S. C., title 41, sec. 5), shall not apply to any purchase or service rendered under this appropriation when the aggregate amount involved does not exceed the sum of \$100.

CORPS OF ENGINEERS

RIVERS AND HARBORS

To be immediately available and to be expended under the direction of the Secretary of War and the supervision of the Chief of Engineers, and to remain available until expended:

For the preservation and maintenance of existing river and harbor works, and for the prosecution of such projects heretofore authorized as may be most desirable in the interests of commerce and navigation; for survey of northern and northwestern lakes and other boundary and connecting waters as heretofore authorized, including the preparation, correction, printing, and issuing of charts and bulletins and the investigation of lake levels; for prevention of obstructive and injurious deposits within the harbor and adjacent waters of New York City; for expenses of the California Débris Commission in carrying on the work authorized by the Act approved March 1, 1893 (U. S. C., title 33, sec. 661); for such works, hereby authorized, as may be necessary for the protection of the town of Collinsville, Alabama; for removing sunken vessels or craft obstructing or endangering navigation as authorized by law; for operating and maintaining, keeping in repair, and continuing in use without interruption any lock, canal (except the Panama Canal), canalized river, or other public works for the use and benefit of navigation belonging to the United States; for payment annually of tuition fees of not to exceed thirty-five student officers of the Corps of Engineers at civil technical institutions under the provisions of section 127a of the National Defense Act, as

amended (U. S. C., title 10, sec. 535); for examinations, surveys, and contingencies of rivers and harbors; and for printing, including illustrations, as may be authorized by the Committee on Printing of the House of Representatives, either during a recess or session of Congress, of surveys authorized by law, and such surveys as may be printed during a recess of Congress shall be printed, with illustrations, as documents of the next succeeding session of Congress, and for the purchase of motor-propelled passenger-carrying vehicles and motorboats, for official use, not to exceed \$197,971: *Provided*, That no funds shall be expended for any preliminary examination, survey, project, or estimate not authorized by law, \$128,000,000: *Provided further*, That from this appropriation the Secretary of War may, in his discretion and on the recommendation of the Chief of Engineers based on the recommendation by the Board for Rivers and Harbors in the review of a report or reports authorized by law, expend such sums as may be necessary for the maintenance of harbor channels provided by a State, municipality, or other public agency, outside of harbor lines and serving essential needs of general commerce and navigation, such work to be subject to the conditions recommended by the Chief of Engineers in his report or reports thereon: *Provided further*, That no appropriation under the Corps of Engineers for the fiscal year 1938 shall be available for any expenses incident to operating any power-driven boat or vessel on other than Government business: *Provided further*, That not to exceed \$3,000 of the amount herein appropriated shall be available for the support and maintenance of the Permanent International Commission of the Congresses of Navigation and for the payment of the actual expenses of the properly accredited delegates of the United States to the meeting of the congresses and of the commission.

The Act entitled "An Act authorizing the construction of certain public works on rivers and harbors for flood control, and for other purposes", approved June 22, 1936, is hereby amended by adding to the first paragraph of section 5, a proviso reading as follows: "*Provided further*, That the Secretary of War is authorized to receive from States and political subdivisions thereof, such funds as may be contributed by them to be expended in connection with funds appropriated by the United States for any authorized flood control work whenever such work and expenditure may be considered by the Secretary of War, on recommendation of the Chief of Engineers, as advantageous in the public interest, and the plans for any reservoir project may, in the discretion of the Secretary of War, on recommendation of the Chief of Engineers, be modified to provide additional storage capacity for domestic water supply or other conservation storage, on condition that the cost of such increased storage capacity is contributed by local agencies and that the local agencies agree to utilize such additional storage capacity in a manner consistent with Federal uses and purposes: *And provided further*, That when contributions made by States and political subdivisions thereof, are in excess of the actual cost of the work contemplated and properly chargeable to such contributions, such excess contributions may, with the approval of the Secretary of War, be returned to the proper representatives of the contributing interests."

Flood control, Mississippi River and tributaries: For prosecuting work of flood control in accordance with the provisions of the Flood Control Act, approved May 15, 1928 (U. S. C., title 33, sec. 702a), as amended by the Flood Control Act approved June 15, 1936 (49 Stat. 1508), and for the purchase of motor-propelled passenger-carrying vehicles and motorboats, for official use, not to exceed \$56,300, \$22,500,000, and, in addition, \$22,500,000 of the appropriation of \$1,500,000,000 contained in the Emergency Relief Appropriation Act of 1937 shall be available exclusively for carrying out the provisions of such Flood Control Act, approved May 15, 1928, as amended by such Flood Control Act, approved June 15, 1936, and of such additional amount, \$7,500,000 shall be in augmentation of the foregoing appropriation of \$22,500,000, and the remainder shall be expended under the direction of the Chief of Engineers subject to the provisions established in and in pursuance of such Emergency Relief Appropriation Act of 1937 not inconsistent herewith: *Provided*, That the requirement in section 1 of such Emergency Relief Appropriation Act of 1937 that no Federal construction project shall be undertaken unless and until there have been allocated and irrevocably set aside sufficient funds for its completion shall not apply to flood-control projects authorized by such Flood Control Act, approved June 22, 1936.

Emergency fund for flood control on tributaries of Mississippi River: For rescue work and for repair or maintenance of any flood-control work on any tributaries of the Mississippi River threatened or destroyed by flood, in accordance with section 9 of the Flood Control Act, approved June 15, 1936 (49 Stat. 1508), \$300,000.

Flood control, Sacramento River, California: For prosecuting work of flood control in accordance with the provisions of the Flood Control Act approved March 1, 1917 (U. S. C., title 33, sec. 703), as modified by the Flood Control Act approved May 15, 1928 (U. S. C., title 33, sec. 704), including not to exceed \$2,600 for the purchase of

motor-propelled passenger-carrying vehicles and motorboats, for official use, \$814,500.

Flood control, Lowell Creek, Alaska: For maintenance of flood-control works in accordance with the Act approved February 14, 1933 (47 Stat., p. 802), \$1,000.

Flood control, Salmon River, Alaska: For maintenance repairs to dikes in the flood-control works at the town of Hyder, Alaska, as authorized by the Act approved June 18, 1934 (48 Stat., p. 991), \$800.

AN ACT

To extend for one additional year the 3½-per-centum interest rate on certain Federal land-bank loans, to provide a 4-per-centum interest rate on such loans for the period July 1, 1938, to June 30, 1939, and to provide for a 4-per-centum interest rate on Land Bank Commissioner's loans for a period of two years.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That (a) effective July 1, 1935, the first sentence of paragraph "Twelfth" of section 12 of the Federal Farm Loan Act, as amended (relating to reduction in interest rates on certain Federal land-bank loans), is amended by striking out the following: "occurring within a period of two years commencing July 1, 1935" and inserting in lieu thereof the following: "occurring within a period of three years commencing July 1, 1935, and shall not exceed 4 per centum per annum for all interest payable on installment dates occurring within a period of one year commencing July 1, 1938".

(b) The fourth sentence of such paragraph "Twelfth" (relating to the time limit on payments made by the United States to land banks on account of such interest reduction) is amended to read as follows: "No payments shall be made to a bank with respect to any period after June 30, 1939."

SEC. 2. Section 32 of the Emergency Farm Mortgage Act, as amended (relating to loans by the Land Bank Commissioner), is amended by adding at the end thereof the following new paragraph:

"Notwithstanding the foregoing provisions of this section, the rate of interest on loans made under this section outstanding when this amendatory paragraph takes effect or made on or after such date, shall not exceed 4 per centum per annum for all interest payable on installment dates occurring within a period of two years commencing on the date when this amendatory paragraph takes effect."
