52.8 MESSAGE FROM THE PRESIDENT— NATIONAL EMERGENCY WITH RESPECT TO BURMA

The SPEAKER pro tempore, Mr. MILLER of Florida, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication, stating that the emergency declared with respect to Burma is to continue in effect beyond May 20, 1999.

As long as the Government of Burma continues its policies of committing large-scale repression of the democratic opposition in Burma, this situation continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. For this reason, I have determined that it is necessary to maintain in force these emergency authorities beyond May 20, 1999.

WILLIAM J. CLINTON.

THE WHITE HOUSE, May 18, 1999.

The message, together with the accompanying papers, was referred to the Committee on International Relations and ordered to be printed (H. Doc. 106-67).
