56.16 PROVIDING FOR THE CONSIDERATION OF H.R. 4426

Mr. HALL of Ohio, by direction of the Committee on Rules and pursuant to House Resolution 441, called up the following resolution (H. Res. 443):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the State of the Union for consideration of the bill (H.R. 4426) making appropriations for foreign operations, export financing, and related programs for the fiscal year ending September 30, 1995. All points of order against the bill and against its consideration are waived. General debate shall be confined to the bill and the amendment in the nature of a substitute recommended by the Committee on Appropriations and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the pending question shall be the adoption of the amendment in the nature of a substitute recommended by the Committee on Appropriations now printed in the bill. The committee amendment in the nature of a substitute shall be designated and shall be debatable for ten minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. All points of order against the committee amendment in the nature of a substitute, and against provisions in the bill if so amended, are waived. If the committee amendment in the nature of a substitute is adopted, then the bill as so amended shall be considered as the original bill for the purpose of further amendment under the five-minute rule and shall be considered as read. No further amendment shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as specified in the report, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against amendments printed in the report are waived. The chairman of the Committee of the Whole may postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment made in order by this resolution. The chairman of the Committee of the Whole may reduce to not less than five minutes the time for voting by electronic device on any postponed question that immediately follows another vote by electronic device without intervening business, provided that the time for voting by electronic device on the first in any series of questions shall be not less than fifteen minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without inter-

vening motion except one motion to recommend with or without instructions.

When said resolution was considered.

After debate,

Mr. HALL of Ohio moved the previous question on the resolution to its adoption or rejection.

The question being put, *viva voce*,

Will the House now order the previous question?

The SPEAKER pro tempore, Mr. TORRES, announced that the nays had it.

Mr. HALL of Ohio objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.
