Such health plan issuer shall be prohibited from offering coverage after a cessation in offering coverage under this paragraph for a 6-month period or until the health plan issuer can demonstrate to the applicable certifying authority (as defined in section 142(d)) that the health plan issuer has adequate capacity, whichever is later.

(2) **FIRST-COME-FIRST-SERVED.**—A health plan issuer offering a group health plan is only eligible to exercise the limitations provided for in paragraph (1) if the health plan issuer offers coverage to group purchasers under such plan on a first-come-first-served basis or other basis established by a State to ensure a fair opportunity to enroll in the plan and avoid risk selection.

For the purposes of this paragraph, the term “market” means either the large employer market or the small employer market (as defined under applicable State law, or if not so defined, an employer with not more than 50 employees).

(a) **IN GENERAL.**—

(1) **GROUP PURCHASER.**—Subject to subsections (b) and (c), a group health plan shall

be renewed or continued in force by a health plan issuer at the option of the group purchaser, except that the requirement of this subparagraph shall not apply in the case of—

(A) the nonpayment of premiums or contributions by the participant or beneficiary in accordance with the terms of the employee health benefit plan or group health plan or where such plan has not received timely premium payments.

(B) fraud or misrepresentation of material fact on the part of the participant or beneficiary relating to an application for coverage or claim for benefits;

(C) permit individuals to decline coverage under an employee health benefit plan if such right is not otherwise available under such plan.

(b) TERMINATION OF GROUP HEALTH PLANS.—

(1) PARTICULAR TYPE OF GROUP HEALTH PLAN NOT OFFERED.—In any case in which a health plan issuer decides to discontinue offering a particular type of group health plan. A group health plan of such type may be discontinued by the health plan issuer only if—

(A) the health plan issuer provides notice to each group purchaser covered under a group health plan of this type (and participants and beneficiaries covered under such group health plan) of such discontinuation at least 90 days prior to the date of the discontinuation of such plan;

(B) the health plan issuer offers to each group purchaser covered under a group health plan of this type, the option to purchase any other group health plan currently being offered by the health plan issuer; and

(C) in exercising the option to discontinue a group health plan of this type and in offering one or more replacement plans, the health plan issuer acts uniformly without re-

gard to the health status of participants or beneficiaries covered under the group health plan, or new participants or beneficiaries who may become eligible for coverage under the group health plan.

(2) DISCONTINUANCE OF ALL GROUP HEALTH PLANS.—

(A) IN GENERAL.—In any case in which a health plan issuer elects to discontinue offering all group health plans in a State, a group health plan may be discontinued by the health plan issuer only if—

(i) the health plan issuer provides notice to the applicable certifying authority (as defined in section 142(d)) and to each group purchaser (and participants and beneficiaries covered under such group health plan) of such discontinuation at least 180 days prior to the date of the expiration of such plan, and

(ii) all group health plans issued or delivered for issuance in the State or discontinued and coverage under such plans is not renewed.

(B) APPLICATION OF PROVISIONS.—The provisions of this paragraph and paragraph (3) may be applied separately by a health plan issuer—

(i) to all group health plans offered to small employers (as defined under applicable State law, or if not so defined, an employer with not more than 50 employees); or

(ii) to all other group health plans offered by the health plan issuer in the State.

(3) PROHIBITION ON MARKET REENTRY.—In the case of a discontinuation under paragraph (2), the health plan issuer may not provide for the issuance of any group health plan in the market sector (as described in paragraph (2)(B)) in which issuance of such group health plan was discontinued in the State involved during the 5-year period beginning on the date of the discontinuation of the last group health plan not so renewed.

(C) TREATMENT OF NETWORK PLANS.—

(1) GEOGRAPHIC LIMITATIONS.—A network plan (as defined in paragraph (2)) may deny continued participation under such plan to participants or beneficiaries who neither live, reside, nor work in an area in which such network plan is offered, but only if such denial is applied uniformly, without regard to health status of particular participants or beneficiaries.

(2) NETWORK PLAN.—As used in paragraph (1), the term “network plan” means an employee health benefit plan or a group health plan that arranges for the financing and delivery of health care services to participants or beneficiaries covered under such plan, in whole or in part, through arrangements with providers.

(d) COBRA COVERAGE.—Nothing in subsection (a)(2)(E) or subsection (c) shall be construed to affect any right to COBRA continuation coverage as described in part 6 of subtitle B of title I of the employee Retirement Income Security Act of 1974 (29 U.S.C. 1161 et seq.).

**SEC. 103. PORTABILITY OF HEALTH COVERAGE AND LIMITATION ON PREEXISTING CONDITION EXCLUSIONS.**

(a) IN GENERAL.—An employee health benefit plan or a health plan issuer offering a group health plan may impose a limitation or exclusion of benefits relating to treatment of a preexisting condition based on the fact that the condition existed prior to the coverage of the participant or beneficiary under the plan only if—

(1) the limitation or exclusion extends for a period of not more than 12 months after the date of enrollment in the plan;

(2) the limitation or exclusion does not apply to an individual who, within 30 days of the date of birth or placement for adoption (as determined under section 609(c)(3)(B) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1169(c)(3)(B))), was covered under the plan; and

(3) the limitation or exclusion does not apply to a pregnancy.

(b) CREDITING OF PREVIOUS QUALIFYING COVERAGE.—

(1) IN GENERAL.—Subject to paragraph (4), an employee health benefit plan or a health plan issuer offering a group health plan shall provide that if a participant or beneficiary is in a period of previous qualifying coverage as of the date of enrollment under such plan, any period of exclusion or limitation of coverage with respect to a preexisting condition shall be reduced by 1 month for each month in which the participant or beneficiary was in the period of previous qualifying coverage. With respect to an individual described in subsection (a)(2) who maintains continuous coverage, no limitation or exclusion of benefits relating to treatment of a preexisting condition may be applied to a child within the child's first 12 months of life or within 12 months after the placement of a child for adoption.

(2) DISCHARGE OF DUTY.—An employee health benefit plan shall provide documentation of coverage to participants and beneficiaries who coverage is terminated under the plan. Pursuant to regulations promulgated by the Secretary, the duty of an employee health benefit plan to verify previous qualifying coverage with respect to a participant or beneficiary is effectively discharged when such employee health benefit plan provides documentation to a participant or beneficiary that includes the following information:

(A) the dates that the participant or beneficiary was covered under the plan; and

(B) the benefits and cost-sharing arrangement available to the participant or beneficiary under such plan.

An employee health benefit plan shall retain the documentation provided to a participant or beneficiary under subparagraphs (A) and (B) for at least the 12-month period following the date on which the participant or beneficiary ceases to be covered under the plan. Upon request, an employee health benefit plan shall provide a second copy of such documentation or such participant or beneficiary within the 12-month period following the date of such ineligibility.

(3) DEFINITIONS.—As used in this section:

(A) PREVIOUS QUALIFYING COVERAGE.—The term “previous qualifying coverage” means the period beginning on the date—

(i) a participant or beneficiary is enrolled under an employee health benefit plan or a group health plan, and ending on the date the participant or beneficiary is not so enrolled; or

(ii) an individual is enrolled under an individual health plan (as defined in section 113) or under a public or private health plan established under Federal or State law, and ending on the date the individual is not so enrolled;

for a continuous period of more than 30 days (without regard to any waiting period).

(B) LIMITATION OR EXCLUSION OF BENEFITS RELATING TO TREATMENT OF A PREEXISTING CONDITION.—The term “limitation or exclusion of benefits relating to treatment of a preexisting condition” means a limitation or exclusion of benefits imposed on an individual based on a preexisting condition of such individual.

(4) EFFECT OF PREVIOUS COVERAGE.—An employee health benefit plan or a health plan issuer offering a group health plan may impose a limitation or exclusion of benefits relating to the treatment of a preexisting condition, subject to the limits in subsection (a)(1), only to the extent that such service or benefit was not previously covered under the group health plan, employee health benefit plan, or individual health plan in which the participant or beneficiary was enrolled im-

mediately prior to enrollment in the plan involved.

(c) **LATE ENROLLEES.**—Except as provided in section 104, with respect to a participant or beneficiary enrolling in an employee health benefit plan or group health plan during a time that is other than the first opportunity to enroll during an enrollment period of at least 30 days, coverage with respect to benefits or services relating to the treatment of a preexisting condition in accordance with subsection (a) and (b) may be excluded except the period of such exclusion may not exceed 18 months beginning on the date of coverage under the plan.

(d) **AFFILIATION PERIODS.**—With respect to a participant or beneficiary who would otherwise be eligible to receive benefits under an employee health benefit plan or a group health plan but for the operation of a preexisting condition limitation or exclusion, if such plan does not utilize a limitation or exclusion of benefits relating to the treatment of a preexisting condition, such plan may impose an affiliation period on such participant or beneficiary not to exceed 60 days (or in the case of a late participant or beneficiary described in subsection (c), 90 days) from the date on which the participant or beneficiary would otherwise be eligible to receive benefits under the plan. An employee health benefit plan or a health plan issuer offering a group health plan may also use alternative methods to address adverse selection as approved by the applicable certifying authority (as defined in section 142(d)). During such an affiliation period, the plan may not be required to provide health care services or benefits and no premium shall be charged to the participant or beneficiary.

(e) **PREEXISTING CONDITIONS.**—For purposes of this section, the term “preexisting condition” means a condition, regardless of the cause of the condition, for which medical advice, diagnosis, care, or treatment was recommended or received within the 6-month period ending on the day before the effective date of the coverage (without regard to any waiting period).

(f) **STATE FLEXIBILITY.**—Nothing in this section shall be construed to preempt State laws that—

(1) require health plan issuers to impose a limitation or exclusion of benefits relating to the treatment of a preexisting condition for periods that are shorter than those provided for under this section; or

(2) allow individuals, participants, and beneficiaries to be considered to be in a period of previous qualifying coverage if such individual, participant, or beneficiary experiences a lapse in coverage that is greater than the 30-day period provided for under subsection (b)(3);

unless such laws are preempted by section 514 of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1144).

**SEC. 104. SPECIAL ENROLLMENT PERIODS.**

In the case of a participant, beneficiary or family member who—

(1) through marriage, separation, divorce, death, birth or placement of a child for adoption, experiences a change in family composition affecting eligibility under a group health plan, individual health plan, or employee health benefit plan;

Such a special enrollment period shall ensure that a child born or placed for adoption shall be deemed to be covered under the plan as of the date of such birth or placement for adoption if such child is enrolled within 30 days of the date of such birth or placement for adoption.

(A) decline to offer coverage to such individual, or deny enrollment to such individual based on the health status of the individual; or

(B) impose a limitation or exclusion of benefits otherwise covered under the plan for the individual based on a preexisting condition unless such limitation or exclusion could have been imposed if the individual remained covered under a group health plan or employee health benefit plan (including providing credit for previous coverage in the manner provided under subtitle A).

(2) **HEALTH PROMOTION AND DISEASE PREVENTION.**—Nothing in this subsection shall be construed to prevent a health plan issuer offering an individual health plan from establishing premium discounts or modifying otherwise applicable copayments or deductibles in return for adherence to programs of health promotion or disease prevention.

(3) **HEALTH PLAN ISSUER.**—A health plan issuer described in this paragraph in a health plan issuer that issues or renews individual health plans.

(b) **DEFINITION OF ELIGIBLE INDIVIDUAL.**—As used in subsection (a)(1), the term “eligible individual” means an individual who—

(1) was a participant or beneficiary enrolled under one or more group health plans, employee health benefit plans, or public plans established under Federal or State law, for not less than 18 months (without a lapse in coverage of more than 30 consecutive days) immediately prior to the date on which the individual desired to enroll in the individual health plan.

Such a health plan issuer shall be prohibited from offering coverage after a cessation in offering coverage under this paragraph for a 6-month period or until the health plan issuer can demonstrate to the applicable certifying authority (as defined in section 142(d)) that the health plan issuer has adequate capacity, whichever is later.

(2) FIRST-COME-FIRST-SERVED.—A health plan issuer offering coverage to individuals under an individual health plan is only eligible to exercise the limitations provided for in paragraph (1) if the health plan issuer provides for enrollment of individuals under such plan on a first-come-first-served basis or other basis established by a State to ensure a fair opportunity to enroll in the plan and avoid risk selection.

(1) IN GENERAL.—The provisions of subsection (a) shall not be construed to require that a health plan issuer offering group health plans to group purchasers offer individual health plans to individuals.

(2) CONVERSION POLICIES.—A health plan issuer offering group health plans to group purchasers under this title shall not be deemed to be a health plan issuer offering an individual health plan solely because such health plan issuer offers a conversion policy.

(3) MARKETING OF PLANS.—Nothing in this section shall be construed to prevent a State from requiring health plan issuers offering coverage to individuals under an individual health plan to actively market such plan.

SEC. 111. GUARANTEED RENEWABILITY OF INDIVIDUAL HEALTH COVERAGE.

(a) IN GENERAL.—Subject to subsections (b) and (c), coverage for individuals under an individual health plan shall be renewed or continued in force by a health plan issuer at the option of the individual, except that the requirement of this subsection shall not apply in the case of—

(B) the health plan issuer offers to each individual covered under the plan the option to purchase any other individual health plan currently being offered by the health plan issuer to individuals; and

(C) in exercising the option to discontinue the individual health plan and in offering one or more replacement plans, the health plan issuer acts uniformly without regard to the health status of particular individuals.

(2) DISCONTINUANCE OF ALL INDIVIDUAL HEALTH PLANS.—In any case in which a health plan issuer elects to discontinue all individual health plans in a State, an individual health plan may be discontinued by the health plan issuer only if—

(c) TREATMENT OF NETWORK PLANS.—

(1) GEOGRAPHIC LIMITATIONS.—A health plan issuer which offers a network plan (as defined in paragraph (2)) may deny continued participation under the plan to individuals who neither live, reside, nor work in an area in which the individual health plan is offered, but only if such denial is applied uniformly, without regard to health status of particular individuals.

(C) evaluate whether the State law or program provides individuals described in sections 110 and 111 with a choice of health

plans or a health plan providing comprehensive coverage, and

(D) evaluate whether the application of the standards described in sections 110 and 111 will have an adverse impact on the number of individuals in such State having access to affordable coverage.

(2) NOTICE OF INTENT.—If, within 6 months after the date of enactment of this Act, the Governor of a State notifies the Secretary of Health and Human Services that the State intends to enact a law, or modify an existing law, described in subsection (a), the Secretary of Health and Human Services may not make a determination under such subsection until the expiration of the 12-month period beginning on the date on which such notification is made, or until January 1, 1998, whichever is later. With respect to a State that provides notice under this paragraph and that has a legislature that does not meet within the 12-month period beginning on the date of enactment of this Act, the Secretary shall not make a determination under subsection (a) prior to January 1, 1998.

(3) NOTICE TO STATE.—If the Secretary of Health and Human Services determines that a State law or program does not achieve the goals described in subsection (a), the Secretary of Health and Human Services shall provide the State with adequate notice and reasonable opportunity to modify such law or program to achieve such goals prior to making a final determination under subsection (a).

(c) ADOPTION OF NAIC MODEL.—If, not later than 9 months after the date of enactment of this Act—

(a) DEFINITION.—As used in this title, the term “health plan purchasing cooperative” means a group of individuals or employers that, on a voluntary basis and in accordance with this section, form a cooperative for the purpose of purchasing individual health plans or group health plans offered by health plan issuers. A health plan issuer, agent, broker or any other individual or entity engaged in the sale of insurance may not underwrite a cooperative.

(b) CERTIFICATION.—

(1) IN GENERAL.—If a group described in subsection (a) desires to form a health plan purchasing cooperative in accordance with this section and such group appropriately notifies the State and the Secretary of such desire, the State, upon a determination that such group meets the requirements of this section, shall certify the group as a health plan purchasing cooperative. The State shall make a determination of whether such group meets the requirements of this section in a timely fashion. Each such cooperative shall also be registered with the Secretary.

(2) STATE REFUSAL TO CERTIFY.—If a State fails to implement a program for certifying health plan purchasing cooperatives in accordance with the standards under this title, the Secretary shall certify and oversee the operations of such cooperative in such State.

(3) INTERSTATE COOPERATIVES.—For purposes of this section a health plan purchasing cooperative operating in more than one State shall be certified by the State in which the cooperative is domiciled. (c) BOARD OF DIRECTORS.—

(1) IN GENERAL.—Each health plan purchasing cooperative shall be governed by a Board of Directors that shall be responsible for ensuring the performance of the duties of the cooperative under this section. Nothing in the preceding sentence shall limit a member of the Board from purchasing coverage offered through the cooperative.

(d) MEMBERSHIP AND MARKETING AREA.—

(1) MEMBERSHIP.—A health plan purchasing cooperative may establish limits on the maximum size of employers who may become members of the cooperative, and may determine whether to permit individuals to become members. Upon the establishment of such membership requirements, the cooperative shall, except as provided in subparagraph (B), accept all employers (or individuals) residing within the area served by the cooperative who meet such requirements as members on a first-come, first-served basis, or on another basis established by the State to ensure equitable access to the cooperative.

With respect to a State that has not established such rules, a health plan purchasing cooperative operating in the State shall define the boundaries of the area to be served by the cooperative, except that such boundaries may not be established on the basis of health status of the populations that reside in the area.

(4) operate on a for-profit or other basis where the legal structure of the cooperative permits profits to be made and not returned to the members of the cooperative, except that a for-profit health plan purchasing cooperative may be formed by a nonprofit organization—

(A) in which membership in such organization is not based on health status; and

(B) that accepts as members all employers or individuals on a first-come, first-served basis, subject to any established limit on the maximum size of an employer that may become a member; or

(5) perform any other activities that conflict or are inconsistent with the performance of its duties under this title.

(g) LIMITED PREEMPTIONS OF CERTAIN STATE LAWS.—

(A) RATING.—With respect to a health plan issuer offering a group health plan or individual health plan through a health plan purchasing cooperative that meets the requirements of this section, State premium rating requirement laws, except to the extent provided under subparagraph (B), shall be preempted unless such laws permit premium rates negotiated by the cooperative to be less than rates that would otherwise be permitted under State law, if such rating differential is not based on differences in health status or demographic factors.

(B) EXCEPTION.—State laws referred to in subparagraph (A) shall not be preempted if such laws—

(i) prohibit the variance of premium rates among employers, plan sponsors, or individuals that are members of health plan purchasing cooperative in excess of the amount of such variations that would be permitted under such State rating laws among employers, plan sponsors, and individuals that are not members of the cooperative; and

(ii) prohibit a percentage increase in premium rates for a new rating period that is in excess of that which would be permitted under State rating laws.

(C) BENEFITS.—Except as provided in subparagraph (D), a health plan issuer offering a group health plan or individual health plan through a health plan purchasing cooperative shall comply with all State mandated benefit laws that require the offering of any services, category or care, or services of any class or type of provider.

(D) EXCEPTION.—In those states that have enacted laws authorizing the issuance of alternative benefit plans to small employers, health plan issuers may offer such alternative benefit plans through a health plan purchasing cooperative that meets the requirements of this section.

(h) RULES OF CONSTRUCTION.—Nothing in this section shall be construed to—

(1) require that a State organize, operate, or otherwise create health plan purchasing cooperatives;

(2) otherwise require the establishment of health plan purchasing cooperatives.

(3) require individuals, plan sponsors, or employers to purchase group health plans or individual health plans through a health plan purchasing cooperative;

(4) require that a health plan purchasing cooperative be the only type of purchasing arrangement permitted to operate in a State.

(5) confer authority upon a State that the State would not otherwise have to regulate health plan issuers or employee health benefits plans, or

(6) confer authority up a State (or the Federal Government) that the State (or Federal Government) would not otherwise have to regulate group purchasing arrangements, coalitions, or other similar entities that do not desire to become a health plan purchasing cooperative in accordance with this section.

(i) APPLICATION OF ERISA.—For purposes of enforcement only, the requirements of parts 4 and 5 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1101) shall apply to a health plan purchasing cooperative as if such plan were an employee welfare benefit plan.
