NOT VOTING—4

Burr Manzullo
Jenkins Pitts

So the previous question was ordered. Mr. MOAKLEY moved to commit the resolution to a select committee to be appointed by the Speaker on the same day this motion is adopted, and to be composed of five members, not more than three of whom shall be from the same political party, and one of whom the Speaker shall designate as chairman, with instructions to report back the same to the House within one legislative day with only the following amendment:

At the end of the resolution, add the following new paragraph:

"RULE XXIX

"PAY-AS-YOU-GO RULE

"1. This rule requires that all direct spending and revenue legislation be fully paid for until the Social Security Trust Fund is actuarially sound. After the Trust Fund becomes actuarially sound, this rule requires that such legislation be fully paid for except to

the extent that the Federal budget is in surplus without counting the Social Security Trust Fund.

"2. For purposes of this rule, the term—

"(1) 'Social Security Trust Fund' means the Old Age and Survivors Insurance Trust Fund and the Disability Insurance Trust Fund, combined, established by title II of the Social Security Act;

"(2) 'Social Security solvency certification' means a written statement by the Board of Trustees of the Social Security Trust Fund that the Fund is in actuarial balance for the 75-year period used in the most recent annual report of that Board pursuant to rule 201(c)(2) of the Social Security Act;

"(3) 'direct spending legislation' means any bill, joint resolution, amendment, motion, or conference report that affects direct spending as that term is defined by and interpreted for purposes of the Balanced Budget and Emergency Deficit Control Act of 1985, except any provision that funds or continues in effect the deposit insurance guarantee commitment in effect on the date of agreement to this rule;

"(4) 'to be fully paid for' means that net reduction in revenues do not exceed net reduction in direct spending, or net increases in outlays do not exceed net increases in revenues, when those increases and reductions are calculated relative to an estimate of current law;

"(5) 'current year' means the fiscal year starting on October 1 of the prior calendar year; and

"(6) 'budget year' means the fiscal year starting on October 1 of the current calendar year.

"3. (a) It shall not be in order to consider any direct spending or revenue legislation unless in the form proposed for consideration and during each of the applicable time periods specified in paragraph (b)—

"(1) that legislation fully pays for itself, or

"(2) that legislation is fully paid for when counting any credits available under paragraph (c).

"(b) For purposes of this clause, the applicable time periods are—

"(1) the current year and the budget year,

"(2) the five fiscal years following the current year, and

"(3) the five fiscal years following the time period specified in subparagraph (2).

"(c)(1) For purposes of paragraph (a) and with respect to direct spending or revenue legislation previously enacted during the current calendar year, the net extent (if any) by which all such legislation is more than fully paid for in one of the applicable time period shall count as a credit for that time period.

"(2) Once enacted, legislation considered pursuant to a reconciliation directive shall not be counted as previously enacted legislation for purposes of subparagraph (1), but such legislation itself shall be subject to the requirements of this rule.

"(3) When a Social Security solvency certification is issued, the chairman of the Committee on the Budget shall insert it in the Congressional Record. At the beginning of the first calendar year thereafter, projected budget surpluses (if any) shall be included as a separate entry on the Pay-As-You-Go scorecard and count as credits for purposes of paragraph (a). At the beginning of each subsequent calendar year, the previous entry of surpluses shall be replaced by an updated entry. For the purpose of the prior two sentences, surpluses shall—

"(A) be calculated excluding all the receipts and outlays of the Social Security Trust Fund (and any other off-budget Federal entity), and

"(B) be calculated separately for each of the applicable time period.

"4. For purposes of this rule, the levels of outlays, revenues, surpluses, and deficits under current law or resulting from proposed legislation for a fiscal year shall be determined on the basis of estimates made by the Committee on the Budget."

By unanimous consent, the previous question was ordered on the motion to commit with instructions.

The question being put, viva voce,

Will the House commit said resolution with instructions?

The SPEAKER pro tempore, Mr. LAHOOD, announced the nays had it.

Mr. MOAKLEY demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The vote was taken by electronic device.
