

erator will yield time to eight Members, four from the Majority Party and four from the Minority Party.

The primary purpose of this debate is to enhance the quality of the deliberative process of the House of Representatives, so as to enable all Members to be better informed and to participate in subsequent debates and decisions on major issues.

Under the previous orders of February 11 and March 11, 1994, Mr. Walker will be recognized to moderate a structured debate in the format and sequence that he will describe, which has been mutually established by the Majority and Minority Leaders.

The rules of the House with respect to decorum and proper forms of address to the Chair will apply during this debate. The moderator will yield time to the participants, and will insist that Members not interrupt on other Members' time. As part of the experiment—and not as a precedent for other proceedings of the House—the moderator and the participants will have the aid of a visual timing device.
