Sums authorized for fiscal years 1938 and 1939.

(a) All sums authorized in this section and apportioned to the States shall be available for expenditure for one year after the close of the fiscal year for which said sums, respectively, are authorized, and any sum remaining unexpended at the end of the period during which it is available for expenditure shall be reapportioned among the States as provided in section 21 of the Federal Highway Act of 1921 (42 Stat. 212).

Apportionment, availability, etc.

Use of unexpended balances.

(b) On or before January 1 of each year, the Secretary of Agriculture shall apportion among the several States, as provided in section 21 of the Federal Highway Act of 1921, the sums authorized for the fiscal year immediately following. When said apportionment has been made for any fiscal year, the State highway departments may submit projects to the Secretary of Agriculture for his approval. The Secretary of Agriculture shall act upon projects submitted to him under any such apportionment and his approval of any such project shall be deemed a contractual obligation of the Federal Government for the payment of its proportional contribution thereto: *Provided*, That projects approved under any apportionment before the beginning of the fiscal year for which such apportionment has been made may be contracted for by the States and construction thereon may be begun, but the total reimbursements to any State or Territory before the beginning of such fiscal year shall not exceed the total of all previous apportionments to such State or Territory.

SEC. 2. For the purpose of carrying out the provisions of section 23 of the Federal Highway Act of 1921 there is hereby authorized to be appropriated for forest highways, roads, and trails the following sums, to be available until expended in accordance with the provisions of said section 23: The sum of \$14,000,000 for the fiscal year ending June 30, 1938; the sum of \$14,000,000 for the fiscal year ending June 30, 1939: *Provided*, That one-third, but not less than \$3,000,000, of the appropriation made for any fiscal year for carrying out the provisions of said section 23 may hereafter be expended for the purposes enumerated in the first paragraph of clause (a) of said section 23: *And provided further*, That on or before January 1 of each year the Secretary of Agriculture shall apportion and prorate among the several States, Alaska, and Puerto Rico, as provided in said section 23, the sum authorized for the fiscal year immediately following and the Secretary of Agriculture is authorized to approve projects under any such apportionment, and to incur obligations or enter into contracts under his apportionment and prorating of the authorization, and his action in so doing shall be deemed a contractual obligation on the part of the Federal Government for the payment of the cost thereof.

SEC. 3. For the purpose of carrying out the provisions of section 3 of the Federal Highway Act of 1921, as amended June 24, 1930 (46 Stat. 805), there is hereby authorized to be appropriated for the survey, construction, reconstruction, and maintenance of main roads through unappropriated or unreserved public lands, nontaxable Indian lands, or other Federal reservations other than the forest reservations, the sum of \$2,500,000 for the fiscal year ending June 30, 1938, and the sum of \$2,500,000 for the fiscal year ending June 30, 1939, to remain available until expended.

SEC. 4. For the construction, reconstruction, and improvement of roads and trails, inclusive of necessary bridges, in the national parks, monuments, and other areas administered by the National Park Service, including areas authorized to be established as national parks and monuments, and national park and monument approach roads authorized by the Act of January 31, 1931 (46 Stat. 1053), as amended, there is hereby authorized to be appropriated the sum of \$7,500,000 for the fiscal year ending June 30, 1938, and the sum of \$7,500,000 for the fiscal year ending June 30, 1939.

SEC. 5. For the construction and maintenance of parkways, to give access to national parks, and national monuments, or to become connecting sections of a national parkway plan, over lands to which title has been transferred to the United States by the States or by private individuals, there is hereby authorized to be appropriated the sum of \$10,000,000 for the fiscal year ending June 30, 1938, and the sum of \$10,000,000 for the fiscal year ending June 30, 1939: *Provided*, That the location of such parkways upon public lands, national forests, or other Federal reservations shall be determined by agreement between the department having jurisdiction over such lands and the National Park Service.

SEC. 6. For construction and improvement of Indian reservation roads under the provisions of the Act approved May 26, 1928 (45 Stat. 750), there is hereby authorized to be appropriated the sum of \$4,000,000 for the fiscal year ending June 30, 1938, and the sum of \$4,000,000 for the fiscal year ending June 30, 1939: *Provided*, That hereafter the location, type and design of all roads constructed under the provisions of said Act of May 26, 1928, shall be approved by the Bureau of Public Roads before any expenditures are made thereon, and all such construction done by contract shall be under the general supervision of said Bureau.
