Strike out all after the enacting clause and insert:

**SECTION 1. SHORT TITLE.**

This Act may be cited as the "Federal Workforce Restructuring Act of 1994".

**SEC. 2. VOLUNTARY SEPARATION INCENTIVES.**

(a) DEFINITIONS.—For the purpose of this section—

(1) the term "agency" means an Executive agency (as defined by section 105 of title 5, United States Code), but does not include the Department of Defense, the Central Intelligence Agency, or the General Accounting Office; and

(2) the term "employee" means an employee (as defined by section 2105 of title 5, United States Code) who is employed by an agency, is serving under an appointment without time limitation, and has been currently employed for a continuous period of at least 12 months; such term includes an individual employed by a county committee established under section 8(b) of the Soil Conservation and Domestic Allotment Act (16 U.S.C. 590h(b)), but does not include—

(A) a reemployed annuitant under subchapter III of chapter 83 or chapter 84 of title 5, United States Code, or another retirement system for employees of the Government; or

(B) an employee having a disability on the basis of which such employee is or would be

eligible for disability retirement under the applicable retirement system referred to in subparagraph (A).

(b) AUTHORITY.—

(1) IN GENERAL.—In order to avoid or minimize the need for involuntary separations due to a reduction in force, reorganization, transfer of function, or other similar action, and subject to paragraph (2), the head of an agency may pay, or authorize the payment of, voluntary separation incentive payments to agency employees—

(A) in any component of the agency;

(B) in any occupation;

(C) in any geographic location; or

(D) on the basis of any combination of factors under subparagraphs (A) through (C).

(2) CONDITION.—

(A) IN GENERAL.—In order to receive an incentive payment, an employee must separate from service with the agency (whether by retirement or resignation) before January 1, 1995.

(B) EXCEPTION.—An employee who does not separate from service before the date specified in subparagraph (A) shall be ineligible for an incentive payment under this section unless—

(i) the agency head determines that, in order to ensure the performance of the agency's mission, it is necessary to delay such employee's separation; and

(ii) the employee separates after completing any additional period of service required (but not later December 31, 1996).

(c) AMOUNT AND TREATMENT OF PAYMENTS.—A voluntary separation incentive payment—

(1) shall be paid in a lump sum after the employee's separation;

(2) shall be equal to the lesser of—

(A) an amount equal to the amount the employee would be entitled to receive under section 5595(c) of title 5, United States Code, if the employee were entitled to payment under such section; or

(B) \$25,000;

(3) shall not be a basis for payment, and shall not be included in the computation, of any other type of Government benefit;

(4) shall not be taken into account in determining the amount of any severance pay to which an employee may be entitled under section 5595 of title 5, United States Code, based on any other separation; and

(5) shall be paid from appropriations or funds available for the payment of the basic pay of the employee.

(d) EFFECT OF SUBSEQUENT EMPLOYMENT WITH THE GOVERNMENT.—

(1) IN GENERAL.—An employee who has received a voluntary separation incentive payment under this section and accepts employment with the Government of the United States within 5 years after the date of the separation on which the payment is based shall be required to repay the entire amount of the incentive payment to the agency that paid the incentive payment.

(2) WAIVER AUTHORITY.—

(A) EXECUTIVE AGENCY.—If the employment is with an Executive agency (as defined in section 105 of title 5, United States Code), the Director of the Office of Personnel Management may, at the request of the head of the agency, waive the repayment if the individual involved possesses unique abilities and is the only qualified applicant available for the position.

(B) LEGISLATIVE BRANCH.—If the employment is with an entity in the legislative branch, the head of the entity or the appointing official may waive the repayment if the individual involved possesses unique abilities and is the only qualified applicant available for the position.

(C) JUDICIAL BRANCH.—If the employment is with the judicial branch, the Director of the Administrative Office of the United

States Courts may waive the repayment if the individual involved possesses unique abilities and is the only qualified applicant available for the position.

(3) DEFINITION.—For purposes of paragraph (1) (but not paragraph (2)), the term "employment" includes employment under a personal services contract with the United States.

(e) REGULATIONS.—The Director of the Office of Personnel Management may prescribe any regulations necessary for the administration of subsections (a) through (d).

(f) EMPLOYEES OF THE JUDICIAL BRANCH.—The Director of the Administrative Office of the United States Courts may, by regulation, establish a program consistent with the program established by subsections (a) through (d) for individuals serving in the judicial branch.

**SEC. 3. ADDITIONAL AGENCY CONTRIBUTIONS TO THE RETIREMENT FUND.**

(a) IN GENERAL.—In addition to any other payments which it is required to make under subchapter III of chapter 83 of title 5, United States Code, an agency shall remit to the Office of Personnel Management for deposit in the Treasury of the United States to the credit of the Civil Service Retirement and Disability Fund an amount equal to 9 percent of the final basic pay of each employee of the agency—

(1) who retires under section 8336(d)(2) of such title; and

(2) to whom a voluntary separation incentive payment under section 2 (including under any program established under section 2(f)) has been paid by such agency based on that retirement.

(b) DEFINITION.—For the purpose of this section, the term "final basic pay", with respect to an employee, means the total amount of basic pay which would be payable for a year of service by such employee, computed using the employee's final rate of basic pay, and, if last serving on other than a full-time basis, with appropriate adjustment therefor.

(c) REGULATIONS.—The Director of the Office of Personnel Management may prescribe any regulations necessary to carry out this section.

**SEC. 4. REDUCTION OF FEDERAL FULL-TIME EQUIVALENT POSITIONS.**

(1) continuously monitor all agencies and make a determination on the first date of each quarter of each applicable fiscal year of whether the requirements under subsection (b) are met; and

(2) notify the President and the Congress on the first date of each quarter of each applicable fiscal year of any determination that any requirement of subsection (b) is not met.

(d) COMPLIANCE.—If at any time during a fiscal year, the Office of Management and

Budget notifies the President and the Congress that any requirement under subsection (b) is not met, no agency may hire any employee for any position in such agency until the Office of Management and Budget notifies the President and the Congress that the total number of full-time equivalent positions for all agencies equals or is less than the applicable number required under subsection (b).

(e) WAIVER.—

(1) EMERGENCIES.—Any provision of this section may be waived upon a determination by the President that—

(A) the existence of a state of war or other national security concern so requires; or

(B) the existence of an extraordinary emergency threatening life, health, safety, property, or the environment so requires.
