

ment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

When said resolution was considered. After debate, On motion of Mr. REYNOLDS, the previous question was ordered on the resolution, to its adoption or rejection and under the operation thereof, the resolution was agreed to.

A motion to reconsider the vote whereby said resolution, was agreed to was, by unanimous consent, laid on the table.

53.7 NATIONAL AERONAUTICS AND SPACE ADMINISTRATION FY 1999

The SPEAKER pro tempore, Mr. REYNOLDS, pursuant to House Resolution 174 and rule XVIII, declared the House resolved into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 1654) to authorize appropriations for the National Aeronautics and Space Administration for fiscal years 2000, 2001, and 2002, and for other purposes.

The SPEAKER pro tempore, Mr. REYNOLDS, by unanimous consent, designated Mr. BURR as Chairman of the Committee of the Whole.

The Acting Chairman, Mr. COLLINS assumed the Chair; and after some time spent therein,

53.8 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. WEINER:

In section 103(4)(A), strike "\$999,300,000" and insert "\$1,010,300,000".

In section 103(4)(A)(i), strike "\$532,800,000" and insert "\$543,800,000".

In section 103(4)(A)(i), strike "\$412,800,000 to be for the Research and Technology Base" and insert "\$423,800,000 to be for the Research and Technology Base, including \$36,000,000 for aircraft noise reduction technology".

In section 103(4)(B), strike "\$908,400,000" and insert "\$918,400,000".

In section 103(4)(B)(i), strike "\$524,000,000" and insert "\$534,000,000".

In section 103(4)(B)(i), strike "\$399,800,000 to be for the Research and Technology Base" and insert "\$409,800,000 to be for the Research and Technology Base, including \$36,000,000 for aircraft noise reduction technology".

In section 103(4)(C), strike "\$994,800,000" and insert "\$1,003,300,000".

In section 103(4)(C)(i), strike "\$519,200,000" and insert "\$527,700,000".

In section 103(4)(C)(i), strike "\$381,600,000 to be for the Research and Technology Base" and insert "\$390,100,000 to be for the Research and Technology Base, including \$27,500,000 for aircraft noise reduction technology".

In section 106(1), strike "\$13,625,600,000" and insert "\$13,636,600,000".

In section 106(2), strike "\$13,747,100,000" and insert "\$13,757,100,000".

In section 106(3), strike "\$13,839,400,000" and insert "\$13,847,900,000".

It was decided in the affirmative { Yeas 225 Nays 203

53.10 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. ROEMER:

After section 130, insert the following new section:

SEC. 131. COST LIMITATION FOR THE INTERNATIONAL SPACE STATION.

(a) LIMITATION OF COSTS.—Except as provided in subsection (c), the total amount appropriated for—

(1) costs of the International Space Station through completion of assembly may not exceed \$21,900,000,000; and

(2) space shuttle launch costs in connection with the assembly of the International Space Station through completion of assembly may not exceed \$17,700,000,000 (determined at the rate of \$380,000,000 per space shuttle flight).

(b) COSTS TO WHICH LIMITATION APPLIES.—

(1) DEVELOPMENT COSTS.—The limitation imposed by subsection (a)(1) does not apply to funding for operations, research, and crew return activities subsequent to substantial completion of the International Space Station.

(2) LAUNCH COSTS.—The limitation imposed by subsection (a)(2) does not apply to space

shuttle launch costs in connection with operations, research, and crew return activities subsequent to substantial completion of the International Space Station.

(3) SUBSTANTIAL COMPLETION.—For purposes of this subsection, the International Space Station is considered to be substantially completed when the development costs comprise 5 percent or less of the total International Space Station costs for the fiscal year.

(c) AUTOMATIC INCREASE OF LIMITATION AMOUNT.—The amounts set forth in subsection (a) shall each be increased to reflect any increase in costs attributable to—

(1) economic inflation;

(2) compliance with changes in Federal, State, or local laws enacted after the date of enactment of this Act;

(3) the lack of performance or the termination of participation of any of the International countries participating in the International Space Station; and

(4) new technologies to improve safety, reliability, maintainability, availability, or utilization of the International Space Station, or to reduce costs after completion of assembly, including increases in costs for on-orbit assembly sequence problems, increased ground testing, verification and integration activities, contingency responses to on-orbit failures, and design improvements to reduce the risk of on-orbit failures.

(d) NOTICE OF CHANGES.—The Administrator shall provide with each annual budget request a written notice and analysis of any changes under subsection (c) to the amounts set forth in subsection (a) to the Senate Committees on Appropriations and on Commerce, Science, and Transportation and to the House of Representatives Committees on Appropriations and on Science. The written notice shall include—

(1) an explanation of the basis for the change, including the costs associated with the change and the expected benefit to the program to be derived from the change; and

(2) an analysis of the impact on the assembly schedule and annual funding estimates of not receiving the requested increases.

(e) REPORTING AND REVIEW.—

(1) IDENTIFICATION OF COSTS.—

(A) SPACE SHUTTLE.—As part of the overall space shuttle program budget request for each fiscal year, the Administrator shall identify separately the amounts of the requested funding that are to be used for completion of the assembly of the International Space Station.

(B) INTERNATIONAL SPACE STATION.—As part of the overall International Space Station budget request for each fiscal year, the Administrator shall identify the amount to be used for development of the International Space Station.

(2) ACCOUNTING FOR COST LIMITATIONS.—As part of the annual budget request to the Congress, the Administrator shall account for the cost limitations imposed by subsection (a).

(3) VERIFICATION OF ACCOUNTING.—The Administrator shall arrange for a verification, by the General Accounting Office, of the accounting submitted to the Congress within 60 days after the date on which the budget request is transmitted to the Congress.

(4) INSPECTOR GENERAL.—Within 60 days after the Administrator provides a notice and analysis to the Congress under subsection (d), the Inspector General of the National Aeronautics and Space Administration shall review the notice and analysis and report the results of the review to the committees to which the notice and analysis was provided.

In the table of contents, after the item relating to section 130, insert the following new item:

Sec. 131. Cost limitation for the International Space Station.

So the amendment was not agreed to.

53.12 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. ROEMER:

At the end of the bill, insert the following new section:

SEC. 221. CANCELLATION OF RUSSIAN PARTNERSHIP.

Not later than 90 days after the date of the enactment of this Act, the Administrator shall terminate all contracts and other agreements with the Russian Government necessary to remove the Russian Government as a partner in the International Space Station program. The National Aeronautics and Space Administration shall not enter into a new partnership with the Russian Government relating to the International Space Station. Nothing in this section shall prevent the National Aeronautics and Space Administration from accepting participation by the Russian Government or Russian entities on a commercial basis. Nothing in this section shall prevent the National Aeronautics and Space Administration from purchasing elements of the International Space Station directly from Russian contractors.

In the table of contents, after the item relating to section 220, insert the following:

Sec. 221. Cancellation of Russian partnership.
