Mr. SPRATT moved that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the Senate amendment to the concurrent resolution, H. Con. Res. 68, be instructed, within the scope of the conference, to insist that the huge and fiscally irresponsible tax cuts set forth in the reconciliation directives in the concurrent resolution be reported at the latest possible date within the scope of the conference, and to require that the reconciliation legislation implementing those tax cuts not be reported any earlier, to provide the Congress with sufficient time to first enact legislation extending the solvency of the social security and medicare trust funds consistent with the sense of the Congress language in section 315(b)(4) and (5) of the Senate amendment and findings in 322(a)(1)-(3) of the Senate amendment and provisions in sections 5 and 6 of the House concurrent resolution because of the preminent importance of so enhancing retirement security without reducing benefits and because projected budget surpluses should first be reserved for the use of those trust funds consistent with section 315(a)(4) and (5) of the Senate amendment and sections 5 and 6 of the House concurrent resolution rather than dissipated through the resolution's tax cuts which jeopardize the fu-

ture of both social security and medicare.
