Strike section 16 (page 34, line 7, through page 36, line 2) and insert the following:

SEC. 16. PHASED IMPLEMENTATION OF COMPETITION; DISTRIBUTION OF GRANTS AND CONTRACTS.

Section 1007 (42 U.S.C. 2996f) is amended by adding at the end the following:

"(m)(1)(A) Ten percent of all grants and contracts awarded by the Corporation for the provision or support of legal assistance to eligible clients under this title shall be awarded under a competitive bidding system developed by the Corporation to test the use of competition in providing effective and efficient legal services of high quality. This competitive system shall—

"(i) ensure access to high-quality, economical, and effective legal services for eligible clients, consistent with section 1001,

"(ii) minimize disruption of client services, and

"(iii) ensure that every recipient or other grantee or contractor seeking a grant or contract through this competitive bidding process complies with all provisions of this title and the applicable rules, regulations, guidelines, and instructions issued under this title.

"(B) The competitive bidding system developed under subparagraph (A) shall be implemented in fiscal years 1993 and 1994.

"(C) The Corporation shall, not later than 18 months after implementation of the competitive bidding system under subparagraph (A), report to the Congress on the effectiveness of the system.

"(D) If at the end of fiscal year 1994 the Corporation determines that the competitive bidding system has met the requirements of subparagraph (A), the Corporation shall so notify the Congress and shall proceed to phase in, during the next 3 fiscal years, the implementation, for all grants and contracts awarded by the Corporation, of a competitive bidding system that meets the requirements of subparagraph (A).

"(2) Rights under sections 1007(a)(9) and 1006(b)(5) shall not apply to the termination or denial of financial assistance under this title as a result of the competitive award of any grant or contract under paragraph (1), and the expiration of any grant or contract under this title as a result of such competitive award shall not be treated as a termination or denial of refunding under section 1007(a)(9) or 1006(b)(5).

"(n)(1) Funds appropriated to the Corporation shall be distributed to each grantee or contractor on a per capita basis pursuant to the number of poor people determined by the Bureau of the Census to be within its geographical area, in accordance with paragraphs (2) and (3).

"(2) The amount of the grants from the Corporation and of the contracts entered into by the Corporation under section 1006(a)(1) shall be an equal figure per poor person for all geographic areas, based on the most recent decennial census of population conducted pursuant to section 141 of title 13, United States Code, regardless of the level of funding for any geographic area before the enactment of the Legal Services Reauthorization Act of 1991.

"(3) Beginning with the fiscal year beginning after the results of the most recent decennial census have been reported to the President under section 141(b) of title 13, United States Code, funding of geographic areas served by recipients shall be redetermined, in accordance with paragraph (2), based on the per capita poverty population in each such geographic area under that decennial census."
