So the amendment was agreed to.

After some further time,

¶49.24 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. GILMAN:

At the end of title XII (page 253, after line 3), insert the following new section:

SEC. 1206. NUCLEAR EXPORT REPORTING REQUIREMENT.

The Arms Export Control Act (22 U.S.C. 2751 et seq.) is amended by adding at the end the following new chapter:

“CHAPTER 11—NUCLEAR EXPORT REPORTING

“SEC. 111. REPORTS ON EXPORTS.

“(a) ACTIONS REQUIRING REPORTING.—Unless and until the conditions set forth in subsection (b) are met—

“(1) no license may be issued for the export of—

“(A) any production facility or utilization facility,

“(B) any source material or special nuclear material, or

“(C) any component, substance, or item that has been determined under section 109b of the Atomic Energy Act of 1954 to be especially relevant from the standpoint of export control because of its significance for nuclear explosive purposes;

“(2) the United States shall not approve the retransfer of any facility, material, item, technical data, component, or substance described in paragraph (1); and

“(3) no authorization may be given under section 57b.(2) of the Atomic Energy Act of 1954 for any person to engage, directly or indirectly, in the production of special nuclear material.

“(b) CONDITIONS.—

“(1) IN GENERAL.—The conditions referred to in subsection (a) are the following:

“(A) Before the export, retransfer, or activity is approved, the appropriate agency shall transmit to the Committee on International Relations of the House of Representatives and the Committee on Foreign Relations of the Senate a report describing such export, retransfer, or activity and the basis for any proposed approval thereof, and, in the case of an authorization described in subsection (a)(3), the appropriate agency shall transmit to the Committee on Commerce of the House of Representatives a report describing the activity for which authorization is sought and the basis for any proposed approval thereof. Each report under this subparagraph report shall contain—

“(i) a detailed description of the proposed export, retransfer, or activity, as the case may be, including a brief description of the quantity, value, and capabilities of the export, retransfer, or activity;

“(ii) the name of each contractor expected to provide the proposed export, retransfer, or activity;

“(iii) an estimate of the number of officers and employees of the United States Government and of United States civilian contract personnel expected to be needed in the recipient country to carry out the proposed export, retransfer, or activity; and

“(iv) a description, including estimated value, from each contractor described in clause (ii) of any offset agreements proposed to be entered into in connection with such proposed export, retransfer, or activity (if known on the date of transmittal of the report), and the projected delivery dates and end user of the proposed export, retransfer, or activity; and

“(v) the extent to which the recipient country is in compliance with the conditions specified in paragraph (2) of section 129 of the Atomic Energy Act of 1954.

The report transmitted under this subparagraph shall be unclassified, unless the public disclosure thereof would be clearly detrimental to the security of the United States.

“(B) Unless the President determines that an emergency exists which requires immediate approval of the proposed export, retransfer, or activity in the national security interests of the United States, no such approval shall be given until at least 30 calendar days after Congress receives the report described in subparagraph (A), and shall not be approved then if Congress, within that 30-day period, enacts a joint resolution prohibiting the proposed export, retransfer, or activity. If the President determines that an emergency exists that requires immediate approval of the proposed export, retransfer, or activity in the national security interests of the United States, thus waiving the requirements of this paragraph, he shall submit in writing to the Committee on International Relations of the House of Representatives and the Committee on Foreign Relations of the Senate a detailed justification for his determination, including a description of the emergency circumstances that necessitate the immediate approval of the export, retransfer, or activity, and a discussion of the national security interests involved.

“(2) CONSIDERATION OF JOINT RESOLUTIONS IN THE SENATE.—Any joint resolution under paragraph (1)(B) shall be considered in the Senate in accordance with the provisions of section 601(b) of the International Security Assistance and Arms Export Control Act of 1976.

“(c) PUBLICATION OF UNCLASSIFIED TEXT OF REPORTS.—The appropriate agency shall cause to be published in the Federal Register, upon transmittal to the Committee on International Relations of the House of Representatives and the Committee on Foreign Relations of the Senate, the full unclassified text of each report submitted pursuant to subsection (b)(1)(A).

“(d) EXCEPTIONS.—The requirements of this section shall not apply to—

“(1) any export, retransfer, or activity for which a general license or general authorization is granted by the appropriate agency; or

“(2) any export or retransfer to, or activity in, a country that is a member of the Organization for Economic Cooperation and Development.

“(e) DEFINITIONS.—As used in this section, the terms ‘production facility’, ‘utilization facility’, ‘source material’, and ‘special nuclear material’, have the meanings given those terms in section 11 of the Atomic Energy Act of 1954.”

It was decided in the { Yeas ..... 405  
affirmative ..... } Nays ..... 9
