

reform may or may not want to block real reform.”.

The SPEAKER pro tempore, Mr. ECKART, sustained the point of order, and said:

“The Chair is prepared to rule.

“The gentleman from Connecticut [Mr. GEJDENSON] makes a point of order against the motion offered by the gentleman from New York [Mr. WALSH] on the ground that the instructions therein exceed the scope of the conference.

“The motion offered by the gentleman from New York proposes to instruct the managers on the part of the House to include in the conference report three features of a separate bill, H.R. 3770. Each of these three initiatives falls outside the matters committed to the conference as disagreements between the Senate bill and the House amendment thereto.

“Therefore, under clause 3 of rule XXVIII, a conference report may not include a matter although germane that was not committed to the conference of either House.

“In the opinion of the Chair, the instructions proposed in the motion offered by the gentleman from New York exceed the scope of the differences committed to the conference, and the point of order is sustained.”.

Mr. WALSH moved to recommit the conference report on the bill of the Senate (S. 3) to amend the Federal Election Campaign Act of 1971 to provide for a voluntary system of spending limits for Senate election campaigns, and for other purposes, to the committee of conference with the following instructions to the managers on the part of the House to strip all sections from the bill that allow for public financing of subsidies of congressional campaigns, to wit sections providing for matching payments to candidates, voter communication vouchers, and reduced postal rate subsidies for candidates.

By unanimous consent, the previous question was ordered on the motion to recommit with instructions.

The question being put, viva voce,

Will the House recommit said conference report with instructions?

The SPEAKER pro tempore, Mr. ECKART, announced that the nays had it.

Mr. WALSH demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The vote was taken by electronic device.

It was decided in the $\left\{ \begin{array}{l} \text{Yeas} \dots\dots 179 \\ \text{negative} \dots\dots\dots \text{Nays} \dots\dots 243 \end{array} \right.$
