¶69.14 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. HEFLEY:

At the end of title XXXIV (page 504, after line 3), insert the following new section:

SEC. 3404. TRANSFER OF JURISDICTION, NAVAL OIL SHALE RESERVES NUMBERED 1 AND 3.

(a) TRANSFER REQUIRED.—Chapter 641 of title 10, United States Code, is amended by adding at the end the following new section:

“§7439. Certain oil shale reserves: transfer of jurisdiction and petroleum exploration, development, and production

“(a) TRANSFER REQUIRED.—(1) Upon the enactment of this section, the Secretary of Energy shall transfer to the Secretary of the Interior administrative jurisdiction over all public domain lands included within Oil Shale Reserve Numbered 1 and those public domain lands included within the undeveloped tract of Oil Shale Reserve Numbered 3.

“(2) Not later than one year after the date of the enactment of this section, the Secretary of Energy shall transfer to the Secretary of the Interior administrative jurisdiction over those public domain lands included within the developed tract of Oil Shale Reserve Numbered 3, which consists of approximately 6,000 acres and 24 natural gas wells, together with pipelines and associated facilities.

“(3) Notwithstanding the transfer of jurisdiction, the Secretary of Energy shall continue to be responsible for all environmental restoration, waste management, and environmental compliance activities that are required under Federal and State laws with respect to conditions existing on the lands at the time of the transfer.

“(4) Upon the transfer to the Secretary of the Interior of jurisdiction over public domain lands under this subsection, the other provisions of this chapter shall cease to apply with respect to the transferred lands.

“(b) AUTHORITY TO LEASE.—(1) Beginning on the date of the enactment of this section, or as soon thereafter as practicable, the Secretary of the Interior shall enter into leases with one or more private entities for the purpose of exploration for, and development and production of, petroleum (other than in the form of oil shale) located on or in public domain lands in Oil Shale Reserves Numbered 1 and 3 (including the developed tract of Oil Shale Reserve Numbered 3). Any such lease shall be made in accordance with the requirements of the Mineral Leasing Act (30 U.S.C 181 et seq.) regarding the lease of oil and gas lands and shall be subject to valid existing rights.

“(2) Notwithstanding the delayed transfer of the developed tract of Oil Shale Reserve Numbered 3 under subsection (a)(2), the Secretary of the Interior shall enter into a lease under paragraph (1) with respect to the developed tract before the end of the one-year period beginning on the date of the enactment of this section.

“(c) MANAGEMENT.—The Secretary of the Interior, acting through the Director of the Bureau of Land Management, shall manage the lands transferred under subsection (a) in accordance with the Federal and Land Policy and Management Act of 1976 (43 U.S.C. 1701 et seq.) and other laws applicable to the public lands.

“(d) TRANSFER OF EXISTING EQUIPMENT.—The lease of lands by the Secretary of the Interior under this section may include the transfer, at fair market value, of any well, gathering line, or related equipment owned by the United States on the lands transferred under subsection (a) and suitable for use in the exploration, development, or production of petroleum on the lands.

“(e) COST MINIMIZATION.—The cost of any environmental assessment required pursuant to the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) in connection with a proposed lease under this section shall be paid out of unobligated amounts available for administrative expenses of the Bureau of Land Management.

“(f) DISTRIBUTION OF RECEIPTS.—Notwithstanding any other provision of law, all moneys received from a lease under this section (including sales, bonuses, royalties (including interest charges collected under the Federal Oil and Gas Royalty Management Act of

1982 (30 U.S.C. 1701 et seq.)), and rentals) shall be paid and distributed under section 35 of the Mineral Leasing Act (30 U.S.C. 191) in the same manner as moneys derived from other oil and gas leases involving public domain lands other than naval petroleum reserves.”.

(b) CLERICAL AMENDMENT.—The tale of sections at the beginning of such chapter is amended by adding at the end the following new item:

“7439. Certain oil shale reserves: transfer of jurisdiction and petroleum exploration, development, and production.”.
