administrative sites in the State of Oregon, and for other purposes.

- H.R. 3104** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3330** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3332** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3512** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3514** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3544** To provide for the stabilization of prices for gasoline, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3615** To direct the Secretary of the Interior to carry out a study of the feasibility of designating as a national historic trail the route followed by Governor Isaac Stevens of the Washington Territory and Joel Palmer, Superintendent of Indian Affairs for the Oregon Territory, in 1855 when they negotiated treaties with the Indian tribes of northeastern Oregon, Washington, northern Idaho and western Montana.
- H.R. 3817** To withdraw the Valle Vidal Unit of the Carson National Forest in New Mexico from location, entry, and patent under the mining laws, and for other purposes.
- H.R. 4784** To direct the Secretary of Interior to convey certain Bureau of Land Management Land to the City of Eugene, Oregon.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5025** To protect for future generations the recreational opportunities, forests, timber, clean water, wilderness and scenic values, and diverse habitat of Mount Hood National Forest, Oregon, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5394** To waive application of the Indian Self-Determination and Education Assistance Act to a specific parcel of real property transferred by the United States to 2 Indian tribes in Oregon, and for other purposes.
- H.R. 5964** To establish management priorities for Federal forest lands in Oregon and Washington covered by the Northwest Forest Plan that will protect old growth timber while improving the health of young managed stands, increasing the volume of commercial timber available from these lands, and providing economic opportunities in rural areas, and for other purposes.
- H.R. 6278** To amend the Bonneville Power Administration portions of the Fisheries Restoration and Irrigation Mitigation Act of 2000 to authorize appropriations for fiscal years 2006 through 2012, and for other purposes.
- H.R. 6423** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000 and to offset the cost of payments to States and counties under such Act, and for other purposes.

DEFAZIO, Peter A. of Oregon—Continued

H.Con.Res. 189 Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

DEGETTE, Diana of Colorado

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 788 To provide permanent funding for the payment in lieu of taxes program, and for other purposes.

H.R. 975 To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.

H.R. 1155 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1265 To provide a source of funding for the reclamation of abandoned hardrock mines, and for other purposes.

H.R. 1492 To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

H.R. 1648 To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 3153 To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.

H.R. 3563 To protect inventoried roadless areas in the National Forest System.

H.R. 4235 To designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.

H.R. 4587 To designate certain lands in the State of Colorado as components of the National Wilderness Preservation System, and for other purposes.

H.R. 4603 To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.

H.R. 4749 To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.

H.Res. 477 Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

DELAHUNT, William D. of Massachusetts

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1712 To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 3278 To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems, and for other purposes.

H.R. 4560 To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.

H.R. 4963 To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.

H.R. 5145 To authorize the National War Dogs Monument, Inc. to establish a national monument in honor of military working dog teams.

H.R. 5227 To amend the Omnibus Parks and Public Lands Management Act of 1996 to authorize the Secretary of the Interior to enter into cooperative agreements with any of the management partners of the Boston Harbor Islands National Recreation Area, and for other purposes.

H.R. 5298 To amend the Adams National Historical Park Act of 1998 to include the Quincy Homestead within the boundary of the Adams National Historical Park, and for other purposes.

H.R. 5550 To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.

H.Res. 856 Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.

H.Res. 884 Honoring the town of Nicodemus, Kansas, for its contribution to American history.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

DELAURO, Rosa L. of Connecticut

H.R. 297 To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.

H.R. 307 To establish the Long Island Sound Stewardship Initiative.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 1104 To repeal the Federal acknowledgment of the Schaghticoke Tribal Nation.

H.R. 1155 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1344 To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

DELAURO, Rosa L. of Connecticut—Continued

- H.R. 1354** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5885** To amend the Wild and Scenic Rivers Act to designate certain segments of the Eightmile River in the State of Connecticut as components of the National Wild and Scenic Rivers System, and for other purposes.

- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

DELAY, Tom of Texas

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

DENT, Charles W. of Pennsylvania

- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4677** To impose a two year moratorium on the approval by the Secretary of the Interior of new Tribal-State compacts for gaming under the Indian Gaming Regulatory Act.
- H.R. 4696** To make certain reforms in lobbying, ethics, and campaign finance laws, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5232** To direct the Secretary of the Interior to initiate and complete an evaluation of lands and waters located in Northeastern Pennsylvania for their potential acquisition and inclusion in a future Cherry Valley National Wildlife Refuge, and for other purposes.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.

DENT, Charles W. of Pennsylvania—Continued

H.R. 6263 To reauthorize the Delaware and Lehigh National Heritage Corridor Act of 1988, and for other purposes.

DEWINE, Mike of Ohio

S. 2430 To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.

S.Con.Res. 60 Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

DIAZ-BALART, Lincoln of Florida

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 1071 To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

H.R. 2134 To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

H.R. 3251 To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 4315 To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

H.R. 4330 To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.Res. 884 Honoring the town of Nicodemus, Kansas, for its contribution to American history.

DIAZ-BALART, Mario of Florida

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 539 To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.

H.R. 1071 To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

H.R. 2134 To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

H.R. 3251 To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 3405 To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

H.R. 4330 To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.

H.R. 4863 To establish a pilot program in the Department of State for improvement of government-to-government relations with the Miccosukee Tribe of Indians of Florida.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 6193 To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

DICKS, Norman D. of Washington

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 297 To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.

H.R. 374 To direct the Secretary of the Interior to take certain tribally-owned reservation land into trust for the Puyallup Tribe.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 851 To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 1428 To authorize appropriations for the National Fish and Wildlife Foundation, and for other purposes.

H.R. 1591 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 1797 To provide for equitable compensation to the Spokane Tribe of Indians of the Spokane Reservation for the use of tribal land for the production of hydropower by the Grand Coulee Dam, and for other purposes.

H.R. 5617 To amend the Alaska Native Claims Settlement Act to provide an equitable distribution of land to the 13th Alaska Native Regional Corporation.

H.R. 5732 To direct the Secretary of the Interior to continue stocking fish in certain lakes in the North Cascades National Park, Ross Lake National Recreation Area, and Lake Chelan National Recreation Area.

H.R. 5817 To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.

H.R. 6119 To provide for the equitable settlement of claims of Indian tribes in the region of Puget Sound, Washington regarding treaty rights to take shellfish from lands in that region, and for other purposes.

H.R. 6241 To amend the Marine Mammal Protection Act of 1972 to reduce predation on endangered Columbia River salmon, and for other purposes.

H.R. 6423 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000 and to offset the cost of payments to States and counties under such Act, and for other purposes.

H.Res. 1058 Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

H.Con.Res. 189 Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

DINGELL, John D. of Michigan

H.R. 792 To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

DINGELL, John D. of Michigan—Continued

- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5132** To direct the Secretary of the Interior to conduct a special resource study to determine the suitability and feasibility of including in the National Park System certain sites in Monroe County, Michigan, relating to the Battles of the River Raisin during the War of 1812.
- H.R. 5133** To direct the Secretary of the Interior to accept the donation of certain sites in Monroe County, Michigan, relating to the Battles of the River Raisin during the War of 1812 for inclusion in the National Park System.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.Res. 459** Recognizing the achievements and contributions of the Waterfowl Population Survey Program of the United States Fish and Wildlife Service.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

DODD, Christopher J. of Connecticut

- S. 39** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- S. 435** To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.

DOGGETT, Lloyd of Texas

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1798** To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2341** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the design, planning, and construction of a project to reclaim and reuse wastewater within and outside of the service area of the City of Austin Water and Wastewater Utility, Texas.
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.

DOGGETT, Lloyd of Texas—Continued

- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

DOMENICI, Pete V. of New Mexico

- S. 47** To provide for the exchange of certain Federal land in the Santa Fe National Forest and certain non-Federal land in the Pecos National Historical Park in the State of New Mexico.
- S. 178** To provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.
- S. 212** To amend the Valles Caldera Preservation Act to improve the preservation of the Valles Caldera, and for other purposes.
- S. 213** To direct the Secretary of the Interior to convey certain Federal land to Rio Arriba County, New Mexico.
- S. 214** To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.
- S. 229** To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.
- S. 279** To amend the Act of June 7, 1924, to provide for the exercise of criminal jurisdiction.
- S. 447** To authorize the conveyance of certain Federal land in the State of New Mexico.
- S. 895** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.
- S. 1170** To establish the Fort Stanton-Snowy River National Cave Conservation Area.
- S. 1375** To amend the Indian Arts and Crafts Act of 1990 to modify provisions relating to criminal proceedings and civil actions, and for other purposes.
- S. 1773** To resolve certain Native American claims in New Mexico, and for other purposes.
- S. 1829** To repeal certain sections of the Act of May 26, 1936, pertaining to the Virgin Islands.

DOOLITTLE, John T. of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1905** To amend the Small Tracts Act to facilitate the exchange of small tracts of land, and for other purposes.
- H.R. 2383** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California, as the "C.W. 'Bill' Jones Pumping Plant".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 3981** To authorize the Secretary of Agriculture to carry out certain land exchanges involving small parcels of National Forest System land in the Tahoe National Forest in the State of California, and for other purposes.
- H.R. 4176** To provide for the release of certain Wilderness Study Areas involving public lands administered by the Bureau of Land Management in Lassen and Modoc Counties, California, and Washoe County, Nevada.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4204** To direct the Secretary of the Interior to transfer ownership of the American River Pump Station Project, and for other purposes.
- H.R. 4245** To provide for programs and activities with respect to pandemic influenza, and for other purposes.
- H.R. 4255** To convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4588** To reauthorize grants for and require applied water supply research regarding the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

DOOLITTLE, John T. of California—Continued

- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4882** To ensure the proper remembrance of Vietnam veterans and the Vietnam War by providing a deadline for the designation of a visitor center for the Vietnam Veterans Memorial.
- H.R. 5302** To amend the Internal Revenue Code of 1986 to suspend the highway fuels taxes, to provide for suspension of royalty relief, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5462** To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6361** To authorize the Secretary of the Interior to conduct a special resources study of the Tule Lake Segregation Center in Modoc County, California, to determine the suitability and feasibility of establishing a unit of the National Park System.
- H.R. 6423** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000 and to offset the cost of payments to States and counties under such Act, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

DORGAN, Byron L. of North Dakota

- S. 895** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.
- S. 1231** To amend the Indian Self-Determination and Education Assistance Act to modify provisions relating to the National Fund for Excellence in American Indian Education.
- S. 1312** To amend a provision relating to employees of the United States assigned to, or employed by, and Indian tribe, and for other purposes.
- S. 1375** To amend the Indian Arts and Crafts Act of 1990 to modify provisions relating to criminal proceedings and civil actions, and for other purposes.
- S. 1382** To require the Secretary of the Interior to accept the conveyance of certain land, to be held in trust for the benefit of the Puyallup Indian tribe.
- S. 1480** To establish the treatment of actual rental proceeds from leases of land acquired under an Act providing for loans to Indian tribes and tribal corporations.
- S. 1482** To amend the Act of August 9, 1955, to provide for binding arbitration for Gila River Indian Community Reservation Contracts.
- S. 1484** To amend the Fallon Paiute Shoshone Indian Tribes Water Rights Settlement Act of 1990.
- S. 1485** To amend the Act of August 9, 1955, to extend the authorization of certain leases.
- S. 1758** To amend the Indian Financing Act of 1974, to provide for sale and assignment of loans and underlying security, and for other purposes.
- S. 1899** To amend the Indian Child Protection and Family Violence Prevention Act to identify and remove barriers to reducing child abuse, to provide for examinations of certain children, and for other purposes.
- S. 2094** To reauthorize certain provisions relating to Indian tribal justice systems.
- S. 2245** To establish an Indian youth telemental health demonstration project.

DOYLE, Michael F. of Pennsylvania

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 2722** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Camp Security, located in Springettsbury, York County, Pennsylvania, as a unit of the National Park System.
- H.R. 2867** To establish the Steel Industry National Historic Site in the State of Pennsylvania.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.

DRAKE, Thelma D. of Virginia

- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.

DRAKE, Thelma D. of Virginia—Continued

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3699** To provide for the sale, acquisition, conveyance, and exchange of certain real property in the District of Columbia to facilitate the utilization, development, and redevelopment of such property, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 769** Recognizing Virginia's James River as "America's Founding River".

DREIER, David of California

- H.R. 177** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Prado Basin Natural Treatment System Project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project, and for other purposes.
- H.R. 355** To provide for a resource study of the area known as the Rim of the Valley Corridor in the State of California to evaluate alternatives for protecting resources of the corridor, and for other purposes.
- H.R. 802** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga Valley Water District recycling project.
- H.R. 4245** To provide for programs and activities with respect to pandemic influenza, and for other purposes.

DUNCAN, John J. Jr. of Tennessee

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 2107** To amend Public Law 104-329 to modify authorities for the use of the National Law Enforcement Officers Memorial Maintenance Fund, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 2938** To provide for local control for the siting of windmills.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3158** To designate the Cherokee Overhill Territory in Polk, McMinn, Monroe, and Meigs Counties in Tennessee as a National Heritage Area.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3699** To provide for the sale, acquisition, conveyance, and exchange of certain real property in the District of Columbia to facilitate the utilization, development, and redevelopment of such property, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4251** To help relieve the shortage in the supply of firewood for home heating use by making additional quantities of free firewood available to individuals from National Forest System lands.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.

DUNCAN, John J. Jr. of Tennessee—Continued

- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5404** To authorize the Administrator of the Environmental Protection Agency to advance cooperative conservation efforts, to reduce barriers to the formation and use of partnerships to enable Federal environmental stewardship agencies to meet the conservation goals and obligations of the agencies, to promote remediation of inactive and abandoned mines, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.

DURBIN, Richard J. of Illinois

- S. 263** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 584** To require the Secretary of the Interior to allow the continued occupancy and use of certain land and improvements within Rocky Mountain National Park.
- S. 1250** To reauthorize the Great Ape Conservation Act of 2000.
- S.Con.Res. 60** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

EDWARDS, Chet of Texas

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3418** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Central Texas Water Recycling and Reuse Project, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

EHLERS, Vernon J. of Michigan

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 50** To provide for the National Oceanic and Atmospheric Administration, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1593** To establish the National Invasive Species Council, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4677** To impose a two year moratorium on the approval by the Secretary of the Interior of new Tribal-State compacts for gaming under the Indian Gaming Regulatory Act.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5450** To provide for the National Oceanic and Atmospheric Administration, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.

EMANUEL, Rahm of Illinois

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

EMANUEL, Rahm of Illinois—Continued

- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

EMERSON, Jo Ann of Missouri

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1728** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the French Colonial Heritage Area in the State of Missouri as a unit of the National Park System, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3300** To amend the Endangered Species Act of 1973 to authorize species recovery agreements under which the Federal Government is obligated to make annual payments or provide other compensation for activities that improve the recovery of one or more species listed under that Act, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4581** To amend the National Trails System Act relating to the statute of limitations that applies to certain claims.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

ENGEL, Eliot L. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

ENGEL, Eliot L. of New York—Continued

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

ENGLISH, Phil of Pennsylvania

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5302** To amend the Internal Revenue Code of 1986 to suspend the highway fuels taxes, to provide for suspension of royalty relief, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

ENSIGN, John of Nevada

- S. 252** To direct the Secretary of the Interior to convey certain land in Washoe County, Nevada, to the Board of Regents of the University and Community College System of Nevada.
- S. 253** To direct the Secretary of the Interior to convey certain land to the land to the Edward H. McDaniel American Legion Post No. 22 in Pahrump, Nevada, for the construction of a post building and memorial park for use by the American Legion, other veterans' groups, and the local community.
- S. 1509** To amend the Lacey Act Amendments of 1981 to add non-human primates to the definition of prohibited wildlife species.
- S. 2041** To provide for the conveyance of a United States Fish and Wildlife Service administrative site to the city of Las Vegas, Nevada.

ENZI, Michael B. of Wyoming

- S. 97** To provide for the sale of bentonite in Big Horn County, Wyoming.
- S. 101** To convey to the town of Frannie, Wyoming, certain land withdrawn by the Commissioner of Reclamation.
- S. 203** To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.
- S. 592** To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

ESHOO, Anna G. of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 296** To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 6218** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Bay Area Regional Water Recycling Program projects, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 856** Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

ETHERIDGE, Bob of North Carolina

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

EVANS, Lane of Illinois

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.

- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3754** To provide disaster assistance to agricultural producers for 2005 crop and livestock losses, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.

EVERETT, Terry of Alabama

- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4864** To direct the Secretary of the Interior to study the suitability and feasibility of establishing the Chattahoochee Trace National Heritage Corridor in Alabama and Georgia, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

EVERETT, Terry of Alabama—Continued

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

FALEOMAVAEGA, Eni F.H. of American Samoa

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.
- H.R. 464** To provide for administrative procedures to extend Federal recognition to certain Indian groups, and for other purposes.
- H.R. 465** To provide for the establishment of a tsunami hazard mitigation program for all United States insular areas.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1644** To protect the critical aquifers and watersheds that serve as a principal water source for the Commonwealth of Puerto Rico, to protect the tropical forests of the Karst Region of the Commonwealth, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3350** To amend the Native American Business Development, Trade Promotion, and Tourism Act of 2000 to establish the Tribal Development Corporation Feasibility Study Group.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4182** To remove the restriction that amendments of, or modifications to, the constitution of American Samoa, as approved by the Secretary of the Interior pursuant to Executive Order 10264 as in effect January 1, 1983, may be made only by an Act of Congress.
- H.R. 4255** To convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4788** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.

H.Res. 76 Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.

FARR, Sam of California

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3149** To withdraw the Los Padres National Forest in California from location, entry, and patent under mining laws, and for other purposes.

FARR, Sam of California—Continued

- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3316** To require the National Park Service to make necessary safety improvements to the Statue of Liberty and to fully reopen the Statue to the public.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3692** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3835** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 856** Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

FATTAH, Chaka of Pennsylvania

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1341** To require each State to provide a minimum level of access to health care to all citizens of such State as a condition for participation in Federal health care funding programs.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.

FEENEY, Tom of Florida

- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 1836** To designate the information center at Canaveral National Seashore as the "T.C. Wilder, Jr., Canaveral National Seashore Information Center".
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

FEENEY, Tom of Florida—Continued

- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5462** To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.
- H.R. 6146** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Ponce Inlet Unit P08.

FEINSTEIN, Dianne of California

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 128** To designate certain public land in Humboldt, Del Norte, Mendocino, Lake, and Napa Counties in the State of California as wilderness, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- S. 136** To authorize the Secretary of the Interior to provide supplemental funding and other services that are necessary to assist certain local school districts in the State of California in providing education services for students attending schools located within Yosemite National Park, to authorize the Secretary of the Interior to adjust the boundaries of the Golden Gate National Recreation Area.
- S. 153** To direct the Secretary of the Interior to conduct a resource study of the Rim of the Valley Corridor in the State of California to evaluate alternatives for protecting the resources of the Corridor, and for other purposes.
- S. 263** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 895** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.

FERGUSON, Mike of New Jersey

- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 1096** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1571** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2283** To provide for the extension of the New Jersey Coastal Heritage Trail into the Township of Woodbridge, New Jersey.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

FILNER, Bob of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 123** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.

FILNER, Bob of California—Continued

- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3692** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 244** Commemorating the 100th anniversary of the creation of the Salton Sea.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

H.Res. 1058 Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

FITZPATRICK, Michael G. of Pennsylvania

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4575** To provide greater transparency with respect to lobbying activities, and for other purposes.
- H.R. 4667** To provide greater transparency with respect to lobbying activities, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.R. 6263** To reauthorize the Delaware and Lehigh National Heritage Corridor Act of 1988, and for other purposes.

FLAKE, Jeff of Arizona

- H.R. 794** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1250** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

FLAKE, Jeff of Arizona—Continued

- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1837** To amend the Endangered Species Act of 1973 to establish limitations on the designation of critical habitat, and for other purposes.
- H.R. 2618** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4255** To convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4970** To ensure general aviation aircraft access to Federal land and to the airspace over Federal land.
- H.R. 6373** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.

FOLEY, Mark Adam of Florida

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3835** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 824** Recognizing the effects of harmful algal blooms, including Red Tide, on the environment, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

FORBES, J. Randy of Virginia

- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.Res. 769** Recognizing Virginia's James River as "America's Founding River".
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

FORD, Harold E. Jr. of Tennessee

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4251** To help relieve the shortage in the supply of firewood for home heating use by making additional quantities of free firewood available to individuals from National Forest System lands.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

FORTENBERRY, Jeff of Nebraska

- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 3871** To authorize the Secretary of Interior to convey to The Missouri River Basin Lewis and Clark Interpretive Trail and Visitor Center Foundation, Inc. certain Federal land associated with the Lewis and Clark National Historic Trail in Nebraska, to be used as an historical interpretive site along the trail.
- H.R. 4080** To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

FORTUNO, Luis G. of Puerto Rico

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

FORTUNO, Luis G. of Puerto Rico—Continued

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1644** To protect the critical aquifers and watersheds that serve as a principal water source for the Commonwealth of Puerto Rico, to protect the tropical forests of the Karst Region of the Commonwealth, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3365** To make funds generated from the Caribbean National Forest in the Commonwealth of Puerto Rico available to the Secretary of Agriculture for land acquisition intended to protect the integrity of the buffer zone surrounding the Caribbean National Forest, and for other purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4111** To redesignate the Caribbean National Forest in the Commonwealth of Puerto Rico as the El Yunque National Forest.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4255** To convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands.
- H.R. 4275** To amend Public Law 106-348 to extend the authorization for establishing a memorial in the District of Columbia or its environs to honor veterans who became disabled while serving in the Armed Forces of the United States.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4788** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

- H.R. 5057** To authorize the Marion Park Project and Committee of the Palmetto Conservation Foundation to establish a commemorative work on Federal land in the District of Columbia, and its environs to honor Brigadier General Francis Marion.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

FOSSELLA, Vito of New York

- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1769** To authorize a national memorial to commemorate the final resting place of those lost at the World Trade Center on September 11, 2001, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5996** To establish the Raritan Bay Stewardship Initiative.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

FOXX, Virginia of North Carolina

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4171** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.

FOXX, Virginia of North Carolina—Continued

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5462** To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.

FRANK, Barney of Massachusetts

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1512** To direct the Secretary of the Interior to conduct a special resources study regarding the suitability and feasibility of designating certain historic buildings and areas in Taunton, Massachusetts, as a unit of the National Park System, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 3321** To amend the Wild and Scenic Rivers Act to designate segments of the Taunton River in the Commonwealth of Massachusetts as a component of the National Wild and Scenic Rivers System.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4940** To amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 5018** To reauthorize the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

FRANKS, Trent of Arizona

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 630** To authorize the Secretary of the Interior to convey certain Federal lands to the City of Yuma, Arizona, in exchange for certain lands owned by the City of Yuma, Arizona, and for other purposes.
- H.R. 1250** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.

FRANKS, Trent of Arizona—Continued

- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1837** To amend the Endangered Species Act of 1973 to establish limitations on the designation of critical habitat, and for other purposes.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 2618** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5462** To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.
- H.R. 5957** To designate segments of Fossil Creek, a tributary to the Verde River in the State of Arizona, as wild and scenic rivers.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6373** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.

FRELINGHUYSEN, Rodney P. of New Jersey

- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1571** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.
- H.R. 4245** To provide for programs and activities with respect to pandemic influenza, and for other purposes.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.

GALLEGLY, Elton of California

- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 4162** To provide for an exchange of lands between the Secretary of Agriculture and the United Water Conservation District of California to eliminate certain private inholdings in the Los Padres National Forest, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

GARRETT, Scott of New Jersey

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 1096** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.

GERLACH, Jim of Pennsylvania

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.

GERLACH, Jim of Pennsylvania—Continued

- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4575** To provide greater transparency with respect to lobbying activities, and for other purposes.
- H.R. 4696** To make certain reforms in lobbying, ethics, and campaign finance laws, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5232** To direct the Secretary of the Interior to initiate and complete an evaluation of lands and waters located in Northeastern Pennsylvania for their potential acquisition and inclusion in a future Cherry Valley National Wildlife Refuge, and for other purposes.
- H.R. 5302** To amend the Internal Revenue Code of 1986 to suspend the highway fuels taxes, to provide for suspension of royalty relief, and for other purposes.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

GIBBONS, Jim of Nevada

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 540** To authorize the Secretary of the Interior to convey the Newlands Project Headquarters and Maintenance Yard Facility to the Truckee-Carson Irrigation District.
- H.R. 541** To direct the Secretary of Agriculture to convey certain land to Lander County, Nevada, and the Secretary of the Interior to convey certain land to Eureka County, Nevada, for continued use as cemeteries.
- H.R. 542** To direct the Secretary of the Interior to convey certain land in Washoe County, Nevada, to the Board of Regents of the University and Community College System of Nevada.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 816** To direct the Secretary of Agriculture to sell certain parcels of National Forest System land in Carson City and Douglas County, Nevada.
- H.R. 849** To provide for the conveyance of certain public land in Clark County, Nevada, for use as a heliport.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1467** To provide for the conveyance of certain Bureau of Land Management land in the State of Nevada to the Las Vegas Motor Speedway, and for other purposes.
- H.R. 2362** To reauthorize and amend the National Geologic Mapping Act of 1992.
- H.R. 2425** To direct the Secretary of the Interior to convey to the City of Henderson, Nevada, certain Federal land located in the City, and for other purposes.
- H.R. 2993** To provide for the sale of excess wild free-roaming horses and burros.
- H.R. 3419** To direct the Secretary of the Interior to dispose of certain public lands that are subject to mining operations in Pershing County, Nevada, to support sustainable development opportunities for the community in which the mining operations occur through privatization of the lands allowing for productive post-mining land use that provides for economic development opportunities and local government revenues, and for other purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and releasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4382** To provide for the conveyance of certain land in Clark County, Nevada, for use by the Nevada National Guard.
- H.R. 4401** To provide for the conveyance of certain public lands in and around historic mining townsites in Nevada, and for other purposes.
- H.R. 4461** To make a technical correction relating to the land conveyance authorized by Public Law 108-67.
- H.R. 4577** To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.
- H.R. 4627** To validate certain conveyances made by the Union Pacific Railroad Company of lands located in Reno, Nevada, that were originally conveyed by the United States to facilitate construction of transcontinental railroads, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 5145** To authorize the National War Dogs Monument, Inc. to establish a national monument in honor of military working dog teams.
- H.R. 5155** To provide for the release of certain land from the Sunrise Mountain Instant Study Area in the State of Nevada and to grant a right-of-way across the released land for the construction and maintenance of a flood control project.
- H.R. 5180** To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.

AUTHOR INDEX

GILCHREST, Wayne T. of Maryland

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 93** To assist in the conservation of flagship species throughout the world.
- H.R. 518** To require the Secretary of the Interior to refine the Department of the Interior program for providing assistance for the conservation of neotropical migratory birds.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1428** To authorize appropriations for the National Fish and Wildlife Foundation, and for other purposes.
- H.R. 1489** To authorize the Secretary of Commerce to establish a coastal ocean observation system.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2053** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.
- H.R. 2130** To amend the Marine Mammal Protection Act of 1972 to authorize research programs to better understand and protect marine mammals, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3552** To reauthorize the Coastal Barrier Resources Act, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4686** To reauthorize various fisheries management laws, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5450** To provide for the National Oceanic and Atmospheric Administration, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 5946** To amend Magnuson-Stevens Fishery Conservation and Management Act to authorize activities to promote improved monitoring and compliance for high seas fisheries, or fisheries governed by international fishery management agreements, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 856** Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

GILLMOR, Paul E. of Ohio

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

GINGREY, Phil of Georgia

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.

GINGREY, Phil of Georgia—Continued

- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

GOHMERT, Louie of Texas

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5692** To direct the Secretary of the Interior to carry out a study to determine the suitability and feasibility of establishing memorials to the Space Shuttle Columbia on parcels of land in the State of Texas.

GONZALEZ, Charles A. of Texas

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

GOODE, Virgil H. Jr. of Virginia

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.

GOODE, Virgil H. Jr. of Virginia—Continued

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5061** To direct the Secretary of the Interior to convey Paint Bank National Fish Hatchery and Wytheville National Fish Hatchery to the State of Virginia.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

GOODLATTE, Bob of Virginia

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.Res. 769** Recognizing Virginia's James River as "America's Founding River".
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 185** Recognizing the Forest Service of the Department of Agriculture for 100 years of dedicated service and caring for the forest lands of the United States.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

GORDON, Bart of Tennessee

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 2938** To provide for local control for the siting of windmills.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.

GRANGER, Kay of Texas

- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

GRAVES, Sam of Missouri

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 3300** To amend the Endangered Species Act of 1973 to authorize species recovery agreements under which the Federal Government is obligated to make annual payments or provide other compensation for activities that improve the recovery of one or more species listed under that Act, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

GREEN, Al of Texas

- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.

- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

GREEN, Gene of Texas

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

GREEN, Mark of Wisconsin

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

GREEN, Mark of Wisconsin—Continued

- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4294** To authorize the Secretary of the Interior to enter into cooperative agreements to protect natural resources of units of the National Park System through collaborative efforts on land inside and outside of units of the National Park System, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.Con.Res. 305** Recognizing the vital importance of hunting as a legitimate tool of wildlife resource management.

GREGG, Judd of New Hampshire

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 301** To authorize the Secretary of the Interior to provide assistance in implementing cultural heritage, conservation, and recreational activities in the Connecticut River watershed of the States of New Hampshire and Vermont.
- S. 2463** To designate as wilderness certain National Forest System land in the State of New Hampshire.
- S. 4001** To designate certain land in New England as wilderness for inclusion in the National Preservation system and certain land as a National Recreation Area, and for other purposes.

GRIJALVA, Raul M. of Arizona

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.

- H.R. 326** To amend the Yuma Crossing National Heritage Area Act of 2000 to adjust the boundary of the Yuma Crossing National Heritage Area and to extend the authority of the Secretary of the Interior to provide assistance under that Act.
- H.R. 327** To allow binding arbitration clauses to be included in all contracts affecting land within the Gila River Indian Community Reservation.
- H.R. 469** To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 630** To authorize the Secretary of the Interior to convey certain Federal lands to the City of Yuma, Arizona, in exchange for certain lands owned by the City of Yuma, Arizona, and for other purposes.
- H.R. 631** To provide for acquisition of subsurface mineral rights to land owned by the Pascua Yaqui Tribe and land held in trust for the Tribe, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 794** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 1019** To modify the boundary of the Casa Grande Ruins National Monument, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1194** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1232** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1250** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

GRIJALVA, Raul M. of Arizona—Continued

- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 1798** To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3051** To provide for a land exchange involving certain Bureau of Land Management lands in Pima County, Arizona, for the purpose of consolidating Federal land ownership within the Las Cienegas National Conservation Area, and for other purposes.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3590** To amend the Community Forest Restoration Act to expand the Collaborative Forest Restoration Program established under such Act to cover the State of Arizona in addition to the State of New Mexico, and for other purposes.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4270** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Avra/Black Wash Reclamation and Riparian Restoration Project.
- H.R. 4271** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in modifications to the Pima County Wastewater Management Regional Treatment System for Improved Reclaimed Water Production.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4827** To authorize a land exchange involving the acquisition of private land adjacent to the Cibola National Wildlife Refuge in Arizona for inclusion in the refuge in exchange for certain Bureau of Land Management lands in Riverside County, California, and for other purposes.
- H.R. 4951** To direct the Secretary of the Interior to take lands in Yuma County, Arizona, into trust as part of the reservation of the Cocopah Indian Tribe, and for other purposes.

GRIJALVA, Raul M. of Arizona—Continued

- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5868** To amend the Morris K. Udall Scholarship and Excellence in National Environmental and Native American Public Policy Act of 1992 to provide funds for training in tribal leadership, management, and policy, and for other purposes.
- H.R. 5898** To expand the boundary of Saguaro National Park, to study additional land for potential inclusion or removal from the boundary of the park, and for other purposes.
- H.R. 5957** To designate segments of Fossil Creek, a tributary to the Verde River in the State of Arizona, as wild and scenic rivers.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 6368** To provide for a study by the National Academy of Engineering regarding improving the accuracy of collection of royalties on production of oil, condensate, and natural gas under leases of Federal lands and Indian lands, and for other purposes.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.
- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

GUTIERREZ, Luis V. of Illinois

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

GUTIERREZ, Luis V. of Illinois—Continued

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

GUTKNECHT, Gil of Minnesota

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.Con.Res. 185** Recognizing the Forest Service of the Department of Agriculture for 100 years of dedicated service and caring for the forest lands of the United States.

- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

HAGEL, Chuck of Nebraska

- S. 592** To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.
- S. 891** To extend the water service contract for the Ainsworth Unit, Sandhills Division, Pick-Sloan Missouri Basin Program, Nebraska.

HALL, Ralph M. of Texas

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4638** To increase domestic supplies of natural gas through an accelerated program of development and deployment of new technologies.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

HALL, Ralph M. of Texas—Continued

H.R. 6230 To authorize the Secretary of Energy to make energy consumption reduction incentive payments to encourage the utilization of the best available technology in the development of desalination facilities, and other purposes.

HARMAN, Jane of California

H.R. 13 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 1071 To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

H.R. 1095 To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1712 To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2134 To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

H.R. 2871 To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.

H.R. 3563 To protect inventoried roadless areas in the National Forest System.

H.R. 4782 To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.

H.R. 5213 To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.

H.R. 5550 To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.

H.Res. 477 Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

H.Res. 760 Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

HARRIS, Katherine of Florida

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 2229 To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.

H.R. 3251 To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 3405 To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

H.R. 3778 To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.

H.R. 4330 To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 5649 To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

H.R. 6193 To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

H.Res. 332 Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.

H.Res. 760 Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

H.Res. 824 Recognizing the effects of harmful algal blooms, including Red Tide, on the environment, and for other purposes.

H.J.Res. 3 To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.

HART, Melissa A. of Pennsylvania

H.R. 135 To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.

H.R. 792 To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

H.R. 1645 To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.

H.R. 2721 To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

H.R. 3836 To expedite the construction of new refining capacity in the United States.

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.R. 4761 To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 5053 To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.

H.R. 5539 To reauthorize the North American Wetlands Conservation Reauthorization Act.

H.R. 6103 To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.

HASTERT, J. Dennis of Illinois

H.R. 1192 To establish the Abraham Lincoln National Heritage Area, and for other purposes.

HASTINGS, Alcee L. of Florida

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 427 To require Federal agencies to develop and implement policies and practices that promote environmental justice, and for other purposes.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 763 To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.

H.R. 1071 To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1386 To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

H.R. 1595 To implement the recommendations of the Guam War Claims Review Commission.

H.R. 1615 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1648 To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.

H.R. 1707 To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2930 To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.

H.R. 3251 To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 3313 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 3561 To improve the health of minority individuals.

H.R. 3563 To protect inventoried roadless areas in the National Forest System.

H.R. 3779 To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.

H.R. 4330 To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.

H.R. 4783 To prohibit offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.R. 5047 To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

H.R. 5300 To restore fairness in the provision of incentives for oil and gas production, and for other purposes.

H.R. 6237 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

H.Res. 477 Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

H.Res. 489 Commemorating the 100th Anniversary of the National Audubon Society.

H.Res. 760 Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

HASTINGS, Doc of Washington

H.R. 383 To designate the Ice Age Floods National Geologic Trail, and for other purposes.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 586 To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

H.R. 1564 To authorize the Secretary of the Interior to convey certain buildings and lands of the Yakima Project, Washington, to the Yakima-Tieton Irrigation District.

H.R. 2925 To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.

H.R. 3014 To amend the Act of August 9, 1955, regarding leasing of the Moses Allotments.

H.R. 4200 To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.R. 4789 To require the Secretary of the Interior to convey certain public land located wholly or partially within the boundaries of the Wells Hydroelectric Project of Public Utility District No. 1 of Douglas County, Washington, to the utility district.

H.R. 4857 To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.

H.R. 4970 To ensure general aviation aircraft access to Federal land and to the airspace over Federal land.

H.R. 5732 To direct the Secretary of the Interior to continue stocking fish in certain lakes in the North Cascades National Park, Ross Lake National Recreation Area, and Lake Chelan National Recreation Area.

H.R. 5999 To provide for the conveyance of a parcel of National Forest System land in Kittitas County, Washington, to facilitate the construction of a new fire and rescue station, and for other purposes.

HASTINGS, Doc of Washington—Continued

- H.R. 6043** To amend the Native American Graves Protection and Repatriation Act so that it will be interpreted in accordance with the original intent of Congress to require a significant relationship be found between remains discovered on federal lands and presently existing Native American tribes for those remains to be applicable under the Native American Graves Protection and Repatriation Act.
- H.R. 6119** To provide for the equitable settlement of claims of Indian tribes in the region of Puget Sound, Washington regarding treaty rights to take shellfish from lands in that region, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6241** To amend the Marine Mammal Protection Act of 1972 to reduce predation on endangered Columbia River salmon, and for other purposes.
- H.R. 6423** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000 and to offset the cost of payments to States and counties under such Act, and for other purposes.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

HATCH, Orrin G. of Utah

- S. 52** To direct the Secretary of the Interior to convey a parcel of real property to Beaver County, Utah.
- S. 54** To amend the National Trails System Act to require the Secretary of the Interior to update the feasibility and suitability studies of four national historic trails, and for other purposes.

HAYES, Robin of North Carolina

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

HAYWORTH, J. D. of Arizona

- H.R. 12** To amend the Education Land Grant Act to require the Secretary of Agriculture to pay the costs of environmental reviews with respect to conveyances under that Act.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.

- H.R. 327** To allow binding arbitration clauses to be included in all contracts affecting land within the Gila River Indian Community Reservation.
- H.R. 410** To provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 794** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1250** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1837** To amend the Endangered Species Act of 1973 to establish limitations on the designation of critical habitat, and for other purposes.
- H.R. 2618** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3590** To amend the Community Forest Restoration Act to expand the Collaborative Forest Restoration Program established under such Act to cover the State of Arizona in addition to the State of New Mexico, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3961** To authorize the National Park Service to pay for services rendered by subcontractors under a General Services Administration Indefinite Deliver/Indefinite Quantity Contract issued for work to be completed at the Grand Canyon National Park.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 5180** To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.
- H.R. 5299** To revise a provision relating to a repayment obligation of the Fort McDowell Yavapai Nation under the Fort McDowell Indian Community Water Rights Settlement Act of 1990, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.

HAYWORTH, J. D. of Arizona—Continued

- H.R. 5957** To designate segments of Fossil Creek, a tributary to the Verde River in the State of Arizona, as wild and scenic rivers.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.

HEFLEY, Joel of Colorado

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 760** To establish a program and criteria for National Heritage Areas in the United States, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 975** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2332** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4235** To designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4818** To establish the South Park National Heritage Area in the State of Colorado, and for other purposes.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 6287** To establish criteria for and to create a National Heritage Areas System in the United States.

HENSARLING, Jeb of Texas

- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.

HERGER, Wally of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 2779** To amend the Endangered Species Act of 1973 to enable Federal agencies responsible for the preservation of threatened species and endangered species to rescue and relocate members of any of those species that would be taken in the course of certain reconstruction, maintenance, or repair of Federal or non-Federal manmade flood control levees.
- H.R. 2814** To provide that no Federal funds may be expended for the payment or reimbursement of a drug that is prescribed to a sex offender for the treatment of sexual or erectile dysfunction.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3464** To authorize the Secretary of the Interior to make payments to Western States for education improvement.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.

HERGER, Wally of California—Continued

- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 4084** To amend the Forest Service use and occupancy permit program to restore the authority of the Secretary of Agriculture to utilize the special use permit fees collected by the Secretary in connection with the establishment and operation of marinas in units of the National Forest System derived from the public domain, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4677** To impose a two year moratorium on the approval by the Secretary of the Interior of new Tribal-State compacts for gaming under the Indian Gaming Regulatory Act.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4970** To ensure general aviation aircraft access to Federal land and to the airspace over Federal land.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6413** To establish the Sacramento River National Recreation Area consisting of certain public lands administered by the Bureau of Land Management in Tehama and Shasta Counties, California, and for other purposes.

HERSETH, Stephanie of South Dakota

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 109** To provide compensation to the Lower Brule and Crow Creek Sioux Tribes of South Dakota for damage to tribal land caused by Pick-Sloan projects along the Missouri River.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 546** To revise the boundary of the Wind Cave National Park in the State of South Dakota.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.

- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3558** To amend the Cheyenne River Sioux Tribe Equitable Compensation Act to provide compensation to members of the Cheyenne River Sioux Tribe for damage resulting from the Oahe Dam and Reservoir Project, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3754** To provide disaster assistance to agricultural producers for 2005 crop and livestock losses, and for other purposes.
- H.R. 3967** To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal, industrial, and fish and wildlife purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4301** To direct the Secretary of the Interior to convey certain parcels of land acquired for the Blunt Reservoir and Pierre Canal features of the initial stage of the Oahe Unit, James Division, South Dakota, to the Commission of Schools and Public Lands and the Department of Game, Fish, and Parks of the State of South Dakota for the purpose of mitigating lost wildlife habitat, on the condition that the current preferential leaseholders shall have an option to purchase the parcels from the Commission, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5565** To enhance and provide to the Oglala Sioux Tribe and Angostura Irrigation Project certain benefits of the Pick-Sloan Missouri River basin program.
- H.R. 5566** To facilitate the transfer of Spearfish Hydroelectric Plant Number 1 to the city of Spearfish, South Dakota, and for other purposes.
- H.R. 5639** To reauthorize the Mni Wiconi Rural Water Supply Project.
- H.R. 6105** To amend the Indian Health Care Improvement Act to help ensure that no Service hospital or outpatient health facility is closed unless Congressional reporting requirements regarding the hospital or facility are current.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 656** Expressing the sense of the House that the Secretary of Health and Human Services, acting through the Director of Indian Health Service, should maintain the current operating hours of the Wagner Service Unit until the Secretary submits to Congress a new report that accurately describes the current conditions at the Wagner Service Unit.

HERSETH, Stephanie of South Dakota—Continued

- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

HIGGINS, Brian of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.

- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

HINCHEY, Maurice D. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

HINCHEY, Maurice D. of New York—Continued

- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 3721** To amend the Omnibus Parks and Public Lands Management Act of 1996 to allow certain commercial vehicles to continue to use Route 209 within Delaware Water Gap National Recreation Area and to allow the National Park Service to continue to collect fees from those vehicles, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5423** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Oak Point and North Brother Island in the Bronx in the State of New York as a unit of the National Park System.

- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5895** To amend the National Trails System Act to designate the Washington-Rochambeau Revolutionary Route National Historic Trail.
- H.R. 5996** To establish the Raritan Bay Stewardship Initiative.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 6368** To provide for a study by the National Academy of Engineering regarding improving the accuracy of collection of royalties on production of oil, condensate, and natural gas under leases of Federal lands and Indian lands, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

HINOJOSA, Ruben of Texas

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 386** To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.

HINOJOSA, Ruben of Texas—Continued

- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

HOBSON, David L. of Ohio

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4612** To redesignate Dayton Aviation Heritage National Historic Park in the State of Ohio as "Wright Brothers-Dunbar National Historic Park," and for other purposes.

HOEKSTRA, Peter of Michigan

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

HOLDEN, Tim of Pennsylvania

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 2722** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Camp Security, located in Springettsbury, York County, Pennsylvania, as a unit of the National Park System.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5232** To direct the Secretary of the Interior to initiate and complete an evaluation of lands and waters located in Northeastern Pennsylvania for their potential acquisition and inclusion in a future Cherry Valley National Wildlife Refuge, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.

HOLDEN, Tim of Pennsylvania—Continued

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

HOLT, Rush D. of New Jersey

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.

- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

HONDA, Michael M. of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 296** To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

HONDA, Michael M. of California—Continued

- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3475** To require the prompt review by the Secretary of the Interior of Petition No. 120 for Federal recognition of the Amah Mutsun of Mission San Juan Bautista as an Indian tribe, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.

- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5817** To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

HOOLEY, Darlene of Oregon

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1090** To designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2788** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.

HOOLEY, Darlene of Oregon—Continued

- H.R. 3615** To direct the Secretary of the Interior to carry out a study of the feasibility of designating as a national historic trail the route followed by Governor Isaac Stevens of the Washington Territory and Joel Palmer, Superintendent of Indian Affairs for the Oregon Territory, in 1855 when they negotiated treaties with the Indian tribes of northeastern Oregon, Washington, northern Idaho and western Montana.
- H.R. 4136** To ensure that exports of Alaskan North Slope crude oil are prohibited.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5025** To protect for future generations the recreational opportunities, forests, timber, clean water, wilderness and scenic values, and diverse habitat of Mount Hood National Forest, Oregon, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5394** To waive application of the Indian Self-Determination and Education Assistance Act to a specific parcel of real property transferred by the United States to 2 Indian tribes in Oregon, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

HOSTETTLER, John N. of Indiana

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.

HOYER, Steny H. of Maryland

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2053** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

HULSHOF, Kenny C. of Missouri

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

HUNTER, Duncan of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1101** To revoke a Public Land Order with respect to certain lands erroneously included in the Cibola National Wildlife Refuge, California.

HUNTER, Duncan of California—Continued

- H.R. 1190** To direct the Secretary of the Interior to conduct a feasibility study to design and construct a four reservoir intertie system for the purposes of improving the water storage opportunities, water supply reliability, and water yield of San Vicente, El Capitan, Murray, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the City of San Diego and the Sweetwater Authority, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 2587** To make amendments to the Reclamation Projects Authorization and Adjustment Act of 1992.
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5180** To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.
- H.R. 5683** To preserve the Mt. Soledad Veterans Memorial in San Diego, California, by providing for the immediate acquisition of the memorial by the United States.
- H.R. 5715** To make amendments to the Reclamation Projects Authorization and Adjustment Act of 1992.

HUTCHISON, Kay Bailey of Texas

- S. 242** To establish 4 memorials to the Space Shuttle Columbia in the State of Texas.

HYDE, Henry J. of Illinois

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

INGLIS, Bob of South Carolina

- H.R. 906** To amend the Federal Land Policy and Management Act of 1976 and the Mineral Leasing Act to clarify the method by which the Secretary of the Interior and the Secretary of Agriculture determine the fair market value of certain rights-of-way granted, issued, or renewed under these Acts, and for other purposes.
- H.R. 1289** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 3493** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the site of the Battle of Camden in South Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 5057** To authorize the Marion Park Project and Committee of the Palmetto Conservation Foundation to establish a commemorative work on Federal land in the District of Columbia, and its environs to honor Brigadier General Francis Marion.

INHOFE, James M. of Oklahoma

- S. 260** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- S. 1339** To reauthorize the Junior Duck Stamp Conservation and Design Program Act of 1994.
- S. 1415** To amend the Lacey Act Amendments of 1981 to protect captive wildlife and make technical corrections.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- S. 1869** To reauthorize the Coastal Barrier Resources Act, and for other purposes.

INOUYE, Daniel K. of Hawaii

- S. 39** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 225** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of public land.
- S. 263** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 264** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize certain projects in the State of Hawaii.

INOUE, Daniel K. of Hawaii—Continued

- S. 361** To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.
- S. 362** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- S. 1165** To provide for the expansion of the James Campbell National Wildlife Refuge, Honolulu County, Hawaii.
- S. 1390** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- S. 1899** To amend the Indian Child Protection and Family Violence Prevention Act to identify and remove barriers to reducing child abuse, to provide for examinations of certain children, and for other purposes.

INSLEE, Jay of Washington

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 851** To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 1797** To provide for equitable compensation to the Spokane Tribe of Indians of the Spokane Reservation for the use of tribal land for the production of hydropower by the Grand Coulee Dam, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5817** To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.
- H.R. 6119** To provide for the equitable settlement of claims of Indian tribes in the region of Puget Sound, Washington regarding treaty rights to take shellfish from lands in that region, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

ISAKSON, Johnny of Georgia

- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

AUTHOR INDEX

ISRAEL, Steve of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5423** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Oak Point and North Brother Island in the Bronx in the State of New York as a unit of the National Park System.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

ISSA, Darrell E. of California

- H.R. 122** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Eastern Municipal Water District Recycled Water System Pressurization and Expansion Project.

- H.R. 123** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Elsinore Valley Municipal Water District Wildomar Service Area Recycled Water Distribution Facilities and Alberhill Wastewater Treatment and Reclamation Facility Projects.
- H.R. 124** To provide an environmentally sound process for the expeditious consideration and approval of a high-voltage electricity transmission line right-of-way through the Trabuco Ranger District of the Cleveland National Forest in the State of California and adjacent lands under the jurisdiction of the Bureau of Land Management and the Forest Service.
- H.R. 125** To authorize the Secretary of the Interior to construct facilities to provide water for irrigation, municipal, domestic, military, and other uses from the Santa Margarita River, California, and for other purposes.
- H.R. 1008** To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1190** To direct the Secretary of the Interior to conduct a feasibility study to design and construct a four reservoir intertie system for the purposes of improving the water storage opportunities, water supply reliability, and water yield of San Vicente, El Capitan, Murray, and Loveland Reservoirs in San Diego County, California in consultation and cooperation with the City of San Diego and the Sweetwater Authority, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1232** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3507** To transfer certain land in Riverside County, California, and San Diego County, California, from the Bureau of Land Management to the United States to be held in trust for the Pechanga Band of Luiseno Mission Indians, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4245** To provide for programs and activities with respect to pandemic influenza, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and releasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4893** To amend section 20 of the Indian Gaming Regulatory Act to restrict off-reservation gaming.
- H.R. 5683** To preserve the Mt. Soledad Veterans Memorial in San Diego, California, by providing for the immediate acquisition of the memorial by the United States.

ISSA, Darrell E. of California—Continued

H.R. 6193 To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

ISTOOK, Ernest J. Jr. of Oklahoma

H.R. 2652 To provide for the establishment of a memorial to the U.S.S. Oklahoma as part of the USS Arizona Memorial in Pearl Harbor, Hawaii.

H.R. 3836 To expedite the construction of new refining capacity in the United States.

H.R. 3918 To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.R. 4761 To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

JACKSON-LEE, Sheila of Texas

H.R. 13 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 499 To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 537 To ensure the continuation of successful fisheries mitigation programs.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 606 To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1386 To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

H.R. 1492 To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

H.R. 1595 To implement the recommendations of the Guam War Claims Review Commission.

H.R. 1615 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1648 To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2134 To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

H.R. 3313 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 3405 To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

H.R. 3420 To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 3561 To improve the health of minority individuals.

H.R. 3563 To protect inventoried roadless areas in the National Forest System.

H.R. 3824 To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.

H.R. 4200 To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.R. 4330 To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.

H.R. 4384 To improve the energy efficiency of the United States.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 4963 To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.

H.R. 5539 To reauthorize the North American Wetlands Conservation Reauthorization Act.

H.R. 5996 To establish the Raritan Bay Stewardship Initiative.

H.R. 6237 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

H.Res. 760 Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

H.Res. 884 Honoring the town of Nicodemus, Kansas, for its contribution to American history.

JACKSON-LEE, Sheila of Texas—Continued

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

JACKSON, Jesse L. Jr. of Illinois

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.

JEFFERSON, William J. of Louisiana

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 522** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1515** To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.
- H.R. 1551** To amend the Outer Continental Shelf Lands Act to provide a domestic offshore energy reinvestment program, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1596** To amend the Outer Continental Shelf Lands Act to promote uses on the Outer Continental Shelf.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.

- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6396** To ensure environmental justice in the areas affected by Hurricanes Katrina and Rita.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

JEFFORDS, James M. of Vermont

- S. 260** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- S. 301** To authorize the Secretary of the Interior to provide assistance in implementing cultural heritage, conservation, and recreational activities in the Connecticut River watershed of the States of New Hampshire and Vermont.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- S. 1250** To reauthorize the Great Ape Conservation Act of 2000.
- S. 1339** To reauthorize the Junior Duck Stamp Conservation and Design Program Act of 1994.
- S. 1415** To amend the Lacey Act Amendments of 1981 to protect captive wildlife and make technical corrections.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- S. 1509** To amend the Lacey Act Amendments of 1981 to add non-human primates to the definition of prohibited wildlife species.
- S. 1869** To reauthorize the Coastal Barrier Resources Act, and for other purposes.
- S. 2447** To redesignate the White Rocks National Recreation Area in the State of Vermont as the "Robert T. Stafford White Rocks National Recreation Area".
- S. 4001** To designate certain land in New England as wilderness for inclusion in the National Preservation system and certain land as a National Recreation Area, and for other purposes.

AUTHOR INDEX

JENKINS, William L. of Tennessee

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Con.Res. 185** Recognizing the Forest Service of the Department of Agriculture for 100 years of dedicated service and caring for the forest lands of the United States.

JINDAL, Bobby of Louisiana

- H.R. 522** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1515** To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.
- H.R. 1551** To amend the Outer Continental Shelf Lands Act to provide a domestic offshore energy reinvestment program, and for other purposes.
- H.R. 1596** To amend the Outer Continental Shelf Lands Act to promote uses on the Outer Continental Shelf.
- H.R. 3110** To amend the Endangered Species Act of 1973 to provide for treatment of distinct population segments of the Eastern oyster as separate species.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4514** To assist low-income families, displaced from their residences in the States of Alabama, Louisiana, and Mississippi as a result of Hurricane Katrina or Hurricane Rita, by establishing within the Department of Housing and Urban Development a homesteading initiative that offers displaced low-income families the opportunity to purchase a home owned by the Federal Government, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5018** To reauthorize the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5446** To direct the Administrator of the National Oceanic and Atmospheric Administration to report to the Congress on the effects of Hurricanes Katrina, Rita, and Wilma on the fisheries and fish habitat of the United States.
- H.R. 5447** To amend the Magnuson-Stevens Fishery Conservation and Management Act to authorize the Secretary of Commerce to establish a regional economic transition program to provide immediate disaster relief assistance to the fishermen, charter fishing operators, United States fish processors, and owners of related fishery infrastructure affected by a catastrophic regional fishery disaster, and for other purposes.

JOHNSON, Eddie Bernice of Texas

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.

JOHNSON, Eddie Bernice of Texas—Continued

- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

JOHNSON, Nancy L. of Connecticut

- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 938** To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes.
- H.R. 1104** To repeal the Federal acknowledgment of the Schaghticoke Tribal Nation.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1344** To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1354** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4575** To provide greater transparency with respect to lobbying activities, and for other purposes.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5311** To establish the Upper Housatonic Valley National Heritage Area.
- H.R. 5885** To amend the Wild and Scenic Rivers Act to designate certain segments of the Eightmile River in the State of Connecticut as components of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6287** To establish criteria for and to create a National Heritage Areas System in the United States.

JOHNSON, Sam of Texas

- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.

JOHNSON, Sam of Texas—Continued

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

JOHNSON, Tim of South Dakota

- S. 276** To revise the boundary of the Wind Cave National Park in the State of South Dakota.
- S. 819** To authorize the Secretary of the Interior to reallocate costs of the Pactola Dam and Reservoir, South Dakota, to reflect increased demands for municipal, industrial, and fish and wildlife purposes.
- S. 895** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.
- S. 1480** To establish the treatment of actual rental proceeds from leases of land acquired under an Act providing for loans to Indian tribes and tribal corporations.
- S. 1899** To amend the Indian Child Protection and Family Violence Prevention Act to identify and remove barriers to reducing child abuse, to provide for examinations of certain children, and for other purposes.
- S. 2245** To establish an Indian youth telemental health demonstration project.

JOHNSON, Timothy V. of Illinois

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.

- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

JONES, Stephanie Tubbs of Ohio

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3564** To make a technical correction to the Act providing for the designation of the David Berger Memorial.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.

JONES, Stephanie Tubbs of Ohio—Continued

- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.Con.Res. 55** Honoring the flight crew members lost during the terrorist attacks against the United States on September 11, 2001.

JONES, Walter B. of North Carolina

- H.R. 126** To amend Public Law 89-366 to allow for an adjustment in the number of free roaming horses permitted in Cape Lookout National Seashore.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 4171** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4575** To provide greater transparency with respect to lobbying activities, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5094** To require the conveyance of Mattamuskeet Lodge and surrounding property, including the Mattamuskeet National Wildlife Refuge headquarters, to the State of North Carolina to permit the State to use the property as a public facility dedicated to the conservation of the natural and cultural resources of North Carolina.
- H.R. 5145** To authorize the National War Dogs Monument, Inc. to establish a national monument in honor of military working dog teams.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

KANJORSKI, Paul E. of Pennsylvania

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote reining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.
- H.R. 3721** To amend the Omnibus Parks and Public Lands Management Act of 1996 to allow certain commercial vehicles to continue to use Route 209 within Delaware Water Gap National Recreation Area and to allow the National Park Service to continue to collect fees from those vehicles, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5232** To direct the Secretary of the Interior to initiate and complete an evaluation of lands and waters located in Northeastern Pennsylvania for their potential acquisition and inclusion in a future Cherry Valley National Wildlife Refuge, and for other purposes.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.

KAPTUR, Marcy of Ohio

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

KAPTUR, Marcy of Ohio—Continued

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3544** To provide for the stabilization of prices for gasoline, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5331** To promote energy production and conservation, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

KELLER, Ric of Florida

- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

KELLY, Sue W. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 4275** To amend Public Law 106-348 to extend the authorization for establishing a memorial in the District of Columbia or its environs to honor veterans who became disabled while serving in the Armed Forces of the United States.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

KENNEDY, Mark R. of Minnesota

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5302** To amend the Internal Revenue Code of 1986 to suspend the highway fuels taxes, to provide for suspension of royalty relief, and for other purposes.

KENNEDY, Mark R. of Minnesota—Continued

- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.Con.Res. 55** Honoring the flight crew members lost during the terrorist attacks against the United States on September 11, 2001.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

KENNEDY, Patrick J. of Rhode Island

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3321** To amend the Wild and Scenic Rivers Act to designate segments of the Taunton River in the Commonwealth of Massachusetts as a component of the National Wild and Scenic Rivers System.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 3775** To provide for the update of the Cultural Heritage and Land Management Plan for the John H. Chafee Blackstone River Valley National Heritage Corridor, to extend the authority of the John H. Chafee Blackstone River Valley National Heritage Corridor Commission, to authorize a special resources study to evaluate the suitability and feasibility of a national park unit within the Corridor, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.

- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observance of a paid legal public holiday in honor of Native Americans.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

KERRY, John F. of Massachusetts

- S. 39** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 361** To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.
- S. 362** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.

KILDEE, Dale E. of Michigan

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.

KILDEE, Dale E. of Michigan—Continued

- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1797** To provide for equitable compensation to the Spokane Tribe of Indians of the Spokane Reservation for the use of tribal land for the production of hydropower by the Grand Coulee Dam, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 2788** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3349** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.

- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

KILPATRICK, Carolyn C. of Michigan

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

KILPATRICK, Carolyn C. of Michigan—Continued

- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

KIND, Ron of Wisconsin

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 518** To require the Secretary of the Interior to refine the Department of the Interior program for providing assistance for the conservation of neotropical migratory birds.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.

- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2332** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4251** To help relieve the shortage in the supply of firewood for home heating use by making additional quantities of free firewood available to individuals from National Forest System lands.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5340** To promote Department of the Interior efforts to provide a scientific basis for the management of sediment and nutrient loss in the Upper Mississippi River Basin, and for other purposes.
- H.R. 5381** To establish a volunteer program and promote community partnerships for the benefit of national fish hatcheries and fisheries program offices.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1079** Recognizing and celebrating the commitment of the Student Conservation Association to the United States' national parks and public lands.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

KING, Peter T. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

KING, Peter T. of New York—Continued

- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 2107** To amend Public Law 104-329 to modify authorities for the use of the National Law Enforcement Officers Memorial Maintenance Fund, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

KING, Steve of Iowa

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3300** To amend the Endangered Species Act of 1973 to authorize species recovery agreements under which the Federal Government is obligated to make annual payments or provide other compensation for activities that improve the recovery of one or more species listed under that Act, and for other purposes.
- H.R. 3566** To provide that no Federal funds may be expended for the payment or reimbursement of drugs when prescribed for the treatment of erectile or sexual dysfunction.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

KINGSTON, Jack of Georgia

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 694** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

KIRK, Mark Steven of Illinois

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.

KIRK, Mark Steven of Illinois—Continued

- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

KLINE, John of Minnesota

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

KNOLLENBERG, Joe of Michigan

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.

KOLBE, Jim of Arizona

- H.R. 469** To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.
- H.R. 794** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 1250** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1837** To amend the Endangered Species Act of 1973 to establish limitations on the designation of critical habitat, and for other purposes.
- H.R. 2618** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.
- H.R. 3051** To provide for a land exchange involving certain Bureau of Land Management lands in Pima County, Arizona, for the purpose of consolidating Federal land ownership within the Las Cienegas National Conservation Area, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

KOLBE, Jim of Arizona—Continued

- H.R. 5016** To provide for the exchange of certain Bureau of Land Management land in Pima County, Arizona, and for other purposes.
- H.R. 5180** To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.
- H.R. 5460** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a feasibility study of the Sierra Vista Subwatershed in the State of Arizona.
- H.R. 5651** To revise the boundary of the Fort Bowie National Historic Site, and for other purposes.
- H.R. 5898** To expand the boundary of Saguaro National Park, to study additional land for potential inclusion or removal from the boundary of the park, and for other purposes.
- H.R. 5957** To designate segments of Fossil Creek, a tributary to the Verde River in the State of Arizona, as wild and scenic rivers.
- H.R. 6321** To provide for the conveyance of certain public land near the City of Douglas, Arizona, for use as a shooting range.

KUCINICH, Dennis J. of Ohio

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1798** To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.

KUCINICH, Dennis J. of Ohio—Continued

- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

KUHL, John R. "Randy" Jr. of New York

- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.

- H.R. 4696** To make certain reforms in lobbying, ethics, and campaign finance laws, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

KYL, Jon of Arizona

- S. 214** To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.
- S. 895** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.
- S. 1375** To amend the Indian Arts and Crafts Act of 1990 to modify provisions relating to criminal proceedings and civil actions, and for other purposes.
- S. 2464** To revise a provision relating to a repayment obligation of the Fort McDowell Yavapai Nation under the Fort McDowell Indian Community Water Rights Settlement Act of 1990, and for other purposes.

LAHOOD, Ray of Illinois

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.

LAHOOD, Ray of Illinois—Continued

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

LANDRIEU, Mary L. of Louisiana

S. 50 To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.

S. 205 To authorize the American Battle Monuments Commission to establish in the State of Louisiana a memorial to honor the Buffalo Soldiers.

S. 207 To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.

LANGVIN, James R. of Rhode Island

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 562 To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 1155 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1591 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1592 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1595 To implement the recommendations of the Guam War Claims Review Commission.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 3187 To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.

H.R. 3563 To protect inventoried roadless areas in the National Forest System.

H.R. 3775 To provide for the update of the Cultural Heritage and Land Management Plan for the John H. Chafee Blackstone River Valley National Heritage Corridor, to extend the authority of the John H. Chafee Blackstone River Valley National Heritage Corridor Commission, to authorize a special resources study to evaluate the suitability and feasibility of a national park unit within the Corridor, and for other purposes.

H.R. 4479 To repeal provisions of the Energy Policy Act of 2005, and for other purposes.

H.R. 6237 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

LANTOS, Tom of California

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 296 To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.

H.R. 562 To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 606 To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 690 To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.

H.R. 957 To clarify the authorities for the use of certain National Park Service properties within Golden Gate National Recreation Area and San Francisco Maritime National Historical Park, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1431 To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

H.R. 1492 To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

H.R. 1591 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1592 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1595 To implement the recommendations of the Guam War Claims Review Commission.

H.R. 1615 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1707 To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

H.R. 1712 To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2134 To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

H.R. 2323 To establish a program of research and other activities to provide for the recovery of the southern sea otter.

H.R. 2871 To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.

LANTOS, Tom of California—Continued

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6218** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Bay Area Regional Water Recycling Program projects, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

LARSEN, Rick of Washington

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 851** To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2407** To modify the boundary of the San Juan Island National Historical Park.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 5732** To direct the Secretary of the Interior to continue stocking fish in certain lakes in the North Cascades National Park, Ross Lake National Recreation Area, and Lake Chelan National Recreation Area.
- H.R. 5817** To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.
- H.R. 6119** To provide for the equitable settlement of claims of Indian tribes in the region of Puget Sound, Washington regarding treaty rights to take shellfish from lands in that region, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

LARSON, John B. of Connecticut

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1344** To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1354** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.

LARSON, John B. of Connecticut—Continued

- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5885** To amend the Wild and Scenic Rivers Act to designate certain segments of the Eightmile River in the State of Connecticut as components of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 5895** To amend the National Trails System Act to designate the Washington-Rochambeau Revolutionary Route National Historic Trail.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

LATHAM, Tom of Iowa

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

LATOURETTE, Steven C. of Ohio

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.

LAUTENBERG, Frank R. of New Jersey

- S. 39** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 361** To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.
- S. 362** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- S. 1096** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- S. 1250** To reauthorize the Great Ape Conservation Act of 2000.

LAUTENBERG, Frank R. of New Jersey—Continued

S. 1509 To amend the Lacey Act Amendments of 1981 to add non-human primates to the definition of prohibited wildlife species.

LEACH, James A. of Iowa

H.R. 13 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 93 To assist in the conservation of flagship species throughout the world.

H.R. 888 To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

H.R. 1183 To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1431 To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

H.R. 1489 To authorize the Secretary of Commerce to establish a coastal ocean observation system.

H.R. 1591 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1592 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1615 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1707 To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 3405 To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

H.R. 3420 To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 3552 To reauthorize the Coastal Barrier Resources Act, and for other purposes.

H.R. 3563 To protect inventoried roadless areas in the National Forest System.

H.R. 3973 To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.

H.R. 4315 To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

H.R. 4384 To improve the energy efficiency of the United States.

H.R. 4560 To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.

H.R. 4575 To provide greater transparency with respect to lobbying activities, and for other purposes.

H.R. 5051 To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.

H.R. 5099 To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

H.Res. 489 Commemorating the 100th Anniversary of the National Audubon Society.

LEAHY, Patrick J. of Vermont

S. 301 To authorize the Secretary of the Interior to provide assistance in implementing cultural heritage, conservation, and recreational activities in the Connecticut River watershed of the States of New Hampshire and Vermont.

S. 2447 To redesignate the White Rocks National Recreation Area in the State of Vermont as the "Robert T. Stafford White Rocks National Recreation Area".

S. 4001 To designate certain land in New England as wilderness for inclusion in the National Preservation system and certain land as a National Recreation Area, and for other purposes.

LEE, Barbara of California

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 296 To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.

H.R. 297 To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.

H.R. 499 To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 606 To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 1155 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1329 To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.

H.R. 1431 To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

H.R. 1492 To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

LEE, Barbara of California—Continued

- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5235** To direct the President to enter into an arrangement with the National Academy of Sciences to evaluate certain Federal rules and regulations for potentially harmful impacts on public health, air quality, water quality, plant and animal wildlife, global climate, or the environment; and to direct Federal departments and agencies to create plans to reverse those impacts that are determined to be harmful by the National Academy of Sciences.
- H.R. 5817** To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

LEVIN, Carl of Michigan

- S. 1346** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- S. 2430** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.

LEVIN, Sander M. of Michigan

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

LEVIN, Sander M. of Michigan—Continued

- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

LEWIS, Jerry of California

- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1008** To authorize the Secretary of the Interior to participate in the design and construction of the Riverside-Corona Feeder in cooperation with the Western Municipal Water District of Riverside, California.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4245** To provide for programs and activities with respect to pandemic influenza, and for other purposes.
- H.R. 5282** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Southern California Desert Region Integrated Water and Economic Sustainability Plan.

LEWIS, John of Georgia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.

LEWIS, John of Georgia—Continued

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

LEWIS, Ron of Kentucky

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

LIEBERMAN, Joseph I. of Connecticut

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 435** To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.
- S. 1250** To reauthorize the Great Ape Conservation Act of 2000.
- S. 1509** To amend the Lacey Act Amendments of 1981 to add non-human primates to the definition of prohibited wildlife species.

LINCOLN, Blanche of Arkansas

- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

LINDER, John of Georgia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

LIPINSKI, Daniel William of Illinois

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

LIPINSKI, Daniel William of Illinois—Continued

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

LOBIONDO, Frank A. of New Jersey

- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1571** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

LOFGREN, Zoe of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.

LOFGREN, Zoe of California—Continued

- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

LOTT, Trent of Mississippi

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 361** To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

LOWEY, Nita M. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.

- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

LUCAS, Frank D. of Oklahoma

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2652** To provide for the establishment of a memorial to the U.S.S. Oklahoma as part of the USS Arizona Memorial in Pearl Harbor, Hawaii.
- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.

LUCAS, Frank D. of Oklahoma—Continued

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

LUGAR, Richard G. of Indiana

- S. 1913** To authorize the Secretary of the Interior to lease a portion of the Dorothy Buell Memorial Visitor Center for use as a visitor center for the Indiana Dunes National Lakeshore, and for other purposes.

LUNGREN, Daniel E. of California

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3691** To amend the Central Valley Project Improvement Act to provide for improved water management and conservation, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5796** To direct the Secretary of the Interior to exclude and defer from the pooled reimbursable costs of the Central Valley Project the reimbursable capital costs of the unused capacity of the Folsom South Canal, Auburn-Folsom South Unit, Central Valley Project, and for other purposes.

LYNCH, Stephen F. of Massachusetts

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1512** To direct the Secretary of the Interior to conduct a special resources study regarding the suitability and feasibility of designating certain historic buildings and areas in Taunton, Massachusetts, as a unit of the National Park System, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3321** To amend the Wild and Scenic Rivers Act to designate segments of the Taunton River in the Commonwealth of Massachusetts as a component of the National Wild and Scenic Rivers System.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.

LYNCH, Stephen F. of Massachusetts—Continued

- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

MACK, Connie of Florida

- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4165** To clarify the boundaries of Coastal Barrier Resources System Clam Pass Unit FL-64P.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 824** Recognizing the effects of harmful algal blooms, including Red Tide, on the environment, and for other purposes.

MALONEY, Carolyn B. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5423** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Oak Point and North Brother Island in the Bronx in the State of New York as a unit of the National Park System.

MALONEY, Carolyn B. of New York—Continued

- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 6368** To provide for a study by the National Academy of Engineering regarding improving the accuracy of collection of royalties on production of oil, condensate, and natural gas under leases of Federal lands and Indian lands, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

MANZULLO, Donald A. of Illinois

- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.

MARCHANT, Kenny of Texas

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.Con.Res. 55** Honoring the flight crew members lost during the terrorist attacks against the United States on September 11, 2001.

MARKEY, Edward J. of Massachusetts

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 956** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

MARKEY, Edward J. of Massachusetts—Continued

- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4882** To ensure the proper remembrance of Vietnam veterans and the Vietnam War by providing a deadline for the designation of a visitor center for the Vietnam Veterans Memorial.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5227** To amend the Omnibus Parks and Public Lands Management Act of 1996 to authorize the Secretary of the Interior to enter into cooperative agreements with any of the management partners of the Boston Harbor Islands National Recreation Area, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

MARSHALL, Jim of Georgia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2053** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.

- H.R. 2099** To establish the Arabia Mountain National Heritage Area, and for other purposes.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4864** To direct the Secretary of the Interior to study the suitability and feasibility of establishing the Chattahoochee Trace National Heritage Corridor in Alabama and Georgia, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

MATHESON, Jim of Utah

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 975** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.

MATHESON, Jim of Utah—Continued

- H.R. 1194** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1503** To designate certain lands in the Cedar Mountains in the State of Utah as wilderness, to ensure the compatibility of such wilderness and wildness study areas with continued access by the Armed Forces to the special use airspace and lands that comprise the Utah Test and Training Range, and for other purposes.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 2069** To authorize the exchange of certain land in Grand and Uintah Counties, Utah, and for other purposes.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3626** To authorize the Secretary of the Interior to study the feasibility of enlarging the Arthur V. Watkins Dam Weber Basin Project, Utah, to provide additional water for the Weber Basin Project to fulfill the purposes for which that project was authorized.
- H.R. 4013** To amend the Reclamation Projects Authorization and Adjustment Act of 1992 to provide for conjunctive use of surface and groundwater in Juab County, Utah.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 5769** To establish wilderness areas, promote conservation, improve public land, and provide for high quality economic development in Washington County, Utah, and for other purposes.

MATSUI, Doris O. of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1194** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5485** To direct the Secretary of the Interior to conduct a study to determine the feasibility of establishing the Columbia-Pacific National Heritage Area in the States of Washington and Oregon, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5796** To direct the Secretary of the Interior to exclude and defer from the pooled reimbursable costs of the Central Valley Project the reimbursable capital costs of the unused capacity of the Folsom South Canal, Auburn-Folsom South Unit, Central Valley Project, and for other purposes.
- H.R. 5817** To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6361** To authorize the Secretary of the Interior to conduct a special resources study of the Tule Lake Segregation Center in Modoc County, California, to determine the suitability and feasibility of establishing a unit of the National Park System.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

AUTHOR INDEX

MCCAIN, John of Arizona

- S. 263** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 1003** To amend the Act of December 22, 1974, and for other purposes.
- S. 1231** To amend the Indian Self-Determination and Education Assistance Act to modify provisions relating to the National Fund for Excellence in American Indian Education.
- S. 1295** To amend the Indian Gaming Regulatory Act to provide for accountability and funding of the National Indian Gaming Commission.
- S. 1312** To amend a provision relating to employees of the United States assigned to, or employed by, and Indian tribe, and for other purposes.
- S. 1375** To amend the Indian Arts and Crafts Act of 1990 to modify provisions relating to criminal proceedings and civil actions, and for other purposes.
- S. 1480** To establish the treatment of actual rental proceeds from leases of land acquired under an Act providing for loans to Indian tribes and tribal corporations.
- S. 1481** To amend the Indian Land Consolidation Act to provide for probate reform.
- S. 1482** To amend the Act of August 9, 1955, to provide for binding arbitration for Gila River Indian Community Reservation Contracts.
- S. 1758** To amend the Indian Financing Act of 1974, to provide for sale and assignment of loans and underlying security, and for other purposes.
- S. 1899** To amend the Indian Child Protection and Family Violence Prevention Act to identify and remove barriers to reducing child abuse, to provide for examinations of certain children, and for other purposes.
- S. 2094** To reauthorize certain provisions relating to Indian tribal justice systems.
- S. 2245** To establish an Indian youth telemental health demonstration project.
- S. 2464** To revise a provision relating to a repayment obligation of the Fort McDowell Yavapai Nation under the Fort McDowell Indian Community Water Rights Settlement Act of 1990, and for other purposes.
- S. 3501** To amend the Shivwits Band of the Paiute Indian Tribe of Utah Water Rights Settlement Act to establish an acquisition fund for the water rights and habitat acquisition program.
- S. 3526** To amend the Indian Land Consolidation Act to modify certain requirements under that Act.

MCCARTHY, Carolyn of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1232** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.

- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2814** To provide that no Federal funds may be expended for the payment or reimbursement of a drug that is prescribed to a sex offender for the treatment of sexual or erectile dysfunction.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

AUTHOR INDEX

MCCAUL, Michael T. of Texas

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1769** To authorize a national memorial to commemorate the final resting place of those lost at the World Trade Center on September 11, 2001, and for other purposes.
- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3300** To amend the Endangered Species Act of 1973 to authorize species recovery agreements under which the Federal Government is obligated to make annual payments or provide other compensation for activities that improve the recovery of one or more species listed under that Act, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

MCCOLLUM, Betty of Minnesota

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

MCCOLLUM, Betty of Minnesota—Continued

- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.
- H.J.Res. 3** To acknowledge a long history of official deprivations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

MCCOTTER, Thaddeus G. of Michigan

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.

- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4075** To amend the Marine Mammal Protection Act of 1972 to provide for better understanding and protection of marine mammals, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

MCCRERY, Jim of Louisiana

- H.R. 522** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1515** To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.
- H.R. 1551** To amend the Outer Continental Shelf Lands Act to provide a domestic offshore energy reinvestment program, and for other purposes.

MCCRERY, Jim of Louisiana—Continued

- H.R. 1596** To amend the Outer Continental Shelf Lands Act to promote uses on the Outer Continental Shelf.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4514** To assist low-income families, displaced from their residences in the States of Alabama, Louisiana, and Mississippi as a result of Hurricane Katrina or Hurricane Rita, by establishing within the Department of Housing and Urban Development a homesteading initiative that offers displaced low-income families the opportunity to purchase a home owned by the Federal Government, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

MCDERMOTT, Jim of Washington

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 851** To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 852** To extend Federal recognition to the Duwamish Tribe, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 2788** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.

MCDERMOTT, Jim of Washington—Continued

- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5817** To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.
- H.R. 6119** To provide for the equitable settlement of claims of Indian tribes in the region of Puget Sound, Washington regarding treaty rights to take shellfish from lands in that region, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

MCGOVERN, James P. of Massachusetts

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 956** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3321** To amend the Wild and Scenic Rivers Act to designate segments of the Taunton River in the Commonwealth of Massachusetts as a component of the National Wild and Scenic Rivers System.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 3775** To provide for the update of the Cultural Heritage and Land Management Plan for the John H. Chafee Blackstone River Valley National Heritage Corridor, to extend the authority of the John H. Chafee Blackstone River Valley National Heritage Corridor Commission, to authorize a special resources study to evaluate the suitability and feasibility of a national park unit within the Corridor, and for other purposes.

MCGOVERN, James P. of Massachusetts—Continued

- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5227** To amend the Omnibus Parks and Public Lands Management Act of 1996 to authorize the Secretary of the Interior to enter into cooperative agreements with any of the management partners of the Boston Harbor Islands National Recreation Area, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 824** Recognizing the effects of harmful algal blooms, including Red Tide, on the environment, and for other purposes.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.

MCHENRY, Patrick of North Carolina

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4171** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

MCHUGH, John M. of New York

- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4634** To require that the Secretary of the Interior hold at least one public hearing in the surrounding community where land requested to be taken into trust for an Indian tribe is located in order to ascertain the needs and interests of that surrounding community.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.

MCHUGH, John M. of New York—Continued

- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.

MCINTYRE, Mike of North Carolina

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 694** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3835** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.

- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

MCKEON, Howard P. "Buck" of California

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 853** To remove certain restrictions on the Mammoth Community Water District's ability to use certain property acquired by that District from the United States.
- H.R. 854** To provide for certain lands to be held in trust for the Utu Utu Gwaiitu Paiute Tribe.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2039** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of public land.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5149** To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.
- H.R. 5282** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Southern California Desert Region Integrated Water and Economic Sustainability Plan.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5471** To provide to the Bureau of Land Management a mechanism to cancel certain mining leases for lands in the leases CA-20139 and CA-22901 and provide new leasing opportunities in the Soledad Canyon adjacent to the City of Santa Clarita, California, that reflect the historical mining levels, and for other purposes.

MCKEON, Howard P. "Buck" of California—Continued

H.R. 5970 To amend the Internal Revenue Code of 1986 to increase the unified credit against the estate tax to an exclusion equivalent of \$5,000,000, to repeal the sunset provision for the estate and generation-skipping taxes, and to extend expiring provisions, and for other purposes.

MCKINNEY, Cynthia of Georgia

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2099** To establish the Arabia Mountain National Heritage Area, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2297** To establish the Arabia Mountain National Heritage Area, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4871** To ensure the coordination and integration of Indian tribes in the National Homeland Security strategy and to establish an Office of Tribal Government Homeland Security within the Department of Homeland Security, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

MCMORRIS RODGERS, Cathy of Washington

H.R. 6029 To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.

H.R. 6080 To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.

H.R. 6193 To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

MCMORRIS, Cathy of Washington

- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1138** To require the conveyance of a small parcel of Federal land in the Colville National Forest, Washington, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1797** To provide for equitable compensation to the Spokane Tribe of Indians of the Spokane Reservation for the use of tribal land for the production of hydropower by the Grand Coulee Dam, and for other purposes.
- H.R. 2100** To amend Public Law 97-435 to extend the authorization for the Secretary of the Interior to release certain conditions contained in a patent concerning certain land conveyed by the United States to Eastern Washington University until December 31, 2009.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5732** To direct the Secretary of the Interior to continue stocking fish in certain lakes in the North Cascades National Park, Ross Lake National Recreation Area, and Lake Chelan National Recreation Area.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

AUTHOR INDEX

MCNULTY, Michael R. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 427** To require Federal agencies to develop and implement policies and practices that promote environmental justice, and for other purposes.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2814** To provide that no Federal funds may be expended for the payment or reimbursement of a drug that is prescribed to a sex offender for the treatment of sexual or erectile dysfunction.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.

- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

MEEHAN, Martin T. of Massachusetts

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 394** To direct the Secretary of the Interior to conduct a boundary study to evaluate the significance of the Colonel James Barrett Farm in the Commonwealth of Massachusetts and the suitability and feasibility of its inclusion in the National Park System as part of the Minute Man National Historical Park, and for other purposes.
- H.R. 395** To adjust the boundary of Lowell National Historical Park, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 956** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

MEEHAN, Martin T. of Massachusetts—Continued

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.

MEEK, Kendrick B. of Florida

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

MEEKS, Gregory W. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3316** To require the National Park Service to make necessary safety improvements to the Statue of Liberty and to fully reopen the Statue to the public.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3581** To establish the African Burial Ground National Historic Site and the African Burial Ground International Memorial Museum in New York, New York, and for other purposes.

MEEKS, Gregory W. of New York—Continued

- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

MELANCON, Charlie of Louisiana

- H.R. 522** To establish the Atchafalaya National Heritage Area, Louisiana, and for other purposes.
- H.R. 1515** To adjust the boundary of the Barataria Preserve Unit of the Jean Lafitte National Historical Park and Preserve in the State of Louisiana, and for other purposes.
- H.R. 1551** To amend the Outer Continental Shelf Lands Act to provide a domestic offshore energy reinvestment program, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1596** To amend the Outer Continental Shelf Lands Act to promote uses on the Outer Continental Shelf.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3958** To provide disaster relief and incentives for economic recovery for Louisiana residents and businesses affected by Hurricane Katrina.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5018** To reauthorize the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

- H.R. 6401** To promote the fair production of oil and gas on the Outer Continental Shelf.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

MENENDEZ, Robert of New Jersey

- H.R. 150** To authorize the Secretary of the Interior to provide a grant to the State of New Jersey for the construction of a memorial to the New Jersey victims of the terrorist attacks of September 11, 2001.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1798** To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.

MENENDEZ, Robert of New Jersey—Continued

- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- S. 1509** To amend the Lacey Act Amendments of 1981 to add non-human primates to the definition of prohibited wildlife species.

MICA, John L. of Florida

- H.R. 694** To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.
- H.R. 1836** To designate the information center at Canaveral National Seashore as the "T.C. Wilder, Jr., Canaveral National Seashore Information Center".
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

MICHAUD, Michael H. of Maine

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 2059** To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.
- H.R. 2332** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 2692** To extend the Acadia National Park Advisory Commission, to provide improved visitor services at the park, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote reining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3278** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

MICHAUD, Michael H. of Maine—Continued

- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

MIKULSKI, Barbara A. of Maryland

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 958** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.

MILLENDER-MCDONALD, Juanita of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 174** To encourage greater use of geothermal energy resources.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.

- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

MILLER, Brad of North Carolina

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

MILLER, Candice S. of Michigan

- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

MILLER, Candice S. of Michigan—Continued

- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5030** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to establish vessel ballast water management requirements, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

MILLER, Gary G. of California

- H.R. 18** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 177** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Prado Basin Natural Treatment System Project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project, and for other purposes.
- H.R. 802** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga Valley Water District recycling project.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3929** To amend the Water Desalination Act of 1996 to authorize the Secretary of the Interior to assist in research and development, environmental and feasibility studies, and preliminary engineering for the Municipal Water District of Orange County, California, Dana Point Desalination Project located at Dana Point, California.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5786** To authorize the Secretary, in cooperation with the City of San Juan Capistrano, California, to participate in the design, planning, and construction of, an advanced water treatment plant facility and recycled water system, and for other purposes.

MILLER, George of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 296** To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 355** To provide for a resource study of the area known as the Rim of the Valley Corridor in the State of California to evaluate alternatives for protecting resources of the corridor, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1090** To designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

MILLER, George of California—Continued

- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3278** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6218** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Bay Area Regional Water Recycling Program projects, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 6377** To authorize the implementation of the San Joaquin River Restoration Settlement.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 856** Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

MILLER, Jeff of Florida

- H.R. 479** To replace a Coastal Barrier Resources System map relating to Coastal Barrier Resources System Grayton Beach Unit FL-95P in Walton County, Florida.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.

MILLER, Jeff of Florida—Continued

- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3300** To amend the Endangered Species Act of 1973 to authorize species recovery agreements under which the Federal Government is obligated to make annual payments or provide other compensation for activities that improve the recovery of one or more species listed under that Act, and for other purposes.
- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4064** To provide for the inclusion of Department of Defense property on Santa Rosa and Okaloosa Island, Florida, in the Gulf Islands National Seashore if the property is ever excess to the needs of the Armed Forces.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 5302** To amend the Internal Revenue Code of 1986 to suspend the highway fuels taxes, to provide for suspension of royalty relief, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

MOLLOHAN, Alan B. of West Virginia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

MOORE, Dennis of Kansas

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 413** To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

MOORE, Gwen of Wisconsin

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

MORAN, James P. of Virginia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1975** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Bear Creek Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.
- H.R. 2053** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

MORAN, James P. of Virginia—Continued

- H.R. 3349** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 5817** To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.
- H.R. 5895** To amend the National Trails System Act to designate the Washington-Rochambeau Revolutionary Route National Historic Trail.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 769** Recognizing Virginia's James River as "America's Founding River".
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

MORAN, Jerry of Kansas

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 413** To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4000** To authorize the Secretary of the Interior to revise certain repayment contracts with the Bostwick Irrigation District in Nebraska, the Kansas Bostwick Irrigation District No. 2, the Frenchman-Cambridge Irrigation District, and the Webster Irrigation District No. 4, all a part of the Pick-Sloan Missouri Basin Program, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4750** To authorize the Secretary of the Interior to conduct a study to determine the feasibility of implementing a water supply and conservation project to improve water supply reliability, increase the capacity of water storage, and improve water management efficiency in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

MURKOWSKI, Lisa of Alaska

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 225** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of public land.
- S. 449** To facilitate shareholder consideration of proposals to make Settlement Common Stock under the Alaska Native Claims Settlement Act available to missed enrollees, eligible elders, and eligible persons born after December 18, 1971, and for other purposes.
- S. 895** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe affordable, and reliable water supply to rural residents.
- S. 1017** To reauthorize grants for the water resources research and technology institutes established under the Water Resources Research Act of 1984.
- S. 1338** To require the Secretary of the Interior, acting through the Bureau of Reclamation and the United States Geological Survey, to conduct a study on groundwater resources in the State of Alaska, and for other purposes.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- S. 2245** To establish an Indian youth telemental health demonstration project.

MURPHY, Tim of Pennsylvania

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.

MURRAY, Patty of Washington

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 152** To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- S. 206** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- S. 362** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- S. 1250** To reauthorize the Great Ape Conservation Act of 2000.

MURTHA, John P. of Pennsylvania

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 2788** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.

MUSGRAVE, Marilyn N. of Colorado

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 481** To further the purposes of the Sand Creek Massacre National Historic Site Establishment Act of 2000.
- H.R. 774** To adjust the boundary of Rocky Mountain National Park in the State of Colorado.
- H.R. 975** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 2555** To authorize the construction of the Arkansas Valley Conduit in the State of Colorado, and for other purposes.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3443** To direct the Secretary of the Interior to convey certain water distribution facilities to the Northern Colorado Water Conservancy District.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

MUSGRAVE, Marilyn N. of Colorado—Continued

- H.R. 4235** To designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4539** To amend the Cache La Poudre River Corridor Act to designate a new management entity, make certain technical and conforming amendments, enhance private property protections, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5283** To establish the Granada Relocation Center National Historic Site as an affiliated unit of the National Park System.
- H.R. 5305** To address the forest and watershed emergency in the State of Colorado that has been exacerbated by the bark beetle infestation, to provide for the conduct of activities in the State to reduce the risk of wildfire and flooding, to promote economically healthy rural communities by reinvigorating the forest products industry in the State, to encourage the use of biomass fuels for energy, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5462** To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.
- H.R. 6245** To designate as wilderness certain land within the Rocky Mountain National Park, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 369** Expressing the support of Congress for the "25 x '25" initiative, which envisions that farm, forestry, and ranch lands in the United States will provide by 2025 at least 25 percent of the energy consumed in the United States, and, in furtherance of the "25 x '25" initiative, promoting the increased production of renewable energy by the forestry and agricultural communities.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

MYRICK, Sue Wilkins of North Carolina

- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 4171** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5462** To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.

NADLER, Jerrold of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.

NADLER, Jerrold of New York—Continued

- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1798** To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3581** To establish the African Burial Ground National Historic Site and the African Burial Ground International Memorial Museum in New York, New York, and for other purposes.
- H.R. 3710** To require the Secretary of the Interior to suspend Federal oil and gas royalty relief for production of oil and natural gas occurring in any period with respect to which average oil and natural gas prices exceed certain amounts, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

NAPOLITANO, Grace F. of California

- H.R. 18** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 794** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 802** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Inland Empire regional recycling project and in the Cucamonga Valley Water District recycling project.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1232** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

NAPOLITANO, Grace F. of California—Continued

- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4545** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Los Angeles County Water Supply Augmentation Demonstration Project, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5768** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to provide standards and procedures for the review of water reclamation and reuse projects.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 6377** To authorize the implementation of the San Joaquin River Restoration Settlement.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1205** To amend the Quinebaug and Shetucket Rivers Valley National Heritage Corridor Act of 1994 to extend the authorization for that corridor, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3775** To provide for the update of the Cultural Heritage and Land Management Plan for the John H. Chafee Blackstone River Valley National Heritage Corridor, to extend the authority of the John H. Chafee Blackstone River Valley National Heritage Corridor Commission, to authorize a special resources study to evaluate the suitability and feasibility of a national park unit within the Corridor, and for other purposes.
- H.R. 4376** To authorize the National Park Service to enter into a cooperative agreement with the Commonwealth of Massachusetts on behalf of Springfield Technical Community College, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5381** To establish a volunteer program and promote community partnerships for the benefit of national fish hatcheries and fisheries program offices.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

NEAL, Richard E. of Massachusetts

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

AUTHOR INDEX

NELSON, Bill of Florida

S. 50 To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.

NELSON, E. Benjamin of Nebraska

S. 50 To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.

S. 592 To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.

S. 1496 To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

NEUGEBAUER, Randy of Texas

H.R. 482 To provide for a land exchange involving Federal lands in the Lincoln National Forest in the State of New Mexico, and for other purposes.

H.R. 489 To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.

H.R. 1299 To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.

H.R. 2112 To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

H.R. 3405 To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

H.R. 3463 To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.

H.R. 3824 To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.Res. 884 Honoring the town of Nicodemus, Kansas, for its contribution to American history.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

NEY, Robert W. of Ohio

H.R. 888 To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1600 To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

NORTHUP, Anne M. of Kentucky

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.R. 5053 To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.

NORTON, Eleanor Holmes of District of Columbia

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 722 To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1595 To implement the recommendations of the Guam War Claims Review Commission.

H.R. 1615 To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.

H.R. 1648 To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2134 To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

H.R. 2595 To authorize the Administrator of General Services and the Secretary of the Interior to convey certain Federal property to the District of Columbia to increase the District's taxable property base as compensation for a structural fiscal imbalance caused by Federal mandates.

H.R. 3561 To improve the health of minority individuals.

H.R. 3563 To protect inventoried roadless areas in the National Forest System.

H.R. 3699 To provide for the sale, acquisition, conveyance, and exchange of certain real property in the District of Columbia to facilitate the utilization, development, and redevelopment of such property, and for other purposes.

H.R. 4479 To repeal provisions of the Energy Policy Act of 2005, and for other purposes.

H.R. 5047 To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.

H.R. 5053 To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.

NORTON, Eleanor Holmes of District of Columbia—Continued

- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.R. 6275** To improve the health of minority individuals.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

NORWOOD, Charlie of Georgia

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5612** To establish the Mountaintown National Scenic Area in the Chattahoochee National Forest, Georgia, and to designate additional National Forest System land in the State of Georgia as components of the National Wilderness Preservation System.

NUNES, Devin of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 409** To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2383** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California, as the "C.W. 'Bill' Jones Pumping Plant".
- H.R. 3691** To amend the Central Valley Project Improvement Act to provide for improved water management and conservation, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5760** To fulfill President Clinton's commitments made as part of the designation of the Giant Sequoia National Monument by presidential proclamation to provide a transition from the timber sale program in effect before the designation to the more restrictive management anticipated for the national monument, to promote the Kings River Research Project in the Sierra National Forest, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

NUSSLE, Jim of Iowa

- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

OBERSTAR, James L. of Minnesota

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2566** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3104** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3330** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3332** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3512** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3514** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3544** To provide for the stabilization of prices for gasoline, and for other purposes.
- H.R. 3649** To ensure funding for sportfishing and boating safety programs funded out of the Highway Trust Fund through the end of fiscal year 2005, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5678** To provide for enhanced safety and environmental protection in pipeline transportation, to provide for enhanced reliability in the transportation of the Nation's energy products by pipeline, and for other purposes.
- H.R. 5895** To amend the National Trails System Act to designate the Washington-Rochambeau Revolutionary Route National Historic Trail.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

OBEY, David R. of Wisconsin

- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.

OLVER, John W. of Massachusetts

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 938** To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes.
- H.R. 956** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

OLVER, John W. of Massachusetts—Continued

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5311** To establish the Upper Housatonic Valley National Heritage Area.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

ORTIZ, Solomon P. of Texas

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 386** To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 855** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Brownsville Public Utility Board water recycling and desalinization project.

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1656** To correct maps depicting Unit T-10 of the John H. Chafee Coastal Barrier Resources System.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 3179** To reauthorize and amend the Junior Duck Stamp Conservation and Design Program Act of 1994.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4788** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- H.R. 5018** To reauthorize the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

OSBORNE, Tom of Nebraska

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1197** To extend the water service contract for the Ainsworth Unit, Sandhills Division, Pick-Sloan Missouri Basin Program, Nebraska.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.

OSBORNE, Tom of Nebraska—Continued

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3871** To authorize the Secretary of Interior to convey to The Missouri River Basin Lewis and Clark Interpretive Trail and Visitor Center Foundation, Inc. certain Federal land associated with the Lewis and Clark National Historic Trail in Nebraska, to be used as an historical interpretive site along the trail.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4000** To authorize the Secretary of the Interior to revise certain repayment contracts with the Bostwick Irrigation District in Nebraska, the Kansas Bostwick Irrigation District No. 2, the Frenchman-Cambridge Irrigation District, and the Webster Irrigation District No. 4, all a part of the Pick-Sloan Missouri Basin Program, and for other purposes.
- H.R. 4080** To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4750** To authorize the Secretary of the Interior to conduct a study to determine the feasibility of implementing a water supply and conservation project to improve water supply reliability, increase the capacity of water storage, and improve water management efficiency in the Republican River Basin between Harlan County Lake in Nebraska and Milford Lake in Kansas.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

OTTER, C. L. "Butch" of Idaho

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 975** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1576** To rename the Snake River Birds of Prey National Conservation Area in the State of Idaho as the Morley Nelson Snake River Birds of Prey National Conservation Area in honor of the late Morley Nelson, an international authority on birds of prey, who was instrumental in the establishment of this National Conservation Area, and for other purposes.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 1852** To direct the Secretary of the Interior to extend certain water contracts in Idaho, and for other purposes.
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 2563** To authorize the Secretary of the Interior to conduct feasibility studies to address certain water shortages within the Snake, Boise, and Payette River systems in Idaho, and for other purposes.
- H.R. 2718** To authorize the exchange of certain Federal land within the State of Idaho, and for other purposes.
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.

OTTER, C. L. "Butch" of Idaho—Continued

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4970** To ensure general aviation aircraft access to Federal land and to the airspace over Federal land.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.
- OWENS, Major R. of New York**
- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3316** To require the National Park Service to make necessary safety improvements to the Statue of Liberty and to fully reopen the Statue to the public.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5423** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Oak Point and North Brother Island in the Bronx in the State of New York as a unit of the National Park System.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.

OWENS, Major R. of New York—Continued

- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.
- H.Con.Res. 55** Honoring the flight crew members lost during the terrorist attacks against the United States on September 11, 2001.

OXLEY, Michael G. of Ohio

- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4612** To redesignate Dayton Aviation Heritage National Historic Park in the State of Ohio as "Wright Brothers-Dunbar National Historic Park," and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

PALLONE, Frank Jr. of New Jersey

- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 890** To provide for the establishment of national and global tsunami warning systems and to provide assistance for the relief and rehabilitation of victims of the Indian Ocean tsunami and for the reconstruction of tsunami-affected countries.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1096** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 1798** To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.
- H.R. 2059** To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3692** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.

PALLONE, Frank Jr. of New Jersey—Continued

- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3835** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4788** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- H.R. 4871** To ensure the coordination and integration of Indian tribes in the National Homeland Security strategy and to establish an Office of Tribal Government Homeland Security within the Department of Homeland Security, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.
- H.R. 5996** To establish the Raritan Bay Stewardship Initiative.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

PASCARELL, Bill Jr. of New Jersey

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1096** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 4676** To direct the Secretary of the Interior to conduct a study to determine the feasibility and suitability of designating the 9-11 Memorial in West Orange, New Jersey, as unit of the National Park System, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.

PASTOR, Ed of Arizona

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 631** To provide for acquisition of subsurface mineral rights to land owned by the Pascua Yaqui Tribe and land held in trust for the Tribe, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

PASTOR, Ed of Arizona—Continued

- H.R. 794** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1199** To direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study of certain land adjacent to the Walnut Canyon National Monument in the State of Arizona.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1250** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2618** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3590** To amend the Community Forest Restoration Act to expand the Collaborative Forest Restoration Program established under such Act to cover the State of Arizona in addition to the State of New Mexico, and for other purposes.
- H.R. 3961** To authorize the National Park Service to pay for services rendered by subcontractors under a General Services Administration Indefinite Deliver/Indefinite Quantity Contract issued for work to be completed at the Grand Canyon National Park.
- H.R. 5957** To designate segments of Fossil Creek, a tributary to the Verde River in the State of Arizona, as wild and scenic rivers.
- H.R. 6373** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4004** To reduce the price of gasoline by allowing for offshore drilling, eliminating Federal obstacles to constructing refineries and providing incentives for investment in refineries, suspending Federal fuel taxes when gasoline prices reach a benchmark amount, and promoting free trade.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

PAUL, Ron of Texas

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4004** To reduce the price of gasoline by allowing for offshore drilling, eliminating Federal obstacles to constructing refineries and providing incentives for investment in refineries, suspending Federal fuel taxes when gasoline prices reach a benchmark amount, and promoting free trade.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Con.Res. 147** Supporting the designation of a National American Waters Heritage Month each year.

PAYNE, Donald M. of New Jersey

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1096** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

PAYNE, Donald M. of New Jersey—Continued

- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4676** To direct the Secretary of the Interior to conduct a study to determine the feasibility and suitability of designating the 9-11 Memorial in West Orange, New Jersey, as unit of the National Park System, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.

PEARCE, Stevan of New Mexico

- H.R. 482** To provide for a land exchange involving Federal lands in the Lincoln National Forest in the State of New Mexico, and for other purposes.
- H.R. 485** To provide that the royalty rate on the output from Federal lands of potassium and potassium compounds from the mineral sylvite in the 5-year period beginning on the date of the enactment of this Act shall be reduced to 1.0 percent, and for other purposes.
- H.R. 486** To provide for a land exchange involving private land and Bureau of Land Management land in the vicinity of Holloman Air Force Base, New Mexico, for the purpose of removing private land from the required safety zone surrounding munitions storage bunkers at Holloman Air Force Base.
- H.R. 487** To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 600** To clarify issues of criminal jurisdiction within the exterior boundaries of Pueblo lands.
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

PEARCE, Stevan of New Mexico—Continued

- H.R. 4418** To direct the Secretary of the Interior to establish a rural water supply program in the Reclamation States to provide a clean, safe, affordable, and reliable water supply to rural residents.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4882** To ensure the proper remembrance of Vietnam veterans and the Vietnam War by providing a deadline for the designation of a visitor center for the Vietnam Veterans Memorial.
- H.R. 5411** To direct the Secretary of the Interior to establish a demonstration program to facilitate landscape restoration programs within certain units of the National Park System established by law to preserve and interpret resources associated with American history, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5802** To amend the National Park Service Concessions Management Improvement Act of 1998, to extend to additional small businesses the preferential right to renew a concessions contract entered into under such Act, to facilitate the renewal of a commercial use authorization granted under such Act, and for other purposes.
- H.R. 5842** To compromise and settle all claims in the case of Pueblo of Isleta v. United States, to restore, improve, and develop the valuable on-reservation land and natural resources of the Pueblo, and for other purposes.
- H.R. 5861** To amend the National Historic Preservation Act, and for other purposes.
- H.R. 6013** To amend the Act of August 21, 1935, to extend the authorization for the National Park System Advisory Board, and for other purposes.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6037** To direct the Secretary of Agriculture to convey to the village of Santa Clara, the city of Bayard, or the county of Grant, in the State of New Mexico, in tracts of not less than 40 acres, at market price at its present state of use as agricultural grazing lands as determined by the Secretary, for business and community development, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.R. 6156** To provide for the exchange of certain land in the Lincoln National Forest, New Mexico, with the owners of Ranchman's Camp and the C Bar X Ranch, to adjust the proclamation boundary of that national forest, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6298** To clarify congressional intent with respect to the nature of rights-of-way granted and accepted under former section 2477 of the Revised Statutes, and for other purposes.

PELOSI, Nancy of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 296** To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 957** To clarify the authorities for the use of certain National Park Service properties within Golden Gate National Recreation Area and San Francisco Maritime National Historical Park, and for other purposes.

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 856** Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

PENCE, Mike of Indiana

- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

PENCE, Mike of Indiana—Continued

- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

PETERSON, Collin C. of Minnesota

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3754** To provide disaster assistance to agricultural producers for 2005 crop and livestock losses, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Con.Res. 185** Recognizing the Forest Service of the Department of Agriculture for 100 years of dedicated service and caring for the forest lands of the United States.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

PETERSON, John E. of Pennsylvania

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4251** To help relieve the shortage in the supply of firewood for home heating use by making additional quantities of free firewood available to individuals from National Forest System lands.

PETERSON, John E. of Pennsylvania—Continued

- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4957** To direct the Secretary of the Interior to convey the Tylersville division of the Lamar National Fish Hatchery and Fish Technology Center to the State of Pennsylvania.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

PETRI, Thomas E. of Wisconsin

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2332** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 2566** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3104** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3330** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3332** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3512** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3514** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5168** For the relief of Eric Westhagen.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

PICKERING, Charles W. "Chip" Jr. of Mississippi

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4514** To assist low-income families, displaced from their residences in the States of Alabama, Louisiana, and Mississippi as a result of Hurricane Katrina or Hurricane Rita, by establishing within the Department of Housing and Urban Development a homesteading initiative that offers displaced low-income families the opportunity to purchase a home owned by the Federal Government, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

PITTS, Joseph R. of Pennsylvania

- H.R. 1640** To ensure jobs for our future with secure and reliable energy.

PITTS, Joseph R. of Pennsylvania—Continued

- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

PLATTS, Todd Russell of Pennsylvania

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 2722** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Camp Security, located in Springettsbury, York County, Pennsylvania, as a unit of the National Park System.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.

POE, Ted of Texas

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.

POE, Ted of Texas—Continued

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4908** To require the Secretary of the Interior to offer the 181 Area of the Gulf of Mexico for oil and gas leasing.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.

POMBO, Richard W. of California

- H.R. 6** To ensure jobs for our future with secure, affordable, and reliable energy.
- H.R. 186** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 512** To require the prompt review by the Secretary of the Interior of the longstanding petitions for Federal recognition of certain Indian tribes, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 584** To authorize the Secretary of the Interior to recruit volunteers to assist with, or facilitate, the activities of various agencies and offices of the Department of the Interior.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1428** To authorize appropriations for the National Fish and Wildlife Foundation, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3182** To reauthorize the Water Desalination Act of 1996, and for other purposes.
- H.R. 3350** To amend the Native American Business Development, Trade Promotion, and Tourism Act of 2000 to establish the Tribal Development Corporation Feasibility Study Group.
- H.R. 3351** To make technical corrections to laws relating to Native Americans, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3812** To authorize the Secretary of the Interior to prepare a feasibility study with respect to the Mokelumne River, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4075** To amend the Marine Mammal Protection Act of 1972 to provide for better understanding and protection of marine mammals, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

- H.R. 4251** To help relieve the shortage in the supply of firewood for home heating use by making additional quantities of free firewood available to individuals from National Forest System lands.
- H.R. 4292** To amend Public Law 107-153 to further encourage the negotiated settlement of tribal claims.
- H.R. 4322** To provide for Indian trust asset management reform and resolution of historical accounting claims, and for other purposes.
- H.R. 4686** To reauthorize various fisheries management laws, and for other purposes.
- H.R. 4882** To ensure the proper remembrance of Vietnam veterans and the Vietnam War by providing a deadline for the designation of a visitor center for the Vietnam Veterans Memorial.
- H.R. 4893** To amend section 20 of the Indian Gaming Regulatory Act to restrict off-reservation gaming.
- H.R. 5018** To reauthorize the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 5429** To direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program that will result in an environmentally sound program for the exploration, development, and production of the oil and gas resources of the Coastal Plain of Alaska, and for other purposes.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5622** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 5946** To amend Magnuson-Stevens Fishery Conservation and Management Act to authorize activities to promote improved monitoring and compliance for high seas fisheries, or fisheries governed by international fishery management agreements, and for other purposes.
- H.R. 6014** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to improve California's Sacramento-San Joaquin Delta and water supply.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6377** To authorize the implementation of the San Joaquin River Restoration Settlement.
- H.Res. 309** Expressing the importance of immediately reopening the famous Beartooth All-American Highway from Red Lodge, Montana, to Yellowstone National Park in Wyoming.
- H.J.Res. 83** To memorialize and honor the contribution of Chief Justice William H. Rehnquist.
- H.Con.Res. 267** Expressing the sense of the Congress upholding the Makah Tribe treaty rights.

POMEROY, Earl of North Dakota

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 3754** To provide disaster assistance to agricultural producers for 2005 crop and livestock losses, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5331** To promote energy production and conservation, and for other purposes.

POMEROY, Earl of North Dakota—Continued

- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

PORTER, Jon C. of Nevada

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 542** To direct the Secretary of the Interior to convey certain land in Washoe County, Nevada, to the Board of Regents of the University and Community College System of Nevada.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 849** To provide for the conveyance of certain public land in Clark County, Nevada, for use as a heliport.
- H.R. 1467** To provide for the conveyance of certain Bureau of Land Management land in the State of Nevada to the Las Vegas Motor Speedway, and for other purposes.
- H.R. 2425** To direct the Secretary of the Interior to convey to the City of Henderson, Nevada, certain Federal land located in the City, and for other purposes.
- H.R. 2993** To provide for the sale of excess wild free-roaming horses and burros.
- H.R. 4294** To authorize the Secretary of the Interior to enter into cooperative agreements to protect natural resources of units of the National Park System through collaborative efforts on land inside and outside of units of the National Park System, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4345** To provide for the conveyance of a United States Fish and Wildlife Service administrative site to the city of Las Vegas, Nevada.
- H.R. 4382** To provide for the conveyance of certain land in Clark County, Nevada, for use by the Nevada National Guard.
- H.R. 4577** To direct the Secretary of Agriculture to convey certain real property in the Dixie National Forest in the State of Utah, and for other purposes.
- H.R. 4627** To validate certain conveyances made by the Union Pacific Railroad Company of lands located in Reno, Nevada, that were originally conveyed by the United States to facilitate construction of transcontinental railroads, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5155** To provide for the release of certain land from the Sunrise Mountain Instant Study Area in the State of Nevada and to grant a right-of-way across the released land for the construction and maintenance of a flood control project.
- H.R. 5180** To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.
- H.R. 6383** To direct the Secretary of the Interior to convey the Alta-Hualapai Site to the city of Las Vegas, Nevada, for the development of a cancer treatment facility.

PRICE, David E. of North Carolina

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

PRICE, Tom of Georgia

- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

PRYCE, Deborah of Ohio

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

PRYCE, Deborah of Ohio—Continued

- H.R. 4612** To redesignate Dayton Aviation Heritage National Historic Park in the State of Ohio as "Wright Brothers-Dunbar National Historic Park," and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

PUTNAM, Adam H. of Florida

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3316** To require the National Park Service to make necessary safety improvements to the Statue of Liberty and to fully reopen the Statue to the public.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 824** Recognizing the effects of harmful algal blooms, including Red Tide, on the environment, and for other purposes.

RADANOVICH, George P. of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

- H.R. 353** To authorize the Secretary of the Interior to provide supplemental funding and other services that are necessary to assist certain local school districts in the State of California in providing educational services for students attending schools located within Yosemite National Park, to authorize the Secretary of the Interior to adjust the boundaries of the Golden Gate National Recreation Area, and for other purposes.
- H.R. 409** To provide for the exchange of land within the Sierra National Forest, California, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 585** To require Federal land managers to support, and to communicate, coordinate, and cooperate with, designated gateway communities, to improve the ability of gateway communities to participate in Federal land management planning conducted by the Forest Service and agencies of the Department of the Interior, and to respond to the impacts of the public use of the Federal lands administered by these agencies, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 779** To provide for a study of the potential for increasing hydroelectric power production at existing Federal facilities, and for other purposes.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1430** To authorize the Secretary of the Interior to complete a study of the feasibility of establishing the National Parks Institute in Central California.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 2383** To redesignate the facility of the Bureau of Reclamation located at 19550 Kelso Road in Byron, California, as the "C.W. "Bill" Jones Pumping Plant".
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3897** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation to enter into a cooperative agreement with the Madera Irrigation District for purposes of supporting the Madera Water Supply and Groundwater Enhancement Project.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

RADANOVICH, George P. of California—Continued

- H.R. 5760** To fulfill President Clinton's commitments made as part of the designation of the Giant Sequoia National Monument by presidential proclamation to provide a transition from the timber sale program in effect before the designation to the more restrictive management anticipated for the national monument, to promote the Kings River Research Project in the Sierra National Forest, and for other purposes.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6377** To authorize the implementation of the San Joaquin River Restoration Settlement.

RAHALL, Nick J. II of West Virginia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 62** To create the Office of Chief Financial Officer of the Government of the Virgin Islands, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 298** To require the Secretary of the Interior to provide public access to Farallon National Wildlife Refuge, Navassa National Wildlife Refuge, and Desecheo National Wildlife Refuge.
- H.R. 309** To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1183** To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 3446** To amend the National Historic Preservation Act to provide appropriation authorization and improve the operations of the Advisory Council on Historic Preservation.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.

- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4292** To amend Public Law 107-153 to further encourage the negotiated settlement of tribal claims.
- H.R. 4322** To provide for Indian trust asset management reform and resolution of historical accounting claims, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4882** To ensure the proper remembrance of Vietnam veterans and the Vietnam War by providing a deadline for the designation of a visitor center for the Vietnam Veterans Memorial.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 656** Expressing the sense of the House that the Secretary of Health and Human Services, acting through the Director of Indian Health Service, should maintain the current operating hours of the Wagner Service Unit until the Secretary submits to Congress a new report that accurately describes the current conditions at the Wagner Service Unit.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

RAMSTAD, Jim of Minnesota

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

RAMSTAD, Jim of Minnesota—Continued

- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5302** To amend the Internal Revenue Code of 1986 to suspend the highway fuels taxes, to provide for suspension of royalty relief, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.

RANGEL, Charles B. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.

- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3581** To establish the African Burial Ground National Historic Site and the African Burial Ground International Memorial Museum in New York, New York, and for other purposes.
- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5149** To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

REED, Jack of Rhode Island

- S. 39** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.

REGULA, Ralph of Ohio

- H.R. 189** To provide for the retention of the name of Mount McKinley.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote reining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4245** To provide for programs and activities with respect to pandemic influenza, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

REHBERG, Dennis R. of Montana

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.

- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 2978** To allow the Assiniboine and Sioux Tribes of the Fort Peck Indian Reservation to enter into a lease or other temporary conveyance of water rights recognized under the Fort Peck-Montana Compact for the purpose of meeting the water needs of the Dry Prairie Rural Water Association, Incorporated, and for other purposes.
- H.R. 2979** To amend the Crow Boundary Settlement Act of 1994 regarding the distribution of capital gains from the Crow Tribal Trust Fund.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4970** To ensure general aviation aircraft access to Federal land and to the airspace over Federal land.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5705** To authorize the Secretary of the Interior to conduct studies to determine the feasibility and environmental impact of rehabilitating the St. Mary Diversion and Conveyance Works and the Milk River Project, to authorize the rehabilitation and improvement of the St. Mary Diversion and Conveyance Works, to develop an emergency response plan for use in the case of catastrophic failure of the St. Mary Diversion and Conveyance Works, and for other purposes.
- H.R. 5804** To extend the Federal relationship to the Little Shell Tribe of Chippewa Indians of Montana as a distinct federally recognized Indian tribe, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

REHBERG, Dennis R. of Montana—Continued

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

REICHERT, David G. of Washington

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 851** To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 5999** To provide for the conveyance of a parcel of National Forest System land in Kittitas County, Washington, to facilitate the construction of a new fire and rescue station, and for other purposes.
- H.R. 6119** To provide for the equitable settlement of claims of Indian tribes in the region of Puget Sound, Washington regarding treaty rights to take shellfish from lands in that region, and for other purposes.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

REID, Harry of Nevada

- S. 252** To direct the Secretary of the Interior to convey certain land in Washoe County, Nevada, to the Board of Regents of the University and Community College System of Nevada.
- S. 253** To direct the Secretary of the Interior to convey certain land to the land to the Edward H. McDaniel American Legion Post No. 22 in Pahrump, Nevada, for the construction of a post building and memorial park for use by the American Legion, other veterans' groups, and the local community.
- S. 1484** To amend the Fallon Paiute Shoshone Indian Tribes Water Rights Settlement Act of 1990.
- S. 2041** To provide for the conveyance of a United States Fish and Wildlife Service administrative site to the city of Las Vegas, Nevada.

RENZI, Rick of Arizona

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 410** To provide for a land exchange in the State of Arizona between the Secretary of Agriculture and Yavapai Ranch Limited Partnership.
- H.R. 411** To recognize the importance of livestock ranching to the history and continued economic vitality of the western United States and to compensate ranchers when certain Government actions result in the loss or reduction in animal unit months authorized under a grazing permit or lease issued by a Federal land management agency, and for other purposes.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 794** To correct the south boundary of the Colorado River Indian Reservation in Arizona, and for other purposes.
- H.R. 1019** To modify the boundary of the Casa Grande Ruins National Monument, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1199** To direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study of certain land adjacent to the Walnut Canyon National Monument in the State of Arizona.
- H.R. 1250** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 1284** To authorize the placement of an equestrian statue depicting frontiersman, explorer, and missionary Jacob Hamblin on the grounds of the Forest Service Kaibab Plateau Visitor Center in Jacob Lake, Arizona, and for other purposes.
- H.R. 1436** To remove certain use restrictions on property located in Navajo County, Arizona.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1837** To amend the Endangered Species Act of 1973 to establish limitations on the designation of critical habitat, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 2618** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.
- H.R. 3590** To amend the Community Forest Restoration Act to expand the Collaborative Forest Restoration Program established under such Act to cover the State of Arizona in addition to the State of New Mexico, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3961** To authorize the National Park Service to pay for services rendered by subcontractors under a General Services Administration Indefinite Deliver/Indefinite Quantity Contract issued for work to be completed at the Grand Canyon National Park.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

RENZI, Rick of Arizona—Continued

- H.R. 5180** To authorize appropriations for the Bureau of Reclamation to carry out the Lower Colorado River Multi-Species Conservation Program in the States of Arizona, California, and Nevada, and for other purposes.
- H.R. 5299** To revise a provision relating to a repayment obligation of the Fort McDowell Yavapai Nation under the Fort McDowell Indian Community Water Rights Settlement Act of 1990, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5460** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a feasibility study of the Sierra Vista Subwatershed in the State of Arizona.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 5957** To designate segments of Fossil Creek, a tributary to the Verde River in the State of Arizona, as wild and scenic rivers.
- H.R. 6029** To amend the Reclamation Safety of Dams Act of 1978 to authorize improvements for the security of dams and other facilities, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6373** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.

REYES, Silvestre of Texas

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 386** To amend the Lower Rio Grande Valley Water Resources Conservation and Improvement Act of 2000 to authorize additional projects and activities under that Act, and for other purposes.
- H.R. 469** To authorize the Secretary of the Interior to cooperate with the States on the border with Mexico and other appropriate entities in conducting a hydrogeologic characterization, mapping, and modeling program for priority transboundary aquifers, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 861** To amend the Ysleta del Sur Pueblo and Alabama and Coushatta Indian Tribes of Texas Restoration Act to decrease the requisite blood quantum required for membership in the Ysleta del Sur Pueblo tribe.
- H.R. 862** To redesignate the Rio Grande American Canal in El Paso, Texas, as the "Travis C. Johnson Canal".
- H.R. 863** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the El Paso, Texas, water reclamation, reuse, and desalinization project, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.

- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.

REYNOLDS, Thomas M. of New York

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6019** To establish the Niagara Falls National Heritage Area in the State of New York, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.

ROBERTS, Pat of Kansas

- S. 263** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 1025** To amend the Act entitled "An Act to provide for the construction of the Cheney division, Wichita Federal reclamation project, Kansas, and for other purposes" to authorize the Equus Beds Division of the Wichita Project.
- S.Con.Res. 60** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

ROGERS, Harold of Kentucky

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

ROGERS, Harold of Kentucky—Continued

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5381** To establish a volunteer program and promote community partnerships for the benefit of national fish hatcheries and fisheries program offices.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.

ROGERS, Mike of Alabama

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4864** To direct the Secretary of the Interior to study the suitability and feasibility of establishing the Chattahoochee Trace National Heritage Corridor in Alabama and Georgia, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4677** To impose a two year moratorium on the approval by the Secretary of the Interior of new Tribal-State compacts for gaming under the Indian Gaming Regulatory Act.
- H.R. 4696** To make certain reforms in lobbying, ethics, and campaign finance laws, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.

ROHRBACHER, Dana of California

- H.R. 18** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation and in coordination with other Federal, State, and local government agencies, to participate in the funding and implementation of a balanced, long-term groundwater remediation program in California, and for other purposes.
- H.R. 177** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Prado Basin Natural Treatment System Project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 3929** To amend the Water Desalination Act of 1996 to authorize the Secretary of the Interior to assist in research and development, environmental and feasibility studies, and preliminary engineering for the Municipal Water District of Orange County, California, Dana Point Desalination Project located at Dana Point, California.

ROHRBACHER, Dana of California—Continued

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

ROS-LEHTINEN, Heana of Florida

- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 856** Recognizing the national marine sanctuaries program as critical to managing the ocean and Great Lake resources of the United States, and commending local and State partners and volunteers of the program for their contribution.

ROSS, Mike of Arkansas

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 1194** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4192** To authorize the Secretary of the Interior to designate the President William Jefferson Clinton Birthplace Home in Hope, Arkansas, as a National Historic Site and unit of the National Park System, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5690** To adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.
- H.Res. 249** Celebrating the recent discovery of the Ivory-Billed Woodpecker in Eastern Arkansas.

ROTHMAN, Steven R. of New Jersey

- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.

ROTHMAN, Steven R. of New Jersey—Continued

- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2059** To prohibit the commercial harvesting of Atlantic striped bass in the coastal waters and the exclusive economic zone.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.

- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.

ROYBAL-ALLARD, Lucille of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.

ROYBAL-ALLARD, Lucille of California—Continued

- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

ROYCE, Edward R. of California

- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 177** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Prado Basin Natural Treatment System Project, to authorize the Secretary to carry out a program to assist agencies in projects to construct regional brine lines in California, to authorize the Secretary to participate in the Lower Chino Dairy Area desalination demonstration and reclamation project, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3929** To amend the Water Desalination Act of 1996 to authorize the Secretary of the Interior to assist in research and development, environmental and feasibility studies, and preliminary engineering for the Municipal Water District of Orange County, California, Dana Point Desalination Project located at Dana Point, California.

RUPPERSBERGER, C. A. Dutch of Maryland

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2053** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.

- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

RUSH, Bobby L. of Illinois

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

AUTHOR INDEX

RYAN, Paul of Wisconsin

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.Con.Res. 305** Recognizing the vital importance of hunting as a legitimate tool of wildlife resource management.

RYAN, Tim of Ohio

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 412** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of establishing the Western Reserve Heritage Area.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 760** To establish a program and criteria for National Heritage Areas in the United States, and for other purposes.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.

RYUN, Jim of Kansas

- H.R. 413** To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.
- H.R. 1261** To amend the National Trails System Act to improve the efficiency and fairness of acquiring railroad rights-of-way for interim use as public trails by applying the procedures applicable to other Federal real estate acquisitions.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.

SABO, Martin Olav of Minnesota

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1796** To amend the National Trails System Act to designate the route of the Mississippi River from its headwaters in the State of Minnesota to the Gulf of Mexico for study for potential addition to the National Trails System as a national scenic trail, national historic trail, or both, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.

SABO, Martin Olav of Minnesota—Continued

- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

SALAZAR, John T. of Colorado

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1129** To authorize the exchange of certain land in the State of Colorado.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3754** To provide disaster assistance to agricultural producers for 2005 crop and livestock losses, and for other purposes.
- H.R. 4235** To designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.
- H.R. 4383** To establish the Sangre de Cristo National Heritage Area in the State of Colorado, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4875** To amend the Healthy Forests Restoration Act of 2003 to help reduce the increased risk of severe wildfires to communities in forested areas affected by infestations of bark beetles and other insects, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

H.Res. 489 Commemorating the 100th Anniversary of the National Audubon Society.

H.Con.Res. 55 Honoring the flight crew members lost during the terrorist attacks against the United States on September 11, 2001.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

SALAZAR, Ken of Colorado

- S. 584** To require the Secretary of the Interior to allow the continued occupancy and use of certain land and improvements within Rocky Mountain National Park.

SANCHEZ, Linda T. of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.

SANCHEZ, Linda T. of California—Continued

- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4545** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Los Angeles County Water Supply Augmentation Demonstration Project, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

SANCHEZ, Loretta of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 497** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to increase the ceiling on the Federal share of the costs of phase I of the Orange County, California, Regional Water Reclamation Project.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.

- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5285** To provide a highway fuel tax holiday funded by the repeal of certain production incentives, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

SANDERS, Bernard of Vermont

- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.

SANDERS, Bernard of Vermont—Continued

- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3544** To provide for the stabilization of prices for gasoline, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 5034** To redesignate the White Rocks National Recreation Area in the State of Vermont as the "Robert T. Stafford White Rocks National Recreation Area".
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5157** To designate certain National Forest System land in the State of Vermont for inclusion in the National Wilderness Preservation system and designate a National Recreation Area.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

SANTORUM, Rick of Pennsylvania

- S. 652** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.

SARBANES, Paul S. of Maryland

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.

- S. 361** To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.
- S. 362** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- S. 777** To designate Catoctin Mountain Park in the State of Maryland as the "Catoctin Mountain National Recreation Area", and for other purposes.
- S. 958** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.

SAXTON, Jim of New Jersey

- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1571** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1798** To amend the Outer Continental Shelf Lands Act to permanently prohibit the conduct of offshore drilling on the outer Continental Shelf in the Mid-Atlantic and North Atlantic planning areas.
- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 2107** To amend Public Law 104-329 to modify authorities for the use of the National Law Enforcement Officers Memorial Maintenance Fund, and for other purposes.

SAXTON, Jim of New Jersey—Continued

- H.R. 2514** To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3603** To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.
- H.R. 3835** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5149** To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5381** To establish a volunteer program and promote community partnerships for the benefit of national fish hatcheries and fisheries program offices.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 5946** To amend Magnuson-Stevens Fishery Conservation and Management Act to authorize activities to promote improved monitoring and compliance for high seas fisheries, or fisheries governed by international fishery management agreements, and for other purposes.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

SCHAKOWSKY, Janice D. of Illinois

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

SCHAKOWSKY, Janice D. of Illinois—Continued

- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.

- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

SCHIFF, Adam B. of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 355** To provide for a resource study of the area known as the Rim of the Valley Corridor in the State of California to evaluate alternatives for protecting resources of the corridor, and for other purposes.
- H.R. 487** To impose limitations on the authority of the Secretary of the Interior to claim title or other rights to water absent specific direction of law or to abrogate, injure, or otherwise impair any right to the use of any quantity of water.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.

SCHIFF, Adam B. of California—Continued

- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

SCHMIDT, Jean of Ohio

- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

SCHWARTZ, Allyson Y. of Pennsylvania

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.

- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote reining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5232** To direct the Secretary of the Interior to initiate and complete an evaluation of lands and waters located in Northeastern Pennsylvania for their potential acquisition and inclusion in a future Cherry Valley National Wildlife Refuge, and for other purposes.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

SCHWARZ, John J.H. "Joe" of Michigan

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.

SCHWARZ, John J.H. "Joe" of Michigan—Continued

- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3431** To amend the Indian Gaming Regulatory Act to limit casino expansion.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

SCOTT, David of Georgia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2099** To establish the Arabia Mountain National Heritage Area, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2953** To designate the building located at 493 Auburn Avenue, N.E., in Atlanta, Georgia, as the "John Lewis Civil Rights Institute".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

SCOTT, Robert C. of Virginia

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1975** To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Bear Creek Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 3349** To extend Federal recognition to the Chickahominy Indian Tribe, the Chickahominy Indian Tribe-Eastern Division, the Upper Mattaponi Tribe, the Rappahannock Tribe, Inc., the Monacan Indian Nation, and the Nansemond Indian Tribe.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.Res. 769** Recognizing Virginia's James River as "America's Founding River".

SENSENBRENNER, F. James JR. of Wisconsin

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.

SENSENBRENNER, F. James JR. of Wisconsin—Continued

- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.

SERRANO, Jose E. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3701** To assure that the American people have large areas of land in healthy natural condition throughout the country to provide wildland recreational opportunities for people, provide habitat protection for native wildlife and natural plant communities, and to contribute to a preservation of water for use by downstream metropolitan communities and other users, through the establishment of a National Forest Ecosystem Protection Program composed of lands within existing wilderness areas and adjacent primitive areas, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5423** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Oak Point and North Brother Island in the Bronx in the State of New York as a unit of the National Park System.
- H.R. 5895** To amend the National Trails System Act to designate the Washington-Rochambeau Revolutionary Route National Historic Trail.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

SESSIONS, Pete of Texas

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 135** To establish the "Twenty-First Century Water Commission" to study and develop recommendations for a comprehensive water strategy to address future water needs.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

SESSIONS, Pete of Texas—Continued

- H.R. 1086** To require the Secretary of Transportation to develop and implement an environmental review process for safety emergency highway projects.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

SHADEGG, John B. of Arizona

- H.R. 1250** To amend the National Trails System Act to direct the Secretary of the Interior and the Secretary of Agriculture to jointly conduct a study on the feasibility of designating the Arizona Trail as a national scenic trail or a national historic trail.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1837** To amend the Endangered Species Act of 1973 to establish limitations on the designation of critical habitat, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2618** To authorize and direct the exchange and conveyance of certain National Forest land and other land in southeast Arizona.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.

- H.R. 3919** To amend the Federal Land Policy and Management Act to enhance the reliability of the electricity grid and reduce the threat of wildfires to electric transmission and distribution facilities on Federal lands by authorizing vegetation management on such lands.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

SHAW, E. Clay Jr. of Florida

- H.R. 1071** To direct the Secretary of Energy to make incentive payments to the owners or operators of qualified desalination facilities to partially offset the cost of electrical energy required to operate such facilities, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

SHAYS, Christopher of Connecticut

- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 499** To provide for the development of a global tsunami detection and warning system, to improve existing communication of tsunami warnings to all potentially affected nations, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1104** To repeal the Federal acknowledgment of the Schaghticoke Tribal Nation.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

SHAYS, Christopher of Connecticut—Continued

- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1344** To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1354** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2353** To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4575** To provide greater transparency with respect to lobbying activities, and for other purposes.

- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5885** To amend the Wild and Scenic Rivers Act to designate certain segments of the Eightmile River in the State of Connecticut as components of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

SHERMAN, Brad of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 355** To provide for a resource study of the area known as the Rim of the Valley Corridor in the State of California to evaluate alternatives for protecting resources of the corridor, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.

SHERMAN, Brad of California—Continued

- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5471** To provide to the Bureau of Land Management a mechanism to cancel certain mining leases for lands in the leases CA-20139 and CA-22901 and provide new leasing opportunities in the Soledad Canyon adjacent to the City of Santa Clarita, California, that reflect the historical mining levels, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

SHERWOOD, Don of Pennsylvania

- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 2722** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Camp Security, located in Springettsbury, York County, Pennsylvania, as a unit of the National Park System.
- H.R. 3124** To authorize the Secretary of the Interior to allow the Columbia Gas Transmission Corporation to increase the diameter of a natural gas pipeline located in the Delaware Water Gap National Recreation Area.
- H.R. 3281** To direct the Secretary of the Interior to establish the Cherry Valley National Wildlife Refuge in Northeastern Pennsylvania, and for other purposes.
- H.R. 3721** To amend the Omnibus Parks and Public Lands Management Act of 1996 to allow certain commercial vehicles to continue to use Route 209 within Delaware Water Gap National Recreation Area and to allow the National Park Service to continue to collect fees from those vehicles, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.R. 6263** To reauthorize the Delaware and Lehigh National Heritage Corridor Act of 1988, and for other purposes.

SHIMKUS, John of Illinois

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.

SHIMKUS, John of Illinois—Continued

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

SHUSTER, Bill of Pennsylvania

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.

SIMMONS, Rob of Connecticut

- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 1104** To repeal the Federal acknowledgment of the Schaghticoke Tribal Nation.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1205** To amend the Quinebaug and Shetucket Rivers Valley National Heritage Corridor Act of 1994 to extend the authorization for that corridor, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.

- H.R. 1344** To amend the Wild and Scenic Rivers Act to designate a segment of the Farmington River and Salmon Brook in the State of Connecticut for study for potential addition to the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1354** To provide uniform criteria for the administrative acknowledgment and recognition of Indian tribes, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3278** To amend the Magnuson-Stevens Fishery Conservation and Management Act to establish requirements for fishing quota systems, and for other purposes.
- H.R. 3835** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4575** To provide greater transparency with respect to lobbying activities, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5885** To amend the Wild and Scenic Rivers Act to designate certain segments of the Eightmile River in the State of Connecticut as components of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

SIMPSON, Michael K. of Idaho

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 975** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.

SIMPSON, Michael K. of Idaho—Continued

- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 1576** To rename the Snake River Birds of Prey National Conservation Area in the State of Idaho as the Morley Nelson Snake River Birds of Prey National Conservation Area in honor of the late Morley Nelson, an international authority on birds of prey, who was instrumental in the establishment of this National Conservation Area, and for other purposes.
- H.R. 1852** To direct the Secretary of the Interior to extend certain water contracts in Idaho, and for other purposes.
- H.R. 2514** To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3603** To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.
- H.R. 3817** To withdraw the Valle Vidal Unit of the Carson National Forest in New Mexico from location, entry, and patent under the mining laws, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4970** To ensure general aviation aircraft access to Federal land and to the airspace over Federal land.
- H.R. 5665** To authorize the Secretary of the Interior to convey certain land and improvements of the Gooding Division of the Minidoka Project, Idaho.
- H.R. 5666** To authorize early repayment of obligations to the Bureau of Reclamation within the A & B Irrigation District in the State of Idaho.
- H.R. 5817** To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.
- H.R. 6080** To establish the Mineral Commodity Information Administration in the Department of the Interior, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6409** To promote the economic development and recreational use of National Forest System lands and other public lands in central Idaho, to designate the Boulder-White Cloud Management Area to ensure the continued management of certain National Forest System lands and Bureau of Land Management lands for recreational and grazing use and conservation and resource protection, to add certain National Forest System lands and Bureau of Land Management lands in central Idaho to the National Wilderness Preservation System, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

SKELTON, Ike of Missouri

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 452** To authorize the Secretary of the Interior to conduct a study to determine the suitability and feasibility of designating the Soldiers' Memorial Military Museum located in St. Louis, Missouri, as a unit of the National Park System.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

SKELTON, Ike of Missouri—Continued

H.R. 5980 To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.

SLAUGHTER, Louise McIntosh of New York

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 307 To establish the Long Island Sound Stewardship Initiative.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 562 To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 792 To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.

H.R. 1155 To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

H.R. 1192 To establish the Abraham Lincoln National Heritage Area, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1591 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1592 To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 2129 To improve the coordination of programs for the Great Lakes.

H.R. 2930 To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.

H.R. 3313 To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.

H.R. 3420 To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 3544 To provide for the stabilization of prices for gasoline, and for other purposes.

H.R. 3563 To protect inventoried roadless areas in the National Forest System.

H.R. 3779 To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.

H.R. 4953 To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.

H.R. 5100 To establish a collaborative program to protect the Great Lakes, and for other purposes.

H.R. 5550 To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.

H.R. 6019 To establish the Niagara Falls National Heritage Area in the State of New York, and for other purposes.

H.R. 6237 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

H.Res. 175 Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.

SMITH, Adam of Washington

H.R. 13 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 586 To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.

H.R. 606 To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

H.R. 851 To enhance ecosystem protection and the range of outdoor opportunities protected by statute in the Skykomish River valley of the State of Washington by designating certain lower-elevation Federal lands as wilderness, and for other purposes.

H.R. 1124 To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1386 To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.

H.R. 1492 To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

H.R. 1591 To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 3187 To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.

H.R. 3563 To protect inventoried roadless areas in the National Forest System.

H.R. 4315 To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 5817 To adjust the boundary of the Minidoka Internment National Monument to include the Nidoto Nai Yoni Memorial in Bainbridge Island, Washington, and for other purposes.

SMITH, Adam of Washington—Continued

- H.R. 6119** To provide for the equitable settlement of claims of Indian tribes in the region of Puget Sound, Washington regarding treaty rights to take shellfish from lands in that region, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

SMITH, Christopher H. of New Jersey

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 87** To establish the Crossroads of the American Revolution National Heritage Area in the State of New Jersey, and for other purposes.
- H.R. 472** To reauthorize appropriations for the New Jersey Coastal Heritage Trail Route, and for other purposes.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1096** To establish the Thomas Edison National Historical Park in the State of New Jersey as the successor to the Edison National Historic Site.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1307** To amend the Wild and Scenic Rivers Act to designate portions of the Musconetcong River in the State of New Jersey as a component of the National Wild and Scenic Rivers System, and for other purposes.
- H.R. 1571** To prohibit the Secretary of the Interior from issuing oil and gas leases on portions of the Outer Continental Shelf located off the coast of New Jersey.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5872** To restore, protect, and preserve the natural, chemical, physical and biological integrity, and the economic potentialities, of the New York/New Jersey Bight through designation and establishment of the New Jersey/New York Clean Ocean Zone and the regulation of various activities therein, and for other purposes.
- H.R. 6192** To establish the Paterson Great Falls National Park in the State of New Jersey, and for other purposes.
- H.Res. 332** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and the need to keep them clean and safe for the public.

SMITH, Gordon of Oregon

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 166** To amend the Oregon Resource Conservation Act of 1996 to reauthorize the participation of the Bureau of Reclamation in the Deschutes River Conservancy, and for other purposes.

- S. 206** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- S. 231** To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.
- S. 232** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to assist in the implementation of fish passage and screening facilities at non-Federal water projects, and for other purposes.
- S. 251** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a water resource feasibility study for the Little Butte/Bear Creek Sub-basins in Oregon.
- S. 648** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- S. 2245** To establish an Indian youth telemental health demonstration project.
- S. 3687** To waive application of the Indian Self-Determination and Education Assistance Act to a specific parcel of real property transferred by the United States to 2 Indian tribes in the State of Oregon, and for other purposes.

SMITH, Lamar S. of Texas

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

SNOWE, Olympia of Maine

- S. 39** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 361** To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.
- S. 362** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- S. 1154** To extend the Acadia National Park Advisory Commission, to provide improved visitor services at the park, and for other purposes.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

SNYDER, Vic of Arkansas

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3520** To assist in the conservation of cranes by supporting and providing, through projects of persons and organizations with expertise in crane conservation, financial resources for the conservation programs of countries the activities of which directly or indirectly affect cranes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4192** To authorize the Secretary of the Interior to designate the President William Jefferson Clinton Birthplace Home in Hope, Arkansas, as a National Historic Site and unit of the National Park System, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5690** To adjust the boundaries of the Ouachita National Forest in the States of Oklahoma and Arkansas.
- H.R. 5895** To amend the National Trails System Act to designate the Washington-Rochambeau Revolutionary Route National Historic Trail.
- H.R. 5957** To designate segments of Fossil Creek, a tributary to the Verde River in the State of Arizona, as wild and scenic rivers.
- H.R. 5980** To direct the Secretary of the Interior to conduct a resource study along the "Ox-Bow Route" of the Butterfield Overland Trail in the States of Missouri, Tennessee, Arkansas, Oklahoma, Texas, New Mexico, Arizona, and California, and for other purposes.
- H.Res. 249** Celebrating the recent discovery of the Ivory-Billed Woodpecker in Eastern Arkansas.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

SODREL, Michael E. of Indiana

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

SOLIS, Hilda L. of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 427** To require Federal agencies to develop and implement policies and practices that promote environmental justice, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5006** To designate certain public land as wilderness and certain rivers as wild and scenic rivers in the State of California, to designate Salmon Restoration Areas, to establish the Sacramento River National Recreation Area and Ancient Bristlecone Pine Forest, and for other purposes.

SOLIS, Hilda L. of California—Continued

- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

SOUDER, Mark E. of Indiana

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 927** To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

SPECTER, Arlen of Pennsylvania

- S. 652** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.

SPRATT, John M. Jr. of South Carolina

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1194** To protect public health and safety, should the testing of nuclear weapons by the United States be resumed.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1289** To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

SPRATT, John M. Jr. of South Carolina—Continued

- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 3493** To authorize the Secretary of the Interior to study the suitability and feasibility of designating the site of the Battle of Camden in South Carolina, as a unit of the National Park System, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 5057** To authorize the Marion Park Project and Committee of the Palmetto Conservation Foundation to establish a commemorative work on Federal land in the District of Columbia, and its environs to honor Brigadier General Francis Marion.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.

STABENOW, Debbie of Michigan

- S. 1346** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- S. 2430** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.

STARK, Fortney Pete of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 296** To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.

- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2053** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.

STARK, Fortney Pete of California—Continued

- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

STEARNS, Cliff of Florida

- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 6265** To create a commission to develop a plan for establishing a Museum of Ideas.

STEVENS, Ted of Alaska

- S. 39** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 225** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of public land.
- S. 361** To develop and maintain an integrated system of ocean and coastal observations for the Nation's coasts, oceans and Great Lakes, improve warnings of tsunamis and other natural hazards, enhance homeland security, support maritime operations, and for other purposes.
- S. 362** To establish a program within the National Oceanic and Atmospheric Administration and the United States Coast Guard to help identify, determine sources of, assess, reduce, and prevent marine debris and its adverse impacts on the marine environment and navigation safety, in coordination with non-Federal entities, and for other purposes.
- S. 1338** To require the Secretary of the Interior, acting through the Bureau of Reclamation and the United States Geological Survey, to conduct a study on groundwater resources in the State of Alaska, and for other purposes.
- S. 1496** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.

STRICKLAND, Ted of Ohio

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.

- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

STUPAK, Bart of Michigan

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 3606** To modify a land grant patent issued by the Secretary of the Interior.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

STUPAK, Bart of Michigan—Continued

- H.R. 4336** To designate the visitor center and other related facilities at the U.S.S. Arizona Memorial in Hawaii as the "Pearl Harbor Memorial Site".
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4801** To extend the deadlines for distributing certain funds secured by the Michigan Indian Land Claims Settlement Act and for other purposes.
- H.R. 4802** To reaffirm and clarify the Federal relationship of the Burt Lake Band as a distinct federally recognized Indian Tribe, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5089** To enable the Great Lakes Fishery Commission to investigate effects of migratory birds on sustained productivity of stocks of fish of common concern in the Great Lakes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 6174** To redesignate the Miners Castle Information Station located near Munising, Michigan, as the "Raymond F. Clevenger Visitor Information Center at Miners Castle".
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

SULLIVAN, John of Oklahoma

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 2018** To authorize the Secretary of the Interior to provide technical and financial assistance to private landowners to restore, enhance, and manage private land to improve fish and wildlife habitats through the Partners for Fish and Wildlife Program.
- H.R. 2652** To provide for the establishment of a memorial to the U.S.S. Oklahoma as part of the USS Arizona Memorial in Pearl Harbor, Hawaii.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

SUNUNU, John E. of New Hampshire

- S. 301** To authorize the Secretary of the Interior to provide assistance in implementing cultural heritage, conservation, and recreational activities in the Connecticut River watershed of the States of New Hampshire and Vermont.
- S. 1390** To reauthorize the Coral Reef Conservation Act of 2000, and for other purposes.
- S. 2463** To designate as wilderness certain National Forest System land in the State of New Hampshire.
- S. 4001** To designate certain land in New England as wilderness for inclusion in the National Preservation system and certain land as a National Recreation Area, and for other purposes.
- S.Con.Res. 60** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

SWEENEY, John E. of New York

- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 2384** To adjust the boundary of Martin Van Buren National Historic Site, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5287** To recognize the heritage of hunting and provide opportunities for continued hunting on Federal public land.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.

TALENT, James M. of Missouri

- S.Con.Res. 60** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

TANCREDO, Thomas G. of Colorado

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 109** To provide compensation to the Lower Brule and Crow Creek Sioux Tribes of South Dakota for damage to tribal land caused by Pick-Sloan projects along the Missouri River.
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 599** To provide a source of funds to carry out restoration activities on Federal lands under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture, and for other purposes.
- H.R. 774** To adjust the boundary of Rocky Mountain National Park in the State of Colorado.

TANCREDO, Thomas G. of Colorado—Continued

- H.R. 975** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.
- H.R. 1235** To limit the authority of the Secretary of Agriculture and the Secretary of the Interior to acquire land located in a State in which 25 percent or more of all land in the State is already owned by the United States, and for other purposes.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.
- H.R. 1469** To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4235** To designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5756** To provide additional authority to the Secretary of Agriculture and the Secretary of the Interior to implement hazardous fuel reduction projects in the State of Colorado in response to dangerous fuel levels and insect infestations in forested Federal land in Colorado, to extend the maximum duration of stewardship contracts carried out in Colorado, to amend the Internal Revenue Code of 1986 to extend the credit for electricity produced from biomass, and for other purposes.
- H.Con.Res. 369** Expressing the support of Congress for the "25 x '25" initiative, which envisions that farm, forestry, and ranch lands in the United States will provide by 2025 at least 25 percent of the energy consumed in the United States, and, in furtherance of the "25 x '25" initiative, promoting the increased production of renewable energy by the forestry and agricultural communities.

TANNER, John S. of Tennessee

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

TAUSCHER, Ellen O. of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 296** To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

TAUSCHER, Ellen O. of California—Continued

- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3182** To reauthorize the Water Desalination Act of 1996, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6218** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Bay Area Regional Water Recycling Program projects, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

TAYLOR, Charles H. of North Carolina

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 4171** To provide for the consideration of a petition for Federal Recognition of the Lumbee Indians of Robeson and adjoining counties, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.

TAYLOR, Gene of Mississippi

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

TERRY, Lee of Nebraska

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 3300** To amend the Endangered Species Act of 1973 to authorize species recovery agreements under which the Federal Government is obligated to make annual payments or provide other compensation for activities that improve the recovery of one or more species listed under that Act, and for other purposes.
- H.R. 3871** To authorize the Secretary of Interior to convey to The Missouri River Basin Lewis and Clark Interpretive Trail and Visitor Center Foundation, Inc. certain Federal land associated with the Lewis and Clark National Historic Trail in Nebraska, to be used as an historical interpretive site along the trail.
- H.R. 4080** To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.

TERRY, Lee of Nebraska—Continued

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

THOMAS, Craig of Wyoming

- S. 203** To reduce temporarily the royalty required to be paid for sodium produced on Federal lands, and for other purposes.
- S. 243** To establish a program and criteria for National Heritage Areas in the United States, and for other purposes.
- S. 592** To extend the contract for the Glendo Unit of the Missouri River Basin Project in the State of Wyoming.

THOMAS, William M. of California

- H.R. 6** To ensure jobs for our future with secure, affordable, and reliable energy.
- H.R. 360** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

- H.R. 5970** To amend the Internal Revenue Code of 1986 to increase the unified credit against the estate tax to an exclusion equivalent of \$5,000,000, to repeal the sunset provision for the estate and generation-skipping taxes, and to extend expiring provisions, and for other purposes.
- H.R. 6408** To amend the Internal Revenue Code of 1986 to extend expiring provisions, and for other purposes.

THOMPSON, Bennie G. of Mississippi

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4476** To establish a global network for avian influenza surveillance among wild birds nationally and internationally to combat the growing threat of bird flu, and for other purposes.
- H.R. 4514** To assist low-income families, displaced from their residences in the States of Alabama, Louisiana, and Mississippi as a result of Hurricane Katrina or Hurricane Rita, by establishing within the Department of Housing and Urban Development a homesteading initiative that offers displaced low-income families the opportunity to purchase a home owned by the Federal Government, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

THOMPSON, Mike of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

THOMPSON, Mike of California—Continued

- H.R. 233** To designate certain National Forest System lands in the Mendocino and Six Rivers National Forests and certain Bureau of Land Management lands in Humboldt, Lake, Mendocino, and Napa Counties in the State of California as wilderness, to designate the Elkhorn Ridge Potential Wilderness Area, to designate certain segments of the Black Butte River in Mendocino County, California as a wild or scenic river, and for other purposes.
- H.R. 296** To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.
- H.R. 361** To adjust the boundary of Redwood National Park in the State of California, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1326** To enable a Bureau of Reclamation partnership with the North Bay Water Reuse Authority and other regional partners to achieve water supply, water quality, and environmental restoration objectives.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5149** To maintain the rural heritage of the Eastern Sierra and enhance the region's tourism economy by designating certain public lands as wilderness and certain rivers as wild and scenic rivers in the State of California, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5516** To allow for the renegotiation of the payment schedule of contracts between the Secretary of the Interior and the Redwood Valley County Water District, and for other purposes.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.R. 6068** To authorize the Secretary of the Interior to create a Bureau of Reclamation partnership with the North Bay Water Reuse Authority and other regional partners to achieve objectives relating to water supply, water quality, and environmental restoration.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6423** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000 and to offset the cost of payments to States and counties under such Act, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

THORNBERRY, Mac of Texas

- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 2964** To amend the National Trails System Act to designate the Chisholm Trail and Great Western Trail historic cattle-drive trails for study and for potential addition to the National Trails System, and for other purposes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.

TIAHRT, Todd of Kansas

- H.R. 413** To establish the Bleeding Kansas and the Enduring Struggle for Freedom National Heritage Area, and for other purposes.
- H.R. 1327** To amend the Act entitled "An Act to provide for the construction of the Cheney division, Witchita Federal reclamation project, Kansas, and for other purposes" to authorize the Equus Beds Division of the Wichita Project.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

TIAHRT, Todd of Kansas—Continued

- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.J.Res. 78** Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

TIBERI, Patrick J. of Ohio

- H.R. 1183** To require the Secretary of the Interior to provide public access to Navassa National Wildlife Refuge and Desecheo National Wildlife Refuge.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

TIERNEY, John F. of Massachusetts

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 956** To establish the Freedom's Way National Heritage Area in the States of Massachusetts and New Hampshire, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4940** To amend the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 5018** To reauthorize the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

TOWNS, Edolphus of New York

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 763** To amend the American Battlefield Protection Act of 1996 to establish a battlefield acquisition grant program for the acquisition and protection of nationally significant battlefields and associated sites of the Revolutionary War and the War of 1812, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.

TOWNS, Edolphus of New York—Continued

- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5423** To authorize the Secretary of the Interior to study the suitability and feasibility of designating Oak Point and North Brother Island in the Bronx in the State of New York as a unit of the National Park System.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

TURNER, Michael R. of Ohio

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 4612** To redesignate Dayton Aviation Heritage National Historic Park in the State of Ohio as "Wright Brothers-Dunbar National Historic Park," and for other purposes.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

UDALL, Mark of Colorado

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 427** To require Federal agencies to develop and implement policies and practices that promote environmental justice, and for other purposes.
- H.R. 432** To require the Secretary of the Interior to permit continued occupancy and use of certain lands and improvements within Rocky Mountain National Park.
- H.R. 489** To provide for an assessment of the extent of the invasion of Salt Cedar and Russian Olive on lands in the Western United States and efforts to date to control such invasion on public and private lands, including tribal lands, to establish a demonstration program to address the invasion of Salt Cedar and Russian Olive, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 599** To provide a source of funds to carry out restoration activities on Federal lands under the jurisdiction of the Secretary of the Interior or the Secretary of Agriculture, and for other purposes.

- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 731** To reaffirm the authority of States to regulate certain hunting and fishing activities.
- H.R. 774** To adjust the boundary of Rocky Mountain National Park in the State of Colorado.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 975** To provide consistent enforcement authority to the Bureau of Land Management, the National Park Service, the United States Fish and Wildlife Service, and the Forest Service to respond to violations of regulations regarding the management, use, and protection of public lands under the jurisdiction of these agencies, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1129** To authorize the exchange of certain land in the State of Colorado.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1232** To amend the Federal Land Policy and Management Act of 1976 to provide death and disability benefits for aerial firefighters who work on a contract basis for the Forest Service or an agency of the Department of the Interior and suffer death or disability in the line of duty, and for other purposes.
- H.R. 1265** To provide a source of funding for the reclamation of abandoned hardrock mines, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2039** To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of public land.
- H.R. 2064** To assure that development of certain Federal oil and gas resources will occur in ways that protect water resources and respect the rights of the surface owners, and for other purposes.

UDALL, Mark of Colorado—Continued

- H.R. 2110** To provide for a study of options for protecting the open space characteristics of certain lands in and adjacent to the Arapaho and Roosevelt National Forests in Colorado, and for other purposes.
- H.R. 2111** To facilitate acquisition by the Secretary of the Interior of certain mineral rights, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2332** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 2337** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.
- H.R. 2925** To amend the Reclamation States Emergency Drought Relief Act of 1991 to extend the authority for drought assistance.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3193** To designate as wilderness certain lands within the Rocky Mountain National Park in the State of Colorado.
- H.R. 3443** To direct the Secretary of the Interior to convey certain water distribution facilities to the Northern Colorado Water Conservancy District.
- H.R. 3447** To provide a means of resolving claims regarding the continued existence of rights-of-way under former section 2477 of the Revised Statutes, for the benefit of private landowners, State and local governments, and the public.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4181** To authorize the acquisition of certain mineral rights in Colorado, and for other purposes.
- H.R. 4235** To designate certain National Forest System lands in the Pike and San Isabel National Forests and certain lands in the Royal Gorge Resource Area of the Bureau of Land Management in the State of Colorado as wilderness, and for other purposes.
- H.R. 4294** To authorize the Secretary of the Interior to enter into cooperative agreements to protect natural resources of units of the National Park System through collaborative efforts on land inside and outside of units of the National Park System, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4875** To amend the Healthy Forests Restoration Act of 2003 to help reduce the increased risk of severe wildfires to communities in forested areas affected by infestations of bark beetles and other insects, and for other purposes.
- H.R. 4935** To designate as wilderness certain lands within the Rocky Mountain National Park and to adjust the boundaries of the Indian Peaks Wilderness and the Arapaho National Recreation Area on the Arapaho National Forest in the State of Colorado.
- H.R. 4936** To amend the Indian Self-Determination and Education Assistance Act to modify provisions relating to the National Fund for Excellence in American Indian Education.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5110** To facilitate the use for irrigation and other purposes of water produced in connection with development of energy resources.
- H.R. 5111** To amend the Energy Policy Act of 2005 to authorize discounted sales of royalty oil and gas taken in-kind from a Federal oil or gas lease to provide additional resources to Federal low-income energy assistance programs.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 5779** To establish the treatment of actual rental proceeds from leases of land acquired under an Act providing for loans to Indian tribes and tribal corporations.
- H.R. 5780** To amend the Indian Financing Act of 1974 to provide for sale and assignment of loans and underlying security, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

UDALL, Tom of New Mexico

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 362** To designate the Ojito Wilderness Study Area as wilderness, to take certain land into trust for the Pueblo of Zia, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 600** To clarify issues of criminal jurisdiction within the exterior boundaries of Pueblo lands.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 732** To establish the Northern Rio Grande National Heritage Area in the State of New Mexico, and for other purposes.
- H.R. 788** To provide permanent funding for the payment in lieu of taxes program, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.

UDALL, Tom of New Mexico—Continued

- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2720** To further the purposes of the Reclamation Projects Authorization and Adjustment Act of 1992 by directing the Secretary of the Interior, acting through the Commissioner of Reclamation, to carry out an assessment and demonstration program to control salt cedar and Russian olive, and for other purposes.
- H.R. 2875** To amend the Public Lands Corps Act of 1993 to provide for the conduct of projects that protect forests, and for other purposes.
- H.R. 3153** To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3817** To withdraw the Valle Vidal Unit of the Carson National Forest in New Mexico from location, entry, and patent under the mining laws, and for other purposes.
- H.R. 3818** To authorize the Secretary of Agriculture to enter into partnership agreements with entities and local communities to encourage greater cooperation in the administration of Forest Service activities on and near National Forest System lands, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4841** To amend the Ojito Wilderness Act to make a technical correction.
- H.R. 4876** To ratify a conveyance of a portion of the Jicarilla Apache Reservation to Rio Arriba County, State of New Mexico, pursuant to the settlement of litigation between the Jicarilla Apache Nation and Rio Arriba County, State of New Mexico, to authorize issuance of a patent for said lands, and to change the exterior boundary of the Jicarilla Apache Reservation accordingly, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5842** To compromise and settle all claims in the case of Pueblo of Isleta v. United States, to restore, improve, and develop the valuable on-reservation land and natural resources of the Pueblo, and for other purposes.
- H.R. 6308** To authorize the Secretary of the Interior to provide financial assistance to the Eastern New Mexico Rural Water Authority for the planning, design, and construction of the Eastern New Mexico Rural Water System, and for other purposes.
- H.R. 6436** To amend the Colorado River Storage Project Act and Public Law 87-483, to authorize the construction and rehabilitation of water infrastructure in Northwestern New Mexico, to authorize the use of the reclamation fund to fund the Reclamation Water Settlements Fund, to authorize the conveyance of certain Reclamation land and infrastructure, to authorize the Commissioner of Reclamation to provide for the delivery of water, and for other purposes.
- H.Res. 977** Reinforcing the Federal Government's Federal trust relationship and commitment to working with American Indian Nations to empower, promote, and support the educational development of American Indian and Alaska Native children and youth.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

UPTON, Fred S. of Michigan

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1640** To ensure jobs for our future with secure and reliable energy.
- H.R. 2129** To improve the coordination of programs for the Great Lakes.
- H.R. 2332** To amend the National Trails System Act to clarify Federal authority relating to land acquisition from willing sellers for the majority of the trails in the System, and for other purposes.
- H.R. 2930** To prohibit the issuance of any Federal or State permit or lease for new oil and gas slant, directional, or offshore drilling in or under one or more of the Great Lakes.
- H.R. 3532** To direct the Secretary of the Interior to conduct a study of maritime sites in the State of Michigan.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.
- H.R. 4953** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Con.Res. 277** Designating the Negro Leagues Baseball Museum in Kansas City, Missouri, as America's National Negro Leagues Baseball Museum.

VAN HOLLEN, Chris of Maryland

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.

VAN HOLLEN, Chris of Maryland—Continued

- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1592** To establish marine and freshwater research, development, and demonstration programs to support efforts to prevent, control, and eradicate invasive species, as well as to educate citizens and stakeholders and restore ecosystems.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2053** To amend the National Trails System Act to designate the Star-Spangled Banner Trail in the States of Maryland and Virginia and the District of Columbia as a National Historic Trail.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2588** To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.
- H.R. 2673** To protect diverse and structurally complex areas of the seafloor in the United States exclusive economic zone by establishing a maximum diameter size limit on rockhopper, roller, and all other groundgear used on bottom trawls, and for other purposes.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3699** To provide for the sale, acquisition, conveyance, and exchange of certain real property in the District of Columbia to facilitate the utilization, development, and redevelopment of such property, and for other purposes.
- H.R. 3973** To authorize the Forest Service and the Bureau of Land Management to carry out a series of pilot projects to encourage collaborative approaches to, and to provide research on, the rehabilitation of forest ecosystem health following uncharacteristic disturbances of forested Federal lands, to be conducted in a manner that protects wildlife habitat, water quality, and forest resiliency while also promoting social and economic opportunities in nearby communities, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.

VELAZQUEZ, Nydia M. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 539** To designate certain National Forest System land in the Commonwealth of Puerto Rico as components of the National Wilderness Preservation System.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.

VELAZQUEZ, Nydia M. of New York—Continued

- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

VISCLOSKY, Peter J. of Indiana

- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1625** To amend the Act entitled "An Act to provide for the establishment of the Indiana Dunes National Lakeshore, and for other purposes" to clarify the authority of the Secretary of the Interior to accept donations of lands that are contiguous to the Indiana Dunes National Lakeshore, and for other purposes.
- H.R. 4068** To authorize the Secretary of the Interior to lease a portion of a visitor center to be constructed outside the boundary of the Indiana Dunes National Lakeshore in Porter County, Indiana, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

VITTER, David of Louisiana

- S. 1509** To amend the Lacey Act Amendments of 1981 to add non-human primates to the definition of prohibited wildlife species.

VOINOVICH, George of Ohio

- S. 2430** To amend the Great Lakes Fish and Wildlife Restoration Act of 1990 to provide for implementation of recommendations of the United States Fish and Wildlife Service contained in the Great Lakes Fishery Resources Restoration Study.

WALDEN, Greg of Oregon

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 873** To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.
- H.R. 1090** To designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2788** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.R. 2875** To amend the Public Lands Corps Act of 1993 to provide for the conduct of projects that protect forests, and for other purposes.

- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3463** To authorize Western States to make selections of public land within their borders in lieu of receiving five per centum of the proceeds of the sale of public land lying within said States as provided by their respective Enabling Acts.
- H.R. 3618** To authorize early repayment of obligations to the Bureau of Reclamation within Rogue River Valley Irrigation District or within Medford Irrigation District.
- H.R. 3818** To authorize the Secretary of Agriculture to enter into partnership agreements with entities and local communities to encourage greater cooperation in the administration of Forest Service activities on and near National Forest System lands, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 4195** To authorize early repayment of obligations to the Bureau of Reclamation within Rogue River Valley Irrigation District or within Medford Irrigation District.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5019** To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.
- H.R. 5025** To protect for future generations the recreational opportunities, forests, timber, clean water, wilderness and scenic values, and diverse habitat of Mount Hood National Forest, Oregon, and for other purposes.
- H.R. 5079** To provide for the modification of an amendatory repayment contract between the Secretary of the Interior and the North Unit Irrigation District, and for other purposes.
- H.R. 5394** To waive application of the Indian Self-Determination and Education Assistance Act to a specific parcel of real property transferred by the United States to 2 Indian tribes in Oregon, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6241** To amend the Marine Mammal Protection Act of 1972 to reduce predation on endangered Columbia River salmon, and for other purposes.
- H.R. 6256** To authorize the Secretary of the Interior to assist in the planning, design, and construction of the Tumalo Irrigation District Water Conservation Project in Deschutes County, Oregon.
- H.R. 6423** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000 and to offset the cost of payments to States and counties under such Act, and for other purposes.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 185** Recognizing the Forest Service of the Department of Agriculture for 100 years of dedicated service and caring for the forest lands of the United States.

WALDEN, Greg of Oregon—Continued

H.Con.Res. 189 Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

WALSH, James T. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 690** To amend the National Trails System Act to authorize an additional category of national trail known as a national discovery trail, to provide special requirements for the establishment and administration of national discovery trails, and to designate the cross-country American Discovery Trail as the first national discovery trail.
- H.R. 792** To authorize appropriations for State programs and activities for the restoration of the Great Lakes, and for other purposes.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1428** To authorize appropriations for the National Fish and Wildlife Foundation, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2229** To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5100** To establish a collaborative program to protect the Great Lakes, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 5452** To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

WAMP, Zach of Tennessee

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 586** To preserve the use and access of pack and saddle stock animals on public lands, including wilderness areas, national monuments, and other specifically designated areas, administered by the National Park Service, the Bureau of Land Management, the United States Fish and Wildlife Service, or the Forest Service where there is a historical tradition of such use, and for other purposes.
- H.R. 888** To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.
- H.R. 1299** To amend the Endangered Species Act of 1973 to reform the process for designating critical habitat under that Act.
- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 2721** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote re-mining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.
- H.R. 3158** To designate the Cherokee Overhill Territory in Polk, McMinn, Monroe, and Meigs Counties in Tennessee as a National Heritage Area.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3811** To terminate the effect of laws prohibiting the spending of appropriated funds to conduct oil and natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.J.Res. 3** To acknowledge a long history of official depredations and ill-conceived policies by the United States Government regarding Indian tribes and offer an apology to all Native Peoples on behalf of the United States.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

AUTHOR INDEX

WASSERMAN SCHULTZ, Debbie of Florida

- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3251** To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

WATERS, Maxine of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

WATSON, Diane E. of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3561** To improve the health of minority individuals.

WATSON, Diane E. of California—Continued

- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

WATT, Melvin L. of North Carolina

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.

WAXMAN, Henry A. of California

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1124** To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.

WAXMAN, Henry A. of California—Continued

- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

WEINER, Anthony D. of New York

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 307** To establish the Long Island Sound Stewardship Initiative.
- H.R. 323** To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".
- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 722** To authorize programs and activities to improve energy use related to transportation and infrastructure facilities.
- H.R. 1095** To amend the Internal Revenue Code of 1986 to establish and provide a checkoff for a World Trade Center Memorial Fund, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 3316** To require the National Park Service to make necessary safety improvements to the Statue of Liberty and to fully reopen the Statue to the public.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 5160** To establish the Long Island Sound Stewardship Initiative.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 175** Recognizing the importance of establishing a national memorial at the World Trade Center site to commemorate and mourn the events of February 26, 1993, and September 11, 2001.

WELDON, Curt of Pennsylvania

- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1494** To direct the Secretary of the Interior to conduct a pilot program under which up to 15 States may issue electronic Federal migratory bird hunting stamps.
- H.R. 1584** To develop and maintain an integrated system of coastal and ocean observations for the Nation's coasts, oceans, and Great Lakes, to improve warnings of tsunamis and other natural hazards, to enhance homeland security, to support maritime operations, and for other purposes.
- H.R. 1645** To provide financial assistance for the rehabilitation of the Benjamin Franklin National Memorial in Philadelphia, Pennsylvania, and the development of an exhibit to commemorate the 300th anniversary of the birth of Benjamin Franklin.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 2939** To establish a national policy for our oceans, to strengthen the National Oceanic and Atmospheric Administration, to establish a Committee on Ocean Policy, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4882** To ensure the proper remembrance of Vietnam veterans and the Vietnam War by providing a deadline for the designation of a visitor center for the Vietnam Veterans Memorial.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5539** To reauthorize the North American Wetlands Conservation Reauthorization Act.
- H.R. 5895** To amend the National Trails System Act to designate the Washington-Rochambeau Revolutionary Route National Historic Trail.
- H.R. 6103** To amend the Act establishing the Rivers of Steel National Heritage Area in order to include Butler County, Pennsylvania, within the boundaries of that heritage area.
- H.Res. 459** Recognizing the achievements and contributions of the Waterfowl Population Survey Program of the United States Fish and Wildlife Service.

WELDON, Dave of Florida

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

WELDON, Dave of Florida—Continued

- H.R. 2112** To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".
- H.R. 3405** To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3855** To raise funds necessary to respond to Hurricane Katrina and future disasters by selling a portion of the lands administered by the Forest Service and the Department of the Interior, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5462** To suspend the Federal highway fuels taxes, to authorize the leasing, development, production, and transportation of oil and gas in and from the Coastal Plain of Alaska, and for other purposes.

WELLER, Jerry of Illinois

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 938** To establish the Upper Housatonic Valley National Heritage Area in the State of Connecticut and the Commonwealth of Massachusetts, and for other purposes.
- H.R. 1192** To establish the Abraham Lincoln National Heritage Area, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1820** To amend the Illinois and Michigan Canal National Heritage Corridor Act of 1984 to help ensure the appropriate transition of the management entity of the heritage corridor, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5724** To establish the Land Between the Rivers National Heritage Area in the State of Illinois, and for other purposes.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

WESTMORELAND, Lynn A. of Georgia

- H.R. 138** To revise the boundaries of John H. Chafee Coastal Barrier Resources System Jekyll Island Unit GA-06P.
- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 1370** To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.

- H.R. 3693** To require the Secretary of Homeland Security to prevent all unlawful entries into the United States by January 1, 2007, and for other purposes.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

WEXLER, Robert of Florida

- H.R. 562** To authorize the Government of Ukraine to establish a memorial on Federal land in the District of Columbia to honor the victims of the manmade famine that occurred in Ukraine in 1932-1933.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1648** To require Executive Order 12898 to remain in force until changed by law, to expand the definition of environmental justice, to direct each Federal agency to establish an Environmental Justice Office, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.

WEXLER, Robert of Florida—Continued

- H.R. 2693** To amend the Great Ape Conservation Act to reauthorize the Secretary of the Interior to provide project grants and emergency assistance to address critical great ape conservation needs, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 4330** To provide assistance to agricultural producers whose operations were severely damaged by the hurricanes of 2005.
- H.R. 4384** To improve the energy efficiency of the United States.
- H.R. 4479** To repeal provisions of the Energy Policy Act of 2005, and for other purposes.
- H.R. 4749** To suspend the application of any provision of Federal law under which persons are relieved from the requirement to pay royalties for production of oil or natural gas from Federal lands in periods of high oil and natural gas prices, to require the Secretary to seek to renegotiate existing oil and natural gas leases to similarly limit suspension of royalty obligations under such leases, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5047** To authorize the Secretary of the Interior to conduct a special resource study of sites associated with the life of Cesar Estrada Chavez and the farm labor movement.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 477** Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 760** Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.
- H.Res. 884** Honoring the town of Nicodemus, Kansas, for its contribution to American history.
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

WHITFIELD, Ed of Kentucky

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 537** To ensure the continuation of successful fisheries mitigation programs.
- H.R. 1600** To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize and reform the Abandoned Mine Reclamation Program, and for other purposes.
- H.R. 3085** To amend the National Trails System Act to update the feasibility and suitability study originally prepared for the Trail of Tears National Historic Trail and provide for the inclusion of new trail segments, land components, and campgrounds associated with that trail, and for other purposes.

- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5145** To authorize the National War Dogs Monument, Inc. to establish a national monument in honor of military working dog teams.
- H.R. 5381** To establish a volunteer program and promote community partnerships for the benefit of national fish hatcheries and fisheries program offices.
- H.R. 5890** To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

WICKER, Roger F. of Mississippi

- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 3835** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- H.R. 3836** To expedite the construction of new refining capacity in the United States.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4514** To assist low-income families, displaced from their residences in the States of Alabama, Louisiana, and Mississippi as a result of Hurricane Katrina or Hurricane Rita, by establishing within the Department of Housing and Urban Development a homesteading initiative that offers displaced low-income families the opportunity to purchase a home owned by the Federal Government, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4893** To amend section 20 of the Indian Gaming Regulatory Act to restrict off-reservation gaming.
- H.R. 4963** To recognize the right of the Commonwealth of Puerto Rico to call a constitutional convention through which the people of Puerto Rico would exercise their right to self-determination, and to establish a mechanism for congressional consideration of such decision.
- H.R. 5099** To provide disaster assistance to agricultural producers for crop and livestock losses, and for other purposes.

WICKER, Roger F. of Mississippi—Continued

H.R. 5890 To establish the American-Made Energy Trust Fund, to increase the tax credits for cellulosic biomass ethanol, to extend tax incentives for solar and fuel cell property, to promote coal-to-liquid fuel activities, to direct the Secretary of the Interior to establish and implement a competitive oil and gas leasing program for the Coastal Plain of Alaska, and for other purposes.

WILSON, Heather of New Mexico

H.R. 13 To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.

H.R. 362 To designate the Ojito Wilderness Study Area as wilderness, to take certain land into trust for the Pueblo of Zia, and for other purposes.

H.R. 600 To clarify issues of criminal jurisdiction within the exterior boundaries of Pueblo lands.

H.R. 1711 To provide assistance to the State of New Mexico for the development of comprehensive State water plans, and for other purposes.

H.R. 2873 To clear title to certain real property in New Mexico associated with the Middle Rio Grande Project, and for other purposes.

H.R. 3153 To reauthorize the Upper Colorado and San Juan River Basin endangered fish recovery implementation programs.

H.R. 3817 To withdraw the Valle Vidal Unit of the Carson National Forest in New Mexico from location, entry, and patent under the mining laws, and for other purposes.

H.R. 4575 To provide greater transparency with respect to lobbying activities, and for other purposes.

H.R. 4876 To ratify a conveyance of a portion of the Jicarilla Apache Reservation to Rio Arriba County, State of New Mexico, pursuant to the settlement of litigation between the Jicarilla Apache Nation and Rio Arriba County, State of New Mexico, to authorize issuance of a patent for said lands, and to change the exterior boundary of the Jicarilla Apache Reservation accordingly, and for other purposes.

H.R. 5192 To authorize the Secretary of the Interior to make available cost-shared grants and enter into cooperative agreements to further the goals of the Water 2025 Program by improving water conservation, efficiency, and management in the Reclamation States, and for other purposes.

H.R. 5312 To amend the Indian Health Care Improvement Act to revise and extend that Act.

H.R. 5842 To compromise and settle all claims in the case of Pueblo of Isleta v. United States, to restore, improve, and develop the valuable on-reservation land and natural resources of the Pueblo, and for other purposes.

H.R. 6088 To direct the Secretary of the Interior to conduct a study of water resources in the State of New Mexico, and for other purposes.

H.R. 6312 To authorize the Secretary of the Interior to conduct feasibility studies to identify opportunities to increase the surface flows of the Rio Grande, Canadian, and Pecos Rivers in the State of New Mexico, and for other purposes.

WILSON, Joe of South Carolina

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 694 To enhance the preservation and interpretation of the Gullah/Geechee cultural heritage, and for other purposes.

H.R. 888 To amend the Omnibus Parks and Public Lands Management Act of 1996 to extend the authorization for certain national heritage areas, and for other purposes.

H.R. 1289 To direct the Secretary of the Interior to conduct a study of the suitability and feasibility of establishing the Southern Campaign of the Revolution Heritage Area in South Carolina, and for other purposes.

H.R. 1595 To implement the recommendations of the Guam War Claims Review Commission.

H.R. 2112 To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

H.R. 3405 To prohibit the provision of Federal economic development assistance for any State or locality that uses the power of eminent domain power to obtain property for private commercial development or that fails to pay relocation costs to persons displaced by use of the power of eminent domain for economic development purposes.

H.R. 3493 To authorize the Secretary of the Interior to study the suitability and feasibility of designating the site of the Battle of Camden in South Carolina, as a unit of the National Park System, and for other purposes.

H.R. 3836 To expedite the construction of new refining capacity in the United States.

H.R. 4200 To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.

H.R. 4315 To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.

H.R. 4318 To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.

H.R. 4761 To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 5057 To authorize the Marion Park Project and Committee of the Palmetto Conservation Foundation to establish a commemorative work on Federal land in the District of Columbia, and its environs to honor Brigadier General Francis Marion.

H.R. 5452 To make the National Parks and Federal Recreational Lands Pass available at a discount to certain veterans.

H.J.Res. 78 Approving the location of the commemorative work in the District of Columbia honoring former President Dwight D. Eisenhower.

WOLF, Frank R. of Virginia

H.R. 323 To redesignate the Ellis Island Library on the third floor of the Ellis Island Immigration Museum, located on Ellis Island in New York Harbor, as the "Bob Hope Memorial Library".

H.R. 927 To establish a program to award grants to improve and maintain sites honoring Presidents of the United States.

H.R. 1124 To eliminate the annual operating deficit and maintenance backlog in the national parks, and for other purposes.

H.R. 1975 To designate additional National Forest System lands in the State of Virginia as wilderness, to establish the Seng Mountain and Bear Creek Scenic Areas, to provide for the development of trail plans for the wilderness areas and scenic areas, and for other purposes.

H.R. 2107 To amend Public Law 104-329 to modify authorities for the use of the National Law Enforcement Officers Memorial Maintenance Fund, and for other purposes.

H.R. 2229 To amend title 36 of the United States Code to ensure that memorials commemorating the service of the United States Armed Forces may contain religious symbols, and for other purposes.

H.R. 2353 To make technical corrections to the Indian Gaming Regulatory Act, and for other purposes.

H.R. 2588 To direct the Secretary of the Interior to carry out a study of the feasibility of designating the Captain John Smith Chesapeake National Historic Watertrail as a national historic trail.

H.R. 3431 To amend the Indian Gaming Regulatory Act to limit casino expansion.

H.R. 3682 To redesignate the Mason Neck National Wildlife Refuge in Virginia as the Elizabeth Hartwell Mason Neck National Wildlife Refuge.

H.R. 3779 To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.

WOLF, Frank R. of Virginia—Continued

- H.R. 4677** To impose a two year moratorium on the approval by the Secretary of the Interior of new Tribal-State compacts for gaming under the Indian Gaming Regulatory Act.
- H.R. 5053** To amend the National Trails System Act to extend the Lewis and Clark National Historic Trail to include additional sites associated with the preparation or return phase of the expedition, and for other purposes.
- H.R. 5195** To establish the Journey Through Hallowed Ground National Heritage Area, and for other purposes.
- H.R. 5466** To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.
- H.R. 5763** To authorize the exchange, between the Secretary of the Interior and the Secretary of Transportation, of administrative jurisdiction of Federal land at the George Washington Memorial Parkway in McLean, Virginia, and for other purposes.
- H.R. 5900** To protect, conserve, and restore native fish, wildlife, and their natural habitats at national wildlife refuges through cooperative, incentive-based grants to control, mitigate, and eradicate harmful nonnative species, and for other purposes.
- H.Res. 434** Recognizing the importance of establishing a national memorial at the Pentagon Reservation to commemorate and mourn the terrorist attack against the Pentagon on September 11, 2001.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 769** Recognizing Virginia's James River as "America's Founding River".
- H.Con.Res. 424** Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

WOOLSEY, Lynn C. of California

- H.R. 13** To respond to the illegal production, distribution, and use of methamphetamines in the United States, and for other purposes.
- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 296** To adjust the boundary of the Rancho Corral de Tierra Golden Gate National Recreation Area.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 676** To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.
- H.R. 1431** To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

- H.R. 1591** To amend the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990 to reauthorize and improve that Act.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1615** To ensure that proper planning is undertaken to secure the preservation and recovery of the salmon and steelhead of the Columbia River basin and the maintenance of reasonably priced, reliable power, to direct the Secretary of Commerce to seek scientific analysis of Federal efforts to restore salmon and steelhead listed under the Endangered Species Act of 1973, and for other purposes.
- H.R. 1707** To assist in the conservation of rare felids and rare canids by supporting and providing financial resources for the conservation programs of nations within the range of rare felid and rare canid populations and projects of persons with demonstrated expertise in the conservation of rare felid and rare canid populations.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2134** To establish the Commission to Study the Potential Creation of a National Museum of the American Latino Community to develop a plan of action for the establishment and maintenance of a National Museum of the American Latino Community in Washington, DC, and for other purposes.
- H.R. 2323** To establish a program of research and other activities to provide for the recovery of the southern sea otter.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2871** To designate the John L. Burton Trail in the Headwaters Forest Reserve, California.
- H.R. 3166** To provide compensation to livestock operators who voluntarily relinquish a grazing permit or lease on Federal lands where conflicts with other multiple uses render livestock grazing impractical, and for other purposes.
- H.R. 3187** To authorize the acquisition of land and interests in land to improve the conservation of, and to enhance the ecological values and functions of, coastal watersheds and estuarine areas to benefit both the environment and the economies of coastal communities, and for other purposes.
- H.R. 3313** To authorize the National Institute of Environmental Health Sciences to develop multidisciplinary research centers regarding women's health and disease prevention and to conduct and coordinate a research program on hormone disruption, and for other purposes.
- H.R. 3420** To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.
- H.R. 3561** To improve the health of minority individuals.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3778** To establish ocean bottom trawl areas in which trawling is permitted, to protect deep sea corals and sponges, and for other purposes.
- H.R. 3779** To authorize the Secretary of the Interior to establish a commemorative trail route in connection with the Women's Rights National Historical Park to link properties that are historically and thematically associated with the struggle for women's suffrage, and for other purposes.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4315** To amend the Acts popularly known as the Duck Stamp Act and the Wetland Loan Act to reauthorize appropriations to promote the conservation of migratory waterfowl and to offset or prevent the serious loss of important wetlands and other waterfowl habitat essential to the preservation of such waterfowl, and for other purposes.
- H.R. 4560** To amend the Federal Water Pollution Control Act to authorize appropriations for State water pollution control revolving funds, and for other purposes.

WOOLSEY, Lynn C. of California—Continued

- H.R. 4603** To amend the Public Health Service Act with respect to pandemic influenza, and for other purposes.
- H.R. 4782** To permanently prohibit oil and gas leasing off the coast of the State of California, and for other purposes.
- H.R. 5051** To authorize appropriations to the Secretary of Commerce for the Magnuson-Stevens Fishery Conservation and Management Act for fiscal years 2007 through 2012, and for other purposes.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5300** To restore fairness in the provision of incentives for oil and gas production, and for other purposes.
- H.R. 5550** To provide certain requirements for labeling textile fiber products and for duty-free and quota-free treatment of products of, and to implement minimum wage and immigration requirements in, the Northern Mariana Islands, and for other purposes.
- H.R. 6059** To amend the Reclamation Wastewater and Groundwater Study and Facilities Act to authorize the Secretary of the Interior to participate in the Santa Rosa Urban Water Reuse Plan.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.R. 6237** To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.
- H.Res. 76** Recognizing and honoring the achievements and contributions of Native Americans of the United States and urging the establishment and observation of a paid legal public holiday in honor of Native Americans.
- H.Res. 489** Commemorating the 100th Anniversary of the National Audubon Society.
- H.Res. 1058** Congratulating Dr. Edgar Wayburn on his 100th birthday and commending his lifelong dedication to preserving our environment for our use and the use of future generations.

WU, David of Oregon

- H.R. 21** To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.
- H.R. 297** To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.
- H.R. 383** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- H.R. 517** To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.
- H.R. 567** To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.
- H.R. 606** To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.
- H.R. 1090** To designate a Forest Service trail at Waldo Lake in the Willamette National Forest in the State of Oregon as a national recreation trail in honor of Jim Weaver, a former Member of the House of Representatives.
- H.R. 1155** To provide additional protections for National Forest System lands in Alaska through the designation of wilderness areas, wilderness study areas, Land Use Designation II management areas, restoration areas, special management areas, and additional components of the national wild and scenic rivers system.
- H.R. 1204** To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.
- H.R. 1329** To amend the Lacey Act Amendments of 1981 to treat nonhuman primates as prohibited wildlife species under that Act.

- H.R. 1386** To establish a National Drought Council within the Department of Agriculture, to improve national drought preparedness, mitigation, and response efforts, and for other purposes.
- H.R. 1492** To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.
- H.R. 1595** To implement the recommendations of the Guam War Claims Review Commission.
- H.R. 1712** To expand the boundaries of the Gulf of the Farallones National Marine Sanctuary and the Cordell Bank National Marine Sanctuary.
- H.R. 1774** To designate certain Federal land in the State of Utah as wilderness, and for other purposes.
- H.R. 2428** To provide for the protection of the last remaining herd of wild and genetically pure American Buffalo.
- H.R. 2788** To establish the Mark O. Hatfield-Elizabeth Furse Scholarship and Excellence in Tribal Governance Foundation, and for other purposes.
- H.R. 3563** To protect inventoried roadless areas in the National Forest System.
- H.R. 3615** To direct the Secretary of the Interior to carry out a study of the feasibility of designating as a national historic trail the route followed by Governor Isaac Stevens of the Washington Territory and Joel Palmer, Superintendent of Indian Affairs for the Oregon Territory, in 1855 when they negotiated treaties with the Indian tribes of northeastern Oregon, Washington, northern Idaho and western Montana.
- H.R. 3968** To modify the requirements applicable to locatable minerals on public domain lands, consistent with the principles of self-initiation of mining claims, and for other purposes.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5213** To direct the Secretary of Commerce to provide emergency disaster assistance to mitigate the economic losses caused by declining Klamath River salmon and to develop and implement a research and recovery plan for Klamath River salmon, and for other purposes.
- H.R. 5394** To waive application of the Indian Self-Determination and Education Assistance Act to a specific parcel of real property transferred by the United States to 2 Indian tribes in Oregon, and for other purposes.
- H.R. 5485** To direct the Secretary of the Interior to conduct a study to determine the feasibility of establishing the Columbia-Pacific National Heritage Area in the States of Washington and Oregon, and for other purposes.
- H.R. 6193** To continue and expand upon previous congressional efforts to ensure an abundant and affordable supply of fruits, vegetables, tree nuts, and other specialty crops for American consumers and international markets, to enhance the competitiveness of United States-grown specialty crops, and for other purposes.
- H.Con.Res. 189** Honoring the Native American tribes of the Pacific Northwest and the Treaties of 1855 between these tribes and the United States of America.

WYDEN, Ron of Oregon

- S. 50** To authorize and strengthen the National Oceanic and Atmospheric Administration's tsunami detection, forecast, warning, and mitigation program, and for other purposes.
- S. 166** To amend the Oregon Resource Conservation Act of 1996 to reauthorize the participation of the Bureau of Reclamation in the Deschutes River Conservancy, and for other purposes.
- S. 206** To designate the Ice Age Floods National Geologic Trail, and for other purposes.
- S. 231** To authorize the Bureau of Reclamation to participate in the rehabilitation of the Wallowa Lake Dam in Oregon, and for other purposes.
- S. 251** To authorize the Secretary of the Interior, acting through the Bureau of Reclamation, to conduct a water resource feasibility study for the Little Butte/Bear Creek Sub-basins in Oregon.
- S. 263** To provide for the protection of paleontological resources on Federal lands, and for other purposes.
- S. 1288** To authorize the Secretary of the Interior to enter into cooperative agreements to protect natural resources of units of the National Park System through collaborative efforts on land inside and outside of units of the National Park System.

WYDEN, Ron of Oregon—Continued

S. 3687 To waive application of the Indian Self-Determination and Education Assistance Act to a specific parcel of real property transferred by the United States to 2 Indian tribes in the State of Oregon, and for other purposes.

WYNN, Albert Russell of Maryland

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 297 To restore the prohibition on the commercial sale and slaughter of wild free-roaming horses and burros.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 567 To preserve the Arctic coastal plain of the Arctic National Wildlife Refuge, Alaska, as wilderness in recognition of its extraordinary natural ecosystems and for the permanent good of present and future generations of Americans.

H.R. 676 To provide for comprehensive health insurance coverage for all United States residents, and for other purposes.

H.R. 1204 To designate as wilderness, wild and scenic rivers, national park and preserve study areas, wild land recovery areas, and biological connecting corridors certain public lands in the States of Idaho, Montana, Oregon, Washington, and Wyoming, and for other purposes.

H.R. 1431 To amend the Magnuson-Stevens Fishery Conservation and Management Act to modify requirements for the appointment and training of members of Regional Fishery Management Councils, and for other purposes.

H.R. 1774 To designate certain Federal land in the State of Utah as wilderness, and for other purposes.

H.R. 3420 To save taxpayers money, reduce the deficit, cut corporate welfare, protect communities from wildfires, encourage Federal land management agency reform and accountability, and protect and restore America's natural heritage by eliminating the fiscally wasteful and ecologically destructive commercial logging program on Federal public lands, restoring native biodiversity in our Federal public forests, and facilitating the economic recovery and diversification of communities affected by the Federal logging program.

H.R. 3561 To improve the health of minority individuals.

H.R. 4867 To provide for a federally sanctioned self-determination process for the people of Puerto Rico.

H.R. 5466 To amend the National Trails System Act to designate the Captain John Smith Chesapeake National Historic Trail.

H.R. 6237 To amend the Forest and Rangeland Renewable Resources Planning Act of 1974 and related laws to strengthen the protection of native biodiversity and ban clearcutting on Federal land, and to designate certain Federal land as Ancient forests, roadless areas, watershed protection areas, and special areas where logging and other intrusive activities are prohibited.

H.Res. 477 Expressing the sense of the House of Representatives that the crisis of Hurricane Katrina should not be used to weaken, waive, or roll back Federal public health, environmental, and environmental justice laws and regulations, and for other purposes.

H.Res. 489 Commemorating the 100th Anniversary of the National Audubon Society.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

YOUNG, C.W. Bill of Florida

H.R. 3251 To permanently prohibit the conduct of offshore drilling on the outer Continental Shelf off the State of Florida, and for other purposes.

H.Res. 760 Supporting the goals and ideals of National Clean Beaches Week and recognizing the considerable value of American beaches and their role in American culture.

H.Con.Res. 424 Expressing the sense of Congress that it is the goal of the United States that, not later than January 1, 2025, the agricultural, forestry, and working land of the United States should provide from renewable resources not less than 25 percent of the total energy consumed in the United States and continue to produce safe, abundant, and affordable food, feed, and fiber.

YOUNG, Don of Alaska

H.R. 21 To provide for the recognition of the Lumbee Tribe of North Carolina, and for other purposes.

H.R. 39 To establish and implement a competitive oil and gas leasing program that will result in an environmentally sound and job creating program for the exploration, development, and production of the oil and gas resources of the Coastal Plain, and for other purposes.

H.R. 309 To express the policy of the United States regarding the United States relationship with Native Hawaiians and to provide a process for the recognition by the United States of the Native Hawaiian governing entity.

H.R. 517 To reauthorize the Secure Rural Schools and Community Self-Determination Act of 2000, and for other purposes.

H.R. 873 To provide for a nonvoting delegate to the House of Representatives to represent the Commonwealth of the Northern Mariana Islands, and for other purposes.

H.R. 1370 To require the Secretary of the Interior to develop a multipurpose cadastre of Federal real property to assist with Federal land management, resource conservation, and development of Federal real property, including identification of any such property that is no longer required to be owned by the Federal Government, and for other purposes.

H.R. 1469 To direct the Secretary of the Interior shall make full payment to each unit of general local government in which entitlement land is located as set forth in chapter 69 of title 31, United States Code, and for other purposes.

H.R. 1492 To provide for the preservation of the historic confinement sites where Japanese Americans were detained during World War II, and for other purposes.

H.R. 1595 To implement the recommendations of the Guam War Claims Review Commission.

H.R. 1810 To expand Alaska Native contracting of Federal land management functions and activities and to promote hiring of Alaska Natives by the Federal Government within the State of Alaska, and for other purposes.

H.R. 1811 To amend the Alaska Native Claims Settlement Act to provide for equitable allotment of lands to Alaska Native veterans.

H.R. 1865 To direct the Secretary of the Interior to release the condition on a portion of land adjacent to the community of Beaver, Alaska, and for other purposes.

H.R. 1866 To facilitate shareholder consideration of making Settlement Common Stock under the Alaska Native Claims Settlement Act available to Alaska Natives born after December 18, 1971, descendants of Alaska Natives born after December 18, 1971, missed enrollees, and Native Elders, and for other purposes.

H.R. 2039 To direct the Secretary of the Interior to undertake a program to reduce the risks from and mitigate the effects of avalanches on recreational users of public land.

H.R. 2112 To designate the exclusive economic zone of the United States as the "Ronald Wilson Reagan Exclusive Economic Zone of the United States".

H.R. 2559 To provide for the recognition of certain Native communities and the settlement of certain claims under the Alaska Native Claims Settlement Act, and for other purposes.

H.R. 2566 To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.

H.R. 2721 To amend the Surface Mining Control and Reclamation Act of 1977 to reauthorize collection of reclamation fees, revise the abandoned mine reclamation program, promote remining, authorize the Office of Surface Mining to collect the black lung excise tax, and make sundry other changes.

YOUNG, Don of Alaska—Continued

- H.R. 3104** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3330** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3332** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3377** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3453** To provide an extension of highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3512** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3514** To provide an extension of administrative expenses for highway, highway safety, motor carrier safety, transit, and other programs funded out of the Highway Trust Fund pending enactment of a law reauthorizing the Transportation Equity Act for the 21st Century.
- H.R. 3649** To ensure funding for sportfishing and boating safety programs funded out of the Highway Trust Fund through the end of fiscal year 2005, and for other purposes.
- H.R. 3824** To amend and reauthorize the Endangered Species Act of 1973 to provide greater results conserving and recovering listed species, and for other purposes.
- H.R. 3835** To establish a coordinated national ocean exploration program within the National Oceanic and Atmospheric Administration.
- H.R. 3839** To amend the Marine Mammal Protection Act of 1972 to repeal the long-term goal for reducing to zero the incidental mortality and serious injury of marine mammals in commercial fishing operations, and to modify the goal of take reduction plans for reducing such takings.
- H.R. 3918** To terminate the effect of all provisions of existing Federal law prohibiting the spending of appropriated funds to conduct natural gas leasing and preleasing activities, to revoke Presidential withdrawals from disposition of areas of the Outer Continental Shelf with respect to natural gas, and for other purposes.
- H.R. 4200** To improve the ability of the Secretary of Agriculture and the Secretary of the Interior to promptly implement recovery treatments in response to catastrophic events affecting Federal lands under their jurisdiction, including the removal of dead and damaged trees and the implementation of reforestation treatments, to support the recovery of non-Federal lands damaged by catastrophic events, to revitalize Forest Service experimental forests, and for other purposes.
- H.R. 4318** To terminate the effect of all provisions of Federal law that prohibit the expenditure of appropriated funds to conduct natural gas leasing and preleasing activities for any area of the Outer Continental Shelf, to terminate all withdrawals of Federal submerged lands of the Outer Continental Shelf from leasing for exploration for, and development and production of, natural gas, and for other purposes.
- H.R. 4761** To provide for exploration, development, and production activities for mineral resources on the outer Continental Shelf, and for other purposes.
- H.R. 4857** To better inform consumers regarding costs associated with compliance for protecting endangered and threatened species under the Endangered Species Act of 1973.
- H.R. 4867** To provide for a federally sanctioned self-determination process for the people of Puerto Rico.
- H.R. 5018** To reauthorize the Magnuson-Stevens Fishery Conservation and Management Act, and for other purposes.
- H.R. 5312** To amend the Indian Health Care Improvement Act to revise and extend that Act.
- H.R. 5617** To amend the Alaska Native Claims Settlement Act to provide an equitable distribution of land to the 13th Alaska Native Regional Corporation.
- H.R. 5678** To provide for enhanced safety and environmental protection in pipeline transportation, to provide for enhanced reliability in the transportation of the Nation's energy products by pipeline, and for other purposes.
- H.R. 5764** To provide for the conveyance of certain Forest Service land to the city of Coffman Cove, Alaska.
- H.R. 5781** To grant rights-of-way for electric transmission lines over certain Native allotments in the State of Alaska.
- H.R. 5946** To amend Magnuson-Stevens Fishery Conservation and Management Act to authorize activities to promote improved monitoring and compliance for high seas fisheries, or fisheries governed by international fishery management agreements, and for other purposes.
- H.R. 6112** To authorize the exchange of certain lands in Denali National Park in the State of Alaska.
- H.R. 6337** To provide equitable treatment for the people of the Village Corporation established for the Native Village of Saxman, Alaska, and for other purposes.
- H.R. 6376** To provide that Federal property reversions on land deeded to the Municipality of Anchorage be conveyed to the Municipality in order to unencumber the Municipality's title.
- H.J.Res. 95** Recognizing the 66th anniversary of the Battle of Attu and the end of Imperial Japanese control of the Aleutian Islands of Alaska during World War II and urging the Secretary of the Interior to work to protect the historic sites associated with the battle and the Aleutian World War II National Historic Area, and for other purposes.
- H.Con.Res. 498** Recognizing 200 years of research, service to the people of the United States, and stewardship of the marine environment by the National Oceanic and Atmospheric Administration and its predecessor agencies, and for other purposes.
