§ 1901. Definition of Government publication.

“Government publication” as used in this chapter, means informational matter which is published as an individual document at Government expense, or as required by law. (Oct. 22, 1968, Pub. L. 90–620, 82 Stat. 1283.)

Government publications, except those determined by their issuing components to be required for official use only or for strictly administrative or operational purposes which have no public interest or educational value and publications classified for reasons of national security, shall be made available to depository libraries through the facilities of the Superintendent of Documents for public information. Each component of the Government shall furnish the Superintendent of Documents a list of such publications it issued during the previous month, that were obtained from sources other than the Government Printing Office. (Oct. 22, 1968, Pub. L. 90–620, 82 Stat. 1283.)

§ 1903. Distribution of publications to depositories; notice to Government components; cost of printing and binding.

Upon request of the Superintendent of Documents, components of the Government ordering the printing of publications shall either increase or decrease the number of copies of publications furnished for distribution to designated depository libraries and State libraries so that the number of copies delivered to the Superintendent of Documents is equal to the number of libraries on the list. The number thus delivered may not be restricted by any statutory limitation in force on August 9, 1962. Copies of publications furnished the Superintendent of Documents for distribution to designated depository libraries shall include—

- the journals of the Senate and House of Representatives;
- all publications, not confidential in character, printed upon the requisition of a congressional committee;
- Senate and House public bills and resolutions; and
- reports on private bills, concurrent or simple resolutions;

but not so-called cooperative publications which must necessarily be sold in order to be self-sustaining.

The Superintendent of Documents shall currently inform the components of the Government ordering printing of publications as to the number copies of their publications required for distribution to depository libraries. The cost of printing and binding those publications distributed to depository libraries obtained elsewhere than from the Government Printing Office, shall be borne by components of the Government responsible for their issuance; those requisitioned from the Government Printing Office shall be charged to appropriations provided the Superintendent of Documents for that purpose. (Oct. 22, 1968, Pub. L. 90–620, 82 Stat. 1283.)
§ 1904. Classified list of Government publications for selection by depositories.

The Superintendent of Documents shall currently issue a classified list of Government publications in suitable form, containing annotations of contents and listed by item identification numbers to facilitate the selection of only those publications needed by depository libraries. The selected publications shall be distributed to depository libraries in accordance with regulations of the Superintendent of Documents, as long as they fulfill the conditions provided by law. (Oct. 22, 1968, Pub. L. 90–620, 82 Stat. 1284.)

§ 1905. Distribution to depositories; designation of additional libraries; justification; authorization for certain designations.

The Government publications selected from lists prepared by the Superintendent of Documents, and when requested from him, shall be distributed to depository libraries specifically designated by law and to libraries designated by Senators, Representatives, and the Resident Commissioner from Puerto Rico, by the Commissioner of the District of Columbia, and by the Governors of Guam, American Samoa, and the Virgin Islands, respectively. Additional libraries within areas served by Representatives or the Resident Commissioner from Puerto Rico may be designated by them to receive Government publications to the extent that the total number of libraries designated by them does not exceed two within each area. Not more than two additional libraries within a State may be designated by each Senator from the State. Before an additional library within a State, congressional district or the Commonwealth of Puerto Rico is designated as a depository for Government publications, the head of that library shall furnish his Senator, Representative, or the Resident Commissioner from Puerto Rico, as the case may be, with justification of the necessity for the additional designation. The justification, which shall also include a certification as to the need for the additional depository library designation, shall be signed by the head of every existing depository library within the congressional district or the Commonwealth of Puerto Rico or by the head of the library authority of the State or the Commonwealth of Puerto Rico, within which the additional depository library is to be located. The justification for additional depository library designations shall be transmitted to the Superintendent of Documents by the Senator, Representative, or the Resident Commissioner from Puerto Rico, as the case may be. The Commissioner of the District of Columbia may designate two depository libraries in the District of Columbia, the Governor of Guam and the Governor of American Samoa may each designate one depository library in Guam and American Samoa, respectively, and the Governor of the Virgin Islands may designate one depository library on the island of Saint Thomas and one on the island of Saint Croix. (Oct. 22, 1968, Pub. L. 90–620, 82 Stat. 1284.)

§ 1906. Land-grant colleges constituted depositories.

§ 1909. Requirements of depository libraries; reports on conditions; investigations; termination; replacement.

Only a library able to provide custody and service for depository materials and located in an area where it can best serve the public need, and within an area not already adequately served by existing depository libraries may be designated by Senators, Representatives, the Resident Commissioner from Puerto Rico, the Commissioner of the District of Columbia, or the Governors of Guam, American Samoa, or the Virgin Islands as a depository of Government publications. The designated depository libraries shall report to the Superintendent of Documents at least every two years concerning their condition.

The Superintendent of Documents shall make firsthand investigation of conditions for which need is indicated and include the results of investigations in his annual report. When he ascertains that the number of books in a depository library is below ten thousand, other than Government publications, or it has ceased to be maintained so as to be accessible to the public, or that the Government publications which have been furnished the library have not been properly maintained, he shall delete the library from the list of depository libraries if the library fails to correct the unsatisfactory conditions within six months. The Representative or the Resident Commissioner from Puerto Rico in whose area the library is located or the Senator who made the designation, or a successor of the Senator, and, in the case of a library in the District of Columbia, the Commissioner of the District of Columbia, and in the case of a library in Guam, American Samoa, or the Virgin Islands, the Governor, shall be notified and shall then be authorized to designate another library within the area served by him, which shall meet the conditions herein required, but which may not be in excess of the number of depository libraries authorized by law within the State, district, territory, or the Commonwealth of Puerto Rico, as the case may be. (Oct. 22, 1968, Pub. L. 90–620, 82 Stat. 1285.)

§ 1910. Designations of replacement depositories; limitations on numbers; conditions.

The designation of a library to replace a depository library, other than a depository library specifically designated by law, may be made only within the limitations on total numbers specified by section 1905 of this title, and only when the library to be replaced ceases to exist, or when the library voluntarily relinquishes its depository status, or when the Superintendent of Documents determines that it no longer fulfills the conditions provided by law for depository libraries. (Oct. 22, 1968, Pub. L. 90–620, 82 Stat. 1286.)

§ 1912. Regional depositories; designation; functions; disposal of publications.

Not more than two depository libraries in each State and the Commonwealth of Puerto Rico may be designated as regional depositories, and shall receive from the Superintendent of Documents copies of all new and revised Government publications authorized for distribution to depository libraries. Designation of regional depository libraries may be made by a Senator or the Resident Commissioner from Puerto Rico within the areas served by them, after approval by the head of the library authority of the State or the Commonwealth of Puerto Rico, as the case may be, who shall first ascertain from the head of the
library to be so designated that the library will, in addition to fulfilling
the requirements for depository libraries, retain at least one copy of
all Government publications either in printed or microfacsimile form
(except those authorized to be discarded by the Superintendent of Docu-
ments); and within the region served will provide interlibrary loan, re-
ference service, and assistance for depository libraries in the disposal
of unwanted Government publications. The agreement to function as
a regional depository library shall be transmitted to the Superintendent
of Documents by the Senator or the Resident Commissioner from Puerto
Rico when the designation is made.
The libraries designated as regional depositories may permit deposi-
tory libraries, within the areas served by them, to dispose of Government
publications which they have retained for five years after first offering
them to other depository libraries within their area, then to other librar-

Printer is authorized to designate the library of that court as a deposi-
tory library. The provisions of section 1911 of this title shall not apply
to any library so designated. (Aug. 10, 1972, Pub. L. 92–368, § 1(a),
86 Stat. 507.)

§ 1916. Designation of libraries of accredited law schools as de-
pository libraries.
(a) Upon the request of any accredited law school, the Public Printer
shall designate the library of such law school as a depository library.
The Public Printer may not make such designation unless he determines
that the library involved meets the requirements of this chapter, other
than those requirements of the first undesignated paragraph of section
1909 of this title which relate to the location of such library.
(b) For purposes of this section, the term “accredited law school” means
any law school which is accredited by a nationally recognized accrediting
agency or association approved by the Commissioner of Education for
such purpose or accredited by the highest appellate court of the State
in which the law school is located. (April 17, 1978, Pub. L. 95–261,
§ 1, 92 Stat. 199.)

The report shall include—

Chapter 33.—DISPOSAL OF RECORDS

§ 3303a. Examination by Archivist of lists and schedules of records lacking preservation value; disposal of records.

(a) The Archivist shall examine the lists and schedules submitted to him under section 3303 of this title. If the Archivist determines that any of the records listed in a list or schedule submitted to him do not, or will not after the lapse of the period specified, have sufficient administrative, legal, research, or other value to warrant their continued preservation by the Government, he may, after publication of notice in the Federal Register and an opportunity for interested persons to submit comment thereon—

(1) notify the agency to that effect; and

(2) empower the agency to dispose of those records in accordance with regulations promulgated under section 3302 of this title.

(b) Authorizations granted under lists and schedules submitted to the Archivist under section 3303 of this title, and schedules promulgated by the Archivist under subsection (d) of this section, shall be mandatory, subject to section 2909 of this title. As between an authorization granted under lists and schedules submitted to the Archivist under section 3303 of this title and an authorization contained in a schedule promulgated under subsection (d) of this section, application of the authorization providing for the shorter retention period shall be required, subject to section 2909 of this title.

(c) The Archivist may request advice and counsel from the Committee on Rules and Administration of the Senate and the Committee on House Oversight of the House of Representatives with respect to the disposal of any particular records under this chapter whenever he considers that—

(1) those particular records may be of special interest to the Congress; or

(2) consultation with the Congress regarding the disposal of those particular records is in the public interest.

However, this subsection does not require the Archivist to request such advice and counsel as a regular procedure in the general disposal of records under this chapter.

(d) The Archivist shall promulgate schedules authorizing the disposal, after the lapse of specified periods of time, of records of a specified form or character common to several or all agencies if such records will not, at the end of the periods specified, have sufficient administrative, legal, research, or other value to warrant their further preservation by the United States Government. A Federal agency may request changes in such schedules for its records pursuant to section 2009 of this title.

(e) The Archivist may approve and effect the disposal of records that are in his legal custody, provided that records that had been in the custody of another existing agency may not be disposed of without the written consent of the head of the agency.

(f) The Archivist shall make an annual report to the Congress concerning the disposal of records under this chapter, including general descriptions of the types of records disposed of and such other information as he considers appropriate to keep the Congress fully informed regarding the disposal of records under this chapter.
