

In connection with Condition (28), Constitutional Protection Against Unreasonable Search and Seizure: (i) for any challenge inspection conducted on the territory of the United States pursuant to Article IX, where consent has been withheld, the United States National Authority will first obtain a criminal search warrant based upon probable cause, supported by oath or affirmation, and describing with particularity the place to be searched and the persons or things to be seized; and (ii) for any routine inspection of a declared facility under the Convention that is conducted on an involuntary basis on the territory of the United States, the United States National Authority first will obtain an administrative search warrant from a United States magistrate judge.

In accordance with Condition (26) on Riot Control Agents, I have certified that the United States is not restricted by the Convention in its use of riot control agents in various peacetime and peacekeeping operations. These are situations in which the United States is not engaged in a use of force of a scope, duration and intensity that would trigger the laws of war with respect to U.S. forces.

In connection with Condition (4)(A), Cost Sharing Arrangements, which calls for a report identifying all cost-sharing arrangements with the Organization, I hereby report that because the Organization is not yet established and will not be until after entry into force of the Convention, as of this date there are no cost-sharing arrangements between the United States and the Organization to identify. However, we will be working with the Organization upon its establishment to develop such arrangements with it and will provide additional information to the Congress in the annual reports contemplated by this Condition.

WILLIAM J. CLINTON.
THE WHITE HOUSE, April 25, 1997.

By unanimous consent, the message was referred to the Committee on International Relations and ordered to be printed (H. Doc. 105-77).
