¶71.15 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment in the nature of a substitute submitted by Mr. THOMAS of California:

Strike out all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the "National Voter Registration Enhancement Act of 1992".

SEC. 2. FINDINGS AND PURPOSES.

(A) FINDINGS.—The Congress finds that—
(1) the right to vote is a fundamental right;
(2) it is the responsibility of each citizen to exercise that right;

(3) it is the duty of the Federal, State, and local governments to promote the exercise of that right;

(4) discriminatory and unfair registration laws and procedures can have a direct and damaging effect on voter participation in elections for Federal office;

(5) such laws and procedures can disproportionately harm voter participation in such elections by members of various groups, including racial minorities;

(6) all citizens of the United States are entitled to be protected from vote fraud and from voter registration lists that contain the names of ineligible or nonexistent voters, which dilute the worth of qualified votes honestly cast; and

(7) all citizens of the United States are entitled to be governed by elected and appointed public officers who are responsible to them and who govern in the public interest without corruption, self-dealing, or favoritism.

(b) Purposes.—The purposes of this Act are—

(1) to increase registration of citizens as voters in elections for Federal office;

(2) to make it possible for Federal, State, and local governments to enhance voter participation in elections for Federal office;

(3) to protect the integrity of the electoral process;

(4) to ensure the maintenance of accurate and current official voter registration lists; and

(5) to guarantee to the States, and to their citizens, a republican form of government, including elections conducted free of fraud, and governmental processes conducted free of corruption, self-dealing, or favoritism.

(3) shall, not later than June 30 of each even-numbered year, submit to the Congress a report assessing the impact of this Act on the administration of elections for Federal office during the preceding 2 calendar years and providing recommendations for improvements in Federal and State procedures, forms, and other matters affected by this Act.

SEC. 102. RESPONSIBILITY OF CHIEF STATE ELECTION OFFICIAL.

The chief State election official of each State shall be responsible for coordination of State functions under this title.

SEC. 103. VOTER REGISTRATION ENHANCEMENT BLOCK GRANTS.

(1) for making grants under this section for fiscal years 1992, 1993, and 1994, a total of \$25,000,000; and

(2) such additional sums as may be necessary for administrative expenses of the Attorney General in carrying out this title.

(b) BLOCK GRANTS.—(1) From the amounts appropriated under section (a) for any fiscal year, the Attorney General shall make grants to States, through chief State election officials, for the purposes of supporting, facilitating, and enhancing voter registration.

(2) To qualify for a grant under paragraph (1), a State shall match any amount of Federal funds dollar for dollar with State funds for voter registration enhancement activities, such as, but not limited to—

(A) providing for voter registration for elections for Federal office at State departments of motor vehicles; and

(B) providing for uniform and nondiscriminatory programs to ensure that official voter registration lists are accurate and current in each State.

(c) ALLOCATION OF GRANTS.—(1) The Attorney General shall by regulation establish criteria for allocation of grants among States based on—

(A) the number of residents of each State;

(B) the percentage of eligible voters in each State not registered to vote; and

(C) other appropriate factors.

(2) In promulgating criteria pursuant to paragraph (1), the Attorney General shall give special consideration to State-sponsored programs designed to improve registration in counties with voter registration percentages significantly lower than that for the State as a whole.

(d) ADMINISTRATIVE REQUIREMENTS.—(1) The Attorney General shall by regulation establish administrative requirements necessary to carry out this section.

(2) To be eligible to receive a grant under this section, a State shall certify that the State—

(A) has in place legislative authority and a plan to implement procedures to promote and facilitate, to an extent and in such manner as the Attorney General may deem adequate to carry out the purposes of this title, voter registration for Federal elections in connection with applications for driver's licenses;

(B) agrees to use any amount received from a grant under this section in accordance with the requirements of this section;

(C) agrees that any amount received through a grant under this section for any period will be used to supplement and increase any State, local, or other non-Federal funds that would, in the absence of the grant, be made available for the programs and activities for which grants are provided under this section and will in no event supplant such State, local, and other non-Federal funds; and

(D) has established fiscal control and fund accounting procedures to ensure the proper

disbursement of, and accounting for, grants made to the State under this section.

(3) The Attorney General may not prescribe for a State the manner of compliance with the requirements of this subsection.

(e) REPORTS.—(1) The chief State election official of a State that receives a grant under this section shall submit to the Attorney General annual reports on its activities under this section.

(2) A report required by paragraph (1) shall be in such form and contain such information as the Attorney General, after consultation with chief State election officials, determines to be necessary to—
