SENSE OF THE SENATE WITH RESPECT TO
FEDERAL ENTERPRISE ZONES

(a) FINDINGS.—The Senate finds that:

(1) The crisis of poverty and high unemployment in America's inner-cities and rural areas demands an appropriate and timely response from Congress;

(2) Manufacturing and industry has largely disappeared from many United States inner cities which, in turn, led to the severe decline in good high-wage jobs, wholesale trade, retail businesses, and a large source of local tax revenues;

(3) Encouraging small and medium-sized businesses, which create the majority of new jobs in the United States economy, to locate and invest in poor neighborhoods is one of the keys to revitalizing urban America;

(4) Enterprise Zones will help convince businesses to build and grow in poor neighborhoods; they will give people incentives to invest in such businesses and to hire and train both unemployed and economically disadvantaged individuals; they will create jobs and stimulate entrepreneurship; and they will help restore the local tax revenue base to these communities;

(5) Enterprise Zones have been tested in 37 States since 1982 and have proven to be successful, having generated capital investments in poor neighborhoods in excess of \$28,000,000,000 and having created more than 258,000 jobs; and

(6) Enterprise Zones have been endorsed by, among others, the National Governors Association, the National Council of State Legislators, the Council of Black State Legislators, the Conference of Mayors, and the Conference of Black Mayors.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that—

(1) Enterprise Zones are a vital, proven tool for inner-city revitalization; and

(2) Congress should adopt Federal enterprise zone legislation and that such legislation should include the following provisions:

(A) Competitive designation which will maximize State and local participation;

(B) Tax incentives addressing both capital and labor costs;

(C) Tax incentives aimed at attracting investment in small businesses; and

(D) Tax incentives to encourage the hiring and training of economically disadvantaged individuals.

The House receded from its disagreement to the amendment of the Senate numbered 3 and concurred therein with the following amendment:

In lieu of the matter inserted by said amendment, insert:

DEPARTMENT OF TRANSPORTATION
FEDERAL TRANSIT ADMINISTRATION

For fiscal years 1992 and 1993, funds provided under section 9 of the Federal Transit Act shall be exempt from requirements for any non-Federal share, in the same manner as specified in section 1054 of Public Law 102-240.

The House receded from its disagreement to the amendment of the Senate numbered 5 and concurred therein.

The House receded from its disagreement to the amendment of the Senate numbered 7 and concurred therein with the following amendment:

In lieu of the section number "103", insert: "102".

The House receded from its disagreement to the amendment of the Senate numbered 9 and concurred therein with the following amendment:

In lieu of the section number "105", insert: "103".

In lieu of the section number "107", insert: "104".

The House receded from its disagreement to the amendment of the Senate numbered 12 and concurred therein with the following amendment:

In lieu of the matter inserted by said amendment, insert:

(1) is under arrest for, or

(2) is subject to a pending charge of:

committing a riot-related crime of violence in the City or County of Los Angeles, California, during the period of unrest occurring April 29 through May 9, 1992: *Provided*, That the prohibition on the use of funds in (b) shall not apply if a period of 90 days or more has elapsed from the date of such person being arrested for or charged with such crime: *Provided further*, That should such person be convicted of a riot-related crime of violence cited in (a) and (b), such person shall provide to the agency or agencies which provided such assistance, payments equivalent to the amount of assistance provided.

(c) All appropriate Federal agencies shall take the necessary actions to carry out the provisions of this section.

(d) APPLICANT CERTIFICATION.—Any applicant for aid provided under this Act shall certify to the Federal agency providing such aid that the applicant is not a person described in subsection (a) or acting on behalf of such person.

(e) DEFINITION.—For purposes of this section, the term "riot-related crime of violence" means any State or Federal offense as defined in Section 16 of title 18, United States Code.
