

(F) \$310 per ton for the 2001 crop.

Page 59, line 2, add at the end the following new sentence: "Notwithstanding the loan rate actually in effect under subsection (a)(2) or (b)(1), for purposes of this subsection, the Secretary shall use a national average quota loan rate of \$610 per ton and the loan rate for additional peanuts that corresponds to such national average quota loan rate."

Page 61, strike lines 16 and 17, relating to the effective period of the peanut program, and insert the following:

(h) CROPS.—Subsections (a) through (f) shall be effective only for the 1996 through 2001 crops of peanuts. For the 2002 and subsequent crops of peanuts, the Secretary may not make price support available, whether in the form of loans, purchases, or other operations, to peanut producers by using funds of the Commodity Credit Corporation or under the authority of any law.

Page 61, beginning line 18 through line 10 on page 63, strike "2002" all six places it appears and insert "2001".

It was decided in the { Yeas 209
negative } Nays 212

¶19.20 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. MILLER of Florida:

Strike section 107 (page 69, line 18, through page 77, line 14), and insert the following new section:

SEC. 107. RECOURSE LOANS FOR PROCESSORS OF SUGARCANE AND SUGAR BEETS.

(a) SUGARCANE PROCESSOR LOANS.—

(1) IN GENERAL.—The Secretary shall make recourse loans available to processors of sugarcane on raw cane sugar processed from the 1996 through 1999 crops of domestically grown sugarcane.

(2) LOAN RATES.—Recourse loans under this subsection shall be made at the following rates:

(A) In the case of raw cane sugar processed from 1996 crops, \$0.165.

(B) In the case of raw cane sugar processed from the 1997 crop, \$0.15.

(C) In the case of raw cane sugar processed from the 1998 crop, \$0.135.

(D) In the case of raw cane sugar processed from the 1999 crop, \$0.12.

(b) SUGAR BEET PROCESSOR LOANS.—

(1) IN GENERAL.—The Secretary shall make recourse loans available to processors of sugar beets on refined sugar processed from the 1996 through 1999 crops of domestically grown sugar beets.

(2) LOAN RATES.—Recourse loans under this subsection for sugar refined from a crop of sugar beets shall be made at a rate, per pound of refined sugar, that reflects—

(A) an amount that bears the same relation to the loan rate I effect under subsection (a)(2) as the weighted average of producer returns for sugar beets bears to the weighted average of producer returns for sugarcane, expressed on a cents per pound basis for refined beet sugar and raw cane sugar, for the most recent five-year period for which data are available; plus

(B) an amount that covers sugar beet processor fixed marketing expenses.

(c) CONVERSION TO PRIVATE SECTOR FINANCING.—No processor of sugarcane or sugar beets of the 2000 and subsequent crops shall be eligible for recourse loans under this section, and the Secretary of Agriculture may not make price support available, whether in the form of loans, payments, purchases, or other operations, for the 2000 and subsequent crops of sugar beets and sugarcane by using the funds of the Commodity Credit Corporation or under the authority of any law.

(d) ADMINISTRATIVE RULES.—

(1) NATIONAL LOAN RATES.—Recourse loans under this section shall be made available at all locations nationally at the rates specified in this section, without adjustment to provide regional differentials.

(2) LENGTH OF LOANS.—Each recourse loan made under this section shall be for a term of three months, and may be extended for additional 3-month terms, except that—

(A) no loan may have a cumulative term in excess of nine months or a term that extends beyond September 30 of the fiscal year in which the loan is made; and

(B) a processor may terminate a loan and redeem the collateral for the loan at any time by payment in full of principal, interest, and fees then owing.

(e) USE OF COMMODITY CREDIT CORPORATION.—The Secretary shall use the funds, facilities, and authorities of the Commodity Credit Corporation to carry out this section.

(f) MARKETING ASSESSMENT.—

(1) SUGARCANE.—Effective for marketings of raw cane sugar during the 1996 through 2003 fiscal years, the first processor of sugarcane shall remit to the Commodity Credit Corporation a nonrefundable marketing assessment in an amount equal to—

(A) in the case of marketings during fiscal year 1996, 1.1 percent of the loan rate established under subsection (a) per pound of raw cane sugar, processed by the processor from domestically produced sugarcane or sugarcane molasses, that has been marketed (including the transfer or delivery of the sugar to a refinery for further processing or marketing); and

(B) in the case of marketings during each of fiscal years 1997 through 2003, 1.375 percent of the loan rate established under subsection
