CHAP. 318.—An Act To increase the loan basis of adjusted service certificates.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 502 of the World War Adjusted Compensation Act, as amended, is amended by adding at the end thereof two new subdivisions to read as follows:

"(1) For the purpose of this section the loan basis provided in subdivision (g) shall at no time be less than 50 per centum of the face value of the certificate, and in no event shall the rate of interest on any loan made after this subdivision takes effect exceed 4½ per centum per annum, compounded annually. If at the time of application to the Administrator of Veterans' Affairs for a loan the principal and interest on or in respect of any prior loan under this section have not been paid in full by the veteran (whether or not the loan has matured), then, on request of the veteran, the Administrator shall (1) pay or otherwise discharge such unpaid principal and so much of such unpaid interest (accrued or to accrue) as is necessary to make the certificate available for use as security for the new loan and (2) deduct the same from the then existing loan basis of the certificate.

"(m) Loans made by the Administrator of Veterans' Affairs under this section may at his option be made out of the United States Government life insurance fund, or out of the Adjusted Service Certificate Fund created under section 505."

SEC. 2. Section 507 of such Act, as amended, is amended to read as follows:

"**SEC. 507.** All amounts in the fund shall be available for payment, by the Administrator, of adjusted service certificates upon their maturity or the prior death of the veteran, for payments under section 502 to banks on account of notes of veterans, and for making loans authorized by section 502, as amended."
