¶23.5 MESSAGE FROM THE PRESIDENT— NATIONAL EMERGENCY WITH RESPECT TO ANGOLA

The SPEAKER pro tempore, Mr. NETHERCUTT, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

I hereby report to the Congress on the developments since my last report of September 24, 1997, concerning the national emergency with respect to Angola that was declared in Executive Order 12865 of September 26, 1993. This report is submitted pursuant to section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), and section 204(c) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(c).

On September 26, 1993, I declared a national emergency with respect to the National Union for the Total Independence of Angola ("UNITA"), invoking the authority, *inter alia*, of the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) and the United Nations Participation Act of 1945 (22 U.S.C. 287c). Consistent with United Nations Security Council Resolution ("UNSCR") 864, dated September 15, 1993, the order prohibited the sale or supply by United States persons or from the United States, or using U.S.-registered vessels or aircraft, of arms and related materiel of all types, including weapons and ammunition, military vehicles, equipment and spare parts, and petroleum and petroleum products to the territory of Angola other than through designated points of entry. The order also prohib-

ited such sale or supply to UNITA. United States persons are prohibited from activities that promote or are calculated to promote such sales or supplies, or from attempted violations, or from evasion or avoidance or transactions that have the purpose of evasion or avoidance, of the stated prohibitions. The order authorized the Secretary of the Treasury, in consultation with the Secretary of State, to take such actions, including the promulgation of rules and regulations, as might be necessary to carry out the purposes of the order.

1. On December 10, 1993, the Department of the Treasury's Office of Foreign Assets Control (OFAC) issued the UNITA (Angola) Sanctions Regulations (the "Regulations") (58 Fed. Reg. 64904) to implement the imposition of sanctions against UNITA. The Regulations prohibit the sale or supply by United States persons or from the United States, or using U.S.-registered vessels or aircraft, of arms and related materiel of all types, including weapons and ammunition, military vehicles, equipment and spare parts, and petroleum and petroleum products to UNITA or to the territory of Angola other than through designated points. United States persons are also prohibited from activities that promote or are calculated to promote such sales or supplies to UNITA or Angola, or from any transaction by any United States persons that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in the Executive order. Also prohibited are transactions by United States persons, or involving the use of U.S.-registered vessels or aircraft, relating to transportation to Angola or UNITA of goods the exportation of which is prohibited.

The Government of Angola has designated the following points of entry as points in Angola to which the articles otherwise prohibited by the Regulations may be shipped: *Airports:* Luanda and Katumbela, Benguela Province; *Ports:* Luanda and Lobito, Benguela Province; and Namibe, Namibe Province; and *Entry Points:* Malongo, Cabinda Province. Although no specific license is required by the Department of the Treasury for shipments to these designated points of entry (unless the item is destined for UNITA), any such exports remain subject to the licensing requirements of the Departments of State and/or Commerce.

2. On August 28, 1997, the United Nations Security Council adopted UNSCR 1127, expressing its grave concern at the serious difficulties in the peace process, demanding that the Government of Angola and in particular UNITA comply fully and completely with those obligations, and imposing additional sanctions against UNITA. Subsequently, the Security Council adopted UNSCR 1130 postponing the effective date of measures specified by UNSCR 1127 until 12:01 a.m., eastern standard time, October 30, 1997, at which time they went into effect.
