So the amendment in the nature of a substitute was not agreed to.

The SPEAKER pro tempore, Mr. BONIOR, assumed the Chair.

When Mr. SKAGGS, Chairman, pursuant to clause 2(d) of rule XXIII, reported that on a recorded vote in the Committee of the Whole House on the state of the Union on an amendment to the joint resolution (H.J. Res. 103) proposing an amendment to the Constitution to provide for a balanced budget for the United States Government and for greater accountability in the enactment of tax legislation, the votes of the Delegates and of the Resident Commissioner from Puerto Rico were decisive.

The Clerk then read the amendment, as follows:

Strike all after the resolving clause and insert the following:

That the following article is proposed as an amendment to the Constitution of the United States, which shall be valid to all intents and purposes as part of the Constitution if ratified by the legislatures of three-fourths of the several States within seven years after its submission to the States for ratification:

“ARTICLE—

“SECTION 1. Prior to each fiscal year, Congress shall adopt a statement of receipts and outlays for such fiscal year in which total outlays are not greater than total receipts. Congress may amend such statement provided revised outlays are not greater than revised receipts. Congress may provide in such statement for a specific excess of outlays over receipts by a vote directed solely to that subject in which three-fifths of the whole number of each House agree to such excess. Congress and the President shall ensure that actual outlays do not exceed the outlays set forth in such statement.

“SEC. 2. Total receipts for any fiscal year set forth in the statement adopted pursuant to the first section of this Article shall not increase by a rate greater than the rate of increase in national income in the second prior fiscal year, unless a three-fifths majority of the whole number of each House of Congress shall have passed a bill directed solely to approving specific additional receipts and such bill has become law.

“SEC. 3. Prior to each fiscal year, the President shall transmit to Congress a proposed statement of receipts and outlays for such fiscal year consistent with the provisions of this Article.

“SEC. 4. Congress may waive the provisions of this Article for any fiscal year in which a declaration of war is in effect.

“SEC. 5. Total receipts shall include all receipts of the United States except those derived from borrowing and total outlays shall include all outlays of the United States except those for the repayment of debt principal.

“SEC. 6. The amount of Federal public debt as of the first day of the second fiscal year beginning after the ratification of this Article shall become a permanent limit on such debt and there shall be no increase in such amount unless three-fifths of the whole number of each House of Congress shall have passed a bill approving such increase and such bill has become law.

“SEC. 7. Congress shall enforce and implement this Article by appropriate legislation.

“SEC. 8. This Article shall take effect for the fiscal year 2000 or for the second fiscal year beginning after its ratification, whichever is later.”.

The SPEAKER pro tempore, Mr. BONIOR, pursuant to clause 2(d) of rule XXIII, put the question de novo,

The question being put, viva voce, Will the House agree to said amendment in the nature of a substitute?

The SPEAKER pro tempore, Mr. BONIOR, announced that yeas had it.

Mr. PRICE demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The vote was taken by electronic device.

¶25.16 PESTICIDE SAFETY

On motion of Mr. DE LA GARZA, by unanimous consent, the Committee on Agriculture was discharged from further consideration of the bill of the Senate (S. 1913) to extend certain compliance dates for pesticide safety training and labeling requirements.

Mr. DE LA GARZA submitted the following amendment in the nature of a substitute which was agreed to:

Strike out all after the enacting clause and insert in lieu thereof the following:

SECTION 1. COMPLIANCE.

Until January 1, 1995, it shall not be a misuse under section 12(a)(2)(G) of the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136j(a)(2)(G)) to use any pesticide product in a manner inconsistent with the provisions of 40 CFR Part 170 that are (1) subject to the compliance date specified in 40 CFR section 170.5(c) and (2) incorporated by reference on the label or labeling of any pesticide product. This delay in compliance shall not apply to specific worker protection requirements that appear directly on the label or labeling of the pesticide product.

SEC. 2. REENTRY INTERVAL.

(a) IN GENERAL.—Notwithstanding the provisions of 40 CFR Part 170, until January 1, 1995, a worker may enter an area treated with a pesticide product during the restricted entry interval specified on the label of the pesticide product to perform tasks related to the production of agricultural plants if the agricultural employer ensures that—

- (1) no hand labor activity is performed;
- (2) no such entry is allowed for the first 4 hours following the end of the application of the pesticide product;
- (3) no such entry is allowed until any inhalation exposure level listed on the product labeling has been reached; and
- (4) the personal protective equipment specified on the product labeling for early entry is provided in clean and operating condition to the worker.

(b) PROTECTIVE EQUIPMENT FOR IRRIGATION WORK.—For irrigation work for which the only contact with treated surfaces is to the feet, lower legs, hands, and arms, the agricultural employer may provide coveralls, chemical resistant gloves, and chemical re-

sistant footwear instead of the personal protective equipment specified on the label.

SEC. 3. CROP ADVISORS

Notwithstanding the provisions of 40 CFR Part 170, until January 1, 1995, persons performing duties as crop advisors shall not be considered workers or handlers under 40 CFR Part 170 (or for the purposes of the pesticide label) and shall not be subject to the requirements of 40 CFR Part 170.

SEC. 4. SAFETY TRAINING.

(A) TRAINING MATERIALS.—Not later than September 23, 1994, the Administrator shall develop and distribute pesticide safety training materials that convey, at a minimum, the information referred in 40 CFR section 170.230(c)(4).

(b) IMPLEMENTATION.—The Administrator shall assist the appropriate Federal, State, and tribal agencies in implementing the pesticide safety training programs required under 40 CFR part 170.

SEC. 5. DEFINITIONS.

As used in this Act:

(1) The term "hand labor" means any agricultural activity performed by hand or with hand tools that causes a worker to have substantial contact with surfaces (such as plants, plant parts, or soil) that may contain pesticide residues. These activities include, but are not limited to, harvesting, detasseling, thinning, weeding, topping, planting, sucker removal, pruning, disbudding, roguing, and packing produce into containers in the field. The term "hand labor" shall not include operating, moving, or repairing irrigation or watering equipment or performing the tasks of crop advisors.

(2) The term "agricultural employer" means any person who hires or contracts for the services of workers, for any type of compensation, to perform activities related to the production of agricultural plants, or any person who is an owner of or is responsible for management or condition of an agricultural establishment that uses such workers.

(3) The term "worker" means any person, including a self-employed person, who is employed for any type of compensation and who is performing activities relating to the production of agricultural plants on an agricultural establishment. The term "worker" shall not include any person employed by a commercial pesticide handling establishment to perform tasks as a crop advisor.

(4) The term "Administrator" means the Administrator of the Environmental Protection Agency.

SEC. 6. EFFECTIVE PERIOD.

The provisions in this Act shall be effective until January 1, 1995.

When said bill, as amended, was considered, read twice, ordered to be read a third time, was read a third time by title, and passed.

A motion to reconsider the vote whereby said bill, as amended, was passed was, by unanimous consent, laid on the table.

Ordered, That the Clerk request the concurrence of the Senate in said amendment.
