

pened in Orange County, California. The Act would (1) require prompt reporting by plan administrators and accountants of any serious and egregious misuse of funds; (2) double the guaranteed benefit for participants in multiemployer plans in the unlikely event such a plan becomes insolvent; and (3) enhance benefits of a surviving spouse and dependents under the Civil Service Retirement System and the Railroad Retirement System.

—Ensure that pension raiding, such as that which drained \$20 billion out of retirement funds in the 1980s, never happens again—by retaining the strong current laws preventing such abuses and by requiring periodic reports on reversions by the Secretary of Labor.

Many of the provisions of the Retirement Savings and Security Act are new. In particular, provisions facilitating saving from the first day on the job, in both the private sector and the Federal Government; the doubling of the multi-employer guarantee; and improving benefits for surviving spouses and dependents of participants in the Civil Service Retirement System and the Railroad Retirement System deserve special consideration by the Congress. In addition, many of the provisions and concepts in this Act have been previously proposed by this Administration and have broad bipartisan support.

American workers deserve pension security—as well as a decent wage, life-long access to high quality education and training, and health security—to take advantage of the opportunities of our growing economy.

I urge the prompt and favorable consideration of this legislative proposal by the Congress.

WILLIAM J. CLINTON.

THE WHITE HOUSE, May 23, 1996.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Ways and Means, the Committee on Economic and Educational Opportunities, the Committee on Government Reform and Oversight, and the Committee and Transportation and Infrastructure, and ordered printed (H. Doc. 104-221).
