Pending consideration of said amendment,

¶63.6 POINT OF ORDER

Mr. PORTMAN made a point of order against the amendment as violating section 425(a) of the Congressional Budget Act of 1974, and said:

"Mr. Speaker, pursuant to section 425(a) of the Congressional Budget Act, it is not in order for the House to consider any amendment that would increase the direct costs of Federal inter-governmental mandates in excess of \$50 million annually. The precise language in the amendment before us on which this is based is 'Paragraph 1 of section 6(a) of the Fair Labor Standards Act of 1938 is amended to read as follows: Not less than \$.75 an hour during the year beginning July 1, 1996, and not less than \$5.15 an hour after the expiration of such year.'

"It is upon this basis and the impact this amendment would have on State and local government as estimated by the Congressional Budget Office that I raise this point of order, and ask for ruling from the Chair."

The SPEAKER pro tempore, Mr. WALKER, responded to the point and said:

"The gentleman from Ohio [Mr. PORTMAN] makes a point of order that the amendment violates section 425(a) of the Congressional Budget Act of 1974. In accordance with section 426(b)(2) of the Act, the gentleman has met his threshold burden to identify the specific language in the amendment on which he predicates the point of order. Under section 426(b)(4) of the Act, the gentleman from Ohio and a Member opposed each will control 10 minutes of debate on the point of order. Pursuant to section 426(b)(3) of the Act, after debate on the point of order the Chair will put the question of consideration, to wit: 'Will the House now consider the amendment?'"

After debate,
The question being put, viva voce,
Will the House now consider said amendment?

The SPEAKER pro tempore, Mr. WALKER, announced that the nays appeared to have it.

Mr. CLAY objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,
The roll was called under clause 4, rule XV, and the call was taken by electronic device.
