32.13 POSTCENSUS LOCAL REVIEW

Mr. MILLER of Florida, pursuant to House Resolution 138, called up the bill (H.R. 472) to amend title 13, United States Code, to require the use of postcensus local review as part of each decennial census.

Pursuant to House Resolution 138, the following amendment printed in House Report 106-93 was considered as adopted:

Page 2, line 7, strike "142" and insert "141".

Page 2, line 8, strike "143" and insert "142".

Page 4, line 25, strike "142" and insert "141".

Page 4, after line 25, strike "143" and insert "142".

After debate,
Mrs. MALONEY of New York, pursuant to House Resolution 138, submitted the following amendment in the nature of a substitute:

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the "Local Participation in the Census Act".

SEC. 2. CENSUS LOCAL PARTICIPATION.

(a) IN GENERAL.—Subchapter II of chapter 5 of title 13, United States Code, is amended by adding at the end the following:

"§ 142. Census local participation.

"(a)(1) The 2000 decennial census shall include the opportunity for local governmental units to review housing unit counts, jurisdictional boundaries, and such other data as the Secretary considers appropriate for the purpose of identifying discrepancies or other potential problems before the tabulation of total population by States (as required for the apportionment of Representatives in Congress among the several States) is completed.

"(2) Any opportunity for local participation under this section shall be provided in such time, form, and manner as the Secretary shall (consistent with paragraph (1)) prescribe, except that nothing in this section shall affect any right of local participation in the 2000 decennial census otherwise provided for by law, whether under Public Law 103-430 or otherwise.

"(b) Any opportunity for local participation under this section in connection with the 2000 decennial census should be designed with a view toward affording local governmental units adequate opportunity—

"(1) to assure that new construction, particularly any subsequent to April 30, 1999, and before April 1, 2000, is appropriately reflected in the master address file used in conducting such census;

"(2) to verify the accuracy of those units or other addresses which the United States Postal Service has identified as being vacant or having vacancies; and

"(3) to assure that the Secretary has properly identified the jurisdictional boundaries of local governmental units, consistent with any measures taken under Public Law 103-430 and any other applicable provisions of law.

"(c) Any opportunity for local participation under this section shall be afforded in a manner that allows the Secretary to derive quality-control corrected population counts (as recommended by the National Academy of Sciences in its final report under Public Law 102-135 and as proposed in the census 2000 operational plan as part of the Accuracy Coverage Evaluation program) on a timely basis, but in no event later than the date by which all tabulations of population under section 141(c) (in connection with the 2000 decennial census) must be completed, reported, and transmitted to the respective States.

"(d) As used in this section—

"(1) the term 'decennial census' means a decennial census of population conducted under section 141(a); and

"(2) the term 'local governmental unit' means a local unit of general purpose government as defined by section 184, or its designee."

(b) CONFORMING AMENDMENT.—The table of sections for chapter 5 of title 13, United

States Code, is amended by inserting after the item relating to section 141 the following:

"142. Census local participation."

Amend the title so as to read: "A bill to amend title 13, United States Code, to require that the opportunity for meaningful local participation in the 2000 decennial census be provided."

After further debate,
The question being put, *viva voce*,
Will the House agree to said amendment?

The SPEAKER pro tempore, Mr. NEY announced that the nays had it.
