¶66.14 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. MARKEY:

Insert at the end the following new section:

SEC. . SURGEON GENERAL REVIEW OF EFFECT ON JUVENILES OF VIOLENCE IN MEDIA.

(a) FINDINGS.—The Congress finds the following:

(1) the tragic killings at a high school in Colorado remind us that violence in America continues to occur at unacceptable levels for a civilized society;

(2) the relationship of violent messages delivered through such popular media as television, radio, film, recordings, video games, advertising, the Internet, and other outlets of mass culture, to self-destructive or violent behavior by children or young adults towards themselves, such as suicide, or to violence directed at others, has been studied in-

tensely both by segments of the media industry itself and by academic institutions;

(3) the same media used to deliver messages which harm our children can also be used to deliver messages which promote positive behavior;

(4) much of this research has occurred in the 17 years since the last major review and report of the literature was assembled by the National Institute on Mental Health published in 1982;

(5) the Surgeon General of the United States last issued a comprehensive report on violence and the media in 1972; and

(6) the number, pervasiveness, and sophistication of technological avenues for delivering messages through the media to young people has expanded rapidly since these 2 reports.

(b) COMPREHENSIVE REVIEW REQUIRED.—The Surgeon General, in cooperation with the National Institute of Mental Health, and such other sources of expertise as the Surgeon General deems appropriate, shall undertake a comprehensive review of published research, analysis, studies, and other sources of reliable information concerning the impact on the health and welfare of children and young adults of violent messages delivered through such popular media as television, radio, recordings, video games, advertising, the Internet, and other outlets of mass culture.

(c) REPORT.—The Surgeon General shall issue a report based on the review required by subsection (b). Such report shall include, but not be limited to, findings and recommendations concerning what can be done to mitigate any harmful affects on children and young adults from the violent messages described in such subsection, and the identification of gaps in the research that should be filled.

(d) DEADLINES.—The review required by subsection (b) shall be completed in no more than 1 year, and the report required by subsection (c) shall be issued no later than 6 months following completion of the review.

It was decided in the { Yeas 417
