A motion to reconsider the vote whereby said bill was passed was, by unanimous consent, laid on the table.

Ordered, That the Clerk request the concurrence of the Senate in said bill.

47.32 WITNESS IMMUNITY IN FUND- RAISING INVESTIGATION

Mr. COX moved to suspend the rules and agree to the following resolution (H. Res. 440):

Whereas the Committee on Government Reform and Oversight is currently investigat- ing the unprecedented flow of illegal foreign contributions to the Clinton-Gore campaign during the 1996 Presidential cam- paign;

Whereas more than 90 witnesses in the in- vestigation have either asserted the fifth amendment or fled the United States to avoid testifying, including 53 persons in- volved in raising money for the Democratic National Committee or the Clinton-Gore campaign;

Whereas among the 53 persons who have ei- ther asserted the fifth amendment or fled the United States to avoid testifying are former Associate Attorney General Webster Hub- bell; former White House aide Mark Mid- dleton; longtime Clinton friends John Hunge, Charlie Trie, and James and Mochtar Riady; and Chinese businessman Ted Sieong and 11 members of his family;

Whereas democratic fundraiser Johnny Chung has told Department of Justice inves- tigators that he funneled more than \$100,000 in illegal campaign contributions from a Chinese military officer to Democrats during the 1996 campaign cycle, according to a New York Times report on May 15, 1998;

Whereas Chung told Federal investigators much of the \$100,000 he gave to the Demo- cratic National Committee in the 1996 cam- paign came from Communist China's Peoples Liberation Army through Liu Chaoying, a Chinese Lieutenant Colonel and aerospace industry executive;

Whereas Chung's account and supporting evidence, such as financial records, is the first direct evidence of Communist Chinese campaign contributions being funneled to the Democratic National Committee and Clinton-Gore '96;

Whereas subsequent to the receipt of the illegal campaign contributions from Com- munist Chinese officials the Clinton Admin- istration relaxed export controls and over- ruled a Pentagon ban on the sale and export of sophisticated satellite technology to China;

Whereas on April 23 and May 13, 1998, the Committee on Government Reform and Over- sight unsuccessfully sought to grant immu- nity from prosecution to 4 important wit- nesses, including 2 former employees of Johnny Chung who have direct knowledge concerning Communist Chinese attempts to influence United States policy and make il- legal campaign contributions;

Whereas these 4 witnesses, Irene Su, Nancy Lee, Larry Wong, and Kent La, each have di- rect information concerning the efforts em- ployed by Johnny Chung, Ted Sieong, and other foreigners to violate Federal campaign laws and exercise foreign influence over the 1996 elections;

Whereas the Department of Justice does not object to the Committee on Government
