Mrs. MYRICK, by direction of the Committee on Rules, called up the following resolution (H. Res. 200):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1401) to authorize appropriations for fiscal years 2000 and 2001 for military activities of the Department of Defense, to prescribe military personnel strengths for fiscal years 2000 and 2001, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Armed Services. After general debate the bill shall be considered for amendment under the five-minute rule.

SEC. 2. (a) It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Armed Services now printed in the bill. The committee amendment in the nature of a substitute shall be considered as read. All points of order against the committee amendment in the nature of a substitute are waived.

(b) No amendment to the committee amendment in the nature of a substitute shall be in order except the amendments printed in the report of the Committee on Rules accompanying this resolution, amendments en bloc described in section 3 of this resolution, the amendment by Representative Cox of California printed on June 8, 1999, in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII, and pro forma amendments offered by the chairman and ranking minority member of the Committee on Armed Services for the purpose of debate.

(c) Except as specified in section 5 of this resolution, each amendment printed in the report of the Committee on Rules shall be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. Unless otherwise specified in the report, each amendment printed in the report shall be debatable for 10 minutes equally divided and controlled by the proponent and an opponent and shall not be subject to amendment (except that the chairman and ranking minority member of the Committee on Armed Services each may offer one pro forma amendment for the purpose of further debate on any pending amendment).

(d) All points of order against amendments printed in the report of the Committee on Rules or amendments en bloc described in section 3 of this resolution are waived.

(e) Consideration of the last five amendments in part A of the report of the Committee on Rules shall begin with an additional period of general debate, which shall be confined to the subject of United States policy relating to the conflict in Kosovo, and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Armed Services.

SEC. 3. It shall be in order at any time for the chairman of the Committee on Armed Services or his designee to offer amendments en bloc consisting of amendments printed in part B of the report of the Committee on Rules not earlier disposed of or germane modifications of any such amendment. The original proponent of an amendment included in such amendments en bloc may insert a statement in the Congressional Record immediately before the disposition of the amendments en bloc.

SEC. 4. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes.
