¶25.4 MINORITY EMPLOYEE RESIGNATION

The SPEAKER pro tempore, Mr. MURTHA, laid before the House a communication, which was read as follows:

HOUSE OF REPRESENTATIVES,
Washington, DC, March 1, 1993.

Hon. THOMAS S. FOLEY,

Speaker, House of Representatives, The Capitol.

DEAR MR. SPEAKER: I have had a great privilege that very few in America have experienced and that is serving as a member of the Staff of the House of Representatives for some 44 years. It has been an experience that I shall remember to the end of my time. The friendships I have developed with you, with my own Leader, Bob Michel, and so many others over these years has been a very rare privilege.

But now with the years passing by more rapidly I have determined that I should spend more of my remaining time with my long suffering and devoted wife, my seven children and nine grandchildren. I shall continue to remain active participating in my son's law firm but at a pace one can have the opportunity to stop and smell the roses.

I, therefore, submit my resignation effective the end of business on March 15, 1993. I thank you, my Leader and all the Members for making my life a Camelot come true.

Respectfully,

WALTER P. KENNEDY.

¶25.5 NIH REAUTHORIZATION

The SPEAKER pro tempore, Mr. MURTHA, pursuant to House Resolution 119 and rule XXIII, declared the

House resolved into the Committee of the Whole House on the state of the Union for the further consideration of the bill (H.R. 4) to amend the Public Health Service Act to revise and extend the programs of the National Institutes of Health, and for other purposes.

Mr. MFUME, Chairman of the Committee of the Whole, resumed the chair; and after some time spent therein,

The SPEAKER pro tempore, Mr. MURTHA, assumed the Chair.

When Mr. MFUME, Chairman, pursuant to House Resolution 119, reported the bill back to the House with an amendment adopted by the Committee.

The previous question having been ordered by said resolution.

Mr. SOLOMON demanded a separate vote on each of the following amendments to the amendment in the nature of a substitute reported from the Committee of the Whole House on the state of the Union: the BLILEY amendment, as amended; the WAXMAN amendment; the GILMAN amendment; the TRAFICANT amendment; and the SAM JOHNSON amendment.

The question being put, viva voce,

Will the House agree to the following amendment on which a separate vote had been demanded (the BLILEY amendment, as amended)?

In section 111 of the bill, in section 498A of the Public Health Service Act (as proposed to be inserted by the bill), strike subsection (b) and insert the following:

“(b) INFORMED CONSENT OF DONOR.—

“(1) IN GENERAL.—In research carried out under subsection (a), human fetal tissue may be used only if the woman providing the tissue makes a statement, made in writing and signed by the woman, declaring that—

“(A) the woman donates the fetal tissue for use in research described in subsection (a);

“(B) the donation is made without any restriction regarding the identity of individuals who may be the recipients of transplantations of the tissue; and

“(C) the woman has not been informed of the identity of any such individuals.

“(2) ADDITIONAL STATEMENT.—In research carried out under subsection (a), human fetal tissue may be used only if the attending physician with respect to obtaining the issue from the woman involved makes a statement, made in writing and signed by the physician, declaring that—

“(A) in the case of tissue obtained pursuant to an induced abortion—

“(i) the consent of the woman for the abortion was obtained prior to request or obtaining consent for a donation of the tissue for use in such research;

“(ii) no alteration of the timing, method, or procedures used to terminate the pregnancy was made solely for the purposes of obtaining the tissue; and

“(iii) the abortion was performed in accordance with applicable State law;

“(B) the tissue has been donated by the woman in accordance with paragraph (1); and

“(C) full disclosure has been provided to the woman with regard to—

“(i) such physician's interest, if any, in the research to be conducted with the tissue; and

“(ii) any known medical risks to the woman or risks to her privacy that might be associated with the donation of the tissue and that are in addition to risks of such type that are associated with the woman's medical care.

In section 111 of the bill, in subsection (c)(1)(B) of section 498A of the Public Health Service Act (as proposed to be inserted by the bill), strike “subsequent” and insert “pursuant to”.

In section 111 of the bill, in section 498A of the Public Health Service Act (as proposed to be inserted by the bill), insert after subsection (e) the following subsection (and redesignate subsequent subsections accordingly):

“(f) REPORT.—The Secretary shall annually submit to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Labor and Human Resources of the Senate, a report describing the activities carried out under this section during the preceding fiscal year, including a description of whether and to what extent research under subsection (a) has been conducted in accordance with this section.

The SPEAKER pro tempore, Mr. MURTHA, announced that the yeas had it.

Mr. SOLOMON objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.

So the amendment was agreed to.

The question being put, viva voce,

Will the House agree to the following amendment on which a separate vote had been demanded (WAXMAN amendment)?

Strike section 1302 of the bill.
Insert after section 403 of the bill the following:

SEC. 404. STUDY OF ENVIRONMENTAL AND OTHER RISKS CONTRIBUTING TO INCIDENCE OF BREAST CANCER.

(a) REQUIREMENT OF STUDY.—

(1) IN GENERAL.—The Director of the National Cancer Institute (in this section referred to as the "Director"), in collaboration with the Director of the National Institute of Environmental Health Sciences, shall conduct a case-controlled study to assess biological markers of environmental and other risk factors contributing to the incidence of breast cancer in—

(A) the Counties of Nassau and Suffolk, in the State of New York; and

(B) the 2 counties in the northeastern United States that, as identified in the report specified in paragraph (2), had the highest age-adjusted mortality rate of such cancer that reflected not less than 30 deaths during the 5-year period for which findings are made in the report.

(2) RELEVANT REPORT.—The report referred to in paragraph (1)(B) is the report of the findings made in the study entitled "Survival, Epidemiology, and End Results", relating to cases of cancer during the years 1983 through 1987.

(b) CERTAIN ELEMENTS OF STUDY.—Activities of the Director in carrying out the study under subsection (a) shall include the use of a geographic system to evaluate the current and past exposure of individuals, including direct monitoring and cumulative estimates of exposure, to—

- (1) contaminated drinking water;
- (2) sources of indoor and ambient air pollution, including emissions from aircraft;
- (3) electromagnetic fields;
- (4) pesticides and other toxic chemicals;
- (5) hazardous and municipal waste; and
- (6) such other factors as the Director determines to be appropriate.

(c) REPORT.—Not later than 30 months after the date of the enactment of this Act, the Director shall complete the study required in subsection (a) and submit to the Committee on Energy and Commerce of the House of Representatives, and to the Committee on Labor and Human Resources of the Senate, a report describing the findings made as a result of the study.

(d) FUNDING.—Of the amounts appropriated for fiscal years 1994 and 1995 for the National Institute of Environmental Health Sciences and the National Cancer Institute, the Director of the National Institutes of Health shall make available amounts for carrying out the study required in subsection (a).

In section 1801 of the bill, in section 2352(b) of the Public Health Service Act (as proposed to be inserted by the bill), insert "the National Institute on Drug Abuse," after "Infectious Diseases,".

Insert after section 208 of the bill the following:

SEC. 209. ESTABLISHMENT OF OFFICE OF ALTERNATIVE MEDICINE.

Part A of title IV of the Public Health Service Act, as amended by section 207 of this Act, is amended by adding at the end of the following section:

"OFFICE OF ALTERNATIVE MEDICINE

"SEC. 404E. (a) There is established within the Office of the Director of NIH an office to be known as the Office of Alternative Medicine (in this section referred to as the 'Office'), which shall be headed by a director appointed by the Director of NIH.

"(b) The purpose of the Office is to facilitate the evaluation of various alternative medicine treatment modalities, including acupuncture and Oriental medicine, homeopathic medicine, and physical manipulation therapies.

"(c) In carrying out subsection (b), the Director of the Office shall—

"(1) establish an information clearinghouse to exchange information with the public about alternative medicine;

"(2) support research training—

"(A) for which fellowship support is not provided under section 487; and

"(B) that is not residency training of physicians or other health professionals; and

"(3) submit an annual report on past and future activities of the Office, each of which reports shall be submitted to the Committee on Energy and Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate."

The SPEAKER pro tempore, Mr. MURTHA, announced that the yeas had it.

Mr. WALKER demanded a recorded vote on agreeing to said amendment, which demand was supported by one-fifth of a quorum, so a recorded vote was ordered.

The vote was taken by electronic device.

It was decided in the { Yeas 350
