49.32 UNFINISHED BUSINESS—MOTION TO INSTRUCT CONFEREES - H.R. 2400

The SPEAKER pro tempore, Mr. HANSEN, announced the unfinished business to be the vote on agreeing to the motion of Mr. MINGE to instruct the managers on the part of the House at the conference with the Senate on the disagreeing votes of the two Houses on the bill (H.R. 2400) to authorize funds for Federal-aid highways, high-way safety programs, and transit programs, and for other purposes, to ensure that spending for highways and transit programs authorized in the conference agreement on the bill (H.R. 2400) is fully paid for using estimates of the Congressional Budget Office, to reject the use of estimates from any

other source, to reject any method of budgeting that departs from the budget enforcement principles currently in effect, or the use of the budget surplus to pay for spending on highways or transit programs.

The question being put, viva voce, Will the House agree to said motion? The SPEAKER pro tempore, Mr. HANSEN, announced that the nays had it.
