(b) PARENTAL NOTIFICATION REGARDING ABORTION.—Section 1001 of the Public Health Service Act, as amended by subsection (a) of this section, is amended by inserting after subsection (b) the following subsection:

“(c)(1) The Secretary may not make an award of a grant or contract under this section unless the entity applying for the award agrees that the entity will not perform an abortion on an unemancipated minor under the age of 18, and will not permit the facilities of the entity to be used to perform any abortion on such a minor, without regard to whether the abortion is to be performed with a grant or contract provided by the Secretary, unless there has been compliance with one of the following:

“(A)(i) A written notification is provided to a parent or legal guardian of the minor stating that an abortion has been requested for the minor, and 48 hours elapses after the notification is so provided; and

“(ii) the notification is either (I) delivered personally by the attending physician or the physician’s agent, in which case the 48 hours is measured from the time of so delivering the notification, or (II) the notification is provided through certified mail, with return receipt requested, and with restricted delivery addressed to a parent or legal guardian at the dwelling house or usual place of abode of the parent or guardian, in which case the 48 hours is measured from 12 o’clock noon on the second day of regular mail delivery that follows the day on which the notification is posted.

“(B) The attending physician certifies in the minor’s medical record that she is suffering from a physical disorder or disease making the abortion necessary to prevent her death, and that there is insufficient time to provide a notification in accordance with subparagraph (A).

“(C)(i) The minor declares that the pregnancy resulted from incest with a parent or legal guardian of the minor, or that she has been subjected to or is at risk of sexual abuse, child abuse, or child neglect by a parent or legal guardian of the minor; and

“(ii) the attending physician notifies, in writing, the authorities specified by the law of the State involved to receive reports or allegations regarding the applicable offense specified in clause (i).

“(D) The entity complies with a State or local law that—

“(i) is in effect in the State or locality, respectively;

“(ii) provides the requirement that a parent or legal guardian be notified before an abortion is performed on an unemancipated minor under the age of 18 (or a requirement that both parents be so notified), or provides the requirement that a parent or legal guardian give consent before an abortion is performed on such a minor (or a requirement that both parents give such consent); and

“(iii) either contains no provision waiving a requirement described in clause (ii), or pro-

vides a waiver of the requirement only for one or more of the following circumstances:

“(I) A court determines that the requirement should be waived.

“(II) A physician determines that the minor is suffering from a physical disorder or disease that makes the abortion necessary to prevent her death, and that there is insufficient time to comply with the requirement.

“(III) The pregnancy resulted from incest.

“(IV) The minor has been subjected to or is at risk of sexual abuse by a parent or legal guardian.

“(V) The minor has been subjected to or is at risk of child abuse by a parent or legal guardian.

“(VI) The minor has been subjected to or is at risk of child neglect by a parent or legal guardian.

“(2) For purposes of this subsection:

“(A) The term ‘attending physician’ means the physician with the principal responsibility for making the decision to perform the abortion involved.
