8.4 MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was communicated to the House by Mr. Edwin Thomas, one of his secretaries.

8.5 PROVIDING FOR THE CONSIDERATION OF H.R. 811

Mr. DERRICK, by direction of the Committee on Rules, called up the following resolution (H. Res. 352):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 811) to reauthorize the independent counsel law for an additional five years, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with section 302(f) of the Congressional Budget

Act of 1974 are waived. General debate shall be confined to the bill and the amendments made in order by this resolution and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on the Judiciary. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in the bill. The committee amendment in the nature of a substitute shall be considered as read. Points of order against the committee amendment in the nature of a substitute for failure to comply with section 302(f) of the Congressional Budget Act of 1974 or clause 5(a) of rule XXI are waived. No amendment to the committee amendment in the nature of a substitute shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as specified in the report, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against the amendments printed in the report are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommend with or without instructions. After passage of H.R. 811, it shall be in order to take from the Speaker's table the bill S. 24 and to consider the Senate bill in the House. All points of order against the Senate bill and against its consideration are waived. It shall be in order to move to strike all after the enacting clause of the Senate bill and to insert in lieu thereof the provisions of H.R. 811 as passed by the House. All points of order against that motion are waived. If the motion is adopted and the Senate bill, as amended, is passed, then it shall be in order to move that the House insist on its amendments to S. 24 and request a conference with the Senate thereon.

Mr. DERRICK moved the previous question on the resolution to its adoption or rejection.
