¶4.12 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO MID-EAST TERRORISM

The SPEAKER pro tempore, Mr. LAHOOD, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the Federal Register for publication, stating that the emergency declared with respect to grave acts of violence committed by foreign terrorists that disrupt the Middle East peace process, is to continue in effect beyond January 23, 1997. The first notice continuing this emergency was published in the Federal Register last year on January 22, 1996.

The crisis with respect to the grave acts of violence committed by foreign terrorists that threaten to disrupt the Middle East peace process that led to the declaration of a national emergency, on January 23, 1995, has not been resolved. Terrorist groups continue to engage in activities with the purpose or effect of threatening the Middle East peace process, and which are hostile to U.S. interests in the region. Such actions threaten vital interests of the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to deny any financial support from the United States for foreign terrorists that threaten to disrupt the Middle East peace process.

WILLIAM J. CLINTON.

THE WHITE HOUSE, *January 21, 1997*.

The message, together with the accompanying papers, was referred to the Committee on International Relations and ordered to be printed (H. Doc. 105-28).

¶4.13 MESSAGE FROM THE PRESIDENT—BIOLOGICAL AND CHEMICAL WEAPONS

The SPEAKER pro tempore, Mr. LAHOOD, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

As required by section 1416 of the National Defense Authorization Act for Fiscal Year 1997 (Public Law 104-201), I transmit herewith a report describing the respective policy functions and operational roles of Federal agencies in countering the threat posed by the use

or potential use of biological and chemical weapons of mass destruction (WMD) within the United States.

WILLIAM J. CLINTON.

THE WHITE HOUSE, *January 21, 1997*.

The message, together with the accompanying papers, was referred to the Committee on National Security and ordered to be printed (H. Doc. 105-29).
