Whereas the Marshall Plan was developed, refined, and enacted with the broad bipartisan involvement of the Congress of the United States, including in particular the efforts of Senator Arthur H. Vandenberg of Michigan and Congressman Christian A. Herter of Massachusetts;

Whereas the Congress provided an estimated \$13,300,000,000 to assist the sixteen European countries which participated in the Marshall Plan during the four-year period of its existence, and this material contribution represented a significant sacrifice by the American people;

Whereas the assistance provided under the Marshall Plan served to "prime the pump" to stimulate the economies of the participating European countries and resulted in an average growth of 41 percent in industrial production and an average growth of 33.5 percent in per capita gross national product during the four years of the program;

Whereas the spectacular economic revival of the countries of Western Europe would not have been possible without the creativity, technical skills, managerial competence, and hard work of the European peoples; nevertheless, the Marshall Plan was a vital element in assisting the European peoples in the postwar economic recovery;

Whereas the multinational economic cooperation required and encouraged by the Marshall Plan was a significant impetus in fostering transnational European economic cooperation and unity which ultimately helped to pave the way for the North Atlantic Treaty, in developing the multifaceted relationship between the United States and the countries of Europe, and in contributing to the establishment of the European Union; and

Whereas 1997 marks the 50th anniversary of the original speech by Secretary of State George C. Marshall calling for the establishment of the Marshall Plan: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That the Congress—

(1) urges all Americans on the 50th anniversary of the Marshall Plan to reflect upon the significance of this program as a concrete embodiment of the commitment of the United States to fostering peaceful relations with the economic prosperity of the countries of Europe;

(2) reaffirms the commitment that was expressed in the original Marshall Plan ("Economic Cooperation Act of 1948," sec. 102, Public Law 80-472) was enacted—namely, that "intimate economic and other relationships exist between the United States and the nations of Europe," that extensive and friendly relations with the nations of Europe and with the community of European nations is vital to the promotion of "the general welfare and national interest of the United States" and that the prosperity and security of Europe are essential to "the establishment of a lasting peace"; and

(3) acknowledges and commends the efforts of those countries which originally participated in the Marshall Plan to assist the countries of Central and Eastern Europe and the newly independent republics of the former Soviet Union in their efforts to develop market economies and democratic political systems as a reflection of the same generous spirit that motivated the people of the United States to help these Western European countries fifty years ago.

Resolved. That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H. R. 408) to amend the Marine Mammal Protection Act of 1972 to support the International Dolphin Conservation Program in the eastern tropical Pacific Ocean, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment recommended by the Committee on Resources now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute printed in the Congressional Record and numbered 1 pursuant to clause 6 of rule XXIII. That amendment shall be considered as read. Points of order against that amendment for failure to comply with clause 7 of rule XVI are waived. No amendment to that amendment shall be in order except the amendment printed in the Congressional Record pursuant to clause 6 of rule XXIII, which may be offered only by Representative Miller of California or his designee, shall be considered as read, shall be debatable for one hour equally divided and controlled by the proponent and an opponent, and shall not be subject to amendment. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommend with or without instructions.
