¶122.29 MESSAGES AND COMMUNICATIONS RECEIVED FOLLOWING THE SINE DIE ADJOURNMENT

COMMUNICATION FROM THE OFFICE OF THE LAW REVISION CONCEDE

The text of the communication from Edward F. Willett, Jr., Office of the Law Revision Counsel, dated September 16, 1996, is as follows:

U.S. HOUSE OF REPRESENTATIVES
Washington, DC, September 16, 1996.

Hon. NEWT GINGRICH,
*Speaker, U.S. House of Representatives, Wash-
ington, DC.*

DEAR MR. SPEAKER: This past April, I completed 26 years of service with the House of Representatives, first as Assistant Law Revision Counsel and later as Law Revision Counsel for the Committee on the Judiciary and, since the establishment of the Office of the Law Revision Counsel in 1975, as Law Revision Counsel for the House of Representatives. Together with prior executive branch service, my total service is nearing 38 years. Accordingly, I have concluded it is time to retire. I am most grateful for having had the privilege of serving the House as Law Revision Counsel. With your approval my termination as Law Revision Counsel will become effective November 30, 1996.

Permit me to provide a brief overview of the Office of the Law Revision Counsel. Functions of the Office include the classification of new laws to the United States Code, the preparation and publication of the Code, the preparation of bills to enact titles of the Code into positive law and to repeal obsolete and superseded statutes, and the provision of advice and assistance to the Committee on the Judiciary in carrying out its functions with respect and codification.

The Office functions with a staff of 18, all of whom have been appointed without regard to political affiliation and solely on the basis of fitness to perform the duties of the position. All have expressed the desire for career service in the Office. This has resulted in low turnover and in a highly motivated, produc-

tive staff. My Deputy and the two Senior Counsels have accumulated 60 years of service with the Office. Accumulated service of the seven Assistant Counsels totals 74 years and that of the seven support staff 69 years.

Methods and procedures for the preparation and publication of the United States Code have been modernized. Working with the Government Printing Office, the transition from hot metal to electronic typesetting and composition for printing of the Code was implemented commencing with the 1976 main edition. A computer system was installed in the Office for use in maintaining the code database and updating it to include newly enacted laws. The system permits the text of new laws to be extracted from the bills database and efficiently incorporated into the Code database. Benefits resulting from modernization include increased productivity, virtually error-free text, timelier publication, and substantial reduction in typesetting costs. Main editions of the code were published for 1976, 1982, 1988, and 1994, and annual cumulative Supplements were published for each of the intervening years.

The Code database is also utilized for a computerized Code Research and Retrieval system for the legislative branch and for the annual production of the Code on CD-ROM. Response to the availability of the Code on CD-ROM has been exceptional, with thousands being purchased from the Superintendent of Documents at a unit cost of about \$35. Commencing in January 1995, the Code and the Code classifications of new laws have been made available (utilizing the Code database) on the House Internet Law Library and on the Government Printing Office Internet access. Usage of the House Internet Law Library to access the Code is increasing significantly each month, with user totals for August in excess of 100,000. The Internet Law Library has been the subject of numerous good reviews and comments from both user groups and individual users.

As a result of bills prepared by the Office and transmitted to the Committee on the Judiciary, three titles of the Code have been enacted into positive law without substantive change and numerous obsolete and superseded laws repealed. Assistance was provided to the Committee in connection with the substantive revision and enactment into positive law of a fourth title of the Code. Bills to enact three other titles have been transmitted to the Committee and a bill relating to another title is in preparation.

What has been accomplished could not have been done without the assistance and expertise of an outstanding staff. I am truly indebted to them. The Office has enjoyed a close working relationship with the Committee on the Judiciary with regard to its consideration of bills to enact titles of the Code into positive law, for which I am most appreciative. I also gratefully acknowledge the assistance of the support offices of the House, particularly House Information Resources and the Office of the Legislative Counsel, and of the Government Printing Office.

Respectfully yours,

EDWARD F. WILLETT, JR.

¶122.30 COMMUNICATION FROM THE HONORABLE CHARLES WILSON—RESIGNATION AS A MEMBER OF CONGRESS

The text of the communication from the Honorable Charles Wilson, Member of Congress, dated October 8, 1996, is as follows:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, DC, October 8, 1996.

Hon. GEORGE W. BUSH,
Governor of The State of Texas, State Capitol,
Austin, Texas.

Re Letter of resignation, Texas Congressional District No. 2.

DEAR GOVERNOR BUSH: It has been my honor, and privilege, to serve my constituents in Texas for almost 40 years; four in the United States Navy; twelve in the Texas Legislature and the remainder in the U.S. House of Representatives. I have tried to give the very best I had to offer for my constituents, the State of Texas and my Country. If there were an opportunity to turn the clock back and start over, I would follow the same course. At this point of anyone's career, if he/she can look back and say, "It was good," the ultimate fulfillment has been achieved. I can truthfully say, it was good.

The book has closed on the 104th Congress. With that closure, I respectfully take my leave effective at the expiration of October 8, 1996.

Thank you for your kind understanding of my resignation and for the many courtesies you have extended to me.

Sincerely,

CHARLES WILSON.

¶122.31 COMMUNICATION FROM THE HONORABLE SAM BROWNBACK—RESIGNATION AS A MEMBER OF CONGRESS

The text of the communication from the Honorable Sam Brownback, Member of Congress, dated November 26, 1996, is as follows:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, DC, November 26, 1996.

Hon. NEWT GINGRICH,
Speaker of the House of Representatives,
The Capitol, Washington, DC.

DEAR NEWT: Attached please find a copy of the letter I have sent to Kansas Governor Bill Graves informing him that I am resigning from the House of Representatives effective at 12:00 p.m. central time on Wednesday, November 27th, 1996.

It has been an honor and a privilege to serve with you in the House of Representatives. We enacted reforms during the 104th Congress that has moved this country in the right direction. I look forward to continuing to work with you to balance the federal budget, reduce the size, scope, and intrusiveness of the federal government, and restore the American Dream.

Sincerely,

SAM BROWNBACK,
Member of Congress.

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, DC, November 25, 1996.

Gov. BILL GRAVES,
State Capitol, Topeka, KS.

DEAR GOVERNOR GRAVES: For the past two years, it has been my privilege to serve the people of Kansas' Second District as their elected Representative in the U.S. Congress. It has been an eventful tenure.

These are remarkable times, and public servants have a tremendous opportunity and

responsibility for making America a better place.

There is much work to be done, and the people rightly expect that we will begin it in earnest. Toward that end, I am scheduled to be sworn in as a U.S. Senator for Kansas at 2:00 p.m. central time, Wednesday, November 27, 1996. Accordingly, I am resigning my seat in the U.S. House of Representatives effective at 12:00 p.m. central time, Wednesday, November 27, 1996.

The work of renewing America is unfinished. I see cause for great hope as I believe we are now clearly focused on those very problems which most confound us. There has never been a challenge which the American nation recognized clearly and approached resolutely which we did not overcome. We have cause for great Thanksgiving.

Sincerely,

SAM BROWNBACK.
