When in the case of any such reorganization, merger or consolidation the aggregate par or face value of the new stock or securities received is in excess of the aggregate par or face value of the stock or securities exchanged, a like amount in par or face value of the new stock or securities received shall be treated as taking the place of the stock or securities exchanged, and the amount of the excess in par or face value shall be treated as a gain to the extent that the fair market value of the new stock or securities is greater than the cost (or if acquired prior to March 1, 1913, the fair market value as of that date) of the stock or securities exchanged.

(b) If for any taxable year beginning after October 31, 1918, and ending prior to January 1, 1920, it appears upon the production of evidence satisfactory to the Commissioner that any taxpayer has sustained a net loss, the amount of such net loss shall under regulations prescribed by the Commissioner with the approval of the Secretary be deducted from the net income of the taxpayer for the preceding taxable year; and the taxes imposed by this title and by Title III for such preceding taxable year shall be redetermined accordingly. Any amount found to be due to the taxpayer upon the basis of such redetermination shall be credited or refunded to the taxpayer in accordance with the provisions of section 252. If such net loss is in excess of the net income for such preceding taxable year, the amount of such excess shall under regulations prescribed by the Commissioner with the approval of the Secretary be allowed as a deduction in computing the net income for the succeeding taxable year.

In the case of leases the deductions allowed by this paragraph shall be equitably apportioned between the lessor and lessee;</p>

In such case payment of the amount of the tax covered by such claim shall not be required until the claim is decided, but the taxpayer shall accompany his claim with a bond in double the amount of the tax covered by the claim, with sureties satisfactory to the Commissioner, conditioned for the payment of any part of such tax found to be due, with interest. If any part of such claim is disallowed then the remainder of the tax due shall on notice and demand by the collector be paid by the taxpayer with interest at the rate of 1 per centum per month from the time the tax would have been due had no such claim been filed. If it is shown to the satisfaction of the Commissioner that such substantial loss has been sustained, then in computing the tax imposed by this title the amount of such loss shall be deducted from the net income. (b) If no such claim is filed, but it is shown to the satisfaction of the Commissioner that during the taxable year 1919 the taxpayer has sustained a substantial loss of the character above described then the amount of such loss shall be deducted from the net income for the taxable year 1918 and the tax imposed by this title for such year shall be redetermined accordingly. In case of failure to file a return, the collector shall collect the tax on such income, and all property belonging to such nonresident alien individual shall be liable to distraint for the tax.

SEC. 218. (a) That individuals carrying on business in partnership shall be liable for income tax only in their individual capacity. There shall be included in computing the net income of each partner his distributive share, whether distributed or not, of the net income of the partnership for the taxable year, or, if his net income for such taxable year is computed upon the basis of a period different from that upon the basis of which the net income of the partnership is computed, then his distributive share of the net income of the partnership for any accounting period of the partnership ending within the fiscal or calendar year upon the basis of which the partner's net income is computed.

The partner shall, for the purpose of the normal tax, be allowed as credits, in addition to the credits allowed to him under section 216, his proportionate share of such amounts specified in subdivisions (a) and (b) of section 216 as are received by the partnership.

(c) In the case of an individual member of a partnership which makes return for a fiscal year beginning in 1917 and ending in 1918, his proportionate share of any excess-profits tax imposed upon the partnership under the Revenue Act of 1917 with respect to that part of such fiscal year falling in 1917, shall, for the purpose of determining the tax imposed by this title, be credited against that portion of the net income embraced in his personal return for the taxable year 1918 to which the rates for 1917 apply.

(e) Personal service corporations shall not be subject to taxation under this title, but the individual stockholders thereof shall be taxed in the same manner as the members of partnerships. (b) The fiduciary shall be responsible for making the return of income for the estate or trust for which he acts. The net income of the estate or trust shall be computed in the same manner and on the same basis as provided in section 212, except that there shall also be allowed as a deduction (in lieu of the deduction authorized by paragraph (11) of subdivision (a) of section 214) any part of the gross income which, pursuant to the terms of the will or deed creating the trust, is during the taxable year paid to or permanently set aside for the United States, any State, Territory, or any political subdivision thereof, or the District of Columbia, or any corporation organized and operated exclusively for religious, charitable, scientific, or educational purposes, or for the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual; and in cases under paragraph (4) of subdivision (a) of this section the fiduciary shall include in the return a statement of each beneficiary's distributive share of such net income, whether or not distributed before the close of the taxable year for which the return is made.

(d) In cases under paragraph (4) of subdivision (a), and in the case of any income of an estate during the period of administration or settlement permitted by subdivision (c) to be deducted from the net income upon which tax is to be paid by the fiduciary, the tax shall not be paid by the fiduciary, but there shall be included in computing the net income of each beneficiary his distributive share, whether distributed or not, of the net income of the estate or trust for the taxable year, or, if his net income for such taxable year is computed upon the basis of a period different from that upon the basis of which the net income of the estate or trust is computed, then his distributive share of the net income of the estate or trust for any accounting period of such estate or trust ending within the fiscal or calendar year upon the basis of which such beneficiary's net income is computed. In such cases the beneficiary shall, for the purpose of the normal tax, be allowed as credits in addition to the credits allowed to him under section 216, his proportionate share of such amounts specified in subdivisions (a) and (b) of section 216 as are received by the estate or trust.

SEC. 220. That if any corporation, however created or organized, is formed or availed of for the purpose of preventing the imposition of the surtax upon its stockholders or members through the medium of permitting its gains and profits to accumulate instead of being divided or distributed, such corporation shall not be subject to the tax imposed by section 230, but the stockholders or members thereof shall be subject to taxation under this title in the same manner as provided in subdivision (e) of section 218 in the case of stockholders of a personal service corporation, except that the tax imposed by Title III shall be deducted from the net income of the corporation before the computation of the proportionate share of each stockholder or member. The fact that any corporation is a mere holding company, or that the gains and profits are permitted to accumulate beyond the reasonable needs of the business, shall be prima facie evidence of a purpose to escape the surtax; but the fact that the gains and profits are in any case permitted to accumulate and become surplus shall not be construed as evidence of a purpose to escape the tax in such case unless the Commissioner certifies that in his opinion such accumulation is unreasonable for the purposes of the business. When requested by the Commissioner, or any collector, every corporation shall forward to him a correct statement of such gains and profits and the names and addresses of the individuals or shareholders who would be entitled to the same if divided or distributed, and of the amounts that would be payable to each.

PAYMENT OF TAX AT SOURCE.

SEC. 221. (a) That all individuals, corporations and partnerships, in whatever capacity acting, including lessees or mortgagors of real or personal property, fiduciaries, employers, and all officers and employees of the United States, having the control, receipt, custody, disposal, or payment, of interest, rent, salaries, wages, premiums, annuities, compensations, remunerations, emoluments, or other fixed or determinable annual or periodical gains, profits, and income, of any nonresident alien individual (other than income received as dividends from a corporation which is taxable under this title upon its net income) shall (except in the cases provided for in subdivision (b) and except as otherwise provided in regulations prescribed by the Commissioner under section 217) deduct and withhold from such annual or periodical gains, profits, and income a tax equal to 8 per centum thereof: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld from the interest upon any securities the owners of which are not known to the withholding agent.

(b) In any case where bonds, mortgages, or deeds of trust, or other similar obligations of a corporation contain a contract or provision by which the obligor agrees to pay any portion of the tax imposed by this title upon the obligee, or to reimburse the obligee for any portion of the tax, or to pay the interest without deduction for any tax which the obligor may be required or permitted to pay thereon or to retain therefrom under any law of the United States, the obligor shall deduct and withhold a tax equal to 2 per centum of the interest upon such bonds, mortgages, deeds of trust, or other obligations, whether such interest is payable annually or at shorter or longer periods and whether payable to a nonresident alien individual or to an individual citizen or resident of the United States or to a partnership: *Provided*, That the Commissioner may authorize such tax to be deducted and withheld in the case of interest upon

any such bonds, mortgages, deeds of trust or other obligations, the owners of which are not known to the withholding agent. Such deduction and withholding shall not be required in the case of a citizen or resident entitled to receive such interest, if he files with the withholding agent on or before February 1, a signed notice in writing claiming the benefit of the credits provided in subdivisions (c) and (d) of section 216; nor in the case of a nonresident alien individual if so provided for in regulations prescribed by the Commissioner under section 217.

(c) Every individual, corporation, or partnership required to deduct and withhold any tax under this section shall make return thereof on or before March first of each year and shall on or before June fifteenth pay the tax to the official of the United States Government authorized to receive it. Every such individual, corporation, or partnership is hereby made liable for such tax and is hereby indemnified against the claims and demands of any individual, corporation, or partnership for the amount of any payments made in accordance with the provisions of this section.

(d) Income upon which any tax is required to be withheld at the source under this section shall be included in the return of the recipient of such income, but any amount of tax so withheld shall be credited against the amount of income tax as computed in such return.

(e) If any tax required under this section to be deducted and withheld is paid by the recipient of the income, it shall not be re-collected from the withholding agent; nor in cases in which the tax is so paid shall any penalty be imposed upon or collected from the recipient of the income or the withholding agent for failure to return or pay the same, unless such failure was fraudulent and for the purpose of evading payment.

CREDIT FOR TAXES.

SEC. 222. (a) That the tax computed under Part II of this title shall be credited with:

(1) In the case of a citizen of the United States, the amount of any income, war-profits and excess-profits taxes paid during the taxable year to any foreign country, upon income derived from sources therein, or to any possession of the United States; and

(2) In the case of a resident of the United States, the amount of any such taxes paid during the taxable year to any possession of the United States; and

(3) In the case of an alien resident of the United States who is a citizen or subject of a foreign country, the amount of any such taxes paid during the taxable year to such country, upon income derived from sources therein, if such country, in imposing such taxes, allows a similar credit to citizens of the United States residing in such country; and

The first installment shall be paid at the time fixed by law for filing the return, and the second installment shall be paid on the fifteenth day of the third month, the third installment on the fifteenth day of the sixth month, and the fourth installment on the fifteenth day of the

Periods.

ninth month, after the time fixed by law for filing the return. Where an extension of time for filing a return is granted the time for payment of the first installment shall be postponed until the date of the expiration of the period of the extension, but the time for payment of the other installments shall not be postponed unless the Commissioner so provides in granting the extension. In any case in which the time for the payment of any installment is at the request of the taxpayer thus postponed, there shall be added as part of such installment interest thereon at the rate of $\frac{1}{2}$ of 1 per centum per month from the time it would have been due if no extension had been granted, until paid. If any installment is not paid when due, the whole amount of the tax unpaid shall become due and payable upon notice and demand by the collector.

The tax may at the option of the taxpayer be paid in a single payment instead of in installments, in which case the total amount shall be paid on or before the time fixed by law for filing the return, or, where an extension of time for filing the return has been granted, on or before the expiration of the period of such extension.

(b) As soon as practicable after the return is filed, the Commissioner shall examine it. If it then appears that the correct amount of the tax is greater or less than that shown in the return, the installments shall be recomputed. If the amount already paid exceeds that which should have been paid on the basis of the installments as recomputed, the excess so paid shall be credited against the subsequent installments; and if the amount already paid exceeds the correct amount of the tax, the excess shall be credited or refunded to the taxpayer in accordance with the provisions of section 252.

If the amount already paid is less than that which should have been paid, the difference shall, to the extent not covered by any credits then due to the taxpayer under section 252, be paid upon notice and demand by the collector. In such case if the return is made in good faith and the understatement of the amount in the return is not due to any fault of the taxpayer, there shall be no penalty because of such understatement. If the understatement is due to negligence on the part of the taxpayer, but without intent to defraud, there shall be added as part of the tax 5 per centum of the total amount of the deficiency, plus interest at the rate of 1 per centum per month on the amount of the deficiency of each installment from the time the installment was due.

If the understatement is false or fraudulent with intent to evade the tax, then, in lieu of the penalty provided by section 3176 of the Revised Statutes, as amended, for false or fraudulent returns willfully made, but in addition to other penalties provided by law for false or fraudulent returns, there shall be added as part of the tax 50 per centum of the amount of the deficiency.

(c) If the return is made pursuant to section 3176 of the Revised Statutes as amended, the amount of tax determined to be due under such return shall be paid upon notice and demand by the collector.

(d) Except in the case of false or fraudulent returns with intent to evade the tax, the amount of tax due under any return shall be determined and assessed by the Commissioner within five years after the return was due or was made, and no suit or proceeding for the collection of any tax shall be begun after the expiration of five years after the date when the return was due or was made. In the case of such false or fraudulent returns, the amount of tax due may be determined at any time after the return is filed, and the tax may be collected at any time after it becomes due.

(e) If any tax remains unpaid after the date when it is due, and for ten days after notice and demand by the collector, then, except in the case of estates of insane, deceased, or insolvent persons, there

The Commissioner may approve and accept in like manner security for return and payment of taxes made due and payable by virtue of the provisions of this subdivision, provided the taxpayer has paid in full all other income, war-profits, or excess-profits taxes due from him under any Act of Congress. If security is approved and accepted pursuant to the provisions of this subdivision and such further or other security with respect to the tax or taxes covered thereby is given as the Commissioner shall from time to time find necessary and require, payment of such taxes shall not be enforced by any proceedings under the provisions of this subdivision prior to the expiration of the time otherwise allowed for paying such respective taxes.

the tax paid on account of each creditor in such form that the debtor can conveniently produce such receipts separately to his several creditors in satisfaction of their respective demands up to the amounts stated in the receipts; and such receipt shall be sufficient evidence in favor of such debtor to justify him in withholding from his next payment to his creditor the amount therein stated; but the creditor may, upon giving to his debtor a full written receipt acknowledging the payment to him of any sum actually paid and accepting the amount of tax paid as aforesaid (specifying the same) as a further satisfaction of the debt to that amount, require the surrender to him of such collector's receipt.

Provided, That the Commissioner shall keep a record of all cases in which tangible property is included in invested capital at a value in excess of the stock or shares issued therefor, containing the name and address of each taxpayer, the business in which engaged, the amount of invested capital and net income shown by the return, the value of the tangible property at the time paid in, the par value of the stock or shares specifically issued therefor, and the amount included under this paragraph as paid-in surplus. (b) As used in this title the term "invested capital" does not include borrowed capital.

(c) There shall be deducted from invested capital as above defined a percentage thereof equal to the percentage which the amount of inadmissible assets is of the amount of admissible and inadmissible assets held during the taxable year.

WAR AND EXCESS PROFITS TAX.

(d) The invested capital for any period shall be the average invested capital for such period, but in the case of a corporation making a return for a fractional part of a year, it shall (except for the purpose of paragraph (2) of subdivision (a) of section 311) be the same fractional part of such average invested capital.

Average invested capital determined.

The average invested capital for the prewar period shall be determined by dividing the number of years within that period during the whole of which the corporation was in existence into the sum of the average invested capital for such years.

For prewar period.

SEC. 327. That in the following cases the tax shall be determined as provided in section 328:

Invested capital not determined.

(b) In the case of a foreign corporation;

(c) Where a mixed aggregate of tangible property and intangible property has been paid in for stock or for stock and bonds and the Commissioner is unable satisfactorily to determine the respective values of the several classes of property at the time of payment, or to distinguish the classes of property paid in for stock and for bonds, respectively;

Property for stock not separable.

(d) Where upon application by the corporation the Commissioner finds and so declares of record that the tax if determined without benefit of this section would, owing to abnormal conditions affecting the capital or income of the corporation, work upon the corporation an exceptional hardship evidenced by gross disproportion between the tax computed without benefit of this section and the tax computed by reference to the representative corporations specified in section 328. This subdivision shall not apply to any case (1) in which the tax (computed without benefit of this section) is high merely because the corporation earned within the taxable year a high rate of profit upon a normal invested capital, nor (2) in which 50 per centum or more of the gross income of the corporation for the taxable year (computed under section 233 of Title II) consists of gains, profits, commissions, or other income, derived on a cost-plus basis from a Government contract or contracts made between April 6, 1917, and November 11, 1918, both dates inclusive.

Upon application to prevent hardship from abnormal conditions.

Exceptions.

High earnings on normal capital.

Incomes from cost-plus Government war contracts, etc.

SEC. 328. (a) In the cases specified in section 327 the tax shall be the amount which bears the same ratio to the net income of the taxpayer (in excess of the specific exemption of \$3,000) for the taxable year, as the average tax of representative corporations engaged in a like or similar trade or business, bears to their average net income (in excess of the specific exemption of \$3,000) for such year. In the case of a foreign corporation the tax shall be computed without deducting the specific exemption of \$3,000 either for the taxpayer or the representative corporations.

Tax determined by comparison with average similar business.

Foreign corporations

In computing the tax under this section the Commissioner shall compare the taxpayer only with representative corporations whose invested capital can be satisfactorily determined under section 326 and which are, as nearly as may be, similarly circumstanced with respect to gross income, net income, profits per unit of business transacted and capital employed, the amount and rate of war profits or excess profits, and all other relevant facts and circumstances.

Method directed.

(b) For the purposes of subdivision (a) the ratios between the average tax and the average net income of representative corporations shall be determined by the Commissioner in accordance with regulations prescribed by him with the approval of the Secretary.

In cases in which the tax is to be computed under this section, if the tax as computed without the benefit of this section is less than 50 per centum of the net income of the taxpayer, the installments shall in the first instance be computed upon the basis of such tax; but if the tax so computed is 50 per centum or more of the net income, the installments shall in the first instance be computed upon the basis of a tax equal to 50 per centum of the net income. In any case, the actual ratio when ascertained shall be used in determining the correct amount of the tax. If the correct amount of the tax when determined exceeds 50 per centum of the net income, any excess of the correct installments over the amounts actually paid shall on notice and demand be paid together with interest at the rate of $\frac{1}{2}$ of 1 per centum per month on such excess from the time the installment was due.

(c) The Commissioner shall keep a record of all cases in which the tax is determined in the manner prescribed in subdivision (a), containing the name and address of each taxpayer, the business in which engaged, the amount of invested capital and net income shown by the return, and the amount of invested capital as determined under such subdivision. The Commissioner shall furnish a copy of such record and other detailed information with respect to such cases when required by resolution of either House of Congress, without regard to the restrictions contained in section 257.

PART VI.—REORGANIZATIONS.

SEC. 330. That in the case of the reorganization, consolidation, or change of ownership after January 1, 1911, of a trade or business now carried on by a corporation, the corporation shall for the purposes of this title be deemed to have been in existence prior to that date, and the net income and invested capital of such predecessor trade or business for all or any part of the prewar period prior to the organization of the corporation now carrying on such trade or business shall be deemed to have been the net income and invested capital of such corporation.

If such predecessor trade or business was carried on by a partnership or individual the net income for the prewar period shall, under regulations prescribed by the Commissioner with the approval of the Secretary, be ascertained and returned as nearly as may be upon the same basis and in the same manner as provided for corporations in Title II, including a reasonable deduction for salary or compensation to each partner or the individual for personal services actually rendered.

In the case of the organization as a corporation before July 1, 1919, of any trade or business in which capital is a material income-producing factor and which was previously owned by a partnership or individual, the net income of such trade or business from January 1, 1918, to the date of such reorganization may at the option of the individual or partnership be taxed as the net income of a corporation is taxed under Titles II and III; in which event the net income and invested capital of such trade or business shall be computed as if such corporation had been in existence on and after January 1, 1918, and the undistributed profits or earnings of such trade or business shall not be subject to the surtax imposed in section 211, but amounts distributed on or after January 1, 1918, from the earnings of such trade or business shall be taxed to the recipients as dividends, and all the provisions of Titles II and III relating to corporations shall so far as practicable apply to such trade or business: *Provided*, That this paragraph shall not apply to any trade or business

the net income of which for the taxable year 1918 was less than 20 per centum of its invested capital for such year: *Provided further*, That any taxpayer who takes advantage of this paragraph shall pay the tax imposed by section 1000 of this Act and by the first subdivision of section 407 of the Revenue Act of 1916, as if such taxpayer had been a corporation on and after January 1, 1918, with a capital stock having no par value.

If any asset of the trade or business in existence both during the taxable year and any prewar year is included in the invested capital for the taxable year but is not included in the invested capital for such prewar year, or is valued on a different basis in computing the invested capital for the taxable year and such prewar year, respectively, then under rules and regulations to be prescribed by the Commissioner with the approval of the Secretary such readjustments shall be made as are necessary to place the computation of the invested capital for such prewar year on the basis employed in determining the invested capital for the taxable year.

SEC. 331. In the case of the reorganization, consolidation, or change of ownership of a trade or business, or change of ownership of property, after March 3, 1917, if an interest or control in such trade or business or property of 50 per centum or more remains in the same persons, or any of them, then no asset transferred or received from the previous owner shall, for the purpose of determining invested capital, be allowed a greater value than would have been allowed under this title in computing the invested capital of such previous owner if such asset had not been so transferred or received: *Provided*, That if such previous owner was not a corporation, then the value of any asset so transferred or received shall be taken at its cost of acquisition (at the date when acquired by such previous owner) with proper allowance for depreciation, impairment, betterment or development, but no addition to the original cost shall be made for any charge or expenditure deducted as expense or otherwise on or after March 1, 1913, in computing the net income of such previous owner for purposes of taxation.

PART VII.—MISCELLANEOUS.

SEC. 335. (a) That if a corporation (other than a personal service corporation) makes return for a fiscal year beginning in 1917 and ending in 1918, the tax for the first taxable year under this title shall be the sum of: (1) the same proportion of a tax for the entire period computed under Title II of the Revenue Act of 1917 which the portion of such period falling within the calendar year 1917 is of the entire period, and (2) the same proportion of a tax for the entire period computed under this title at the rates specified in subdivision (a) of section 301 which the portion of such period falling within the calendar year 1918 is of the entire period. Any amount heretofore or hereafter paid on account of the tax imposed for such fiscal year by Title II of the Revenue Act of 1917 shall be credited toward the payment of the tax imposed for such fiscal year by this title, and if the amount so paid exceeds the amount of the tax imposed by this title, the excess shall be credited or refunded to the corporation in accordance with the provisions of section 252.

(b) If a corporation makes return for a fiscal year beginning in 1918 and ending in 1919, the tax for such fiscal year under this title shall be the sum of: (1) the same proportion of a tax for the entire period computed under subdivision (a) of section 301 which the portion of such period falling within the calendar year 1918 is of the entire period, and (2) the same proportion of a tax for the entire period computed under subdivision (b) or (c) of section 301 which the por-

(c) To the extent of any interest therein of which the decedent has at any time made a transfer, or with respect to which he has at any time created a trust, in contemplation of or intended to take effect in possession or enjoyment at or after his death (whether such transfer or trust is made or created before or after the passage of this Act), except in case of a bona fide sale for a fair consideration in money or money's worth. SEC. 403. That for the purpose of the tax the value of the net estate shall be determined—

(a) In the case of a resident, by deducting from the value of the gross estate—

(1) Such amounts for funeral expenses, administration expenses, claims against the estate, unpaid mortgages, losses incurred during the settlement of the estate arising from fires, storms, shipwreck, or other casualty, or from theft, when such losses are not compensated for by insurance or otherwise, and such amounts reasonably required and actually expended for the support during the settlement of the estate of those dependent upon the decedent, as are allowed by the laws of the jurisdiction, whether within or without the United States, under which the estate is being administered, but not including any income taxes upon income received after the death of the decedent, or any estate, succession, legacy, or inheritance taxes;

(2) An amount equal to the value at the time of the decedent's death of any property, real, personal, or mixed, which can be identified as having been received by the decedent as a share in the estate of any person who died within five years prior to the death of the decedent, or which can be identified as having been acquired by the decedent in exchange for property so received, if an estate tax under the Revenue Act of 1917 or under this Act was collected from such estate, and if such property is included in the decedent's gross estate;

(3) The amount of all bequests, legacies, devises, or gifts, to or for the use of the United States, any State, Territory, any political subdivision thereof, or the District of Columbia, for exclusively public purposes, or to or for the use of any corporation organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes, including the encouragement of art and the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual, or to a trustee or trustees exclusively for such religious, charitable, scientific, literary, or educational purposes. This deduction shall be made in case of the estates of all decedents who have died since December 31, 1917; and

(4) An exemption of \$50,000;

(b) In the case of a nonresident, by deducting from the value of that part of his gross estate which at the time of his death is situated in the United States—

(1) That proportion of the deductions specified in paragraph (1) of subdivision (a) of this section which the value of such part bears to the value of his entire gross estate, wherever situated, but in no case shall the amount so deducted exceed 10 per centum of the value of that part of his gross estate which at the time of his death is situated in the United States;

(2) An amount equal to the value at the time of the decedent's death of any property, real, personal, or mixed, which can be identified as having been received by the decedent as a share in the estate of any person who died within five years prior to the death of the decedent, or which can be identified as having been acquired by the decedent in exchange for property so received, if an estate tax under the Revenue Act of 1917 or under this Act was collected from such estate, and if such property is included in that part of the decedent's gross estate which at the time of his death is situated in the United States; and

(3) The amount of all bequests, legacies, devises, or gifts, to or for the use of the United States, any State, Territory, any political subdivision thereof, or the District of Columbia, for exclusively public purposes, or to or for the use of any domestic corporation organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes, including the encouragement of art and the prevention of cruelty to children or animals, no part of the net earnings of which inures to the benefit of any private stockholder or individual, or to a trustee or trustees exclusively for such religious, charitable, scientific, literary, or educational purposes within the United States. This deduction shall be made in case of the estates of all decedents who have died since December 31, 1917; and

No deduction shall be allowed in the case of a nonresident unless the executor includes in the return required to be filed under section 404 the value at the time of his death of that part of the gross estate of the nonresident not situated in the United States.

For the purpose of this title stock in a domestic corporation owned and held by a nonresident decedent, and the amount receivable as insurance upon the life of a nonresident decedent where the insurer is a domestic corporation, shall be deemed property within the United States, and any property of which the decedent has made a transfer or with respect to which he has created a trust, within the meaning of subdivision (c) of section 402, shall be deemed to be situated in the United States, if so situated either at the time of the transfer or the creation of the trust, or at the time of the decedent's death.

In the case of any estate in respect to which the tax under existing law has been paid, if necessary to allow the benefit of the deduction under paragraph (3) of subdivision (a) or (b) the tax shall be redetermined and any excess of tax paid shall be refunded to the executor.

SEC. 404. That the executor, within sixty days after qualifying as such, or after coming into possession of any property of the decedent, whichever event first occurs, shall give written notice thereof to the collector. The executor shall also, at such times and in such manner as may be required by regulations made pursuant to law, file with the collector a return under oath in duplicate, setting forth (a) the value of the gross estate of the decedent at the time of his death, or, in case of a nonresident, of that part of his gross estate situated in the United States; (b) the deductions allowed under section 403; (c) the value of the net estate of the decedent as defined in section 403; and (d) the tax paid or payable thereon; or such part of such information as may at the time be ascertainable and such supplemental data as may be necessary to establish the correct tax.

Return shall be made in all cases where the gross estate at the death of the decedent exceeds \$50,000, and in the case of the estate of every nonresident any part of whose gross estate is situated in the United States. If the executor is unable to make a complete return as to any part of the gross estate of the decedent, he shall include in his return a description of such part and the name of every person holding a legal or beneficial interest therein, and upon notice from the collector such person shall in like manner make a return as to such part of the gross estate. The Commissioner shall make all assessments of the tax under the authority of existing administrative special and general provisions of law relating to the assessment and collection of taxes.

SEC. 405. That if no administration is granted upon the estate of a decedent, or if no return is filed as provided in section 404, or if a return contains a false or incorrect statement of a material fact, the collector or deputy collector shall make a return and the Commissioner shall assess the tax thereon.

If the tax is not paid within one year and 180 days after the decedent's death, interest at the rate of 6 per centum per annum from the expiration of one year after the decedent's death shall be added as part of the tax.
Interest if delayed.	
Payment. Partial, if amount not determined.	SEC. 407. That the executor shall pay the tax to the collector or deputy collector. If the amount of the tax can not be determined, the payment of a sum of money sufficient, in the opinion of the collector, to discharge the tax shall be deemed payment in full of the tax, except as in this section otherwise provided. If the amount so paid exceeds the amount of the tax as finally determined, the Commissioner shall refund such excess to the executor. If the amount of the tax as finally determined exceeds the amount so paid, the collector shall notify the executor of the amount of such excess and demand payment thereof. If such excess part of the tax is not paid within thirty days after such notification, interest shall be added thereto at the rate of 10 per centum per annum from the expiration of such thirty days' period until paid, and the amount of such excess shall be a lien upon the entire gross estate, except such part thereof as may have been sold to a bona fide purchaser for a fair consideration in money or money's worth.

Duplicate receipts for payments.	The collector shall grant to the person paying the tax duplicate receipts, either of which shall be sufficient evidence of such payment, and shall entitle the executor to be credited and allowed the amount thereof by any court having jurisdiction to audit or settle his accounts.
Collection of unpaid taxes.	SEC. 408. That if the tax herein imposed is not paid within 180 days after it is due, the collector shall, unless there is reasonable cause for further delay, proceed to collect the tax under the provisions of general law, or commence appropriate proceedings in any court of the United States, in the name of the United States, to subject the property of the decedent to be sold under the judgment or decree of the court. From the proceeds of such sale the amount of the tax, together with the costs and expenses of every description to be allowed by the court, shall be first paid, and the balance shall be deposited according to the order of the court, to be paid under its direction to the person entitled thereto.
Use of proceeds if property sold.	
Reimbursement from estate if tax paid by other than executor.	If the tax or any part thereof is paid by, or collected out of that part of the estate passing to or in the possession of, any person other than the executor in his capacity as such, such person shall be entitled to reimbursement out of any part of the estate still undistributed or by a just and equitable contribution by the persons whose interest in the estate of the decedent would have been reduced if the tax had been paid before the distribution of the estate or whose interest is subject to equal or prior liability for the payment of taxes, debts, or other charges against the estate, it being the purpose and intent of this title that so far as is practicable and unless otherwise directed by the will of the decedent the tax shall be paid out of the estate before its distribution. If any part of the gross estate consists of proceeds of policies of insurance upon the life of the decedent receivable by a beneficiary other than the executor, the executor shall be entitled to recover from such beneficiary such portion of the total tax paid as the proceeds, in excess of \$40,000, of such policies bear to the net estate. If there is more than one such beneficiary the executor shall be entitled to recover from such beneficiaries in the same ratio.
From life insurance.	
Unpaid tax a lien on gross estate.	SEC. 409. That unless the tax is sooner paid in full, it shall be a lien for ten years upon the gross estate of the decedent, except that such part of the gross estate as is used for the payment of charges

against the estate and expenses of its administration, allowed by any court having jurisdiction thereof, shall be divested of such lien. If the Commissioner is satisfied that the tax liability of an estate has been fully discharged or provided for, he may, under regulations prescribed by him with the approval of the Secretary, issue his certificate releasing any or all property of such estate from the lien herein imposed.

If (a) the decedent makes a transfer of, or creates a trust with respect to, any property in contemplation of or intended to take effect in possession or enjoyment at or after his death (except in the case of a bona fide sale for a fair consideration in money or money's worth) or (b) if insurance passes under a contract executed by the decedent in favor of a specific beneficiary, and if in either case the tax in respect thereto is not paid when due, then the transferee, trustee, or beneficiary shall be personally liable for such tax, and such property, to the extent of the decedent's interest therein at the time of such transfer, or to the extent of such beneficiary's interest under such contract of insurance, shall be subject to a like lien equal to the amount of such tax. Any part of such property sold by such transferee or trustee to a bona fide purchaser for a fair consideration in money or money's worth shall be divested of the lien and a like lien shall then attach to all the property of such transferee or trustee, except any part sold to a bona fide purchaser for a fair consideration in money or money's worth.

SEC. 410. That whoever knowingly makes any false statement in any notice or return required to be filed under this title shall be liable to a penalty of not exceeding \$5,000, or imprisonment not exceeding one year, or both.

Whoever fails to comply with any duty imposed upon him by section 404, or, having in his possession or control any record, file, or paper, containing or supposed to contain any information concerning the estate of the decedent, or, having in his possession or control any property comprised in the gross estate of the decedent, fails to exhibit the same upon request to the Commissioner or any collector or law officer of the United States, or his duly authorized deputy or agent, who desires to examine the same in the performance of his duties under this title, shall be liable to a penalty of not exceeding \$500, to be recovered, with costs of suit, in a civil action in the name of the United States.

(d) A tax equivalent to 8 per centum of the amount paid for seats, berths, and staterooms in parlor cars, sleeping cars, or on vessels, used on or after such date in connection with transportation upon which tax is imposed by subdivision (c);

(e) A tax equivalent to 8 per centum of the amount paid for the transportation on or after such date of oil by pipe line;

(f) In the case of each telegraph, telephone, cable, or radio, dispatch, message, or conversation, which originates on or after such date within the United States, and for the transmission of which the charge is more than 14 cents and not more than 50 cents, a tax of 5 cents; and if the charge is more than 50 cents, a tax of 10 cents: *Provided*, That only one payment of such tax shall be required, notwithstanding the lines or stations of one or more persons are used for the transmission of such dispatch, message, or conversation; and

(g) A tax equivalent to 10 per centum of the amount paid after such date to any telegraph or telephone company for any leased wire or talking circuit special service furnished after such date. This subdivision shall not apply to the amount paid for so much of such service as is utilized (1) in the collection and dissemination of news through the public press, or (2) in the conduct, by a common carrier or telegraph or telephone company, of its business as such;

(h) No tax shall be imposed under this section upon any payment received for services rendered to the United States or to any State or Territory or the District of Columbia. The right to exemption under this subdivision shall be evidenced in such manner as the Commissioner, with the approval of the Secretary, may by regulation prescribe.

SEC. 501. (a) That the taxes imposed by section 500 shall be paid by the person paying for the services or facilities rendered.

(b) If a mileage book used for transportation or accommodation was purchased before November 1, 1917, or if cash fare is paid, the tax imposed by section 500 shall be collected from the person presenting the mileage book, or paying the cash fare, by the conductor or other agent, when presented for such transportation or accommodation, and the amount so collected shall be paid to the United States in such manner and at such times as the Commissioner, with the approval of the Secretary, may prescribe; if a ticket (other than a mileage book) was bought and partially used before November 1, 1917, it shall not be taxed, but if bought but not so used before section 500 takes effect, it shall not be valid for passage until the tax has been paid and such payment evidenced on the ticket in such manner as the Commissioner, with the approval of the Secretary, may by regulation prescribe.

(c) The taxes imposed by section 500 shall apply to all services or facilities specified in such section when rendered for hire, whether

or not the agency rendering them is a common carrier. In case a carrier (other than a pipe line) principally engaged in rendering transportation services or facilities for hire does not, because of its ownership of the goods transported, or for any other reason, receive the amount which as a carrier it would otherwise charge, such carrier shall pay a tax equivalent to the tax which would be imposed upon the transportation of such goods if the carrier received payment for such transportation, such tax, if it can not be computed from actual rates or tariffs of the carrier, to be computed on the basis of the rates or tariffs of other carriers for like services as determined by the Commissioner. In the case of any carrier (other than a pipe line) the principal business of which is to transport goods belonging to it on its own account and which only incidentally renders services for hire, the tax shall apply to such services or facilities only as are actually rendered by it for hire. Nothing in this or the preceding section shall be construed as imposing a tax (1) upon the transportation of any commodity which is necessary for the use of the carrier in the conduct of its business as such and is intended to be so used or has been so used; or (2) upon the transportation of company material transported by one carrier, which constitutes a part of a railroad system, for another carrier which is also a part of the same system.

(d) The tax imposed by subdivision (e) of section 500 shall apply to all transportation of oil by pipe line. In case no charge for transportation is made, by reason of ownership of the commodity transported, or for any other reason, the person transporting by pipe line shall pay a tax equivalent to the tax which would be imposed if such person received payment for such transportation, and if the tax can not be computed from actual bona fide rates or tariffs, it shall be computed (1) on the basis of the rates or tariffs of other pipe lines for like services, as determined by the Commissioner, or (2) if no such rates or tariffs exist, on the basis of a reasonable charge for such transportation, as determined by the Commissioner.

Sec. 502. That each person receiving any payments referred to in section 500 shall collect the amount of the tax, if any, imposed by such section from the person making such payments, and shall make monthly returns under oath, in duplicate, and pay the taxes so collected and the taxes imposed upon it under subdivision (c) or (d) of section 501 to the collector of the district in which the principal office or place of business is located.

No carrier collecting the taxes imposed by subdivision (a) or (b) of section 500 shall be required to list the amount of such tax separately in any bill of lading, freight or express receipt, or other similar document, if the total amount of the transportation charge and the tax is stated therein.

Any person making a refund of any payment upon which tax is collected under this section may repay therewith the amount of the tax collected on such payment; and the amount so repaid may be credited against amounts included in any subsequent monthly return.

The returns required under this section shall contain such information, and be made at such times and in such manner, as the Commissioner, with the approval of the Secretary, may by regulation prescribe.

The tax shall, without assessment by the Commissioner or notice from the collector, be due and payable to the collector at the time so fixed for filing the return. If the tax is not paid when due, there shall be added as part of the tax a penalty of 5 per centum, together with interest at the rate of 1 per centum for each full month, from the time when the tax became due.

(b) Marine, inland, and fire insurance: A tax equivalent to 1 cent on each dollar or fractional part thereof of the premium charged under each policy of insurance or other instrument by whatever name the same is called whereby insurance is made or renewed upon property of any description (including rents or profits), whether against peril by sea or inland waters, or by fire or lightning, or other peril:

(c) Casualty insurance: A tax equivalent to 1 cent on each dollar or fractional part thereof of the premium charged under each policy of insurance or obligation of the nature of indemnity for loss, damage, or liability (except bonds and policies taxable under subdivision 2 of schedule A of Title XI) issued or executed or renewed by any person transacting the business of employer's liability, workmen's compensation, accident, health, tornado, plate glass, steam boiler, elevator, burglary, automatic sprinkler, automobile, or other branch of insurance (except life insurance, and insurance described and taxed in the preceding subdivision): *Provided*, That in case of policies of insurance issued on the industrial or weekly or monthly payment plan the tax shall be 40 per centum of the amount of the first weekly premium or 20 per centum of the amount of the first monthly premium, as the case may be;

(d) Policies issued by any corporation enumerated in section 231, and policies of reinsurance, shall be exempt from the taxes imposed by this section.

SEC. 504. Such returns shall contain such information and be made at such times and in such manner as the Commissioner, with the approval of the Secretary, may by regulation prescribe.

The tax shall, without assessment by the Commissioner or notice

from the collector, be due and payable to the collector at the time so fixed for filing the return. If the tax is not paid when due, there shall be added as part of the tax a penalty of 5 per centum, together with interest at the rate of 1 per centum for each full month, from the time when the tax became due.

Under regulations prescribed by the Secretary, any imported distilled spirits, wines or other liquors which may be in any customs bonded warehouse under the customs laws on the date such prohibition takes effect shall be permitted to remain therein without payment of any taxes or duties thereon, beyond the three-year period provided in section 2971 of the Revised Statutes, during such period of prohibition; and may be exported at any time during such extended period. Any imported spirits, wines or other liquors as to which the three-year bonded period may expire after the passage of this Act and prior to the date such prohibition takes effect may at the option of the owner remain in bond during such period of prohibition.

(c) In lieu of the internal-revenue tax now imposed thereon by law there shall be levied and collected upon all perfumes hereafter imported into the United States containing distilled spirits, a tax of \$1.10 per wine gallon, and a proportionate tax at a like rate on all fractional parts of such wine gallon. Such tax shall be collected by the collector of customs and deposited as internal-revenue collections, under such rules and regulations as the Commissioner, with the approval of the Secretary, may prescribe.

SEC. 601. That no distilled spirits produced after October 3, 1917, shall be imported into the United States from any foreign country, or from the Virgin Islands (unless produced from products the growth of such islands, and not then into any State or Territory or District of the United States in which the manufacture or sale of intoxicating liquor is prohibited), or from Porto Rico, or the Philippine Islands. Under such rules, regulations, and bonds as the Secretary may prescribe, the provisions of this section shall not apply to distilled spirits imported for other than (1) beverage purposes or (2) use in the manufacture or production of any article used or intended for use as a beverage.

SEC. 602. That at registered distilleries producing alcohol, or other high-proof spirits, packages may be filled with such spirits reduced to not less than one hundred proof from the receiving cisterns and tax paid without being entered into bonded warehouse. Such spirits may be also transferred from the receiving cisterns at such distilleries, by means of pipe lines, direct to storage tanks in the bonded warehouse and may be warehoused in such storage tanks. Such spirits may be also transferred in tanks or tank cars to general bonded warehouses for storage therein, either in storage tanks in such warehouses or in the tanks in which they were transferred. Such spirits may also be transferred from receiving cisterns or warehouse storage tanks to barrels, drums, tanks, tank cars, or other approved containers, and may be transported in such containers for exportation or other lawful purposes. The Commissioner, with the approval of the Secretary, is hereby empowered to prescribe all necessary regulations relating to the drawing off, transferring, gauging, storing, and transporting of such spirits; the records to be kept and returns to be made; the size and kind of packages and tanks to be used; the marking, branding, numbering, and stamping of such packages and tanks; the kinds of stamps, if any, to be used; and the time and manner of paying the tax; the kind of bond and the penal sum of same. The tax prescribed by

law must be paid before such spirits are removed from the distillery premises, or from general bonded warehouse in the case of spirits transferred thereto, except as otherwise provided by law.

Under such regulations as the Commissioner, with the approval of the Secretary, may prescribe, distilled spirits may hereafter be drawn from receiving cisterns and deposited in distillery warehouses without having affixed to the packages containing the same, distillery warehouse stamps, and such packages, when so deposited in warehouse, may be withdrawn therefrom on the original gauge where the same have remained in such warehouse for a period not exceeding thirty days from the date of deposit.

Under such regulations as the Commissioner, with the approval of the Secretary, may prescribe, the manufacture, warehousing, withdrawal, and shipment, under the provisions of existing law, of ethyl alcohol for other than (1) beverage purposes or (2) use in the manufacture or production of any article used or intended for use as a beverage, and denatured alcohol, may be exempted from the provisions of section 3283 of the Revised Statutes.

The Commissioner, with the approval of the Secretary, may by regulations exempt distillers of ethyl alcohol, for use in the production of munitions of war, or for other nonbeverage purposes, from so much of the provisions of sections 3264, 3285, or 3309 of the Revised Statutes, and Acts amendatory thereof, respecting the survey of distilleries, the period of fermentation, the filling and emptying of fermenting tubs, and assessments, as, in his judgment, may be expedient: *Provided*, That the bond prescribed in section 3260 of the Revised Statutes shall, in the cases herein provided, be in such sum and contain such further conditions as the Commissioner may require.

SEC. 603. That under such regulations as the Commissioner, with the approval of the Secretary, may prescribe, ethyl alcohol of not less than 180 degrees proof, produced at any central distilling and denaturing plant established under the provisions of subsection 2, paragraph N, of section IV of the Act entitled "An Act to reduce tariff duties and to provide revenue for the Government, and for other purposes," approved October 3, 1913, may be removed from such plant to any central denaturing bonded warehouse for denaturation, or may, before or after denaturation, be removed from such plant or from such denaturing bonded warehouse, free of tax, for use of the United States or for shipment to any nation while engaged against the German Government in the present war, and the removal herein authorized may be made in such tank vessels, tank cars, drums, casks, or other containers as may be approved by the Commissioner. It shall be lawful, under regulations prescribed by the Commissioner, with the approval of the Secretary, for an allowance to be made for leakage or loss by unavoidable accident and without fault or negligence of the distiller, owner, carrier, or his agents or employees, which may occur during the transportation of such spirits or while the same are lawfully stored on either of the premises herein described.

SEC. 604. That upon all distilled spirits produced in or imported into the United States upon which the internal-revenue tax now imposed by law has been paid, and which, on the day after the passage of this Act, are held by any person and intended for sale or for use in the manufacture or production of any article intended for sale, there shall be levied, assessed, collected, and paid a floor tax of \$3.20 (if intended for sale for beverage purposes or for use in the manufacture or production of any article used or intended for use as a beverage) on each proof gallon, and a proportionate tax at a like rate on all fractional parts of such proof gallon.

SEC. 605. That in addition to the tax imposed by this Act on distilled spirits and wines, there shall be levied, assessed, collected, and paid, in lieu of the tax imposed by section 304 of the Revenue Act of 1917, a tax of 30 cents on each proof gallon and a proportionate tax at a like rate on all fractional parts of such proof gallon on all distilled spirits or wines hereafter rectified, purified, or refined in such manner, and on all mixtures hereafter produced in such manner, that the person so rectifying, purifying, refining, or mixing the same is a rectifier within the meaning of section 3244 of the Revised Statutes, as amended: *Provided*, That this tax shall not apply to gin produced by the redistillation of a pure spirit over juniper berries and other aromatics.

Upon all such articles heretofore produced, and which on the day after the passage of this Act are held by any person and intended for sale, there shall be levied, assessed, collected, and paid a floor tax of 15 cents on each proof gallon, and a proportionate tax at a like rate on all fractional parts of each proof gallon; and all such distilled spirits so held and not contained in the distillers' original stamped packages, or in bottles or other containers bearing the distillers' original labels, shall for the purpose of this section be regarded as rectified spirits.

When the process of rectification is completed and the taxes prescribed by this section have been paid, it shall be unlawful for the rectifier or other dealer to reduce in proof or increase in volume such spirits or wine by the addition of water or other substance; nothing herein contained shall, however, prevent a rectifier from using again in the process of rectification spirits already rectified and upon which the taxes have theretofore been paid.

The taxes imposed by this section shall not attach to cordials or liqueurs on which a tax is imposed and paid under section 611 or 613, nor to the mixing and blending of wines, where such blending is for the sole purpose of perfecting such wines according to commercial standards, nor to blends made exclusively of two or more pure straight whiskies aged in wood for a period not less than four years and without the addition of coloring or flavoring matter or any other substance than pure water and if not reduced below ninety proof: *Provided*, That such blended whiskies shall be exempt from tax under this section only when compounded under the immediate supervision of a revenue officer, in such tanks and under such conditions and supervision as the Commissioner, with the approval of the Secretary, may prescribe.

All distilled spirits or wines taxable under this section shall be subject to uniform regulations concerning the use thereof in the manufacture, blending, compounding, mixing, marking, branding, and sale of whisky and rectified spirits, and no discrimination whatsoever shall be made by reason of a difference in the character of the material from which same may have been produced.

The business of a rectifier of spirits shall be carried on, and the tax on rectified spirits shall be paid, under such rules, regulations, and bonds as may be prescribed by the Commissioner, with the approval of the Secretary.

Whoever violates any of the provisions of this section shall be deemed to be guilty of a misdemeanor and, upon conviction, shall be fined not more than \$1,000 or imprisoned not more than two years, and shall, in addition, be liable to double the tax evaded, together with the tax, to be collected by assessment or on any bond given.

SEC. 606. That hereafter collectors shall not furnish wholesale liquor dealer's stamps in lieu of and in exchange for stamps for rectified spirits unless the package covered by stamp for rectified spirits is to be broken into smaller packages.

The Commissioner, with the approval of the Secretary, is authorized to discontinue the use of the following stamps whenever in his judgment the interests of the Government will be subserved thereby:

Distillery warehouse, special bonded warehouse, special bonded rewarehouse, general bonded warehouse, general bonded retransfer, transfer brandy, export tobacco, export cigars, export oleomargarine, and export fermented-liquor stamps.

SEC. 607. That the Commissioner, with the approval of the Secretary, is hereby authorized to require at distilleries, breweries, rectifying houses, and wherever else in his judgment such action may be deemed advisable, the installation of meters, tanks, pipes, or any other apparatus for the purpose of protecting the revenue, and such meters, tanks, and pipes and all necessary labor incident thereto shall be at the expense of the person on whose premises the installation is required. Any such person refusing or neglecting to install such apparatus when so required by the Commissioner shall not be permitted to conduct business on such premises.

SEC. 608. That there shall be levied and collected on all beer, lager beer, ale, porter, and other similar fermented liquor, containing one-half of one per centum, or more, of alcohol, brewed or manufactured and hereafter sold, or removed for consumption or sale, within the United States, by whatever name such liquors may be called, in lieu of the internal-revenue taxes now imposed thereon by law, a tax of \$6.00 for every barrel containing not more than thirty-one gallons, and at a like rate for any other quantity or for the fractional parts of a barrel authorized and defined by law, to be collected under the provisions of existing law.

SEC. 609. That from and after the passage of this Act taxable fermented liquors may be conveyed without payment of tax from the brewery premises where produced to a contiguous industrial distillery of either class established under the Act entitled "An Act to reduce tariff duties and to provide revenue for the Government, and for other purposes," approved October 3, 1913, to be used as distilling material, and the residue from such distillation, containing less than one-half of 1 per centum of alcohol by volume, which is to be used in making beverages, may be manipulated by cooling, flavoring, carbonating, settling, and filtering on the distillery premises or elsewhere.

The removal of the taxable fermented liquor from the brewery to the distillery and the operation of the distillery and removal of the residue therefrom shall be under the supervision of such officer or officers as the Commissioner shall deem proper, and the Commissioner, with the approval of the Secretary, is hereby authorized to make such regulations from time to time as may be necessary to give force and effect to this section and to safeguard the revenue.

SEC. 610. That natural wine within the meaning of this Act shall be deemed to be the product made from the normal alcoholic fermentation of the juice of sound, ripe grapes, without addition or abstraction, except such as may occur in the usual cellar treatment of clarifying and aging: *Provided, however,* That the product made from the juice of sound, ripe grapes by complete fermentation of the must under proper cellar treatment and corrected by the addition (under the supervision of a gauger or storekeeper-gauger in the capacity of gauger) of a solution of water and pure cane, beet, or dextrose sugar (containing, respectively, not less than 95 per centum of actual sugar, calculated on a dry basis) to the must or to the wine, to correct natural deficiencies, when such addition shall not increase the volume of the resultant product more than 35 per centum, and the resultant product does not contain less than five parts per thousand of acid before fermentation and not more than 13 per centum

ever introduced before, at the time of, or after fermentation, except as herein expressly provided: *Provided*, That the addition of pure boiled or condensed grape must or pure crystallized cane or beet sugar, or pure dextrose sugar containing, respectively, not less than 95 per centum of actual sugar, calculated on a dry basis, or water, or any or all of them, to the pure grape juice before fermentation, or to the fermented product of such grape juice, or to both, prior to the fortification herein provided for, either for the purpose of perfecting sweet wines according to commercial standards or for mechanical purposes, shall not be excluded by the definition of pure sweet wine aforesaid: *Provided, however*, That the cane or beet sugar, or pure dextrose sugar added for sweetening purposes shall not be in excess of 11 per centum of the weight of the wine to be fortified: *And provided further*, That the addition of water herein authorized shall be under such regulations as the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, may from time to time prescribe: *Provided, however*, That records kept in accordance with such regulations as to the percentage of saccharine, acid, alcoholic, and added water content of the wine offered for fortification shall be open to inspection by any official of the Department of Agriculture thereto duly authorized by the Secretary of Agriculture; but in no case shall such wines to which water has been added be eligible for fortification under the provisions of this Act, where the same, after fermentation and before fortification, have an alcoholic strength of less than 5 per centum of their volume.

"SEC. 45. That under such regulations and official supervision, and upon the execution of such entries and the giving of such bonds, bills of lading, and other security as the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, shall prescribe, any producer of pure sweet wines as defined by this Act may withdraw wine spirits from any special bonded warehouse in original packages or from any registered distillery in any quantity not less than eighty wine gallons, and may use so much of the same as may be required by him under such regulations, and after the filing of such notices and bonds and the keeping of such records and the rendition of such reports as to materials and products and the disposition of the same as the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, shall prescribe, in fortifying the pure sweet wines made by him, and for no other purpose, in accordance with the foregoing limitations and provisions; and the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, is authorized whenever he shall deem it to be necessary for the prevention of violations of this law to prescribe that wine spirits withdrawn under this section shall not be used to fortify wines except at a certain distance prescribed by him from any distillery, rectifying house, winery, or other establishment used for producing or storing distilled spirits, or for making or storing wines other than wines which are so fortified, and that in the building in which such fortification of wines is practiced no wines or spirits other than those permitted by this regulation shall be stored in any room or part of the building in which fortification of wines is practiced. The use of wine spirits for the fortification of sweet wines under this Act shall be under the immediate supervision of an officer of internal revenue, who shall make returns describing the kinds and quantities of wine so fortified, and shall affix such stamps and seals to the packages containing such wines as may be prescribed by the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury; and the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, shall provide by regulations the time within which wines so fortified with the wine spirits so withdrawn may be subject to inspection, and for final

accounting for the use of such wine spirits and for rewarehousing or for payment of the tax on any portion of such wine spirits which remain not used in fortifying pure sweet wines."

SEC. 618. (a) That under such regulations and upon the execution of such notices, entries, bonds, and other security as the Commissioner, with the approval of the Secretary, may prescribe, domestic wines subject to the tax imposed by section 611 may be removed from the winery where produced, free of tax, for storage on other bonded premises or from such premises to other bonded premises (but not more than one such additional removal shall be allowed), or for exportation from the United States or for use as distilling material at any regularly registered distillery: *Provided, however,* That the distiller using any such wine as material shall, subject to the provisions of section 3309 of the Revised Statutes, as amended, be held to pay the tax on the product of such wines as will include both the alcoholic strength therein produced by fermentation and that obtained from the brandy or wine spirits added to such wines at the time of fortification.

(b) Under regulations prescribed by the Commissioner with the approval of the Secretary, it shall be lawful to produce grape wines on bonded winery premises by the usual method, and to transport and use the same, and like wines heretofore produced and now stored on bonded winery premises, as distilling material for the production of nonbeverage spirits in the production of nonalcoholic wines, containing less than $\frac{1}{2}$ of 1 per centum of alcohol by volume, in any fruit brandy or industrial distillery: *Provided,* That all alcoholic spirits so obtained at any industrial distillery shall be denatured, and all spirits so obtained at any fruit distillery shall be removed and used only for nonbeverage purposes or for denaturation.

SEC. 619. That the collection of the tax on imported still wines, including vermouth, and sparkling wines, including champagne, and on imported liqueurs, cordials, and similar compounds, may be made within the discretion of the Commissioner, with the approval of the Secretary, by assessment instead of by stamps.

SEC. 620. That whoever evades or attempts to evade any tax imposed by sections 611 to 615, both inclusive, or any requirement of sections 610 to 621, both inclusive, or regulation issued pursuant thereto, or whoever, otherwise than as provided in such sections, recovers or attempts to recover any spirits from domestic or imported wine, or whoever rectifies, mixes, or compounds with distilled spirits any domestic wines, other than in the manufacture of liqueurs, cordials, or similar compounds, shall, on conviction, be punished for each such offense by a fine of not exceeding \$5,000, or imprisonment for not more than five years, or both, and in addition thereto by a penalty of double the tax evaded, or attempted to be evaded, to be assessed and collected in the same manner as taxes are assessed and collected, and all wines, spirits, liqueurs, cordials, or similar compounds as to which such violation occurs shall be forfeited to the United States. But the provisions of this section and the provisions of section 3244 of the Revised Statutes, as amended, relating to rectification, or other internal-revenue laws of the United States, shall not be held to apply to or prohibit the mixing or blending of wines subject to tax under the provisions of sections 611 to 615, both inclusive, with each other or with other wines for the sole purpose of perfecting such wines according to commercial standards: *Provided,* That nothing herein contained shall be construed as prohibiting the use of tax-paid grain or other ethyl alcohol in the fortification of sweet wines as defined in section 610 of this Act and section 43 of the Act entitled "An Act to reduce the revenue and equalize duties on imports, and for other purposes," approved October 1, 1890, as amended by this Act.

SEC. 623. That the second paragraph of section 3264 of the Revised Statutes, as amended by section 5 of the Act of March 1, 1879, and as further amended by the Act of June 22, 1910, be amended so as to read as follows:

"In all surveys forty-five gallons of mash or beer brewed or fermented from grain shall represent not less than one bushel of grain, and seven gallons of mash or beer brewed or fermented from molasses shall represent not less than one gallon of molasses, except in distilleries operated on the sour-mash principle, in which distilleries sixty gallons of beer brewed or fermented from grain shall represent not less than one bushel of grain, and except that in distilleries where the filtration-aeration process is used, with the approval of the Commissioner of Internal Revenue; that is, where the mash after it leaves the mash tub is passed through a filtering machine before it is run into the fermenting tub, and only the filtered liquor passes into the fermenting tub, there shall hereafter be no limitation upon the number of gallons of water which may be used in the process of mashing or filtration for fermentation; but the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, in order to protect the revenue, shall be authorized to prescribe by regulation, to be made by him, such character of survey as he may find suitable for distilleries using such filtration-aeration process. The provisions hereof relating to filtration-aeration process shall apply only to sweet-mash distilleries."

SEC. 624. That under such regulations as the Commissioner, with the approval of the Secretary, may prescribe, alcohol or other distilled spirits of a proof strength of not less than one hundred and eighty degrees intended for export free of tax may be drawn from receiving cisterns at any distillery, or from storage tanks in any distillery warehouse, for transfer to tanks or tank cars for export from the United States, and all provisions of existing law relating to the exportation of distilled spirits not inconsistent herewith shall apply to spirits removed for export under the provisions of this Act.

SEC. 625. That section 3255 of the Revised Statutes as amended by the Act of June 3, 1896, and as further amended by the Act of March 2, 1911, be further amended so as to read as follows:

"SEC. 3255. The Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, may exempt distillers of brandy made exclusively from apples, peaches, grapes, pears, pineapples, oranges, apricots, berries, plums, pawpaws, persimmons, prunes, figs, or cherries from any provision of this title relating to the manufacture of spirits, except as to the tax thereon, when in

his judgment it may seem expedient to do so: *Provided*, That where, in the manufacture of wine, artificial sweetening has been used the wine or the fruit pomace residuum may be used in the distillation of brandy, and such use shall not prevent the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, from exempting such distiller from any provision of this title relating to the manufacture of spirits, except as to the tax thereon, when in his judgment it may seem expedient to do so: *And provided further*, That the distillers mentioned in this section may add to not less than five hundred gallons (or ten barrels) of grape cheese not more than five hundred gallons of a sugar solution made from cane, beet, starch, or corn sugar, 95 per centum pure, such solution to have a saccharine strength of not to exceed 10 per centum, and may ferment the resultant mixture on a winery or distillery premises, and such fermented product shall be regarded as distilling material."

SEC. 626. That distilled spirits known commercially as gin of not less than 80 per centum proof may at any time within eight years after entry in bond at any distillery be bottled in bond at such distillery for export without the payment of tax, under such rules and regulations as the Commissioner, with the approval of the Secretary, may prescribe.

SEC. 627. That section 3354 of the Revised Statutes as amended by the Act approved June 18, 1890, be, and is hereby, amended to read as follows:

"SEC. 3164. It shall be the duty of every collector of internal revenue having knowledge of any willful violation of any law of the United States relating to the revenue, within thirty days after coming into possession of such knowledge, to file with the district attorney of the district in which any fine, penalty, or forfeiture may be incurred, a statement of all the facts and circumstances of the case within his knowledge, together with the names of the witnesses, setting forth the provisions of law believed to be so violated on which reliance may be had for condemnation or conviction.

"SEC. 3165. Every collector, deputy collector, internal-revenue agent, and internal-revenue officer assigned to duty under an internal-revenue agent, is authorized to administer oaths and to take evidence touching any part of the administration of the internal-revenue laws with which he is charged, or where such oaths and evidence are authorized by law or regulation authorized by law to be taken.

"SEC. 3167. It shall be unlawful for any collector, deputy collector, agent, clerk, or other officer or employee of the United States to divulge or to make known in any manner whatever not provided by law to any person the operations, style of work, or apparatus of any manufacturer or producer visited by him in the discharge of his official duties, or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any income return, or to permit any income return or copy thereof or any book containing any abstract or particulars thereof to be seen or examined by any person except as provided by law; and it shall be unlawful for any person to print or publish in any manner whatever not provided by law any income return, or any part thereof or source of income, profits, losses, or expenditures appearing in any income return; and any offense against the foregoing provision shall be a misdemeanor and be punished by a fine not exceeding \$1,000 or by imprisonment not exceeding one year, or both, at the discretion of the court; and if the offender be an officer or employee of the United States he shall be dismissed from office or discharged from employment.

"SEC. 3172. Every collector shall, from time to time, cause his deputies to proceed through every part of his district and inquire after and concerning all persons therein who are liable to pay any internal-revenue tax, and all persons owning or having the care and management of any objects liable to pay any tax, and to make a list of such persons and enumerate said objects.

"SEC. 3173. It shall be the duty of any person, partnership, firm, association, or corporation, made liable to any duty, special tax, or other tax imposed by law, when not otherwise provided for, (1) in case of a special tax, on or before the thirty-first day of July in each year, and (2) in other cases before the day on which the taxes accrue, to make a list or return, verified by oath, to the collector or a deputy collector of the district where located, of the articles or objects, including the quantity of goods, wares, and merchandise, made or sold and charged with a tax, the several rates and aggregate amount, according to the forms and regulations to be prescribed by the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, for which such person,

partnership, firm, association, or corporation is liable: *Provided*, That if any person liable to pay any duty or tax, or owning, possessing, or having the care or management of property, goods, wares, and merchandise, article or objects liable to pay any duty, tax, or license, shall fail to make and exhibit a list or return required by law, but shall consent to disclose the particulars of any and all the property, goods, wares, and merchandise, articles, and objects liable to pay any duty or tax, or any business or occupation liable to pay any tax as aforesaid, then, and in that case, it shall be the duty of the collector or deputy collector to make such list or return, which, being distinctly read, consented to, and signed and verified by oath by the person so owning, possessing, or having the care and management as aforesaid, may be received as the list of such person: *Provided further*, That in case no annual list or return has been rendered by such person to the collector or deputy collector as required by law, and the person shall be absent from his or her residence or place of business at the time the collector or a deputy collector shall call for the annual list or return, it shall be the duty of such collector or deputy collector to leave at such place of residence or business, with some one of suitable age and discretion, if such be present, otherwise to deposit in the nearest post office, a note or memorandum addressed to such person, requiring him or her to render to such collector or deputy collector the list or return required by law within ten days from the date of such note or memorandum, verified by oath. And if any person, on being notified or required as aforesaid, shall refuse or neglect to render such list or return within the time required as aforesaid, or whenever any person who is required to deliver a monthly or other return of objects subject to tax fails to do so at the time required, or delivers any return which, in the opinion of the collector, is erroneous, false, or fraudulent, or contains any undervaluation or understatement, or refuses to allow any regularly authorized Government officer to examine the books of such person, firm, or corporation, it shall be lawful for the collector to summon such person, or any other person having possession, custody, or care of books of account containing entries relating to the business of such person or any other person he may deem proper, to appear before him and produce such books at a time and place named in the summons, and to give testimony or answer interrogatories, under oath, respecting any objects or income liable to tax or the returns thereof. The collector may summon any person residing or found within the State or Territory in which his district lies; and when the person intended to be summoned does not reside and can not be found within such State or Territory, he may enter any collection district where such person may be found and there make the examination herein authorized. In any such case the Commissioner may, from his own knowledge and from such information as he can obtain through testimony or otherwise, make a return or amend any return made by a collector or deputy collector.
