So the amendment was agreed to.

The question being put, viva voce,  
Will the House agree to the following amendments [GILMAN amendments en bloc] on which a separate vote had been demanded?

At the end of title XVII (relating to foreign policy provision) add the following (and conform the table of contents accordingly):

**SEC. 1717. SENSE OF THE CONGRESS REGARDING UNITED STATES CITIZENS HELD IN PRISONS IN PERU.**

(a) FINDINGS.—The Congress finds the following:

- (1) The Government of Peru has made substantial progress in the effort to restrict the flow of illicit drugs from Peru to the United States.
- (2) The Government of Peru has cooperated greatly with the United States Government to stop individuals and organizations seeking to transport illicit drugs from Peru to the United States and to jail such drug exporters.
- (3) Any individual engaging in such exporting of illicit drugs and convicted in a court of law should face stiff penalties.
- (4) Any such individual should also have a right to timely legal procedures.
- (5) Two United States citizens, Jennifer Davis and Krista Barnes, were arrested in Peru on September 25, 1996, for attempting to transport illicit drugs from Peru to the United States.
- (6) Ms. Davis and Ms. Barnes have admitted their guilt upon arrest and to an investigative judge.
- (7) Ms. Davis and Ms. Barnes have volunteered to cooperate fully with Peruvian judicial authorities in naming individuals responsible for drug trafficking and several have been arrested.
- (8) More than seven months after their arrest, Ms. Davis and Ms. Barnes have not yet been formally charged with a crime.

(9) Peruvian domestic law mandates that formal charges be brought within four to six months after arrest.

(b) SENSE OF THE CONGRESS.—It is the sense of the Congress that the Government of Peru should respect the rights of prisoners to timely legal procedures, including the rights of all United States citizens held in prisons in Peru.

At the end of title XVII, insert the following:

**SEC. 1717. SPECIAL ENVOYS FOR MUTUAL DISARMAMENT.**

The President shall instruct the United States Ambassador to the United Nations to support in the Security Council, the General Assembly, and other United Nations bodies, resolutions and other efforts to—

(1) appoint special envoys for conflict prevention to organize and conduct, in cooperation with appropriate multilateral institutions, mutual disarmament talks in every region of the world in which all nations would participate, and to report to international financial institutions on the degree of cooperation of governments with these talks;

(2) commit each member state to agree to meet with its regional special envoy within 3 months of appointment to deliver and discuss its proposal for regional (and, where appropriate, international) confidence-building measures, including mutual reductions in the size, proximity, and technological sophistication of its and other nations' armed forces, that would lead to significant cuts in threat levels and military spending; and

(3) commit each member state to agree to continue meeting with the special envoy and such regional bodies and states as the special envoy shall suggest to complete negotiations on such confidence-building measures, with the goal of making significant cuts in military spending by the year 2000.

At the end of title XVII (relating to foreign policy provisions) insert the following new section:

**SEC. 1717. SENSE OF CONGRESS RELATING TO THE TRANSFER OF NUCLEAR WASTE FROM TAIWAN TO NORTH KOREA.**

(a) FINDINGS.—The Congress makes the following findings:

(1) The Republic of China on Taiwan (Taiwan) is considering transferring low-level nuclear waste to the Democratic People's Republic of Korea (North Korea) and paying North Korea an amount in excess of \$220,000,000 to accept the nuclear waste.

(2) The transfer of nuclear waste across international boundaries creates worldwide environmental safety concerns.

(3) North Korea rejected the request of the International Atomic Energy Agency (IAEA) to inspect 2 nuclear facilities at Yongbyon in March 1993, in violation of Article III of the Treaty on the Non-Proliferation of Nuclear Weapons, to which North Korea is a signatory.

(4) North Korea has historically been unwilling to allow any third party investigators to inspect its nuclear waste storage facilities.

(5) The failure of North Korea to store nuclear waste safely raises environmental concerns on the Korean peninsula.

(6) The United States has in excess of 37,000 military personnel, plus their families, on the Korean peninsula.

(7) The current North Korean regime has been linked to numerous terrorist activities, including the bombing in 1987 of a Korean Airline aircraft, and the bombing in 1983 in Rangoon, Burma, which killed 4 South Korean Government and 13 diplomatic officials.

(8) North Korea continues to be listed by the United States Department of State as a state supporting international terrorism.

(9) The several hundred million dollars of hard currency generated by this transaction

could be used by the militarist regime in North Korea to continue their reign of terror over their own people and the sovereign nations of the Pacific Rim.

(b) SENSE OF CONGRESS.—It is the sense of the Congress that the Government of Taiwan should refrain from issuing an export license for the transfer of nuclear waste to North Korea until all parties on the Korean peninsula can be assured that—

(1) North Korea can safely handle this nuclear waste;

(2) North Korea will submit to independent third party inspection of their nuclear storage facilities; and

(3) North Korea indicates a willingness to comply with the commitments it made in the "Agreed Framework", entered into in 1994 between North Korea, South Korea, Japan, and the United States, relating to nuclear materials and facilities in North Korea, and meet International Atomic Energy Agency safeguards with respect to North Korea's nuclear program.

At the end of title XVII (relating to foreign policy provisions) insert the following new section:

**SEC. 1717. CONGRESSIONAL STATEMENT REGARDING PRIME MINISTER GUJRAL OF INDIA.**

(a) FINDINGS.—The Congress makes the following findings:

(1) Prime Minister Gujral of India has recently received a vote of confidence from the Indian parliament.

(2) Prime Minister Gujral is committed to strengthening ties between the United States and India through the continuation of free market reforms and initiatives.

(3) The Gujral government is on the verge of passing a budget package that will carry forward economic reforms initiated in 1991 that have opened India to foreign investment and trade.

(4) Prime Minister Gujral has made it a priority to improve relations with Pakistan and has recently met with the Prime Minister of Pakistan, Nawaz Sharif, to better relations between the two countries.

(b) SENSE OF CONGRESS.—It is the sense of the Congress that the Clinton Administration should support and work closely with Indian Prime Minister Gujral in strengthening relations between the United States and India and improving relations in the South Asia region.

At the end of title XVII (relating to foreign policy provisions) insert the following new section:

**SEC. 1717. SENSE OF CONGRESS REGARDING THE SOVEREIGNTY OF BELARUS.**

It is the sense of the Congress that the President should strongly urge the Government of President Aleksandr Lukashenka of the Republic of Belarus to defend the sovereignty of Belarus, maintain its independence from the Russian Federation, abide by the provisions of the Helsinki Accords and the constitution of the Republic of Belarus and guarantee freedom of the press, allow for the flowering of the Belarusan language and culture, and enforce the separation of powers.

**AMENDMENT TO H.R. 1757, AS REPORTED OFFERED BY MR. ROHRBACHER OF CALIFORNIA**

At the end of title XVII (relating to foreign policy provisions) insert the following new section:

**SEC. 1717. CONGRESSIONAL STATEMENT REGARDING THE ACCESSION OF TAIWAN TO THE WORLD TRADE ORGANIZATION.**

(a) FINDINGS.—The Congress makes the following findings:

(1) The people of the United States and the people of the Republic of China on Taiwan have long enjoyed extensive ties.

(2) Taiwan is currently the 8th largest trading partner of the United States, and ex-

ports from the United States to Taiwan total more than \$18,000,000 annually, substantially more than the United States exports to the People's Republic of China.

(3) The executive branch has committed publicly to support Taiwan's bid to join the World Trade Organization and has declared that the United States will not oppose this bid solely on the grounds that the People's Republic of China, which also seeks membership in the World Trade Organization, is not yet eligible because of its unacceptable trade practices.

(4) The United States and Taiwan have concluded discussions on a variety of outstanding trade issues that remain unresolved with the People's Republic of China and that are necessary for the United States to support Taiwan's membership in the World Trade Organization.

(5) The reversion of control over Hong Kong—a member of the World Trade Organization—to the People's Republic of China, scheduled by treaty to occur on July 1, 1997, will, in many respects, afford to the People's Republic of China the practical benefit of membership in the World Trade Organization for the substantial portion of its trade in goods—despite the fact that the trade practices of the People's Republic of China currently fall far short of what the United States expects for membership in the World Trade Organization.

(6) The executive branch has announced its interest in the admission of the People's Republic of China to the World Trade Organization; the fundamental sense of fairness of the people of the United States warrants the United States Government's support for Taiwan's relatively more meritorious application for membership in the World Trade Organization.

(7) It is in the economic interest of United States consumers and exporters for Taiwan to complete the requirements for accession to the World Trade Organization at the earliest possible moment.

(b) CONGRESSIONAL STATEMENT.—The Congress favors public support by officials of the Department of State for the accession of Taiwan to the World Trade Organization.

At the end of title XVII insert the following new section:

**SEC. 1717. REPORTS AND POLICY CONCERNING HUMAN RIGHTS VIOLATIONS IN LAOS.**

Within 180 days after the date of the enactment of this Act, the Secretary of State shall report to the appropriate congressional committees on the allegations of persecution and abuse of the Hmong and Laotian refugees who have returned to Laos. The report shall include:

(1) A full investigation, including full documentation of individual cases of persecution, of the Lao Government's treatment of Hmong and Laotian refugees who have returned to Laos.

(2) The steps the State Department will take to continue to monitor any systematic human rights violations by the Government of Laos.

(3) The actions which the State Department will take to ensure the cessation of human rights violations.

At the end of the bill add the following (and conform the table of contents accordingly):

**TITLE . WITHHOLDING OF ASSISTANCE TO COUNTRIES THAT PROVIDE NUCLEAR FUEL TO CUBA**

(a) IN GENERAL.—Section 620 of the Foreign Assistance Act of 1961 (22 U.S.C. 2370), as amended by this Act, is further amended by adding at the end the following:

“(y)(1) Except as provided in paragraph (2), the President shall withhold from amounts made available under this Act or any other

Act and allocated for a country for a fiscal year an amount equal to the aggregate value of nuclear fuel and related assistance and credits provided by that country, or any entity of that country, to Cuba during the preceding fiscal year.

“(2) The requirement to withhold assistance for a country for a fiscal year under paragraph (1) shall not apply if Cuba—

“(A) has ratified the Treaty on the Non-Proliferation of Nuclear Weapons (21 UST 483) or the Treaty of Tlatelco, and Cuba is in compliance with the requirements of either such Treaty;

“(B) has negotiated and is in compliance with full-scope safeguards of the International Atomic Energy Agency not later than two years after ratification by Cuba of such Treaty; and

“(C) incorporates and is in compliance with internationally accepted nuclear safety standards.

“(3) The Secretary of State shall prepare and submit to the Congress each year a report containing a description of the amount of nuclear fuel and related assistance and credits provided by any country, or any entity of a country, to Cuba during the preceding year, including the terms of each transfer of such fuel, assistance, or credits.”

(b) EFFECTIVE DATE.—Section 620(y) of the Foreign Assistance Act of 1961, as added by subsection (a), shall apply with respect to assistance provided in fiscal years beginning on or after the date of the enactment of this Act.

At the end of bill add the following (and conform the table of contents accordingly):

Title . AVAILABILITY OF AMOUNTS FOR CUBAN LIBERTY AND DEMOCRATIC SOLIDARITY ACT OF 1996 AND THE CUBAN DEMOCRACY ACT OF 1992

Not less than \$2,000,000 shall be made available under Chapter 4 of part II of the Foreign Assistance Act of 1961 (22 U.S.C. 2346; relating to economic support fund), for fiscal years 1998 to 1999 to carry out the programs and activities under the Cuban Liberty and Democratic Solidarity (LIBERTAD) Act of 1996 (22 U.S.C. 6021 et. seq.) and the Cuban Democracy Act of 1992 (22 U.S.C. 2001 et. seq.)

Add the following new title to the end of the bill (and adjust the table of contents accordingly)

Title

It is the sense of Congress and the President of the United States should attempt to achieve the foreign policy goal of an international arms sales code of conduct with all Wassenaar Arrangement countries. The purpose of this goal shall be to achieve an agreement on restricting or prohibiting arms transfers to countries that:

(1) Do not respect democratic processes and the rule of law;

(2) Do not adhere to internationally-recognized norms on human rights; or

(3) Are engaged in acts of armed aggression.

At the end of the bill add the following (and conform the table of contents accordingly):

DIVISION C—BUY-AMERICAN REQUIREMENTS

SEC. 2001. BUY-AMERICAN REQUIREMENTS.

(A) COMPLIANCE WITH BUY AMERICAN ACT.—None of the funds made available in this Act may be expended by an entity unless the entity agrees that is expending the funds the entity will consistent with International Trade Agreements implemented in U.S. Law, comply with the Buy American Act (41 U.S.C. 10a-10c).

(b) SENSE OF CONGRESS; REQUIREMENT REGARDING NOTICE.—

(1) PURCHASE OF AMERICAN-MADE REQUIREMENT AND PRODUCTS.—In the case of any equipment or product that may be authorized to be purchased with financial assistance provided using funds made available in this Act, it is the sense of the Congress that entities receiving the assistance should, in expending the assistance, purchase only American-made equipment and products.

(2) NOTICE TO RECIPIENTS OF ASSISTANCE.—In providing financial assistance using funds made available in this Act, the head of each Federal agency shall provide to each recipient of the assistance a notice describing the statement made in paragraph (1) by the Congress.

(c) PROBATION OF CONTRACTS WITH PERSONS FALSELY LABELING PRODUCTS AS MADE IN AMERICA.—If it has been finally determined by a court or Federal agency that any person intentionally affixed a label bearing a “Made in America” inscription, or any inscription with the same meaning, to any product sold in or shipped to the United States that is not made in the United States, the person shall be ineligible to receive any contract or sub-contract made with funds made available in this Act, pursuant to the debarment, suspension, and ineligibility procedures described in sections 9.400 through 9.409 of title 48, Code of Federal Regulations.
