Points of order against consideration of the bill for failure to comply with section 302(f), 308(a), 311(a), or 401(b) of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and the amendment recommended by the Committee on the Judiciary and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on the Judiciary. After general debate the bill shall be considered for amendment under the five-minute rule for a period not to exceed twelve hours. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on the Judiciary now printed in the bill. Pending the consideration of that amendment and before the consideration of any other amendment, it shall be in order to consider the amendment thereto specified in the report of the Committee on Rules to be offered by Representative Tauzin of Louisiana or a designee. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.
