SECTION II.

A. Subdivision 1. That there shall be levied, assessed, collected and paid annually upon the entire net income arising or accruing from all sources in the preceding calendar year to every citizen of the United States, whether residing at home or abroad, and to every person residing in the United States, though not a citizen thereof, a tax of 1 per centum per annum upon such income, except as hereinafter provided; and a like tax shall be assessed, levied, collected, and paid annually upon the entire net income from all property owned and of every business, trade, or profession carried on in the United States by persons residing elsewhere.

Subdivision 2. In addition to the income tax provided under this section (herein referred to as the normal income tax) there shall be levied, assessed, and collected upon the net income of every individual an additional income tax (herein referred to as the additional tax) of 1 per centum per annum upon the amount by which the total net income exceeds \$20,000 and does not exceed \$50,000, and 2 per centum per annum upon the amount by which the total net income exceeds \$50,000 and does not exceed \$75,000, 3 per centum per annum upon the amount by which the total net income exceeds \$75,000 and does not exceed \$100,000, 4 per centum per annum upon the amount by which the total net income exceeds \$100,000 and does not exceed \$250,000, 5 per centum per annum upon the amount by which the total net income exceeds \$250,000 and does not exceed \$500,000, and 6 per centum per annum upon the amount by which the total net income exceeds \$500,000. All the provisions of this section relating to individuals who are to be chargeable with the normal income tax, so far as they are applicable and are not inconsistent with this subdivision of paragraph A, shall apply to the levy, assessment, and collection of the additional tax imposed under this section. Every person subject to this additional tax shall, for the purpose of its assessment and collection, make a personal return of his total net income from all sources, corporate or otherwise, for the preceding calendar year, under rules and regulations to be prescribed by the Commissioner of Internal Revenue and approved by the Secretary of the Treasury. For the purpose of this additional tax the taxable income of any individual shall embrace the share to which he would be entitled of the gains and profits, if divided or distributed, whether divided or distributed or not, of all corporations, joint-stock companies, or associations however created or organized, formed or fraudulently availed of for the purpose of preventing the imposition of such tax through the medium of permitting such gains and profits to accumulate instead of being divided or distributed; and the fact that any such corporation, joint-stock com-

pany, or association, is a mere holding company, or that the gains and profits are permitted to accumulate beyond the reasonable needs of the business shall be prima facie evidence of a fraudulent purpose to escape such tax; but the fact that the gains and profits are in any case permitted to accumulate and become surplus shall not be construed as evidence of a purpose to escape the said tax in such case unless the Secretary of the Treasury shall certify that in his opinion such accumulation is unreasonable for the purposes of the business. When requested by the Commissioner of Internal Revenue, or any district collector of internal revenue, such corporation, joint-stock company, or association shall forward to him a correct statement of such profits and the names of the individuals who would be entitled to the same if distributed.

D. The said tax shall be computed upon the remainder of said net income of each person subject thereto, accruing during each preceding calendar year ending December thirty-first: *Provided, however*, That for the year ending December thirty-first, nineteen hundred and thirteen, said tax shall be computed on the net income accruing from March first to December thirty-first, nineteen hundred and thirteen, both dates inclusive, after deducting five-sixths only of the specific exemptions and deductions herein provided for. On or before the first day of March, nineteen hundred and fourteen, and the first day of March in each year thereafter, a true and accurate return, under oath or affirmation, shall be made by each person of lawful age, except as hereinafter provided, subject to the tax imposed by this section, and having a net income of \$3,000 or over for the taxable year, to the collector of internal revenue for the district in which such person resides or has his principal place of business, or, in the case of a person residing in a foreign country, in the place where his principal business is carried on within the United States, in such form as the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, shall prescribe, setting forth specifically the gross amount of income from all separate sources and from the total thereof, deducting the aggregate items or expenses and allowance herein authorized; guardians, trustees, executors, administrators, agents, receivers, conservators, and all persons, corporations, or associations acting in any fiduciary capacity, shall make and render a return of the net income of the person for whom they act, subject to this tax, coming into their custody or control and management, and be subject to all the provisions of this section which apply to individuals: *Provided*, That a return made by one of two or more joint guardians, trustees, executors, administrators, agents, receivers, and conservators, or other persons acting in a fiduciary capacity, filed in the district where such person resides, or in the district where the will or other instrument under which he acts is recorded, under such regulations as the Secretary of the Treasury may prescribe, shall be a sufficient compliance with the requirements of this paragraph; and also all persons, firms, com-

Any person for whom return has been made and the tax paid, or to be paid as aforesaid, shall not be required to make a return unless such person has other net income, but only one deduction of \$3,000 shall be made in the case of any such person. The collector or deputy collector shall require every list to be verified by the oath or affirmation of the party rendering it. If the collector or deputy collector have reason to believe that the amount of any income returned is understated, he shall give due notice to the person making the return to show cause why the amount of the return should not be increased, and upon proof of the amount understated may increase the same accordingly. If dissatisfied with the decision of the collector, such person may submit the case, with all the papers, to the Commissioner of Internal Revenue for his decision, and may furnish sworn testimony of witnesses to prove any relevant facts.

E. All persons, firms, copartnerships, companies, corporations, joint-stock companies or associations, and insurance companies, in whatever capacity acting, including lessees or mortgagors of real or personal property, trustees acting in any trust capacity, executors, administrators, agents, receivers, conservators, employers, and all officers and employees of the United States having the control, receipt, custody, disposal, or payment of interest, rent, salaries, wages, premiums, annuities, compensation, remuneration, emoluments, or other fixed or determinable annual gains, profits, and income of another person, exceeding \$3,000 for any taxable year, other than dividends on capital stock, or from the net earnings of corporations and joint-stock companies or associations subject to like tax, who are required to make and render a return in behalf of another, as provided herein, to the collector of his, her, or its district, are hereby authorized and required to deduct and withhold from such annual gains, profits, and income such sum as will be sufficient to pay the normal tax imposed thereon by this section, and shall pay to the officer of the United States Government authorized to receive the same; and they are each hereby made personally liable for such tax. In all cases where the income tax of a person is withheld and deducted and paid or to be paid at the source, as aforesaid, such person shall not receive the benefit of the deduction and exemption allowed in paragraph C of this section except by an application for refund of the tax unless he shall, not less than thirty days prior to the day on which the return of his income is due, file with the person who is required to withhold and pay tax for him, a signed notice in writing claiming the benefit of such exemption and thereupon no tax shall be withheld upon the amount of such exemption: *Provided*, That if any person for the purpose of obtaining any allowance or reduction by virtue of a claim for such exemption, either for himself or for any other person, knowingly makes any false statement or false or fraudulent representation, he shall be liable to a penalty of \$300; nor shall any person under the foregoing conditions be allowed the benefit of any deduction provided for in subsection B of this section unless he shall, not less than thirty days prior to the day on which the return of his income is due, either file with the person who is required to withhold and pay tax for him a true and correct return of his annual gains, profits, and income from all other sources, and also the deductions asked for, and the showing thus made shall then become a part of the return to be made in his behalf by the person required to withhold and pay the tax, or likewise make application for deductions to the collector of the district in which return is made or to be made for him: *Provided further*, That if such person is a minor or an insane person, or is absent from the United States, or is unable owing to serious illness to make the return and application above provided for, the return and application may be made for him or her by the person required to withhold and pay the tax, he making oath under the penalties of this Act that he has sufficient knowledge of the affairs and property of his beneficiary to enable him to make a full and complete return for him or her, and that the return and application made by him are full and complete: *Provided further*, That the amount of the normal tax hereinbefore imposed shall be deducted and withheld from fixed and determinable annual gains, profits, and income derived from interest upon bonds and mortgages, or deeds of trust or other similar obligations of corporations, joint-stock companies or associations, and insurance companies, whether payable annually or at shorter or longer periods, although such interest does not amount to \$3,000, subject to the provisions of this section requir-

ing the tax to be withheld at the source and deducted from annual income and paid to the Government; and likewise the amount of such tax shall be deducted and withheld from coupons, checks, or bills of exchange for or in payment of interest upon bonds of foreign countries and upon foreign mortgages or like obligations (not payable in the United States), and also from coupons, checks, or bills of exchange for or in payment of any dividends upon the stock or interest upon the obligations of foreign corporations, associations, and insurance companies engaged in business in foreign countries; and the tax in each case shall be withheld and deducted for and in behalf of any person subject to the tax hereinbefore imposed, although such interest, dividends, or other compensation does not exceed \$3,000, by any banker or person who shall sell or otherwise realize coupons, checks, or bills of exchange drawn or made in payment of any such interest or dividends (not payable in the United States), and any person who shall obtain payment (not in the United States), in behalf of another of such dividends and interest by means of coupons, checks, or bills of exchange, and also any dealer in such coupons who shall purchase the same for any such dividends or interest (not payable in the United States), otherwise than from a banker or another dealer in such coupons; but in each case the benefit of the exemption and the deduction allowable under this section may be had by complying with the foregoing provisions of this paragraph.

All persons, firms, or corporations undertaking as a matter of business or for profit the collection of foreign payments of such interest or dividends by means of coupons, checks, or bills of exchange shall obtain a license from the Commissioner of Internal Revenue, and shall be subject to such regulations enabling the Government to ascertain and verify the due withholding and payment of the income tax required to be withheld and paid as the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, shall prescribe; and any person who shall knowingly undertake to collect such payments as aforesaid without having obtained a license therefor, or without complying with such regulations, shall be deemed guilty of a misdemeanor and for each offense be fined in a sum not exceeding \$5,000, or imprisoned for a term not exceeding one year, or both, in the discretion of the court.

The tax herein imposed upon annual gains, profits, and income not falling under the foregoing and not returned and paid by virtue of the foregoing shall be assessed by personal return under rules and regulations to be prescribed by the Commissioner of Internal Revenue and approved by the Secretary of the Treasury.

G. (a) That the normal tax hereinbefore imposed upon individuals likewise shall be levied, assessed, and paid annually upon the entire net income arising or accruing from all sources during the preceding calendar year to every corporation, joint-stock company or association, and every insurance company, organized in the United States, no matter how created or organized, not including partnerships; but if organized, authorized, or existing under the laws of any foreign country, then upon the amount of net income accruing from business transacted and capital invested within the United States during such year: *Provided, however,* That nothing in this section shall apply to labor, agricultural, or horticultural organizations, or to mutual savings banks not having a capital stock represented by shares, or to fraternal beneficiary societies, orders, or associations operating under the lodge system or for the exclusive benefit of the members of a fraternity itself operating under the lodge system, and providing for the payment of life, sick, accident, and other benefits to the members of such societies, orders, or associations and dependents of such members, nor to domestic building and loan associations, nor to cemetery companies, organized and operated exclusively for the mutual benefit of their members, nor to any corporation or association organized and operated exclusively for religious, charitable, scientific, or educational purposes, no part of the net income of which inures to the benefit of any private stockholder or individual, nor to business leagues, nor to chambers of commerce or boards of trade, not organized for profit or no part of the net income of which inures to the benefit of the private stockholder or individual; nor to any civic league or organization not organized for profit, but operated exclusively for the promotion of social welfare: *Provided further,* That there shall not be taxed under this section any income derived from any public utility or from the exercise of any essential governmental function accruing to any State, Territory, or the District of Columbia, or any political subdivision of a State, Territory, or the District of Columbia, nor any income accruing to the government of the Philippine Islands or Porto Rico, or of any political subdivision of the Philippine Islands or Porto Rico: *Provided,* That whenever any State, Territory, or the District of Columbia, or any political subdivision of a State or Territory, has, prior to the passage of this Act, entered in good faith into a contract with any person or corporation, the object and purpose of which is to acquire, construct, operate or maintain a public utility, no tax shall be levied under the provisions of this Act upon the income derived from the operation of such public utility, so far as the payment thereof will impose a loss or burden upon such State, Territory, or the District of Columbia, or a political subdivision of a State or Territory; but this provision is not intended to confer upon such person or corporation any financial gain or exemption or to relieve such person or corporation from the payment of a tax as provided for in this section upon the part or portion of the said income to which such person or corporation shall be entitled under such contract.

(b) Such net income shall be ascertained by deducting from the gross amount of the income of such corporation, joint-stock company or association, or insurance company, received within the year from all sources, (first) all the ordinary and necessary expenses paid within the year in the maintenance and operation of its business and properties, including rentals or other payments required to be made as a condition to the continued use or possession of property; (second) all losses actually sustained within the year and not compensated by insurance or otherwise, including a reasonable allowance for depreciation by use, wear and tear of property, if any; and in the case of mines a reasonable allowance for depletion of ores and

all other natural deposits, not to exceed 5 per centum of the gross value at the mine of the output for the year for which the computation is made; and in case of insurance companies the net addition, if any, required by law to be made within the year to reserve funds and the sums other than dividends paid within the year on policy and annuity contracts: *Provided*, That mutual fire insurance companies requiring their members to make premium deposits to provide for losses and expenses shall not return as income any portion of the premium deposits returned to their policyholders, but shall return as taxable income all income received by them from all other sources plus such portions of the premium deposits as are retained by the companies for purposes other than the payment of losses and expenses and reinsurance reserves: *Provided further*, That mutual marine insurance companies shall include in their return of gross income gross premiums collected and received by them less amounts paid for reinsurance, but shall be entitled to include in deductions from gross income amounts repaid to policyholders on account of premiums previously paid by them and interest paid upon such amounts between the ascertainment thereof and the payment thereof and life insurance companies shall not include as income in any year such portion of any actual premium received from any individual policyholder as shall have been paid back or credited to such individual policyholder, or treated as an abatement of premium of such individual policyholder, within such year; (third) the amount of interest accrued and paid within the year on its indebtedness to an amount of such indebtedness not exceeding one-half of the sum of its interest bearing indebtedness and its paid-up capital stock outstanding at the close of the year, or if no capital stock, the amount of interest paid within the year on an amount of its indebtedness not exceeding the amount of capital employed in the business at the close of the year: *Provided*, That in case of indebtedness wholly secured by collateral the subject of sale in ordinary business of such corporation, joint stock company, or association, the total interest secured and paid by such company, corporation, or association within the year on any such indebtedness may be deducted as a part of its expense of doing business: *Provided further*, That in the case of bonds or other indebtedness, which have been issued with a guaranty that the interest payable thereon shall be free from taxation, no deduction for the payment of the tax herein imposed shall be allowed; and in the case of a bank, banking association, loan, or trust company, interest paid within the year on deposits or on moneys received for investment and secured by interest-bearing certificates of indebtedness issued by such bank, banking association, loan or trust company; (fourth) all sums paid by it within the year for taxes imposed under the authority of the United States or of any State or Territory thereof, or imposed by the Government of any foreign country: *Provided*, That in the case of a corporation, joint-stock company or association, or insurance company, organized, authorized, or existing under the laws of any foreign country, such net income shall be ascertained by deducting from the gross amount of its income accrued within the year from business transacted and capital invested within the United States, (first) all the ordinary and necessary expenses actually paid within the year out of earnings in the maintenance and operation of its business and property within the United States, including rentals or other payments required to be made as a condition to the continued use or possession of property; (second) all losses actually sustained within the year in business conducted by it within the United States and not compensated by insurance or otherwise, including a reasonable allowance for depreciation by use, wear and tear of property, if any, and in the case of mines a reasonable allowance for depletion of ores and all other natural depos-

(c) The tax herein imposed shall be computed upon its entire net income accrued within each preceding calendar year ending December thirty-first: *Provided, however*, That for the year ending December thirty-first, nineteen hundred and thirteen, said tax shall be imposed upon its entire net income accrued within that portion of said year from March first to December thirty-first, both dates inclusive, to be ascertained by taking five-sixths of its entire net income for said calendar year: *Provided further*, That any corporation, joint-stock company or association, or insurance company subject to this tax may designate the last day of any month in the year as the day of the closing of its fiscal year and shall be entitled to have the tax payable by it computed upon the basis of the net income ascertained as herein provided for the year ending on the day so designated in the year preceding the date of assessment instead of upon the basis of the net income for the calendar year preceding the date of assessment; and it shall give notice of the day it has thus designated as the closing of its fiscal year to the collector of the district in which its principal business office is located at any time not less than

thirty days prior to the date upon which its annual return shall be filed. All corporations, joint-stock companies or associations, and insurance companies subject to the tax herein imposed, computing taxes upon the income of the calendar year, shall, on or before the first day of March, nineteen hundred and fourteen, and the first day of March in each year thereafter, and all corporations, joint-stock companies or associations, and insurance companies, computing taxes upon the income of a fiscal year which it may designate in the manner hereinbefore provided, shall render a like return within sixty days after the close of its said fiscal year, and within sixty days after the close of its fiscal year in each year thereafter, or in the case of a corporation, joint-stock company or association, or insurance company, organized or existing under the laws of a foreign country, in the place where its principal business is located within the United States, in such form as the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, shall prescribe, shall render a true and accurate return under oath or affirmation of its president, vice president, or other principal officer, and its treasurer or assistant treasurer, to the collector of internal revenue for the district in which it has its principal place of business, setting forth (first) the total amount of its paid-up capital stock outstanding, or if no capital stock, its capital employed in business, at the close of the year; (second) the total amount of its bonded and other indebtedness at the close of the year; (third) the gross amount of its income, received during such year from all sources, and if organized under the laws of a foreign country the gross amount of its income received within the year from business transacted and capital invested within the United States; (fourth) the total amount of all its ordinary and necessary expenses paid out of earnings in the maintenance and operation of the business and properties of such corporation, joint-stock company or association, or insurance company within the year, stating separately all rentals or other payments required to be made as a condition to the continued use or possession of property, and if organized under the laws of a foreign country the amount so paid in the maintenance and operation of its business within the United States; (fifth) the total amount of all losses actually sustained during the year and not compensated by insurance or otherwise, stating separately any amounts allowed for depreciation of property, and in case of insurance companies the net addition, if any, required by law to be made within the year to reserve funds and the sums other than dividends paid within the year on policy and annuity contracts: *Provided further*, That mutual fire insurance companies requiring their members to make premium deposits to provide for losses and expenses shall not return as income any portion of the premium deposits returned to their policyholders, but shall return as taxable income all income received by them from all other sources plus such portions of the premium deposits as are retained by the companies for purposes other than the payment of losses and expenses and reinsurance reserves: *Provided further*, That mutual marine insurance companies shall include in their return of gross income gross premiums collected and received by them less amounts paid for reinsurance, but shall be entitled to include in deductions from gross income amounts repaid to policyholders on account of premiums previously paid by them, and interest paid upon such amounts between the ascertainment thereof and the payment thereof and life insurance companies shall not include as income in any year such portion of any actual premium received from any individual policyholder as shall have been paid back or credited to such individual policyholder, or treated as an abatement of premium of such individual policyholder, within such year; and in case of a corporation, joint-stock company or association, or insurance company, organized under the

All such returns shall as received be transmitted forthwith by the collector to the Commissioner of Internal Revenue.

All assessments shall be made and the several corporations, joint-stock companies or associations, and insurance companies shall be notified of the amount for which they are respectively liable on or before the first day of June of each successive year, and said assessment shall be paid on or before the thirtieth day of June: *Provided*, That every corporation, joint-stock company or association, and insurance company, computing taxes upon the income of the fiscal year which it may designate in the manner hereinbefore provided, shall pay the taxes due under its assessment within one hundred and twenty days after the date upon which it is required to file its list or

return of income for assessment; except in cases of refusal or neglect to make such return, and in cases of false or fraudulent returns, in which cases the Commissioner of Internal Revenue shall, upon the discovery thereof, at any time within three years after said return is due, make a return upon information obtained as provided for in this section or by existing law, and the assessment made by the Commissioner of Internal Revenue thereon shall be paid by such corporation, joint-stock company or association, or insurance company immediately upon notification of the amount of such assessment; and to any sum or sums due and unpaid after the thirtieth day of June in any year, or after one hundred and twenty days from the date on which the return of income is required to be made by the taxpayer, and after ten days notice and demand thereof by the collector, there shall be added the sum of 5 per centum on the amount of tax unpaid and interest at the rate of 1 per centum per month upon said tax from the time the same becomes due.

(d) When the assessment shall be made, as provided in this section, the returns, together with any corrections thereof which may have been made by the commissioner, shall be filed in the office of the Commissioner of Internal Revenue and shall constitute public records and be open to inspection as such: *Provided*, That any and all such returns shall be open to inspection only upon the order of the President, under rules and regulations to be prescribed by the Secretary of the Treasury and approved by the President: *Provided further*, That the proper officers of any State imposing a general income tax may, upon the request of the governor thereof, have access to said returns or to an abstract thereof, showing the name and income of each such corporation, joint stock company, association or insurance company, at such times and in such manner as the Secretary of the Treasury may prescribe.

If any of the corporations, joint-stock companies or associations, or insurance companies aforesaid, shall refuse or neglect to make a return at the time or times hereinbefore specified in each year, or shall render a false or fraudulent return, such corporation, joint-stock company or association, or insurance company shall be liable to a penalty of not exceeding \$10,000.

That, except in case of personal effects accompanying the passenger, no importation of any merchandise exceeding \$100 in value shall be admitted to entry without the production of a duly certified invoice thereof as required by law, or of an affidavit made by the owner, importer, or consignee, before the collector or his deputy, showing why it is impracticable to produce such invoice; and no entry shall be made in the absence of a certified invoice, upon affidavit as aforesaid, unless such affidavit be accompanied by a statement in the form of an invoice, or otherwise, showing the actual cost of such merchandise, if purchased, or if obtained otherwise than by purchase, the actual market value or wholesale price thereof at the time of exportation to the United States in the principal markets of the country from which the same has been imported, which statement shall be verified by the oath of the owner, importer, consignee, or agent desiring to make entry of the merchandise, to be administered by the collector or his deputy, and it shall be lawful for the collector or his deputy to examine the deponent under oath, touching the sources of his knowledge, information, or belief in the premises, and to require him to produce any letter, paper, or statement of account in his possession, or under his control, which may assist the officers of customs in ascertaining the actual value of the importation or any part thereof, and in default of such production, when so requested, such owner, importer, consignee, or agent shall be thereafter debarred from producing any such letter, paper, or statement for the purpose of avoiding any additional duty, penalty, or forfeiture incurred under this Act, unless he shall show to the satisfaction of the court or the officers of the customs, as the case may be, that it was not in his power to produce the same when so demanded; and no merchandise shall be admitted to entry under the provisions of this section unless the collector shall be satisfied that the failure to produce a duly certified invoice is due to causes beyond the control of the owner, consignee, or agent thereof: *Provided*, That the Secretary of the Treasury may make regulations by which books, magazines, and other periodicals published and imported in successive parts, numbers, or volumes, and entitled to be imported free of duty, shall require but one declaration for the entire series. And when entry of merchandise exceeding \$100 in value is made by a statement in the form of an invoice, the collector shall require a bond for the production of a duly certified invoice.

"F. That whenever merchandise imported into the United States is entered by invoice, a declaration upon a form to be prescribed by the Secretary of the Treasury, according to the nature of the case, shall be filed with the collector of the port at the time of entry by the owner, importer, consignee, or agent, which declaration so filed shall be duly signed by the owner, importer, consignee, or agent before the collector, or before a notary public or other officer duly authorized by law to administer oaths and take acknowledgments, under regulations to be prescribed by the Secretary of the Treasury: *Provided*, That if any of the invoices or bills of lading of any merchandise imported in any one vessel which should otherwise be embraced in said entry have not been received at the date of the entry the declaration may state the fact, and thereupon such merchandise, of which the invoices or bills of lading are not produced, shall not

be included in such entry, but may be entered subsequently. That the Secretary of the Treasury and the Secretary of Commerce are hereby authorized and directed to establish from time to time for statistical purposes a list or enumeration of articles in such detail as in their judgment may be necessary comprehending all goods, wares, and merchandise imported into the United States, and that as a part of the declaration herein provided there shall be either attached thereto or included therein an accurate statement specifying, in the terms of the said detailed list or enumeration, the kinds and quantities of all merchandise imported, and the value of the total quantity of each kind of article, and it shall be the duty of the consular officer, to whom the invoice shall be produced, to require such information to be given.

"G. That if any consignor, seller, owner, importer, consignee, agent, or other person or persons, shall enter or introduce, or attempt to enter or introduce, into the commerce of the United States any imported merchandise by means of any fraudulent or false invoice, declaration, affidavit, letter, paper, or by means of any false statement, written or verbal, or by means of any false or fraudulent practice or appliance whatsoever, or shall make any false statement in the declarations provided for in paragraph F without reasonable cause to believe the truth of such statement, or shall aid or procure the making of any such false statement as to any matter material thereto without reasonable cause to believe the truth of such statement, or shall be guilty of any willful act or omission by means whereof the United States shall or may be deprived of the lawful duties, or any portion thereof, accruing upon the merchandise, or any portion thereof, embraced or referred to in such invoice, declaration, affidavit, letter, paper, or statement, or affected by such act or omission, such person or persons shall upon conviction be fined for each offense a sum not exceeding \$5,000, or be imprisoned for a time not exceeding two years, or both, in the discretion of the court: *Provided*, That nothing in this section shall be construed to relieve imported merchandise from forfeiture by reason of such false statement or for any cause elsewhere provided by law.

"H. That if any consignor, seller, owner, importer, consignee, agent, or other person or persons shall enter or introduce, or attempt to enter or introduce, into the commerce of the United States any imported merchandise by means of any fraudulent or false invoice, declaration, affidavit, letter, paper, or by means of any false statement, written or verbal, or by means of any false or fraudulent practice or appliance whatsoever, or shall make any false statement in the declarations provided for in paragraph F without reasonable cause to believe the truth of such statement, or shall aid or procure the making of any such false statement as to any matter material thereto without reasonable cause to believe the truth of such statement, or shall be guilty of any willful act or omission by means whereof the United States shall or may be deprived of the lawful duties or any portion thereof, accruing upon the merchandise or any portion thereof, embraced or referred to in such invoice, declaration, affidavit, letter, paper, or statement, or affected by such act or omission, such merchandise, or the value thereof, to be recovered from such person or persons, shall be forfeited, which forfeiture shall only apply to the whole of the merchandise or the value thereof in the case or package containing the particular article or articles of merchandise to which such fraud or false paper or statement relates. "I. That the owner, consignee, or agent of any imported merchandise may, at the time when he shall make entry of such merchandise, but not after either the invoice or the merchandise has come under the observation of the appraiser, make such addition in the entry to or such deduction from the cost or value given in the invoice or pro forma invoice or statement in form of an invoice, which he shall produce with his entry, as in his opinion may raise or lower the same to the actual market value or wholesale price of such merchandise at the time of exportation to the United States, in the principal markets of the country from which the same has been imported; and the collector within whose district any merchandise may be imported or entered, whether the same has been actually purchased or procured otherwise than by purchase, shall cause the actual market value or wholesale price of such merchandise to be appraised; and if the appraised value of any article of imported merchandise subject to an ad valorem duty or to a duty based upon or regulated in any manner by the value thereof shall exceed the value declared in the entry, there shall be levied, collected, and paid, in addition to the duties imposed by law on such merchandise, an additional duty of 1 per centum of the total appraised value thereof for each 1 per centum that such appraised value exceeds the value declared in the entry: *Provided*, That the additional duties shall only apply to the particular article or articles in each invoice that are so undervalued and shall not be imposed upon any article upon which the amount of duty imposed by law on account of the appraised value does not exceed the amount of duty that would be imposed if the appraised value did not exceed the entered value, and shall be limited to 75 per centum of the appraised value of such article or articles. Such additional duties shall not be construed to be penal, and shall not be remitted nor payment thereof in any way avoided except in cases arising from a manifest clerical error, nor shall they be refunded in case of exportation of the merchandise, or on any other account, nor shall they be subject to the benefit of drawback: *Provided*, That if the appraised value of any merchandise shall exceed the value declared in the entry by more than 75 per centum, except when arising from a manifest clerical error, such entry shall be held to be presumptively fraudulent, and the collector of customs shall seize such merchandise and proceed as in case of forfeiture for violation of the customs laws, and in any legal proceeding other than a criminal prosecution that may result from such seizure, the undervaluation as shown by the appraisal shall be presumptive evidence of fraud, and the burden of proof shall be on the claimant to rebut the same, and forfeiture shall be adjudged unless he shall rebut such presumption of fraudulent intent by sufficient evidence. The forfeiture provided for in this section shall apply to the whole of the merchandise or the value thereof in the case or package containing the particular article or articles in each invoice which are undervalued: *Provided further*, That all additional duties, penalties, or forfeitures applicable to merchandise entered by a duly certified invoice shall be alike applicable to merchandise entered by a pro forma invoice or statement in the form of an invoice, and no forfeiture or disability of any kind incurred under the provisions of this section shall be remitted or mitigated by the Secretary of the Treasury. The duty shall not, however, be assessed in any case upon an amount less than the entered value, unless by direction of the Secretary of the Treasury in cases in which the importer certifies at the time of entry that the entered value is higher than the foreign market value and that the goods are so entered in order to meet

advances by the appraiser in similar cases then pending on appeal for reappraisal, and the importer's contention shall subsequently be sustained by a final decision on reappraisal, and it shall appear that the action of the importer on entry was taken in good faith, after due diligence and inquiry on his part, and the Secretary of the Treasury shall accompany his directions with a statement of his conclusions and his reasons therefor.

"J. That when merchandise entered for customs duty has been consigned for sale by or on account of the manufacturer thereof, to a person, agent, partner, or consignee in the United States, such person, agent, partner, or consignee shall, at the time of the entry of such merchandise, present to the collector of customs at the port where such entry is made, as a part of such entry, and in addition to the certified invoice or statement in the form of an invoice required by law, a statement signed by such manufacturer, declaring the cost of production of such merchandise, such cost to include all the elements of cost as stated in paragraph L of this Act. When merchandise entered for customs duty has been consigned for sale by or on account of a person other than the manufacturer of such merchandise, to a person, agent, partner, or consignee in the United States, such person, agent, partner, or consignee shall at the time of the entry of such merchandise present to the collector of customs at the port where such entry is made, as a part of such entry, a statement signed by the consignor thereof, declaring that the merchandise was actually purchased by him or for his account, and showing the time when, the place where, and from whom he purchased the merchandise, and in detail the price he paid for the same: *Provided*, That the statements required by this section shall be made in triplicate, and shall bear the attestation of the consular officer of the United States resident within the consular district wherein the merchandise was manufactured, if consigned by the manufacturer or for his account, or from whence it was imported when consigned by a person other than the manufacturer, one copy thereof to be delivered to the person making the statement, one copy to be transmitted with the triplicate invoice of the merchandise to the collector of the port in the United States to which the merchandise is consigned, and the remaining copy to be filed in the consulate.

"K. That it shall be the duty of the appraisers of the United States, and every of them, and every person who shall act as such appraiser, or of the collector, as the case may be, by all reasonable ways and means in his or their power to ascertain, estimate, and appraise (any invoice or affidavit thereto or statement of cost, or of cost of production to the contrary notwithstanding) the actual market value and wholesale price of the merchandise at the time of exportation to the United States, in the principal markets of the country whence the same has been imported, and the number of yards, parcels, or quantities, and actual market value or wholesale price of every of them, as the case may require.

"L. That when the actual market value, as defined by law, of any article of imported merchandise, wholly or partly manufactured and subject to an ad valorem duty, or to a duty based in whole or in part on value, can not be ascertained to the satisfaction of the appraising officer, such officer shall use all available means in his power to ascertain the cost of production of such merchandise at the time of exportation to the United States, and at the place of manufacture, such cost of production to include the cost of materials and of fabrication, and all general expenses to be estimated at not less than 10 per centum, covering each and every outlay of whatsoever nature incident to such production, together with the expense of prepar-

That the appraiser shall revise and correct the reports of the assistant appraisers as he may judge proper, and the appraiser, or, at ports where there is no appraiser, the person acting as such, shall report to the collector his decision as to the value of the merchandise appraised. At ports where there is no appraiser the certificate of the customs officer to whom is committed the estimating and collection of duties, of the dutiable value of any merchandise required to be appraised, shall be deemed and taken to be the appraisal of such merchandise. If the collector shall deem the appraisal of any imported merchandise too low, he may, within sixty days thereafter, appeal to reappraisal, which shall be made by one of the general appraisers, or if the importer, owner, agent, or consignee of such merchandise shall deem the appraisal thereof too high, and shall have complied with the requirements of law with respect to the entry and appraisal of merchandise, he may within ten days thereafter appeal for reappraisal by giving notice thereof to the collector in writing. Such appeal shall be deemed to be finally abandoned and waived unless within two days from the date of filing thereof the person who filed such notice shall deposit with the collector of customs a fee of \$1 for each entry. Such fee shall be deposited and accounted for as miscellaneous receipts, and in case the appeal in connection with which such fee was deposited shall be finally sustained, in whole or in part, such fee shall be refunded to the importer, with the duties found to be collected in excess, from the appropriation for the refund to importers of excess of deposits. The decision of the general appraiser in cases of reappraisal shall be final and conclusive as to the dutiable value of such merchandise against all parties interested therein, unless the importer, owner, consignee, or agent of the merchandise shall deem the reappraisal of the merchandise too high, and shall, within five days thereafter, give notice to the collector, in writing, of an appeal, or unless the collector shall deem the reappraisal of the merchandise too low, and shall within ten days thereafter appeal for re-appraisal; in either case the collector shall transmit the invoice and all the papers appertaining thereto to the board of nine general appraisers, to be by rule thereof duly assigned for determination. functions. In such cases the general appraisers and the Boards of General Appraisers shall give reasonable notice to the importer and the proper representative of the Government of the time and place of each and every hearing at which the parties or their attorneys shall have opportunity to introduce evidence and to hear and cross-examine the witnesses for the other party, and to inspect all samples and all documentary evidence or other papers offered. Affidavits of persons whose attendance can not be procured may be admitted in the discretion of the general appraiser or Board of General Appraisers. The decision of the appraiser, or the person acting as such (in case where no objection is made thereto, either by the collector or by the importer, owner, consignee, or agent), or the single general appraiser in case of no appeal, or of the board of three general appraisers, in all reappraisement cases, shall be final and conclusive against all parties and shall not be subject to review in any manner for any cause in any tribunal or court, and the collector or the person acting as such shall ascertain, fix, and liquidate the rate and amount of the duties to be paid on such merchandise, and the dutiable costs and charges thereon, according to law; and no reappraisement or re-appraisement shall be considered invalid because of the absence of the merchandise or samples thereof before the officer or officers making the same, where no party in interest had demanded the inspection of such merchandise or samples, and where the merchandise or samples were reasonably accessible for inspection.

"N. That the decision of the collector as to the rate and amount of duties chargeable upon imported merchandise, or upon merchandise on which duty shall have been assessed, including all dutiable costs and charges, and as to all fees and exactions of whatever character (except duties on tonnage), shall be final and conclusive against all persons interested therein, unless the owner, importer, consignee, or agent of such merchandise, or the person paying such fees, charges, and exactions other than duties, shall, within thirty days after but not before such ascertainment and liquidation of duties, as well in cases of merchandise entered in bond as for consumption, or within fifteen days after the payment of such fees, charges, and exactions, if dissatisfied with such decision imposing a higher rate of duty, or a greater charge, fee, or exaction, than he shall claim to be legally payable, file a protest or protests in writing with the collector, setting forth therein distinctly and specifically, and in respect to each entry or payment, the reasons for his objections thereto, and if the merchandise is entered for consumption shall pay the full amount of the duties and charges ascertained to be due thereon. Such protest shall be deemed to be finally abandoned and waived unless within thirty days from the date of filing thereof the person who filed such notice or protest shall have deposited with the collector of customs a fee of \$1 with respect to each protest. Such fee shall be deposited and accounted for as miscellaneous receipts, and in case the protest in connection with which such fee was deposited shall be finally sustained in whole or in part, such fee shall be refunded to the importer, with the duties found to be collected in excess, from the appropriation for the refund to importers of excess of deposits. No agreement for a contingent fee in respect to recovery or refund under protest shall be lawful. Compliance with this provision shall be a condition precedent to the validity of the protest and to any refund thereunder, and a violation of this provision shall be punishable by a fine not exceeding \$500, or imprisonment for not more than one year, or both.

"Upon such payment of duties, protest, and deposit of protest fee, the collector shall transmit the invoice and all the papers and exhibits connected therewith to the board of nine general appraisers, for due assignment and determination as provided by law; such determina-

"O. That the general appraisers, or any of them, are hereby authorized to administer oaths, and said general appraisers, the boards of general appraisers, the local appraisers, or the collectors, as the case may be, may cite to appear before them, and examine upon oath any owner, importer, agent, consignee, or other person touching any matter or thing which they, or either of them, may deem material respecting any imported merchandise then under consideration or previously imported within one year, in ascertaining the classification or dutiable value thereof or the rate or amount of duty; and they, or either of them, may require the production of any letters, accounts, contracts, or invoices relating to said merchandise, and may require such testimony to be reduced to writing, and when so taken it shall be filed and preserved for use or reference until the final decision of the collector, appraiser, or said board of appraisers shall be made respecting the valuation or classification of said merchandise, as the case may be; and such evidence shall be given consideration in all subsequent proceedings relating to such merchandise.

"P. That if any person so cited to appear shall neglect or refuse to attend, or shall decline to answer, or shall refuse to answer in writing any interrogatories, and subscribe his name to his deposition, or to produce such papers when so required by a general appraiser, or a board of general appraisers, or a local appraiser, or a collector, he shall be liable to a penalty of not less than \$20 nor more than \$500 and if such person be the owner, importer, or consignee, the appraisement which the Board of General Appraisers or local appraiser, or collector where there is no appraiser, may make of the merchandise shall be final and conclusive; and any person who shall willfully and corruptly swear falsely on an examination before any general appraiser, or Board of General Appraisers, or local appraiser or collector, shall be deemed guilty of perjury; and if he is the owner, importer, or consignee, the merchandise shall be forfeited, or the value thereof may be recovered from him.

"Q. That all decisions of the general appraisers and of the boards of general appraisers, respecting values and rates of duty, shall be preserved and filed, and shall be open to inspection under proper regulations to be prescribed by the Secretary of the Treasury. All decisions of the general appraisers shall be reported forthwith to the Secretary of the Treasury and to the Board of General Appraisers on duty at the port of New York, and the report to the board shall be accompanied, whenever practicable, by samples of the merchandise in question, and it shall be the duty of the said board, under the direction of the Secretary of the Treasury, to cause an abstract to be made and published of such decisions of the appraisers as they or he may deem important, to be published either in full, or if full publication shall not be requested by the Secretary or by the board, then by an abstract containing a general description of the merchandise in question, a statement of the facts upon which the decision is based, and of the value and rate of duty fixed in each case, with reference, whenever practicable, by number or other designation, to samples deposited in the place of samples at New York, and such abstracts shall be issued from time to time, at least once in each week, for the information of customs officers and the public.

"R. That whenever imported merchandise is subject to an ad valorem rate of duty, or to a duty based upon or regulated in any manner by the value thereof, the duty shall be assessed upon the actual market value or wholesale price thereof, at the time of exportation to the United States, in the principal markets of the country from whence exported; that such actual market value shall be held to be the price at which such merchandise is freely offered for sale to all purchasers in said markets, in the usual wholesale quantities, and the price which the seller, shipper, or owner would have received, and was willing to receive, for such merchandise when sold in the ordinary course of trade in the usual wholesale quantities, including the value of all cartons, cases, crates, boxes, sacks, casks, barrels, hogsheads, bottles, jars, demijohns, carboys, and other containers or coverings, whether holding liquids or solids, and all other costs, charges, and expenses incident to placing the merchandise in condition, packed ready for shipment to the United States, and if there be used for covering or holding imported merchandise, whether dutiable or free, any unusual article or form designed for use otherwise than in the bona fide transportation of such merchandise to the United States, additional duty shall be levied and collected upon such material or article at the rate to which the same would be subjected if separately imported. That the words "value," or "actual market value," or "wholesale price," whenever used in this Act, or in any law relating to the appraisement of imported merchandise, shall be construed to be the actual market value or wholesale price of such, or similar merchandise comparable in value therewith, as defined in this Act.

"S. Any merchandise deposited in any public or private bonded warehouse may be withdrawn for consumption within three years from the date of original importation, on payment of the duties and charges to which it may be subject by law at the time of such withdrawal: *Provided*, That nothing herein shall affect or impair existing provisions of law in regard to the disposal of perishable or explosive articles.

"T. That in all suits or informations brought, where any seizure has been made pursuant to any Act providing for or regulating the collection of duties on imports or tonnage, if the property is claimed by any person, the burden of proof shall lie upon such claimant, and in all actions or proceedings for the recovery of the value of merchandise imported contrary to any Act providing for or regulating the collection of duties on imports or tonnage, the burden of proof shall be upon the defendant: *Provided*, That probable cause is shown for such prosecution, to be judged of by the court.

"U. That if any person, persons, corporations, or other bodies, selling, shipping, consigning, or manufacturing merchandise exported to the United States, shall fail or refuse to submit to the inspection of a duly accredited investigating officer of the United States, when so requested to do, any or all of his books, records, or accounts pertaining to the value or classification of such merchandise, then the Secretary of the Treasury, in his discretion, is authorized while such failure or refusal continues to levy an additional duty of 15 per centum ad valorem on all such merchandise when imported into the United States: *Provided, however*, That such additional duties shall not be imposed in case the laws of the country of exportation provide for the administration, by its duly authorized officers, of oaths to invoices, or statements of cost, before certification by consuls, and for punishment for false swearing under said oaths, whenever consuls are directed by the Secretary of State, under section twenty-eight hundred and sixty-two of the Revised Statutes, to require such oaths before certification of the invoices.

"X. No allowance shall be made in the estimation and liquidation of duties for shortage or nonimportation caused by decay, destruction, or injury to fruit or other perishable articles imported into the United States whereby their commercial value has been destroyed, unless under regulations prescribed by the Secretary of the Treasury. Proof to ascertain such destruction or nonimportation shall be lodged with the collector of customs of the port where such merchandise has been landed, or the person acting as such, within ten days after the landing of such merchandise. The provisions hereof shall apply whether or not the merchandise has been entered, and whether or not the duties have been paid or secured to be paid, and whether or not a permit of delivery has been granted to the owner or consignee. Nor shall any allowance be made for damage, but the importers may within ten days after entry abandon to the United States all or any portion of goods, wares, or merchandise of every description included in any invoice and be relieved from the payment of duties on the portion so abandoned: *Provided*, That the portion so abandoned shall amount to 10 per centum or more of the total value or quantity of the invoice. The right of abandonment herein provided for may be exercised whether the goods, wares, or merchandise have been damaged or not, or whether or not the same have any commercial value: *Provided further*, That section twenty-eight hundred and ninety-nine of the Revised Statutes, relating to the return of packages unopened for appraisement, shall in no wise prohibit the right of importers to make all needful examinations to determine whether the right to abandon accrues, or whether by reason of total destruction there is a nonimportation in whole or in part. All merchandise abandoned to the Government by the importers shall be delivered by the importers thereof at such place within the port of arrival as the chief officer of customs may direct, and on the failure of the importers to comply with the direction of the collector or the chief officer of customs, as the case may be, the abandoned merchandise shall be disposed of by the customs authorities under such regulations as the Secretary of the Treasury may prescribe, at the expense of such importers. Where imported fruit or perishable goods have been condemned at the port of original entry within ten days after landing, by health officers or other legally constituted authorities, the importers or their agents shall, within twenty-four hours after such condemna-

Upon receipt of said notice the collector, or person acting as collector, shall at once cause an investigation and a report to be made in writing by at least two customs officers touching the identity and quantity of fruit or perishable goods condemned, and unless proof to ascertain the shortage or nonimportation of fruit or perishable goods shall have been lodged as herein required, or if the importer or his agent fails to notify the collector of such condemnation proceedings as herein provided, proof of such shortage or nonimportation shall not be deemed established and no allowance shall be made in the liquidation of duties chargeable thereon.

"Y. That whenever it shall be shown to the satisfaction of the Secretary of the Treasury that, in any case of unascertained or estimated duties, or payments made upon appeal, more money has been paid to or deposited with a collector of customs than, as has been ascertained by final liquidation thereof, the law required to be paid or deposited, the Secretary of the Treasury shall direct the Treasurer to refund and pay the same out of any money in the Treasury not otherwise appropriated. The necessary moneys therefor are hereby appropriated, and this appropriation shall be deemed a permanent indefinite appropriation; and the Secretary of the Treasury is hereby authorized to correct manifest clerical errors in any entry or liquidation for or against the United States, at any time within one year of the date of such entry, but not afterwards: *Provided*, That the Secretary of the Treasury shall, in his annual report to Congress, give a detailed statement of the various sums of money refunded under the provisions of this Act or of any other Act of Congress relating to the revenue, together with copies of the rulings under which repayments were made.

"Z. That from and after the taking effect of this Act, no collector or other officer of the customs shall be in any way liable to any owner, importer, consignee, or agent of any merchandise, or any other person, for or on account of any rulings or decisions as to the classification of said merchandise or the duties charged thereon, or the collection of any dues, charges, or duties on or on account of said merchandise, or any other matter or thing as to which said owner, importer, consignee, or agent of such merchandise might, under this Act, be entitled to appeal from the decision of said collector or other officer, or from any board of appraisers.

A. That for the purpose of readjusting the present duties on importations into the United States and at the same time to encourage the export trade of this country, the President of the United States is authorized and empowered to negotiate trade agreements with foreign nations wherein mutual concessions are made looking toward freer trade relations and further reciprocal expansion of trade and commerce: *Provided, however,* That said trade agreements before becoming operative shall be submitted to the Congress of the United States for ratification or rejection.

B. That nothing in this Act contained shall be so construed as to abrogate or in any manner impair or affect the provisions of the treaty of commercial reciprocity concluded between the United States and the Republic of Cuba on the eleventh day of December, nineteen hundred and two, or the provisions of the Act of Congress heretofore passed for the execution of the same except as to the proviso of article eight of said treaty, which proviso is hereby abrogated and repealed.

C. the country of production or otherwise, and whether such article or merchandise is imported in the same condition as when exported from the country of production or has been changed in condition by remanufacture or otherwise, there shall be levied and paid, in all such cases, in addition to the duties otherwise imposed by this Act, an additional duty equal to the net amount of such bounty or grant, however the same be paid or bestowed. The net amount of all such bounties or grants shall be from time to time ascertained, determined, and declared by the Secretary of the Treasury, who shall make all needful regulations for the identification of such articles and merchandise and for the assessment and collection of such additional duties.

F. Subsection 1. That all articles of foreign manufacture or production, which are capable of being marked, stamped, branded, or labeled, without injury, shall be marked, stamped, branded, or labeled in legible English words, in a conspicuous place that shall not be covered or obscured by any subsequent attachments or arrangements, so as to indicate the country of origin. Said marking, stamping, branding, or labeling shall be as nearly indelible and permanent as the nature of the article will permit.

All packages containing imported articles shall be marked, stamped, branded, or labeled so as to indicate legibly and plainly, in English words, the country of origin and the quantity of their contents, and until marked in accordance with the directions prescribed in this section no articles or packages shall be delivered to the importer.

Should any article or package of imported merchandise be marked, stamped, branded, or labeled so as not accurately to indicate the quantity, number, or measurement actually contained in such article or package, no delivery of the same shall be made to the importer until the mark, stamp, brand, or label, as the case may be, shall be changed so as to conform to the facts of the case.

The Secretary of the Treasury shall prescribe the necessary rules and regulations to carry out the foregoing provision.

F. Subsection 2. If any person shall fraudulently violate any of the provisions of this Act relating to the marking, stamping, branding, or labeling of any imported articles or packages; or shall fraudulently deface, destroy, remove, alter, or obliterate any such marks, stamps, brands, or labels with intent to conceal the information given by or contained in such marks, stamps, brands, or labels, he shall upon conviction be fined in any sum not exceeding \$5,000, or be imprisoned for any time not exceeding one year, or both.

G. Subsection 1. That all persons are prohibited from importing into the United States from any foreign country any obscene book, pamphlet, paper, writing, advertisement, circular, print, picture, drawing, or other representation, figure, or image on or of paper or other material, or any cast, instrument, or other article of an immoral nature, or any drug or medicine, or any article whatever for the prevention of conception or for causing unlawful abortion, or any lottery ticket, or any advertisement of any lottery. No such articles, whether imported separately or contained in packages with other goods entitled to entry, shall be admitted to entry; and all such articles shall be proceeded against, seized, and forfeited by due course of law. All such prohibited articles and the package in which they are contained in the course of importation shall be detained by the officer of customs, and proceedings taken against the same as hereinafter prescribed, unless it appears to the satisfaction of the collector of customs that the obscene articles contained in the package were inclosed therein without the knowledge or consent of the importer, owner, agent, or consignee: *Provided*, That the drugs hereinbefore mentioned, when imported in bulk and not put up for any

of the purposes hereinbefore specified, are excepted from the operation of this subsection.

G. Subsection 2. That whoever, being an officer, agent, or employee of the Government of the United States, shall knowingly aid or abet any person engaged in any violation of any of the provisions of law prohibiting importing, advertising, dealing in, exhibiting, or sending or receiving by mail obscene or indecent publications or representations, or means for preventing conception or procuring abortion, or other articles of indecent or immoral use or tendency, shall be deemed guilty of a misdemeanor, and shall for every offense be punishable by a fine of not more than \$5,000, or by imprisonment at hard labor for not more than ten years, or both.

That any central distilling and denaturing plant provided for in section two of this Act may, in addition to the spirits produced under section one of this Act, use any of the products of farms, fruit orchards, or any substance whatever, for the manufacture of alcohol for denaturation only: *Provided*, That at such distilleries the use of cisterns or tanks of such size and construction as may be deemed expedient shall be permitted in lieu of distillery bonded warehouses under such rules and regulations as the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, may prescribe.

Where no duty is assessable upon the importation of a corresponding by-product, no drawback shall be payable on such by-product produced from the imported material; if, however, the principal product is exported, then on the exportation thereof there shall be refunded as drawback the whole of the duty paid on the imported material used in the production of both the principal and the by-product, less 1 per cent, as hereinbefore provided: *Provided further,* That when the articles exported are manufactured in part from domestic materials, the imported materials or the parts of the articles manufactured from such materials, shall so appear in the completed articles that the quantity or measure thereof may be ascertained: *And provided further,* That the drawback on any article allowed under existing law shall be continued at the rate herein provided. That the imported materials used in the manufacture or production of articles entitled to drawback of customs duties when exported shall, in all cases where drawback of duties paid on such materials is claimed, be identified, the quantity of such materials used and the amount of duties paid thereon shall be ascertained, the facts of the manufacture or production of such articles in the United States and their exportation therefrom shall be determined, and the drawback due thereon shall be paid to the manufacturer, producer, or exporter, to the agent of either or to the person to whom such manufacturer, producer, exporter, or agent shall in writing order such drawback paid, under such regulations as the Secretary of the Treasury shall prescribe.

That on the exportation of flavoring extracts, medicinal or toilet preparations (including perfumery) hereafter manufactured or produced in the United States in part from domestic alcohol on which an internal-revenue tax has been paid, there shall be allowed a drawback equal in amount to the tax found to have been paid on the alcohol so

used: *Provided*, That no other than domestic tax-paid alcohol shall have been used in the manufacture or production of such preparations. Such drawback shall be determined and paid under such rules and regulations, and upon the filing of such notices, bonds, bills of lading, and other evidence of payment of tax and exportation, as the Secretary of the Treasury shall prescribe.

That the provisions of this section shall apply to materials used in the construction and equipment of vessels built for foreign account and ownership, or for the government of any foreign country, notwithstanding that such vessels may not within the strict meaning of the term be articles exported.

P. That upon the reimportation of articles once exported, of the growth, product, or manufacture of the United States, upon which no internal tax has been assessed or paid, or upon which such tax has been paid and refunded by allowance or drawback, there shall be levied, collected, and paid a duty equal to the tax imposed by the internal-revenue laws upon such articles, except articles manufactured in bonded warehouses and exported pursuant to law, which shall be subject to the same rate of duty as if originally imported, but proof of the identity of such articles shall be made under general regulations to be prescribed by the Secretary of the Treasury.

Q. That on and after the day when this Act shall go into effect all goods, wares, and merchandise previously imported, for which no entry has been made, and all goods, wares, and merchandise previously entered without payment of duty and under bond for warehousing, transportation, or any other purpose, for which no permit of delivery to the importer or his agent has been issued, shall be subjected to the duties imposed by this Act and to no other duty, upon the entry or the withdrawal thereof: *Provided*, That when duties are based upon the weight of merchandise deposited in any public or private bonded warehouse, said duties shall be levied and collected upon the weight of such merchandise at the time of its entry.

R.
