Mr. SOLOMON, by direction of the Committee on Rules, called up the following resolution (H. Res. 453):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 3610) making appropriations for the Department of Defense for the fiscal year ending September 30, 1997, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with clause 2(1)(6) of rule XI, clause 7 of rule XXI, or section 302(c) of the Congressional Budget Act of 1974

are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. Points of order against provisions in the bill for failure to comply with clause 2 or 6 of rule XXI are waived. Before consideration of any other amendment it shall be in order without intervention of any point of order to consider the amendment printed in the report of the Committee on Rules accompanying this resolution, if offered by Representative Young of Florida or his designee. That amendment shall be considered as read, may amend portions of the bill not yet read for amendment, shall be debatable for twenty minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. If that amendment is adopted, the bill, as amended, shall be considered as the original bill for the purpose of further amendment. After disposition of that amendment, during further consideration of the bill pursuant to this resolution, the appropriate allocation of new discretionary budget authority within the meaning of section 302(f)(1) of the Congressional Budget Act of 1974 shall be \$245,065,000,000. The corresponding level of budget outlays shall be \$243,372,000,000. During further consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment. The Chairman of the Committee of the Whole may reduce to not less than five minutes the time for voting by electronic device on any postponed question that immediately follows another vote by electronic device without intervening business, provided that the time for voting by electronic device on the first in any series of questions shall not be less than fifteen minutes. After the reading of the final lines of the bill, a motion that the Committee of the Whole rise and report the bill to the House with such amendments as may have been adopted shall, if offered by the majority leader or a designee, have precedence over a motion to amend. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.
